ANNUAL DAY -144 REPORT 2023-2024

INTRODUCTION

Respected Professor Dr M. S. Moodithaya, Vice Chancellor, NITTE (Deemed to be University), esteemed Chief Guest of the 144th Annual Day celebrations, Rev. Fr Melwin Joseph Pinto, SJ, Rector, St Aloysius Institutions and President of this programme, Dr Narayan Bhat and Dr Ratan Mohunta, Conveners of the Annual Day, Dr Alwyn D'Sa, Registrar Controller of Examinations, Rev. Fr Vincent Pinto, SJ, Finance Officer, Rev. Fr Melwyn S Pinto, SJ, Director, AIMIT & Konkani Institute, Directors: Dr Denis Fernandes, Dr Ronald Nazareth, Dr Loveena Lobo, Dr Charles Furtado, Mr Christon Menezes, the Students' Council President, Deans, members of the Governing Body and the Academic council, Reverend fathers, Reverend Sisters, Members of the SACAA, our esteemed alumni, members of the staff, parents, invitees, esteemed benefactors, members of the media, my dear students, ladies and gentlemen:

Annual Day is an exhilarating experience and an occasion to revisit our great heritage, voice our shared values, our dreams, achievements, unravel the future vision and reaffirm our commitment to the principles of diversity, equity and inclusion facilitating excellence in the quality of education for all sections of the society. Every year brings with it so much freshness, new ideas and opens up new horizons to be explored. In our persevering mission of serving humankind, our faith in the Almighty gets strengthened and we seek His blessings in all our endeavours.

This prestigious institution which is managed by Jesuits has been relentlessly serving the society for the last 144 years without deviating from the vision and mission envisaged by its founding fathers. Needless to say, generations of Jesuits and their collaborators have greatly contributed to our single-minded commitment to the ideal of forming men and women of commitment, competence, compassion and conscience reading the signs of times. Generations of students who have passed through the portals of this great institution have immensely contributed to all spheres of life as ambassadors of this vision and mission and have been catalysts of the social, economic and spiritual transformation at the regional, national and global levels.

It is with great satisfaction and pride that I announce that St Aloysius College (Autonomous) is now St Aloysius (Deemed to be University) and has traversed many significant milestones during the past 144 years and the legacy is carried forward with a renewed hope and aspiration into the 145th year steadily moving towards the fast approaching Jubilee Year of completing 150 years of service to the cause of higher education. As we are proud of our achievements, we have set newer and higher benchmarks and have stretched the boundaries in quest of excellence and service. Today, I feel a deep sense of fulfilment

as this institution consistently attains unprecedented and singular distinctions keeping the motto of the institution ‘Shine to Enkindle’ always as the guiding light.

Distinctive NAAC Grade of A++ with 3.67 CGPA:

St Aloysius Institution has attained yet another distinctive achievement by securing the highest A++ Grade with the Cumulative Grade Point Average (CGPA) of 3.67 out of 4 in the fourth cycle of NAAC Accreditation. The institution is rated as one of the best higher educational institutions in the state and the country with this distinctive grade. The institution has been consistently maintaining significant incremental growth throughout its four cycles of NAAC accreditations.

DEEMED TO BE UNIVERSITY STATUS

This year the institution has secured the distinctive accomplishment by attaining the Deemed to be University status – with a vision to create a university with a difference. St Aloysius (Deemed to be University) has the hallmarks as a diverse, equitable and inclusive ethos creating a saga of developing the talent pool, building the next generation leaders, meeting sustainability requisites and environmental concerns, decentralisation of governance and building a strong school system for global competencies.

The institution emphasizes that the students cultivate a compassionate heart that vibrates for and with others. We, at St Aloysius believe that education is for both formation and transformation. Therefore, we are on a determined journey towards building a humane, just, eco-friendly and gender sensitive society. In a special way we have made a serious attempt at focusing on the sustainable development goals envisaged by the UN and they have been our frame of reference in our curriculum development, pedagogical practices paving the way towards creating an equitable and inclusive growth paradigm which will lead us into an economy driven by shared prosperity. Our goal is to spread the message that we are all one God’s family. Our consistent attempt has been to create a community of persons who are continuously in harmony with nature and the ‘others’. I am sure that the education that we impart in this institution will be able to steadily harness the ever-vibrant cultural diversity of the coastal region and the reservoir of talents of our youth, especially our students, for nation building and harmony which is the need of the hour.

We offer undergraduate and postgraduate programmes across disciplines with more than 20 Research Centres offering Ph.D. Programmes having more than 30 Research Guides recognized by various Universities and Research Institutions.

ANNUAL DAY THEME

The theme – “SAMVARDHANA- Looking back with gratitude; Moving ahead with faith” encapsulates the essence of our transformation from an Autonomous College to a Deemed to be University. It serves as a poignant reminder of our past achievements and a beacon of hope for the promising future that lies ahead.

We take pride in being an iconic institution. It is a euphoric moment where we express our gratitude to our stakeholders, well-wishers, alumni, community and society for partaking in this achievement. We believe that the epitome of diversity and a vision to transform to be a distinctive university with angelic footsteps will create reminiscences of our past and a path of transformative evolution for the future.

Vision:

*Empowering Youth Excellence
in Education to Shape a
Better Future for Humankind.*

Mission:

St Aloysius Institutions of Mangalore Jesuit Educational Society, inspired by the person and the mission of Jesus Christ, and guided by the motto, 'Lucet et Ardet' (Shine to Enkindle) commit themselves to spread the light of knowledge and wisdom to kindle the ardour of faith that does justice by forming men and women for and with others who are academically accomplished, emotionally balanced, morally upright, socially responsible, ecologically sensitive and professionally dedicated so that they become a powerful force for the transformation of the society.

MID-DAY MEAL

St Aloysius provides mid-day Meal Scheme for economically backward students. The college efficiently manages the provision of nutritious meals through Ideal Caterers From (August to January) and Now D and D Caterers, at a subsidized cost. This scheme allows 466 Undergraduate and 31 postgraduate students from BA, B.Com,BCA,BBA,B.Voc,B.Sc,MA,M.Sc,MSW,and M.Com, to benefit from the program. Through a cost-sharing model where students contribute 10 rupees and the college provides 20 rupees per meal, the college ensures affordability while maintaining the quality and nutritional value of the meals. In the academic year 2023-24.

ALOYSIAN FEST-2024

A National Level Undergraduate Fest

On March 16, 2024, St Aloysius, (Deemed to be University) inaugurated the highly anticipated and an exhilarating “Aloysian Fest-2024”, A National Level Undergraduate Fest, with extraordinary pomp and grandeur. This event marked a significant milestone in the institution’s illustrious 144-year history. It was a unique first such event after the college attained the status of ‘Deemed to be University’ wherein all the Post Graduate departments were hosting their annual fests simultaneously.

The fest was like a rainbow, a rendezvous of seven fests, viz,

- (1) **Ark of Arts** by the PG Departments of Social Sciences (English, Journalism & Mass Media Communication, Corporate Psychology and Economics);
- (2) **Saksham** by the PG Studies and Research in Social Work;
- (3) **Udhgam** by the PG Studies and Research in Commerce; (4). **Synapse** by the PG Departments of Biological Sciences (Chemistry, Biotechnology, Biochemistry and Food Science);
- (5) **Quanta** by the PG Departments of Physical Sciences (Physics, Chemistry and Mathematics);
- (6) **Aloysiad** (Sports Meet) by the Department of Physical Education; and
- (7) **Kalaatrividha**, a cultural extravaganza.

The inauguration of the Aloysian Fest-2024 was held at L.F. Rasquinha Hall (LCRI) with the grandiose audience of students from different colleges. The program began with a prayer rendition by the college choir followed by a welcome dance. A short visual profile featured St Aloysius, Deemed to be University’s illustrious pioneering service in the field of education in Dakshina Kannada district. Dr Florin Shelomith Soans, Staff Coordinator welcomed the august gathering and set the right tune for the event. The traditional lighting of the lamp by the dignitaries rendered auspicious meaning to the assembly. The event was inaugurated formally by unveiling of ‘Aloysian Fest- 2024’ by the dignitaries. The inaugural ceremony was compered by Ms Gloria Rodrigues while Dr Nilakanthan V K, Staff Coordinator proposed the vote of thanks.

Ms Shiny Astrid Pereira, an alumna and Kannada Television Actress, was the chief guest and Rev. Fr Melwin Pinto SJ was the president of the program. Ms Shiny in her inaugural address encouraged the students to actively participate in the extra and co-curricular activities. She said, “Though there are so many participants, there are only a few trophies. This clearly tells us that the competitions should help us to learn in life and not just to win.” She recalled her good-old-days in the college and the various opportunities that brought out her hidden talents. She requested all the students to follow their passions in life by exploring themselves. Further she said, “Never to give up despite failures in life.”

In the presidential address Rev. Fr Rector emphasized that the students need to appreciate others and learn from others. When we see the goodness in others and start learning from the others, we would become a better human being and the world would become a better place to live in. The Vice Chancellor Rev. Fr Praveen Martis SJ, invited everyone to carry home the wonderful memories of the fest and the campus. He applauded the staff and the student organisers for planning meticulously for the success of the Aloysian Fest-2024. He motivated the students to have a definite goal and to always grow and progress in life. Life is like a cafeteria, having full of choices; make a choice as per your talent.

Dr Alwyn Dsa, the Registrar & COE, Rev. Fr Vincent Pinto (Finance Officer), Dr Loveena Lobo (Director,

Maffei Block), Dr Ronald Nazareth (Director, LCRI Block), Dr P P Sajimon (Dean, PG Studies) and the staff coordinators Dr Florin Shelomith Soans, Dr Nilakanthan V K, Ms Renita Fernandes and Ms Jovita Soans, Assistant staff coordinators graced the dais with their valuable presence.

The evening valedictory program was presided over by Rev. Fr Praveen Martis SJ, the vice chancellor of St Aloysius (Deemed to be University). The stage was graced by Dr Loveena Lobo, Dr Ronald Nazareth, Dr P P Sajimon, the staff coordinators Dr Florin Soans, Dr Nilakanthan V K, Ms Renita Fernandes and Ms Jovita Soans and the student coordinators Mr Paul Dcosta, Mr Roshan, Ms Nuthan M M and Ms Delma Dcunha. Ms Anshika compered the valedictory program. Ms Renita Joyce Fernandes welcomed the gathering while Ms Jovita Soans proposed the vote of thanks acknowledging the contribution of each and every one for the successful conduct of the event. In the valedictory the runners-up and winners of each fest were declared and awarded by the dignitaries on the stage.

Christmas Celebrations At St Aloysius College

St Aloysius College staff celebrated Christmas in a unique way on 23 December in L F Rasquinha Hall of LCRI Hall. Sr Rose Celine-the Superior General of Bethany Congregation, Mangaluru, was the Chief Guest for the Celebration. Rev. Fr Melwin Pinto SJ, Rector of St Aloysius Institutions, presided over the programme. Rev. Dr Praveen Martis SJ, Principal, Dr Mahalinga Bhat, HoD of Kannada Department and Anup Denzil Veigas, Convenor of the Programme were on the dais.

