## **THE UTOPIAN THRONE**

Organised by the Department of Commerce,  
St. Aloysius College (Autonomous), Mangaluru,  
ACME is the premier National level Inter-collegiate  
commerce fest of Coastal Karnataka. The word 'ACME'  
essentially means the point at which something  
is at its best or most developed. The theme for the  
21st year of ACME is 'The Utopian Throne', which  
stands for the topmost position in an idealistic  
society. Hence, this year at ACME we strive to create  
that society and have participants compete to  
grab the sovereign throne of honour, by putting  
forward their best ideas and views while tackling  
real world problems and scenarios. We aim to make  
our participants think about the society at large  
with ways to revamp it, to achieve ACME.

## IGETIS

"I wish I can do what that person can."  
Those are the words that every person wishes one could hear about themselves.

What makes one shine is their inner strength to venture into the world of uncertainty. This event will give you a platform to showcase your skills and prove yourself among your competition. One can claim themselves to be worthy if they can take up the mantle and prove that they are best among the rest to lead the way for the others.