Chief Guest, Sr Rose Celine in her address, gave a meaningful message of Christmas. She said, “With the passing of time, facing the least expected effects of the pandemic in the unexpected and untimely death of our loved ones, personally or as a family infected by the deadly disease, having no adequate medical facilities, when lack of oxygen forced people to gasp for breath, caught up in financial constraints, gripped by the fear psychosis, amidst the hopelessness of discovery and availability of vaccination, the onslaught of unpredictable variants, some began to ask the question ‘Where is God?’ ‘Does God really exist?’ ‘Why is He Silent?’ It seemed darkness engulfed the earth and the soul; In this precarious alarming and helpless situation some lost faith in God, others had a quick recourse to God with deeper faith and God became their only refuge and source of strength, and only saviour”

There were variety of performances by the Teaching and Non-Teaching staff members. A Christmas dance by Ms Ashrita and Team; Christmas Skit by Dr Zeena Flavia D’Souza and Team, Stunning Carol Singing by the non-teaching staff led by Jacintha Crasta & Team rocked the stage.

Eid-UI-Fitr will be celebrated on April 18, 2024.

INTERNSHIP CELL

As per the National Education Policy 2020 (NEP-2020), the goal of education should be to produce morally upright individuals with strong ethical foundations and values, who are compassionate, empathetic, courageous, resilient, and have a creative imagination in addition to their scientific temper. It seeks to create citizens who are involved, creative, and contribute to the creation of the pluralistic, inclusive, and egalitarian society that our Constitution envisions. The NEP-2020 aims to support high-quality research in higher education, and research and innovation are two fundamentally significant components of HEIs' ability to provide high-quality education. Only with a strong foundation in knowledge, skills, values, and a thriving, research-oriented higher education ecosystem can we effectively address the requirements of our nation's society and promote sustainable development.

As per UGC notification, all Undergraduate students are expected to undergo 60 hours (2 credits)

internships after Semester IV. Nodal Officer and stream-wise Coordinators were appointed for the smooth flow of internship activities. Students can take up internship on employability or research internship. After completing 60 hours of internship, students must submit internship report in prescribed format and also appear for Viva-voce examination on internship.

1,641 students have completed internships/mini projects while pursuing their under-graduation.

ST ALOYSIUS COLLEGE GENTS HOSTEL 2023

In the academic year 2023, St Aloysius College Gents Hostel continued to uphold its legacy of providing a welcoming home to a diverse group of students, fostering unity through diversity and knowledge. This annual report encapsulates the key initiatives and achievements that marked the year under the theme "Fostering Unity Through Diversity and Knowledge."

Growth and Accommodation: Founded in 1907 with 47 students, SAC Gents' Hostel has witnessed remarkable growth. The introduction of a new building in 2010 expanded the accommodation to 233, and as of 2023, the hostel proudly accommodates 543 students, demonstrating its commitment to quality living spaces.

Holistic Development: The hostel remains dedicated to nurturing students physically, academically, emotionally, spiritually, ethically, socially, culturally, politically, and psychologically. With an environmentally conscious approach, the hostel maintains a nature-friendly and plastic-free setting, contributing to ecological preservation.

Change of Guard: Acknowledging the commendable services of Fr. Cyril D' Mello and Fr. Clifford Sequeria, we extend our best wishes to them. Welcome to Fr. Melwyn D' Cunha, the new director of the hostel.

Orientation Program: A comprehensive two-day orientation program was organized at the beginning of the academic year, focusing on the holistic development of incoming freshmen. Esteemed faculty members Dr Anup & Dr Glavin and Mrs Kiran Shetty led the sessions, emphasizing academic and personal growth.

Festivals: Festive celebrations were vibrant and joyous, with special events for Onam, Diwali, and Christmas, promoting cultural exchange and spiritual understanding.

Sports and Games: Various indoor and outdoor games were organised to foster teamwork, discipline,

and physical fitness. The hostel community actively participated in activities such as carom, table tennis, chess, football, volleyball, and cricket.

Student Council Election: In line with nurturing leadership qualities, a student council was elected for the academic year 2023, with Somanna P M serving as Hostel Leader and Nikhil as Asst Leader. The council aims to establish a strong link between the student community and the hostel management.

Concessions and Scholarship: Sixty economically disadvantaged students received scholarships totaling seven lakhs, in addition to management scholarships facilitated by Rev Fr Melwin Pinto.

Faith and Spirituality: The hostel embraces students from diverse faiths, fostering harmonious relationships. Daily Rosary, weekly Mass sessions, and occasional interfaith services promote spiritual growth.

Counseling Facilities: Counselling services address academic, personal, and emotional well-being, empowering students to explore their identities and foster healthy relationships. Mr Akil is the in-house counsellor.

Food Facilities and Cleanliness: Homely and hygienic meals are provided by an efficient kitchen staff. The hostel maintains cleanliness through regular fumigation and a new water filtration system.

Infrastructure Enhancements: Several improvements, both functional and aesthetic, were made to the hostel's infrastructure, including the installation of sliding mosquito mesh in multiple buildings, additional CCTV cameras, painting of blocks, and upgrading study hall furniture.

OBSERVATORY REPORT

This report highlights the exciting events, programs, and discoveries made throughout the year (2023-2024) at our observatory. Through stargazing events and programs, we hope to spark a lifelong passion for astronomy.

On March 31st, 2023, Al Solarium Observatory brought the cosmos to Kodman!

Current and former astro club members joined us for a starry adventure. We explored the night sky, marveling at the moon, the swirling M42 Orion Nebula, and the dazzling planet Venus. Telescopes revealed celestial wonders, and discussions sparked under Kodman's dark skies.

On February 19th, 2024, Al Solarium Observatory hosted a captivating stargazing night for students and staff. As twilight faded, participants gathered around the observatory, eager to explore the night sky. We journeyed to the king of planets, Jupiter. The sight of its swirling cloud belts and dancing moons was a breathtaking spectacle. Through telescopes, several of Jupiter's Galilean moons were visible, adding another layer of wonder to the observation.

The exploration continued with iconic deep-sky objects. The magnificent Orion Nebula, a stellar nursery teeming with young stars, captivated everyone. The M45 and Pleiades star clusters, sparkling jewels scattered across the sky, offered a dazzling display.

Throughout the night, lively discussions about astronomy, celestial phenomena, and space exploration filled the air.

To foster a deeper connection with astronomy among students, Al Solarium Observatory established a series of regular stargazing sessions dedicated to the Astro Club. These sessions blend practical knowledge with celestial exploration. Participants gain hands-on experience with telescope operation, allowing them to unlock the secrets of the universe firsthand. Members of the Astro Club guided them in "Celestial Scouting," teaching them to identify constellations, planets, and deep-sky objects using various tools. Additionally, the sessions offer an "Cosmic Knowledge Corner," delving into topics like stellar lifecycles and galaxy formation, providing a strong foundation in astronomy.

Stacked And Processed view of the Messier 45 - The Orion Nebula

During one of the sessions at the Astro Club Observatory, Secretary B G Sathvik Acharya undertook the remarkable task of capturing and processing images of the Orion Nebula. Employing advanced techniques in astrophotography, Acharya stacked multiple images of the Orion Nebula to enhance clarity and detail, resulting in a stunning final image.

Astronomy Club's Digital Revolution: Nihal and Malcolm's Initiative

Nihal and Malcolm, seniors studying in the 3rd year of their Bachelor of Science program, made a big difference in our Astronomy Club. They created a website that helped us share information about our stargazing events with everyone. This website also made it easy for us to keep track of important details about our events. Because of Nihal and Malcolm's hard work, our club became more organized and better at reaching out to people.

ANNUAL REPORT OF EXTENSION SERVICES FOR THE YEAR 2023-24

In a world constantly evolving and facing diverse challenges, the need for holistic education extends beyond traditional classroom boundaries. St Aloysius College recognizes the imperative for a comprehensive approach to learning that not only imparts academic knowledge but also instills in students a deep sense of social responsibility, ecological sensitivity, and emotional balance. The Extension Services at our institution serve as a pivotal bridge connecting the academic realm with the broader community, addressing societal needs and fostering a spirit of civic engagement.

Through the Extension Services at St Aloysius College, students and staff extend a helping hand to those in need, creating a bridge between the campus and the broader community. Beyond the direct benefits conferred, participation in these services offers students the chance to cultivate qualities of

social responsibility, ecological awareness, and emotional equilibrium.

St Aloysius College boasts a comprehensive array of extension programs, including **Sahaaya for undergraduate students, Rural Immersion for postgraduate students and Community Programmes in Adopted Villages under the UBA project, and Professional Listening (Counselling) services for students, staff, and parents.**

At the heart of our extension efforts are two pivotal centres – the Centre for Social Concern and Centre for Environmental Concern – each orchestrating a spectrum of programs within the college premises and beyond. Simultaneously, the Department of Counselling, staffed with six dedicated counsellors, attends to the psychological and emotional needs of students across the various blocks of the college.

I. Sahaaya for UG Students

Sahaaya, a flagship initiative, empowers students to actively contribute to social well-being and awareness of societal responsibilities. Implemented through Extra Curricular (EC)/Co-Curricular (CC) Associations, Sahaaya activities are divided into four service groups:

1. Centre for Social Concern (CSC)
2. Centre for Environmental Concern (CEC)
3. Centre for Cultural Concern (CCC - 1)
4. Centre for Civic Concern (CCC – 2).

Each of these centres oversees 10 to 15 associations, serving as conduits for the execution of Sahaaya Activities.

Demonstrating our unwavering commitment, every student is expected to dedicate 40 hours to social service over two semesters, with 20 hours allocated to the second semester and 20 hours to the third. This breakdown includes one hour for orientation, 3 hours of Mentoring, 2 hours of reflection and fourteen hours of Sahaaya Exposure activities.

These exposure activities span a wide spectrum, encompassing organizing awareness programs in schools, colleges, and communities on educational, health, environmental and social issues. Students also engage with the residents of care and support centres, addressing the needs of the underprivileged, elderly, orphanages, de-addiction, and rehabilitation centres. Furthermore, they actively participate in environmentally conscious activities and conduct right-based campaigns, walkathons, cyclo-walkathons, rallies, and more.

In essence, St Aloysius College's Extension Services embody a holistic approach to education, fostering a sense of social consciousness and responsibility among students while making a tangible impact on the lives of those in our extended community.

Sahaaya Intellectual Activity was conducted on **19th October 2023** on the theme **“Hang On”** Awareness on Suicide Prevention for all the Second year UG students. In Association with Ranga Adhyayana Kendra, the Drama was put up for the Students. After the Drama the students were given the possibility to ask questions. Students were made to analyse with specific questions based on the theme with their respective Mentor-Mentees group. After the analysis in their respective groups, each of the Mentor-Mentee group presented to the rest of the groups what they have understood and in what way they can become the agents of change in the Society, through a creative presentation.

SAHAAYA Exposure Activities are conducted through **4 Concerns** that is **Centre for Social Concern, Centre for Environment Concern, Centre for Cultural Concern and Centre for Civic Concern** and they are as follows:

A. Activities conducted by Centre for Social Concern:

1. On 5th August 2023, 52 students of Commerce Association Participated in “Input Session on Larve Destruction” at St Aloysius College, Mangaluru.

VI. Rural Immersion Programme for PG Students

The purpose behind the Rural Immersion Programme was to give students an insight and experience about how life is in rural settings which are not that far from the city they live and study in and to let the students connect with people from a different background and allow themselves to get insights or learn things they would not in a closed room with books in front of them and a lecturer dictating the lesson to them.

Also to make students to be aware of the social responsibility and to create a culture among the students in the College so that they are exposed to rural realities and in turn make them realize their roles in the society. It is rightly said that “See & know’ is better than ‘read & learn’.

St Aloysius College (Autonomous) aims at the integral formation of its students helping them to become **men and women for and with others**. The Postgraduate first year 382 students, were given an opportunity to live with the rural people in the villages of Mundgod and Hangal for 5 days. The Rural exposure Programme was planned with the objectives of:

- Providing a living experience of rural people in general and Dalit/ tribal life in particular
- Making students understand the rural social system and community living
- Helping students to be aware of the rural social problems and approaches adopted to solve them.
- Realizing the rich culture of rural India.
- Exchange of knowledge and skills between rural people and college students.

Nature of Rural Immersion Programme consisted of:

- Prior to the visit to the villages at Mundgod and Hangal (North Karnataka) 2 hours of Orientation was given by concerned block Directors, PG Dean and Dean of Extension Services. These sessions highlighted the purpose of the Rural Immersion Programme, emphasizing the significance of active participation and maintaining discipline. The orientation also provided an overview of the project and outlined the data collection process.
- Upon reaching the villages, students received Orientation by the Director of Loyala Vikas Kendre (LVK) by Fr Anil in Mundgod and by Fr Jerry, the Director of LVK in Hangal.. This session aimed to acquaint the students with the local culture, customs, and challenges faced by the community. It played a crucial role in fostering a deeper understanding of the village dynamics and enhancing the students' ability to integrate easily into the community
- To facilitate a more immersive experience, students were accommodated in village houses. Groups were carefully formed to ensure collaboration. This strategic grouping allowed students to match each other's strengths and perspectives while conducting the assigned projects.
- The students had an experience of living and sharing the life with the villagers. During their stay, students actively engaged with the villagers, conducting projects that focused on various themes and topics. The data collected provided valuable insights into the socio-economic, cultural, and environmental aspects of rural life. The projects were designed to encourage students to apply their academic knowledge to real-world situations and foster a sense of responsibility towards the communities they interacted with.
- On the last day of the Rural Immersion Programme, an Evaluation was conducted in both the LVK centres

In conclusion, the Rural Immersion Programme proved to be a transformative experience for the 382 first year PG students. This Programme provided an insight and experience to the students about how life in rural settings is. It also gave an opportunity to students to get connected with people from different background and to learn things they would not learn in a closed room with books and a lecturer dictating the lesson. It offered them a unique opportunity to apply classroom learning in a practical setting, enriching their academic understanding. The program not only instilled a sense of social responsibility and cultural sensitivity but also highlighted the college's commitment to holistic education and community engagement.

VII. Counselling Department

The Counseling Department at St Aloysius College boasts a dynamic team of six dedicated counselors, each bringing a unique set of skills and expertise to address the diverse needs of our student community. The counseling team, led by Ms Jennifer Ida Mscarenhas, Mr Shimil, Ms Sweedal Daphne Dsouza, Ms Mariyam Busthana, Ms Daya Mary Varghese, and Mr Akhil, is strategically placed in different blocks for the convenience of students seeking their services.

Counseling services are provided on an appointment basis, ensuring that students have dedicated time and attention from the counseling staff. This approach allows for personalized and confidential sessions, fostering an environment where students feel comfortable discussing their concerns.

Students may seek counseling services independently or may be referred by teachers for various reasons, including attendance issues, behavioral concerns, or other academic challenges. This collaborative approach ensures a holistic support system, where counselors work in tandem with educators to address the diverse needs of the student body.

In addition to individual counseling, the Counseling Department operates a Buddy System, where students are paired with trained peers to provide additional support. This system enhances the sense of community and encourages students to reach out to their peers for assistance and guidance.

The Counseling Department actively organizes workshops, mental health weeks, and other special initiatives throughout the academic year. These events aim to raise awareness about mental health, provide skill-building opportunities, and create a supportive environment for students. By coordinating with the buddy system and other departments, the Counseling Department ensures a comprehensive and collaborative approach to student well-being.

They uphold the principles of non-judgementality and confidentiality as foundational pillars of its services. Counselors are trained to provide a safe and supportive space where students can openly express their concerns without fear of judgment. Additionally, strict confidentiality protocols are in place to safeguard the privacy of all interactions between students and counselors. This commitment ensures that students feel secure in discussing personal matters, fostering trust and a sense of security in the counseling process.

Various Activities and Events:

In conclusion, the multifaceted efforts of the Counseling Department have significantly contributed to the promotion of mental health awareness. Through an array of activities, workshops, and training sessions, the department has not only provided essential counseling services but has also empowered individuals with knowledge and skills to navigate the complexities of mental well-being.

9. Individual Counselling

In the period between July 23 and December 23, a total of 891 cases were attended to, shedding light on the multifaceted mental health challenges faced by college students. Anxiety disorders emerged as the predominant issue, with 81 cases. Following closely, relationship issues (54 cases) and family problems (47 cases) highlighted the significance of addressing interpersonal dynamics and familial connections. Other prevalent issues included depression and behavioral concerns, each accounting for 53 cases. Health-related problems (32 cases) and career confusion (28 cases) further underscored the profound impact of health and career-related concerns on the overall well-being of college students.

10. Professional development and training for the Counsellor

In response to the vulnerability of adolescents to substance use disorders, the Counseling Department has implemented measures to enhance the capabilities of its counselors. This section focuses on the recent professional development initiative, where the counseling team completed a 20-hour certificate course in Universal Treatment and Curriculum for Substance Use Disorders. Conducted by Ecolink Institute of Well-being, an approved training provider of The Colombo Plan Drug Advisory Programme (DAP), this course spanned from June 13 to July 28, 2023, and is integral to fortifying the department's approach to substance use issues among students.

Substance use among students, particularly adolescents, has prompted the Counseling Department to focus on preventive measures and specialized training. The aim is to equip counselors with the necessary tools and knowledge to effectively address and prevent substance use disorders.

The certificate course covered crucial topics, including the neurobiology of addiction, evidence-based treatment modalities, cultural competence in counseling, motivational interviewing, co-occurring disorders, relapse prevention, and ethical considerations. Upon completion of the 20-hour training, our counseling team demonstrated heightened awareness and proficiency in dealing with substance use disorders. This knowledge will play a pivotal role in preventive efforts and supporting students facing these challenges.

The insights and skills acquired from the certificate course provided by Ecolink Institute of Well-being will be seamlessly integrated into the college's counseling services. This includes refining the approach to addressing substance use issues among students, implementing evidence-based interventions, and promoting a holistic understanding of the factors contributing to substance use.

INTERNATIONAL AND DOMESTIC RELATIONS REPORT OF ST ALOYSIUS (DEEMED TO BE UNIVERSITY)

St Aloysius (Deemed to be University) stands as a beacon of academic excellence, fostering relationships both domestically and internationally. Through a robust network of Memoranda of Understanding (MoUs) with 106 institutions and industries across India and 38 international universities, the university has propelled itself onto the global stage, facilitating academic exchange, collaborative research endeavors, and mutual enrichment opportunities.

The university's domestic partnerships serve as pillars of support for academic growth and innovation. With MoUs in place with 106 institutions and industries in India, St Aloysius (Deemed to be University) has established itself as a hub for interdisciplinary collaboration and knowledge exchange.

These partnerships span across various domains including education, research, and industry engagement, fostering a dynamic ecosystem conducive to holistic development.

St Aloysius (Deemed to be University) takes immense pride in its global outreach efforts, exemplified by its associations with 38 international universities. These partnerships transcend geographical boundaries, fostering cultural exchange, academic dialogue, and collaborative initiatives on a global scale. The university's commitment to internationalization is reflected in its diverse student body, faculty exchanges, joint research projects, and collaborative academic programs. In a landmark event, a delegation comprising 40 delegates from 17 U.S. universities visited St Aloysius

(Deemed to be University) for a trade mission on February 14, 2024. This initiative facilitated bilateral interactions between faculty members of both institutions, paving the way for potential collaborative ventures and academic exchanges.

St Aloysius (Deemed to be University) is actively engaging with the top management of 9 Universities of Pennsylvania for potential collaboration opportunities. Noteworthy visits include Prof. Bharathan and Prof. Prashanth Bharadwaj from Indiana University of Pennsylvania, along with Dr. Carl Sheperis and Dr. Christina Kinney from Kutztown University. These interactions signify a mutual interest in fostering academic partnerships and joint initiatives.

The university has forged a strategic partnership with Olivet University, USA, for the MBA 500 program. Faculty members and students are undergoing specialized training designed to enhance their skills and competencies, thereby enriching the academic landscape of St Aloysius (Deemed to be University). In conclusion, St Aloysius (Deemed to be University) stands at the forefront of fostering robust international and domestic relations, catalyzing transformative academic experiences, and shaping a brighter future for generations to come.

RISHII

At St. Aloysius Deemed to be University, the RISHII (Resources for Internationalisation of Higher Education Institutions in India) program stands as a beacon of inspiration and transformation, heralding a new era of global education and inclusivity. Anchored in the EU Strategy on India, RISHII embodies a vision of internationally recognized degrees and curriculum internationalization. Through a focus on management approaches and strategic planning, RISHII empowers faculty and staff to navigate the complexities of curriculum internationalization, fostering improved communication and collaboration among stakeholders. By embracing globally open pedagogy, St. Aloysius becomes a hub of innovation and excellence, where the principles of internationalization permeate every aspect of higher education. As the university embraces the RISHII program, it embarks on a journey towards equipping its community with the skills and tools necessary to thrive in an increasingly interconnected world, ultimately ensuring that every student benefits from the transformative power of internationalization.

In the heart of St. Aloysius Deemed to be University, the essence of RISHII pulsates, driving a fervent commitment to capacity building and institutional transformation. Through specialized training and the formation of Institutional Internationalisation Teams (IITs), the university cultivates a cadre of IoC champions, poised to lead the charge towards global engagement and excellence. These teams serve as catalysts for change, championing internationalization efforts and fostering a culture of inclusivity and collaboration. As St. Aloysius embraces the principles of equity and democratization, it becomes a shining example of educational excellence, where every student, regardless of background or circumstance, is afforded the opportunity to thrive and succeed. With RISHII at its helm, St. Aloysius Deemed to be University emerges as a beacon of hope and progress, lighting the path towards a brighter and more inclusive future for all.

St. Aloysius Deemed to be University, as a dedicated partner institute for the implementation of the RISHII program, started its transformative journey towards internationalization of curriculum. Recognizing the importance of equipping faculty with essential skills, the university conducted a series of training programs focused on four strategic lines: Internationalisation of curriculum – why and what for?; Profiles of Global Professionals and Citizens; Internationally Open Teaching and Learning; and

Globally-recognized innovation in assessment practices. These programs were meticulously designed to address identified needs and empower faculty members to embrace global perspectives in their teaching and learning practices. As a culmination of these efforts, the university proudly presented the outcomes of these programs at the 5th general meeting of RISHII held at Deusto University, Bilbao, Spain from June 12-16, 2023. Represented by Team including Rev. Dr. Praveen Martis SJ, Vice Chancellor, Dr. Alwyn D Sa, Registrar, Dr. Denis Fernandes, Director Commerce and Management, and Dr. Ronald Nazareth, Director of International and Domestic Relations, St. Aloysius showcased its commitment to excellence and innovation in higher education on a global stage.

The National Dissemination Event, serving as the culmination of various programs geared towards fostering internationalization in higher education, convened on December 4, 2023. Led by Prof. Jayaraj Amin, the Honorable Vice Chancellor of Mangalore University, the event featured a comprehensive agenda focusing on key aspects of internationalization. Prof. Amin's keynote address delved into the intersection of internationalization and the National Education Policy 2020, setting the tone for discussions on expanding internationalization culture. Prof. Gail Gasparich from Millersville University provided insights into internationalizing higher educational institutions, while Dr. Denis Fernandes addressed strategic planning for globally open pedagogy. Prof. Suhas Pednekar shared perspectives on globally open pedagogy, and Dr. Alwyn Dsa highlighted best practices in curriculum internationalization. The event also included a stimulating panel discussion moderated by Dr. Joyce Sabina Lobo, featuring Dr. Asha Abraham, Dr. Rose Veera D'Souza, and Dr. Swapna Rose, exploring transformative education through international exposure.

The final Sixth General Meeting, held at JNU New Delhi from December 6-8, 2023, served as a platform to ensure the sustainability of RISHII efforts. The meeting focused on discussing Strategic Curriculum Internationalisation Plans, aiming to strengthen and expand internationalization culture at the institutional level. Representatives from Indian Partner institutions, including St. Aloysius (Deemed to be University), presented progress reports and strategic plans for internationalization, emphasizing the commitment to fostering a globalized educational landscape. Rev. Dr. Praveen Martis SJ, Dr. Alwyn D Sa, Dr. Denis Fernandes, and Dr. Ronald Nazareth represented St. Aloysius (Deemed to be University), underscoring the institution's dedication to advancing internationalization in higher education.

WOMEN'S FORUM REPORT

The institution strongly believes in the need to bring awareness and sensitize students about their rights and opportunities and particularly the rights of women in our campus. The Women's Forum was formed with an objective to safeguard the interests of women students and faculty in the campus. The forum conducts frequent meetings and calls for suggestions from staff and students to improve its functioning.

As part of the various programmes that the forum conducted, it organized a guest talk on 'Gendering Public Spaces' held on 11 September, 2023 at MAGIS. Prof Parinitha was the Chief Guest, spoke about the private and public spaces that are enjoyed by men and women.

ST ALOYSIUS PRAKASHANA REPORT- 2023-24

In the year 2023-2024, St. Aloysius Prakshana, the esteemed publication wing of our college, continued its tradition of disseminating quality literature across various domains including arts, science, and other fields. Notably, our coffee table book titled "Echoes of the Corridors" was unveiled, offering readers a captivating journey through the rich history of our institution since its inception, embellished with visually arresting imagery. This esteemed publication was formally launched on September 20th, 2023, by the Honorable Minister for Health and Family Welfare, Government of Karnataka, and District in-charge minister, Sri Dinesh Gundu Rao, during his visit to our college.

Furthermore, on October 18th, 2023, college celebrated the release of "Hulivesha" authored by Dr. Chandrashekar Shetty. This insightful work delves into the origin and intricacies of the unique dance form indigenous to the coastal Karnataka region, known as 'Tiger Dance' or 'Pili Yesha' in the local Tulu language. The unveiling ceremony of this significant publication was graced by the esteemed presence of Dr. N. Damodara Shetty, a distinguished writer and former Professor at St. Aloysius College (Autonomous). Additionally, Dr. B. Shivarama Shetty, a respected former Professor from the Department

of Kannada at Mangalore University, delivered an illuminating speech highlighting the book's content and significance.

Another notable addition to our literary repertoire was "Three Tales of Cha Fra DCosta" penned by Dr. Sylvia Rego, which was introduced to the public on January 30th, 2024, during the one-day national conference on 'Digital Touch to Konkani,' organized in association with Konkani Adhyayana Peeta, Mangalore University. We were honored to have Dr. Jayaraj Amin, the honorable Vice-Chancellor of Mangalore University, as the chief guest, and Sonia Crasta, a renowned Konkani writer, as the guest of honor during this auspicious occasion.

Moreover, the release of "Collaborating Across Disciplines through Interdisciplinary Research," edited by Dr. Chandrashekar Shetty, marked a significant milestone on April 19th, 2023. This publication comprises the proceedings of the National Conference organized by the Research and Development Cell, in collaboration with UGC-STRIDE, showcasing the scholarly endeavors in fostering interdisciplinary research.

Lastly, "Decadal Odyssey in Physics," a chronicle of the PPK Endowment Lecture Series edited by Dr. Chandrashekar Shetty, was unveiled in March 2024, adding another valuable contribution to the academic discourse.

These endeavors reflect our commitment to advancing scholarly pursuits and fostering intellectual engagement across diverse fields, reaffirming our college's standing as a beacon of academic excellence.

REPORT OF INTERNAL COMMITTEE (2023-2024)

The college formed the Internal Committee (IC) in August, 2020 on the basis of the UGC (Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions) Regulations, 2015, published in the Gazette of India, New Delhi, Monday, May 2nd 2016. Subsequently, due to an amendment vide Gazette notification issued on 9th May, 2016, the Internal Complaints Committee has been renamed as Internal Committee which will function as follows:

- Conduct enquiries into all kinds of sexual harassment cases which are reported and for their redressal within 90 days.
- Encourage a gender-friendly atmosphere for both staff and the students.
- Organize gender sensitization awareness programmes for all stakeholders in the institution.

The committee in our college comprises of 10 members from various departments, including one external member who is an advocate and a social worker associated with several NGOs in protecting and addressing the issues related to sexual harassment faced by women.

The committee meets regularly to assess the reports received on account of sexual harassment from various departments.

The first meeting for the current academic year was held on August 17th, 2023 at 3.00 PM, in Magis Hall. Eight members of the committee were present for the meeting. The members felt the need to create

awareness among the students in different blocks. It was decided to make posters and affix them on the notice boards. During the discussion it was found that no cases were reported in the past year.

During the semester, the committee organized an awareness drive, where posters with details of committee members, such as their names and phone numbers were displayed in prominent locations, so that it would enable the students to report their grievances without any problems.

The second meeting was held on 21st March, 2024. The committee engaged in a detailed discussion regarding the cases brought forward in the previous month, addressing any updates and reaching resolutions wherever necessary. Various valuable insights were contributed by the committee members during this discussion to create awareness among the students.

The following decisions were made:

- 1) As per the suggestion of Ms. Jenifer Mascarenhas, it was decided to include a session on the importance of Internal Committee to create awareness in the orientation program in the beginning of the academic year for newcomers.
- 2) Committee members deliberated on the modifications required in the current internal committee guidelines in alignment with the new university standards.
- 3) Decided to collaborate with other universities to conduct awareness campaigns emphasizing the value of internal committees in fostering a positive and secure atmosphere for students, teachers, and non-teaching staff.

The meeting adjourned by 3:45 pm after deciding to schedule the next committee meeting in April 2024 along with Vice Chancellor.

It was observed that no incidents of sexual harassment were reported to the committee from any student or staff during the academic year, within or outside the campus.

CANTEEN COMMITTEE REPORT 2023-2024

The canteen committee at St. Aloysius College is headed by the Vice Chancellor Rev Dr. Praveen Martis SJ who looks after the welfare of operations related to the canteen. The Committee holds a meeting twice a year and discusses about various issues and the improvements which can be made to the canteen service. The meetings are headed by the staff Coordinator Mr Arjun Prakash who looks after the proceedings of the meetings along with Student Coordinators Ms Saloni and Mr Alister.

It's going to be 2 Months since the newly constructed canteen is operational and so far the canteen management has taken care of the quality and hygiene. In the beginning there were certain points which were highlighted in the meeting like the quantity of the food items and use of disposable materials in the canteen, shortage of canteen supplier, the price of the food items but those points were taken care of and necessary things were done to improve according to the canteen committee feedback.

During the start of the canteen specific items were not available. The fresh fruit juices, fruit salad, snacks such as vada pav, etc. Currently all of the items are available, more variety is introduced. The introduction of a combo which includes (jeera rice, dal, gobi Manchurian and lime juice) for 70 rupees keeping the students has the main focus. The veg, chicken and egg meals daily will have different varieties.

In all the tables there has been kept a QR code which includes the menu of the canteen and for student and staff feedback, there has been many positive feedback regarding the food and hygiene. We continuously clean the tables and maintain the hygiene. Every Saturday a deep cleaning is done to maintain cleanliness.

For the evening snacks we have introduced chicken steamed momos, chicken nuggets, maggi, masala French fries and Mumbai special vada pav. We will be adding mocktails, crushers and different types of juices to attract the students. We are maintaining the standard by using excellent quality raw materials and fresh vegetables to keep the food to its standard

In the meals menu they have veg, chicken and fish meals now which a lot of staff members including me have been preferring for their afternoon lunch they have kept two staffs to serve at the table which is gotten better with time but sometimes when its bit crowded the service gets bit delayed which needs to be resolved. Mid meals have been served and managed well by them the students have been giving positive feedback about it though sometimes the numbers differ monthly I believe in the coming days we'll see a lot of students taking benefit of this initiative by the college.

Coming to the hygiene part the canteen management has lived up to the mark the dining area is cleaned constantly and the kitchen is well maintained weekly they have thorough deep cleaning on Saturday which I have personally inspected on occasions and found out quite satisfactory.

During the recent NAAC visit the valuator were impressed with the hygiene maintained in the kitchen and dining area of the canteen which also plays a part in the excellent grades we received. There was a suggestion given for an opening to be provided near the gas bank to avoid any fire incident.

The canteen management has been successful in providing regular meals to students participating in NCC even during holidays which has helped us in continuing with our activities as per our schedule.

Felicitation Program for Shri U T Khader

St Aloysius College (Autonomous) in association with St Aloysius College Alumni Association (SACAA) came together to honor the remarkable achievements of Karnataka Legislative Assembly Speaker U T Khader on Monday, July 24. The felicitation ceremony was a moment of pride and inspiration for all Aloysians. Reflecting on his days at St Aloysius institutions, Shri U T Khader emphasized the vital role it played in shaping his path to success. He also shared the news that the Government of Karnataka will be introducing a programme for students on public administration and governance and the same will be implemented soon. He requested the College authorities to implement the same in the degree syllabus as a subject so that the students can benefit from it. The enthusiastic support for this idea was evident

as Rector Fr Melwin Pinto SJ warmly welcomed it and assured Speaker U T Khader of the college's commitment to implement the program in collaboration with the government, turning this vision into a reality in the near future. The felicitation ceremony not only celebrated the accomplishments of a remarkable alumnus but also ignited the spirit of ambition and leadership among all Aloysians, inspiring them to make a positive impact on society.

Free Medical Camp for Teaching and Non-Teaching Staff of SAC Institutions

On September 20, 2023, St Aloysius College (Autonomous) in Mangalore, along with the St Aloysius College Alumni Association (SACAA) and in collaboration with Yenepoya (Deemed to be University) Medical College and Hospital, organized a comprehensive free medical camp at the Sahodaya Hall. This event was specifically aimed at providing health services to the teaching and non-teaching staff of St Aloysius Institutions. The initial concept for this medical camp was conceived during one of the SACAA meetings with the primary objective of ensuring the well-being of the institute's staff, particularly for early detection of cancer. The coordination and execution of this endeavor were meticulously handled by Mr. NG Mohan, the convenor, who worked closely with SACAA committee members and college staff. The honorable Chancellor of Yenepoya University, Dr. Abdullah Kunhi, an alumnus of St Aloysius College, inaugurated the program. The event received active participation from various departments. In total, there were 305 participants, and teams from Yenepoya (Deemed to be University) Medical College and Hospital conducted a day-long medical camp that included general health screenings, dental check-ups, dermatology, oncology, and ophthalmology services. As part of the camp, a blood donation drive was also organized, and both students and staff enthusiastically took part in this initiative.

SACAA TALKS

In collaboration with SACAA, the Undergraduate Departments of Biological Sciences and the Entrepreneurship & Consultancy Cell organized a guest lecture on "Microbiome and Antimicrobial Resistance" scheduled for 10 AM at Sanidhya Hall on August 24, 2023. The keynote speaker for the event was Dr. Maneesh Paul, the CEO of Microvioma, co-inventor of Enmetazobactam, and a distinguished alumnus of our institution. Dr. Paul, who initially started his career as a Clinical Microbiologist and later delved into research, shared his remarkable journey with 80 participants. During the talk, he provided an extensive overview of antibiotics, highlighted the consequences of overuse, and emphasized the importance of preserving antibiotics for the betterment of humanity's future.

Membership Drive

The outgoing students from the class of 2022-2023 have made a significant contribution by registering for lifetime membership with SACAA. This remarkable addition has boosted SACAA's total membership to well over 14,000. We extend our heartfelt gratitude to these students and warmly welcome them into our community. We also encourage our esteemed alumni to consider registering with SACAA, as their participation will play a pivotal role in fostering the growth of our alumni community and enhancing the various initiatives and activities we undertake for the benefit of our students and staff at St. Aloysius Institutions.

About TEDx, x = independently organized event

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TED Talks video and live speakers combine to spark deep discussion and connection in a small group. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized. (Subject to certain rules and regulations.)

About TED

TED is a nonprofit organization devoted to Ideas Worth Spreading. Started as a four-day conference in California almost 30 years ago, TED has grown to support its mission with multiple initiatives. The two annual TED Conferences invite the world's leading thinkers and doers to speak for 18 minutes on a diverse mix of topics. Many of these talks are then made available, free, at TED.com. TED speakers have included Bill Gates, Jane Goodall, Elizabeth Gilbert, Sir Richard Branson, Nandan Nilekani, Philippe Starck, Ngozi Okonjo-Iweala, Isabel Allende and former UK Prime Minister Gordon Brown. The TED2014 Conference takes place in Vancouver, British Columbia, along with the TEDActive simulcast in neighboring Whistler. TEDGlobal 2014 will be held in Rio de Janeiro, Brazil. TED's media initiatives include TED.com, where new TED Talks are posted daily; the Open Translation Project, which provides subtitles and interactive transcripts as well as translations from volunteers worldwide; the educational initiative TED-Ed; and TEDBooks, short e-books on powerful ideas. TED has established the annual TED Prize, where exceptional individuals with a wish to change the world get help translating their wishes into action; TEDx, which supports individuals or groups in hosting local, self-organized TED-style events around the world; and the TED Fellows program, helping world-changing innovators from around the globe to amplify the impact of their remarkable projects and activities. REPORT OF NON KARNATAKA STUDENTS

The association consists of about 65 members. The association has official members of which some are elected and others are nominated. The association conducted various activities. The year started with the new office bearers being elected. The fresher's day programme was held to welcome the freshers warmly. There was also an eat out programme that was held where all of the students had been to Anjali farm, cooked food and played games. The other programme was to visit the heritage sites in and around Dakshina Kannada. The students visited Moodibidri and Karkala and explored the monuments and heritage sites there. The association also conducted sports day. Football and Basketball was held for boys and basketball was held for girls. Nine teams from in and around Mangalore participated in the tournament and it was enjoyed by all.

The association further looks forward to conduct more programmes in the coming days.

THEOLOGY CLASSES

Theology classes are being conducted for the Catholic Students first year (II Sem) and second-year (III Sem), with one hour per week dedicated to these sessions.

In the academic year 2023-2024, a total of 608 students benefited from these Theology classes, each receiving one hour per week. These sessions are facilitated by 8 dedicated teachers who guide the students through their journey of spiritual growth. The classes are conducted through activity-based, interactive sessions, actively encouraging students to express their opinions and engage in discussions. Assessment of learning occurs within the classroom through assignments and written examinations.

Objectives of the Course in Theology:

- To know the Creator and acknowledge his plan of salvation to human kind
- To imbibe the values taught by Jesus in the Parables
- To follow the teachings of the Church
- To know the spirituality of St Aloysius Gonzaga and St Ignatius of Loyola

Topics Covered during the Ist Year: During the course of first year, the topics will help the students to reflect on the Old Testament and New Testament very briefly. The emphasis will be given to the New Testament, the lessons taught by Jesus through His parables. Being a Catholic we grow in the Sacramental grace at different stages, especially the sacrament of Baptism, Confirmation, Eucharist, and Reconciliation will be taught. Being part of the St Aloysius College, the students will be taught the spirituality, vision, and mission of St Aloysius, St Ignatius of Loyola, St Francis Xavier and Fr Pedro Arrupe, so that the students grow in the Jesuit Educational values and to grow in the belongingness of the Institute.

Topics Covered during the IInd Year: The various topics covered during the Second year are : Social Justice, human Dignity and the commandment of Love; Parables of Jesus on Sin, Sacrament of Reconciliation and the parable of Lost (prodigal) son and Lost sheep; St Francis Xavier's life and his mission; The Church: The hierarchy, its mission in the world, and other denominations; Parables of Jesus: Wise and foolish servants; Unfruitful fig tree; Workers in the vineyard, early and late; Universal call for Holiness, different types of Vocations and my call; "I believe" according to the Catechism of the Catholic Church; Jesuit Values of Education: Service rooted in justice and love and Solidarity and kinship; St Paul, his conversion and his Letters (message of the letters briefly); Parables of Jesus: Growing seed, Mustard seed, Yeast: "Kingdom of Heaven"; Master and his servant, Unmerciful servant ; My Role, challenges and responsibility in the community and in the society at large as a Christian; Parables of Jesus: Hidden treasure, Pearl, Fishing net, Owner of a house: "Kingdom of Heaven"; Lost sheep, the sheep, gate, and shepherd; New Testament: other letters and Apocalypse; The Pascal Mystery: Passion, Death and Resurrection; The importance of the Word of God in daily life, Lectio Divina; Fr Pedro Arrupe, his life and his vision; Parousia (The final things; Parable of Sheep and goats will be separated, Invitation to a wedding banquet); The Effectiveness of Christian values in the life of a Christian (Forgiveness, Christian charity, stewardship according to the Gospels); The Institutional belongingness.

Through the Theology Classes, the Catholic students have gained not only the knowledge on the above-mentioned topics, they have deepened their faith, clarified their doubts and they have understood their role in the Church as a Baptized Christian.

VALUE EDUCATION

Under the Foundation courses, Value Education classes are being conducted for first and second-year students, with one hour per week dedicated to these sessions. The primary objective of these classes is to instill sensitivity towards oneself and others, fostering a basic understanding of human relationships and social systems that significantly impact one's life and health.

In the first-year syllabus titled 'Reflections for Positive Choices,' the emphasis is on self-exploration, management, and care. The core focus area is student empowerment, wherein life skills are introduced, and coping mechanisms are taught to navigate various life situations effectively. For the second-year curriculum, titled 'Reflections to Promote Care and Concern,' the focus shifts towards extending oneself

beyond personal boundaries to address social concerns. Topics include family dynamics, its formation and continuity, issues of social importance, the role of youth in addressing social issues, and fostering social change. These discussions aim to promote critical thinking and encourage student engagement in social welfare activities.

In the academic year 2023-2024, a total of 1,997 first-year students and 1,780 second-year students benefited from these value education classes, each receiving one hour per week. These sessions are facilitated by 22 dedicated teachers who guide the students through their journey of personal growth and social awareness. The classes are conducted through activity-based, interactive sessions, actively encouraging students to express their opinions and engage in discussions. Assessment of learning occurs within the classroom through assignments and written examinations.

- HUYGEN'S COLLISION at 'SCIENTICA 24' A two-day National Level Undergraduate Intercollegiate Science and IT fest conducted by Canara College on March 11 and 12, 2024.

Unique staff achievements

- Recognition in Appreciation: Dr Rachael Natasha Mary was awarded Staff of the Month for September 2023.
- Ms Hencil Clita Pinto qualified GATE 2024 examination.
- Ms Sneha Saji received Best Poster Award at National Conference on Sustainable Chemistry and Climate Change hosted by Department of Chemistry Christ (Deemed to be University), Bangalore on 27th March 2024.

Perspective Plan: 2024-2025 (Future Plans)

- To strengthen research component
- To strengthen Industry-Academia collaboration
- To foster interdepartmental projects

Best practices of the department

- Student projects
- Industrial Visit
- Science Popularization programmes
- Coaching for competitive exams

**DR RACHAEL NATASHA MARY, Assistant Professor & HOD****Trainings/ refresher/Orientation Programmes attended during the year**

- Participated in a Faculty Development programme on AI enabled Technology, Machine Learning and Generative Artificial Intelligence organized by Loyola Institute of Business Administration, Chennai from July 6-8, 2023.
- Participated in a five days International Level Online Faculty Development programme on Artificial Intelligence in Chemistry: Current Trends and Future perspectives organized by Holy Cross College, (Autonomous), Tiruchirappalli, Tamilnadu from 4-9th September 2023.

Seminars/ Conferences/Webinars attended during the year

- Attended two-day National conference on Physical Sciences organized by Department of Physical sciences St Aloysius (Deemed to be University) on 1 and 2 March 2024.
- Attended one day International conference on Bridging enzymes and Industry for a sustainable Future organized by Biological sciences and chemical science St Aloysius (Deemed to be University) on 14 March 2024.
- Attended one day International conference on Transformative Chemistry for a sustainable future organized by Department of Chemistry St Aloysius (Deemed to be University) on 15 March 2024.

DR RONALD NAZARETH, Associate Professor, Director(LCRI and International and Domestic relations)**Seminars/ Conferences/Webinars attended during the year**

- Participated in the 5th general meeting of RISHII in Deusto University, Bilbao Spain, and submitted the Strategic plans of the Institute for Internationalization of Curriculum
- Visited the University of Namur Belgium and Organized bilateral discussions at fostering collaboration opportunities with top management.
- Represented college in bilateral discussions with Universities of Pennsylvania in Bangalore, fostering potential academic partnerships
- Represented college at 6th general meeting of RISHII in Jawaharlal Nehru University New Delhi, encouraging for international collaboration.

Papers presented in Seminars/Conferences

- Synthesis and Novel Application of Functionalized Carbon Nanodots as Corrosion Inhibitors for Maraging Steel in 1 M HCl Medium, National Seminar on Sustainable Chemistry And Climate Change (NCSC3- 2024), CHRIST (Deemed to be University), Central Campus, Bangalore, 26-27 March 2024
- Synthesis, Characterization, And Integration of Carbon Dots -Gel Polymer Electrolytes For Supercapacitors, National Seminar on Sustainable Chemistry And Climate Change (NCSC3- 2024), CHRIST (Deemed to be University), Central Campus, Bangalore, 26-27 March 2024
- Designing and Electrochemical Investigation Of Carbon Quantum Dots -Embedded Polymer Electrolytes For Energy Storage Device, National Seminar on Sustainable Chemistry And Climate Change (NCSC3- 2024), CHRIST (Deemed to be University), Central Campus, Bangalore, 26-27 March 2024

- Electrochemical Investigation of Corrosion Behaviour of Maraging Steel in HCl Medium and Corrosion Inhibition Using Functionalized Carbon Nanodots, National Seminar on Sustainable Chemistry And Climate Change (NCSC3- 2024), CHRIST (Deemed to be University), Central Campus, Bangalore, 26-27 March 2024

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- FDP: 30-hour Intensive Training in Teaching Excellence Organized by: HR Department, St. Aloysius College (Autonomous). Date: 11-05-2022 to 29-04-2023

Perspective Plan: 2024-2025 (Future Plans)

- Training the students to pursue innovation and entrepreneurship skills
- Molding the students to operate as independent dietitians and to establish diet counseling centers across the region.

- Collaborate with industry partners and government agencies to upgrade small and medium-scale food processing clusters.
- Strengthen partnerships and networks with existing institutions within India and abroad.
- Forge strategic research collaborations with national and international institutes.
- Enriching the research culture by actively pursuing and acquiring research grants from both government and non-government funding agencies
- To introduce more online certificate programs and diploma courses

Best practices of the department

- Actively seek opportunities for students to receive training from industry experts, both nationally and internationally.
- Organize one-day field visits to local industries, allowing students to observe operations first hand, interact with professionals, and gain practical insights into industrial processes.
- Engage in hands-on experiences conducting nutritional assessments to enhance their understanding of nutritional science but also in still a sense of responsibility towards community health and well-being.
- Collect and analyze case studies collaboratively, fostering critical thinking and problem-solving skills
- Attend lectures in external programs to broaden their horizons, expose them to diverse perspectives, and enrich their ongoing research projects with fresh insights and methodologies.
- Students engage in role-playing scenarios to enhance their interview skills, communication abilities, and professional demeanor.
- Facilitate brainstorming sessions where students from both food science technology and food science nutrition disciplines collaborate to generate innovative ideas.
- Team building exercises

- Li-ion Spent Carbon-Loaded Magnesium-Zirconium Hydroxide Composite for Adsorption of Methylene Blue: Kinetics and Isotherm Modelling Sadashivappa P.K., Kumar K.Y., Raghu M.S., Nabgan W., Kumar P., Martis P., Adimule V., Alharthi F.A., Akshatha S., Jeon B.-H., Parashuram L.*Environmental Processes* May, 2023.

Innovative activities/ programs organized

- Organized Chemistry Kits Donation to Govt. Schools followed by a Talk on Lab Safety on the 19th of March 2024.
- Organized Five Days National Level Faculty development programme on the topic “Spectroscopic Techniques and Applications” from 24th-28th July,2023.
- Chemistry popularization programme for the Undergraduate students of St Aloysius (Deemed to be University)
- Demonstrations of Advanced instruments such as FTIR, XRD, PCR, BET, GC by the faculty members to the Undergraduate and Postgraduate students of St Aloysius (Deemed to be University)
- Demonstrations of Advanced instruments such as FTIR, XRD, PCR, BET, GC by the faculty members to the Postgraduate students Goa of by the faculty members and Research scholars of the Department.
- Signing MOU with Aquamater Water Solutions Laboratory, Mudipu facilitating Industry- Academia collaboration.

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed-50
- Number of students cleared competitive exams-02
- Internships completed-59
- Number of students opted for higher studies-3

Unique staff achievements

- Rev. Dr Praveen Martis SJ, Vice chancellor in charge recognized as Vice Chancellor of St Aloysius (Deemed to be University)

- Dr Ronald Nazareth, Director of LCRI Block recognized as the Registrar of St Aloysius (Deemed to be University).
- Dr Divya N Shetty, delivered an invited for Talk at International Conference on Nanotechnology for Better Living 2023, held at NIT Srinagar, from May 25th-29th.,2023 and also recognized as research Guide under Mangalore University.

Participation in Trainings/Refresher/Orientation programs

- Dr Vinola Rodrigues and Dr Akshatha R Salian attended faculty Development programme on “Research Roadmap: Chapter 1” from 11th -17th August 2023 at St Aloysius College (Autonomous) Mangaluru.
- Ms Preema Cealla Pais participated in the Faculty Development programme on “Artificial Intelligence in Chemistry-Current trends and Future Perspectives” from 4 th -9 th September, 2023 organized by Holy cross college (Autonomous), Nagercoil, India.
- Ms Jyothi Vaz participated in an Intensive research training on the Photocatalytic applications of Nanomaterials from Department of Chemistry, Nitte Meenakshi Institute of Technology, Yelahanka, Bangalore for a duration of 6 months starting from June 16, 2023.
- Mr Jeesu George participated in Faculty Development programme on “AI enabled technology, machine learning and generative artificial intelligence” at LIBA, Chennai.
- Dr Josline Neetha D'Souza participated in the 30hrs intensive teaching excellence training organized by the HR department of St Aloysius (Deemed to be University), Mangaluru.
- All staff members participated in the faculty Development programme on “Spectroscopic Techniques & its Applications “held during 24 th – 28 th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

Perspective Plan: 2024-2025 (Future Plans)

- To Strengthen research components
- To strengthen Industry-academia collaborations
- To magnify placement for outgoing students through the department in various industries/institutes.
- To intensify department alumni interaction that facilitates mutual co-ordination and helps in building strong alumni/alumnae relationships.

Best practices of the department

- Engage with the local community through outreach programs, workshops and science fairs.
- Promote chemistry education and awareness through public lectures and demonstrations.
- Host career fairs and networking events
- Introducing new Certificate courses or update existing ones to reflect emerging areas of research and application in chemistry.
- Ensure alignment with accreditation standards and requirements.

REV DR PRAVEEN MARTIS SJ, Associate Professor and Vice-Chancellor

Seminars/ Conferences/Webinars/Workshops attended:

- Attended and presented the “Implementation of Strategic Line Workshop at St Aloysius College (Autonomous)” in the Resources for Internationalisation of Higher Education Institutions in India (RISHII) Programme during the 5th General Meeting of RISHII in University of Deusto, Bilbao, Spain from 10th to 17th June 2023.

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer:

- Delivered an Invited Lecture on the topic "Photocatalytic and Photo electrocatalytic Applications of Metal Organic Frameworks" during the National Workshop on Futuristic Catalysts and Catalytic Processes held at Central University of Kerala, Kasargod from 15-16 February, 2024.

MEMBER OF NAAC PEER TEAM VISITS

- Gayathri College of Science and Management, Shreekakulam, Andhra Pradesh on 15th& 16th May 2023
- DhamdhamaAnchalic College, Assam on 7th& 8th June 2023
- Government College, Barmer, Rajasthan on 4th& 5th July 2023

MEMBER OF GOVERNING BODY OF THE FOLLOWING INSTITUTIONS

- Member of the Governing Body of School of Fr Muller Medical College Hospital, Mangaluru – 575 002 for a period of 2022-2025.

Publications with ISBN/ISSN/Conference Volumes:

- Li-ion Spent Carbon-Loaded Magnesium-Zirconium Hydroxide Composite for Adsorption of Methylene Blue: Kinetics and Isotherm Modelling, Environmental Processes 10(21) (2023), DOI:10.1007/s40710-023-00637-8.

Dr VINOLA ZEENA RODRIGUES, Assistant Professor & HOD

Trainings/ refresher/Orientation Programmes attended:

- Faculty Development programme on “Spectroscopic Techniques & Applications” held during 24th – 28th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.
- Faculty Development programme on “Research Roadmap: Chapter 1” from 11th -17th August 2023 at St Aloysius College (Autonomous) Mangaluru.

Seminars/ Conferences/Webinars/Workshops attended:

- International Conference on “Recent Research in Applied Science” on 26-9-2023 and 27-9-2023.
- National Seminar on Challenges and opportunities in the Global Chemistry Enterprise on 19-2-2024.
- National Webinar on “Climate Change Research in India: Efforts and Outcomes” on 29-9-2024.
- One Day Workshop on “Chemistry fusion: Bridging theory to innovation through advance instrumentation” on 3-11-2023

- One Day Workshop on “Molecular Docking & Electroanalytical Techniques” on 6-06-2023
- National Intellectual Property Awareness on 20-10-2023
- Workshop on Curriculum Internationalisation on 4-12-2023

Papers presented in Seminars/Conferences:

- Eco-friendly green synthesis of Zinc oxide nanoparticles and their potential applications on 10th to 12th January 2024 during an International Conference held in Government College for Women, Thiruvananthapuram, Kerala.
- Novel Synthesis of ZnO/CuO Nanocomposite, Characterization and its applications on 15th March 2024 during International Conference held in St. Aloysius (Deemed to be University).
- Green synthesis of Nickel doped Cerium Oxide Nanoparticles and its enhanced antibacterial activity on 15th March 2024 during International Conference held in St. Aloysius (Deemed to be University).
- Adsorption of methylene blue using a biosorbent derived from the leaves of *Zanthoxylum rhetsa* on 15th March 2024 during International Conference held in St. Aloysius (Deemed to be University).
- Plant extract mediated synthesis of Fe-CeO₂ nanoparticles and its antibacterial properties on 15th March 2024 during International Conference held in St. Aloysius (Deemed to be University).

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations:

- BOE member at Post Graduate Department of Chemistry at SDM College, Ujire
- BOE member at Mangalore University, Mangalagangothri
- BOE member at St. Agnes College

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer:

- Organized Chemistry Kits Donation to Govt. Schools followed by a Talk on Lab Safety on the 19th of March 2024.

Dr JYOTHI N RAO, Assistant Professor**Trainings/ refresher/Orientation Programmes attended:**

- Faculty Development programme on “Spectroscopic Techniques & Applications” held during 24th – 28th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

Seminars/ Conferences/Webinars/Workshops attended:

- One day national seminar on “Challenges and opportunities in the global chemistry enterprise organized by Department of Postgraduate Studies and Research in Chemistry on 19th February, 2024.
- National Level Webinar on “Climate Change Research in India” by Dr Chaitanya Jain, Scientist SF, National Atmospheric Research Laboratory, Department of Space, Govt of India on 29th September, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

- National level hands-on workshop on “Chemistry fusion: Bridging theory to innovation through advance instrumentation” on 3rd November 2023, organized by the Department of Post Graduate Studies and Research in Chemistry, St. Aloysius College (Autonomous), Mangaluru.

Publications with ISBN/ISSN/Conference Volumes:

- One day national seminar on “Challenges and opportunities in the global chemistry enterprise organized by Department of Postgraduate Studies and Research in Chemistry on 19th February, 2024.

Research Projects:

- MJES funded Project with a financial assistance of 1,00,000/- titled Heavy metal removal from Industrial waste effluents in Mangalore using seaweed and metal nano oxides- A Comparative study (2021-Ongoing)

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations:

- Member of Doctoral Committee for PhD Examinations at AJ Institute of Technology, Mangalore.

- Member of Doctoral Committee for PhD Examinations at SDM Institute of Technology, Ujire.
- Member of Board of Examiners of BMS College, Bangalore.

Membership in other social/community based professional organizations/ NGOs:

- Member of Lions International District 317D.

Dr JOHN DEEPAK DSOUZA, Assistant Professor

Trainings/ refresher/Orientation Programmes attended:

- Faculty Development programme on “Spectroscopic Techniques & Applications” held during 24th – 28th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

Seminars/ Conferences/Webinars/Workshops attended:

- Workshop on “Copy rights and Patents” by Dr Babitha Pais Tharappan, Registered patent and trademark agent on 20th October 2023 at St. Aloysius College (Autonomous), Mangaluru.
- Workshop on “Curriculum Internationalisation” under RISHII on 4th Dec 2023 at St Aloysius College (Autonomous) Mangaluru.
- National Level Webinar on “Climate Change Research in India” by Dr Chaitanya Jain, Scientist SF, National Atmospheric Research Laboratory, Department of Space, Govt of India on 29th September, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations:

- Member of Board of Studies, Department of PG chemistry and Research, Yenepoya (Deemed to be University), Balmatta, Mangaluru

Ms. PREEMA CEALLA PAIS, Assistant Professor

Trainings/ refresher/Orientation Programmes attended:

- Faculty Development programme on “Artificial Intelligence in Chemistry-Current trends and Future Perspectives” from 4th -9th September, 2023 organized by Holy cross college (Autonomous), Nagercoil, India.
- Faculty Development programme on “Spectroscopic Techniques & Applications” from 24th – 28th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

Seminars/ Conferences/Webinars/Workshops attended:

- International Conference on “Recent research in Applied Sciences” (ICRRAS-23) organized by Department of Basic Sciences, Srinivas institute of Technology, Valachil, Mangaluru on 26-27 September, 2023.
- National Workshop on “Molecular Docking and Electroanalytical Techniques” (MDET-23) organized by Department of Post Graduate Studies and Research in Chemistry, SDM College, Ujire on 06 June, 2023
- National Level Webinar on “Climate Change Research in India” by Dr Chaitanya Jain, Scientist SF, National Atmospheric Research Laboratory, Department of Space, Govt of India on 29th September, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.
- National level hands-on workshop on “Chemistry fusion: Bridging theory to innovation through advance instrumentation” on 3rd November 2023, organized by the Department of Post Graduate Studies and Research in Chemistry, St. Aloysius College (Autonomous), Mangaluru.
- One day national seminar on “Challenges and opportunities in the global chemistry enterprise organized by Department of Postgraduate Studies and Research in Chemistry on 19th February, 2024.

Research Projects:

- Minor Research Project with the funding of Rs 1,00,000/- on the title “Stable Metal Organic Frameworks: Design, Synthesis and applications” funded by MJES (Ongoing).

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer:

- Coordinator of a 30-hour online certificate course on “Cosmetic Chemistry-Science of Beauty Products” in sac e-learning portal.
- Resource Person for the instrumentation training program for final year B.Sc Microbiology and M.Sc Chemistry Students on Instrumentation and Handling of BET at the Advanced Instrumentation Centre, at St. Aloysius College from 26 June-1st July, 2023.
- Moderated a session on “Gateway to Industry” by Mr Neil Coelho on 5th of January 2024.

Ms JYOTHI SIMAV VAZ, Assistant Professor

Trainings/ refresher/Orientation Programmes attended:

- Intensive research training on the Photocatalytic applications of Nanomaterials from Department of Chemistry, Nitte Meenakshi Institute of Technology, Yelahanka, Bangalore for a duration of 6 months starting from June 16, 2023.

Seminars/ Conferences/Webinars attended:

- National level workshop on Futuristic Catalysts and Catalytic Processes at Department of Chemistry, School of physical sciences, Central University of Kerala, Kasargod from 15 to 16 February 2024.
- International Conference at PSGR Krishnammal College for Women, Coimbatore from 30 to 31 January 2024 on the topic "New Materials for Industry and Medicine"

Papers presented in Seminars/Conferences:

- Poster presentation at National Workshop on Futuristic Catalysts and Catalytic Processes organised by Department of Chemistry, School of physical sciences, Central University of Kerala, Kasargod from 15-02-2024 and 16-02-2024 on the topic Photocatalysis.
- Oral presentation at International Conference on "New Materials for Industry and Medicine" organised by the Post Graduate and research Department of Chemistry, PSGR Krishnammal College for Women, Coimbatore from 30-01-2024 and 31-01-2024 on the topic Photocatalysis.
- One day national seminar on "Challenges and opportunities in the global chemistry enterprise organized by Department of Postgraduate Studies and Research in Chemistry on 19th February, 2024.

Research Projects:

- Minor Research: Synthesis and Characterization of Metal-organic frameworks (MOFs) for the CO₂ Gas sensing and storage applications – Ongoing – Funded by MJES.

Mr. JEESU GEORGE, Assistant Professor

Trainings/ refresher/Orientation Programmes attended:

- Faculty Development programme on "AI enabled technology, machine learning & generative artificial intelligence" at LIBA, Chennai.

Seminars/ Conferences/Webinars/Workshops attended:

- National Workshop on Futuristic Catalysts and Catalytic Processes at Central University of Kerala during 15th -16th, February 2024.
- National Level Webinar on "Climate Change Research in India" by Dr Chaitanya Jain, Scientist SF, National Atmospheric Research Laboratory, Department of Space, Govt of India on 29th September, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

- One day national seminar on "Challenges and opportunities in the global chemistry enterprise organized by Department of Postgraduate Studies and Research in Chemistry on 19th February, 2024.

Papers presented in Seminars/Conferences:

- Poster presentation on the title "Synthesis, characterization and catalytic applications of r-GO bimetallic MOF composites" at NWFCCP, Central University, Kerala on 16-02-2024

Research Projects:

- Minor research project funded by MJES. Title: "Synthesis, characterization and catalytic applications of r-GO bimetallic MOF composites"

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer:

- Resource person for the 5-day Faculty Development programme on “Spectroscopy and its applications” from 24th – 28th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

Dr AKSHATHA R. SALIAN, Assistant Professor

Trainings/ refresher/Orientation Programmes attended:

- Faculty Development programme on “Research Roadmap: Chapter 1” from 11th -17th August 2023 at St Aloysius College (Autonomous) Mangaluru.
- Faculty Development programme on “Spectroscopic Techniques & Applications” held during 24th – 28th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

Seminars/ Conferences/Webinars attended:

- International Conference held from 26-09-2023 to 27-09-2023 at Department of Basic Sciences, Srinivas Institute of Technology, Valachil, Mangaluru
- National Workshop on Molecular Docking & Electroanalytical Techniques on 06-06-2023 at Department of PG Chemistry, SDM College Ujire.
- National Level Webinar on “Climate Change Research in India” by Dr Chaitanya Jain, Scientist SF, National Atmospheric Research Laboratory, Department of Space, Govt of India on 29th September, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.
- National level hands-on workshop on “Chemistry fusion: Bridging theory to innovation through advance instrumentation” on 3rd November 2023, organized by the Department of Post Graduate Studies and Research in Chemistry, St. Aloysius College (Autonomous), Mangaluru.
- One day national seminar on “Challenges and opportunities in the global chemistry enterprise organized by Department of Postgraduate Studies and Research in Chemistry on 19th February, 2024.

Research Projects:

- Ongoing Minor Research Project funded by MJES entitled Adsorption studies on activated carbon modified composite for heavy metal ions removal from laboratory waste water. Sanctioned Rs. 1,50,000/-.

DR JOSLINE NEETHA D’SOUZA, Assistant Professor

Trainings/ refresher/Orientation Programmes attended:

- Faculty Development programme on “Spectroscopic Techniques & Applications” held during 24th – 28th July, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.

**Seminars/ Conferences/Webinars/Workshops attended:**

- International conference on recent research in applied sciences-2023, Organized by Srinivas Institute of Technology, Mangaluru from 26th-27th September 2023.
- National Level Webinar on “Climate Change Research in India” by Dr Chaitanya Jain, Scientist SF, National Atmospheric Research Laboratory, Department of Space, Govt of India on 29th September, 2023 organized by Department of Post graduate Studies and Research in Chemistry, St Aloysius College (Autonomous), Mangaluru.
- National level hands-on workshop on “Chemistry fusion: Bridging theory to innovation through advance instrumentation” on 3rd November 2023, organized by the Department of Post Graduate Studies and Research in Chemistry, St. Aloysius College (Autonomous), Mangaluru.
- One day national seminar on “Challenges and opportunities in the global chemistry enterprise organized by Department of Postgraduate Studies and Research in Chemistry on 19th February, 2024.

DEPARTMENT OF PG STUDIES AND RESEARCH IN MATHEMATICS**Innovative Pedagogical Practices**

- Case Studies, Group discussions, Student seminars using ICT, Remedial Classes

Seminars/Conferences/Webinars Organized

- An online alumni interaction session-1 by Ms Mereena Joseph, Junior Data Scientist at Ernst & Young, on August 8, 2023
- A guest talk on the topic of ‘Leadership Skills’ by Prof Adarsh Hegde, HOD, Hospital Administration Alvas College, Moodabidri on August 10, 2023
- Organized a workshop on the topic ‘Research to Start-Up’ in collaboration with Entrepreneurship and Consultancy Cell on August 10, 2023. The resource persons for the workshop were Dr K Sudhakara Prasad, Associate Professor, Yenepoya Research Centre, Yenepoya (Deemed to be University), Founder and Director, Papersens Pvt. Ltd and Dr. Manesh Thomas, Chief Executive Officer, Manipal-Government of Karnataka Bioincubator, Manipal, Karnataka.
- A guest talk on the topic ‘Positive Mindset - Needs and Ways to Cultivate an Optimistic View’ by Ms. Madhuri Holla, Student Counsellor, TLC School, and PU College on August 18, 2023
- On behalf of Prof. K. A. Krishnamurthy Birth Memorial celebrations, a seminar on ‘Number Theory and its Applications’ was organized in association with the UG Mathematics Department on August 23, 2023. Prof. John Sherra, former Head of the Department was the resource person
- An online alumni interaction session-2 by Ms Reshma Rosillin, Data Analyst at Ardea Investment Management, Sydney on October 6, 2023
- A guest talk on ‘From Idea to Impact: Career Opportunities in Startup’ by Dr. Adarsha Gowda M.H., the Dean of Entrepreneurship & Consultancy Cell, on January 18, 2024
- An alumni interaction session-3 titled ‘Career Opportunities as a Content Developer’ by Mr Shahinsha Thasveer, Senior Academic Counsellor, Byju’s on 3 February 2024

- Workshop on Mathematics of Origami by Dr Adelaide Saldanha, Associate Professor and Former Head of the Department of Mathematics at St Agnes College, Mangalore on 9 February 2024
- An alumni interaction session-4 titled 'Exploring Math across Career' by Ms. Nirmala Shron Paul, a Fellow at Teach for India in Bengaluru, India on 10 February 2024
- Hands-on workshop on Mathematical Computing with Python by Ms Vanaja A, Assistant Professor, Department of Computer Science, Application and Animation on 29 February 2024

Number of Seminars attended-13/ papers presented -1/papers published-1

Publications of the department

- Ms Dhanya D (2021 Batch) and Ms Apoorva Shetty published an article titled '*Review Article on Hypergraphs*' in AL-SHODHANA, a Multi-Disciplinary Refereed Research Journal (Vol XI NO 2 July 2023, ISSN 2320-6292)

Innovative activities/ programs organized

- In collaboration with the Department of Mathematics, St Joseph Engineering College (Autonomous), Vamanjoor, organized a workshop for the final year BSc Mathematics students of various colleges affiliated to Mangalore University on the topic "Introduction to Python" on 28 June 2023 in the LCRI computer lab as a part of MoU activity
- Mathematics Popularization Activities at Schools and Colleges
- Certificate course in Python 'Anybody can Code' in collaboration with the Department of Computer Science, Application and Animation
- Alumni interaction series

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed - 23
- Number of students cleared competitive exams - 3
- Internships completed - 6
- Number of students opted for higher studies – 10
- Number of students won national fests and competitions – 6
- Ms Jane ShanonCutinha (2021-23 batch) has been selected for the Ph.D. program under the prestigious T M A Pai Scholarship for Research offered by MIT Manipal
- Ms Saliha Saleem, II MSc Mathematics has been selected for the post of Junior Management Grade I at Federal Bank with a package of 15LPA

Participation in Training/Refresher/Orientation programs

- Ms Anupriya Shetty completed a refresher course in Mathematics (Theme: Python & Vedic Mathematics) organized by the Teaching Learning Centre & Department of Mathematics Ramanujan College, University of Delhi under the aegis of Ministry of Education Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching in collaboration with Department of Mathematics, Sri Jayachamarajendra College of Engineering (SJCE) JSS Science and Technology University, Mysuru during 13-26 July 2023

- Dr Shubhalakshmi D attended a one-week Faculty Development Program Organized by St Joseph's College (Autonomous), Irinjalakuda in association with The Kerala State Higher Education Council from 19 July to 26 July 2023.
- Ms Apoorva Shetty participated in the FDP “Machine Learning and Data Visualization using Python” organized by the School of Management, Kristu Jayanti College, Autonomous, Bengaluru from 22nd November to 30th November 2023

Perspective Plan: 2024-2025 (Future Plans)

- To apply for research projects and summer internship programs
- Using Python in the existing computational lab courses instead of Maxima

Best practices of the department

- Hands-on training on LaTeX, Scilab, Python and Maxima
- Conducting workshop/seminar under MoU (with SJEC)
- Conducting NET problem-solving sessions through faculty and PhD scholars
- Conducting outreach and academic activities through MATRIX association
- Departmental e-magazine titled pi-zine

MS ANUPRIYA SHETTY, Assistant Professor & HOD

Trainings/ refresher/Orientation Programmes attended during the year:

- Completed a refresher course in Mathematics (Theme: Python & Vedic Mathematics) organized by the Teaching Learning Centre & Department of Mathematics Ramanujan College, University of Delhi under the aegis of Ministry of Education Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching in collaboration with Department of Mathematics, Sri Jayachamarajendra College of Engineering (SJCE) JSS Science and Technology University, Mysuru during 13-26 July 2023
- Attended IP Awareness/Training Program under National Intellectual Property Awareness Mission organized by Intellectual Property Office, India, held on 20th October 2023

Seminars/ Conferences/Webinars attended during the year:

- Attended a Workshop on Curriculum Internationalization under the RISHII project of Deusto University Bilbao Spain held at St Aloysius College, Mangaluru on 4 December 2023
- Attended a national-level webinar ‘Recent Progress in Mathematical Sciences’ organized by the Department of Mathematics, Govt Engineering College, Bhojpur, Bihar, India on 14 March 2024

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- Member of BOE at the Department of Mathematics, Mangalore University, Mangalagangothri
- Member of BOE at the Department of PG Mathematics, Centre for Post Graduate Studies and Research, Vivekananda College of Arts, Science & Commerce (Autonomous), Puttur
- Member of BOE at the Department of PG Mathematics, Centre for Post Graduate Studies and Research, Alvas College (Autonomous), Moodabidri

DR SHUBHALAKSHMI D, Assistant Professor

Trainings/ refresher/Orientation/workshop Programmes attended during the year:

- Attended a one-week Faculty Development Program Organized by St Joseph's College (Autonomous), Irinjalakuda in association with The Kerala State Higher Education Council from 19 July to 26 July 2023.
- Attended a workshop on Graph Theory with Python Organized by Indian Mathematics Professors Association and Infinity research and development cell Govt of India Education Council from 13 August to 14 August 2023.
- Attended a workshop on Curriculum Internationalisation under RISHII Organized by Project of Deustro University Bilbao Spain held at St Aloysius College, Mangaluru on 04 December 2023

MS APOORVA SHETTY, Teaching Staff Assistant

Trainings/ refresher/Orientation Programmes attended during the year:

- Participated in the FDP “ChatGPT & AI Tools for Educators, in-line with OBE” organized by St Joseph's College (Autonomous), Irinjalakuda in association with The Kerala State Higher Education Council from 19 July to 26 July 2023
- Participated in the FDP “RESEARCH FOR ACADEMIC EXCELLENCE” organized by the Department of Mathematics, KPR College of Arts Science and Research, Coimbatore-641 407, Tamilnadu, India from 3rd to 9th August, 2023.
- Participated in the FDP “Machine Learning and Data Visualization using Python” organized by School of Management, Kristu Jayanti College, Autonomous, Bengaluru from 22nd November to 30th November 2023
- Participated in the FDP “Rudiments and Techniques of Fluid Dynamics (RTFD-2023)” organized by the Department of Mathematical Sciences, P. D. Patel Institue of Applied Sciences, Charotar University of Science and Technology, Changa, Anand, Gujarat from December 4-8, 2023
- Participated in the FDP “Basics of Algebra, Analysis, and Topology” organized by the Department of Mathematics, SRM University-AP from December 18-22, 2023

Seminars/ Conferences/Webinars attended during the year:

- Participated in the Lecture Series on Number Theory organized by the Department of Mathematics, Sant Longowal Institute of Engineering and Technology (Deemed to be University, Ministry of Education, Govt. of India), Longowal, Punjab from August 10-13, 2023
- Participated in the Workshop on Curriculum Internationalisation under RISHII organized by Project of Deustro University Bilbao Spain held at St Aloysius College, Mangaluru on 04 December 2024
- Participated in the International Conference on Recent Trends in Mathematics, Statistics, and Engineering organized by the School of Technology Management and Engineering SVKM's NMIMS (Deemed-to-be University), Indore, Madhya Pradesh, India from December 22-23, 2023

Publications:

- Published an article as a co-author titled “*Review Article on Hypergraphs*” in AL-SHODHANA, a Multi-Disciplinary Refereed Research Journal (Vol XI NO 2 July 2023, ISSN 2320-6292)

MR CHRISWIN PREM VAS, Teaching Staff Assistant

Trainings/ refresher/Seminar/workshop Programmes attended during the year:

- FDP on Teaching Excellence organized by St. Aloysius College (Autonomous), Mangalore.
- Attended a One-Day State Level Seminar on “Understanding by Design – A New Pedagogical Experiment and Importance of Theatrics in Teaching” organized by Government First Grade College, Mudipu, held on 06th January 2024.
- Attended a 2-day National Level “Mathematics Research Symposium” organized by the Department of Mathematics, Manipal Institute of Technology, Manipal Academy of Higher Education held on 03rd and 04th February 2024.
- Attended IP Awareness/Training Program under National Intellectual Property Awareness Mission organized by Intellectual Property Office, India, held on 20th October 2023.
- Attended seminar on “Career Opportunities in Startup” organized by the Department of Post Graduate Studies and Research in Mathematics in association with Entrepreneurship and Consultancy Cell, St. Aloysius College (Autonomous), Mangalore held on 18th January 2024.
- Attended a hands-on workshop on “Mathematical Computing with Python” organized by the Department of Post Graduate Studies and Research in Mathematics, St. Aloysius (Deemed to be University), held on 29th February 2024.

DEPARTMENT OF POST GRADUATE STUDIES & RESEARCH IN PHYSICS

Innovative Pedagogical Practices

Enabling student centric learning in the department through various research based pedagogies like research presentations, ICT enabled studies, Overall development by activities like regular industrial visits and guest lectures by eminent scientists.

Seminars/Conferences/Webinars Organized

- A guest lecture on the topic “**Ignorance leads to consequences radioprotection Perspective**” by Dr Thrilochana Shetty, Post Doctoral Fellow, IRSN, France on August 25, 2023.
- Webinar on the topic “**Chemical sensors for disease diagnostics applications**” by Dr R Pandeswari, Assistant Professor, Department of Nano Science and Technology, Sri Ramakrishna Engineering College (SREC), Coimbatore on September 5, 2023
- Guest talk on the topic “**Particle Physics and Fundamental Forces**” by K B Vijaya Kumar, Former professor in Physics, Mangalore University on February 21, 2024, Aloysius (Deemed to be University).
- Internal Resource Mobilization lectures organized to all UG Physical Science students. Dr Nilakanthan V K and Dr Rita Crasta Gave talks on September 12, 2023.

Number of Seminars attended/ papers presented/ papers published: 13

Publications of the department

- Published a book “**Decadal Odyssey in Physics: A Chronicle of the PPK Endowment Lecture Series**” with ISBN Number 978-81-963171-9-5

Innovative activities/ programs organized

- Prof. Prakash P Karat Endowment Lecture held by the Department for the tenth consecutive year on March 23, 2024 at St Aloysius (Deemed to be University), Mangalore.

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed-5
- Number of students pursuing higher studies- 22
- Internships completed-2
- Number of students opted for higher studies-22

Unique staff achievements

- Dr Chandra Shekhara Shetty T authored a book **Huli Vesha** with ISBN Number : 978-81-963171-5-7.
- Dr Chandra Shekhara Shetty T Delivered 5 talks at Akashavani, Mangaluru on ‘**Krithi Sampada**’ Series from 15 December 2023 onwards.
- Dr E Deepak DSilva delivered a talk on “**Ionizing Radiations**” in Akashavani, Mangaluru on December 31, 2024.
- Dr E Deepak DSilva published an article titled ಎಲೆಕ್ಟ್ರಾನ್ ಲೋಕಕ್ಕೆ ಅತ್ಯಂತ ಸಣ್ಣದಾದ ಕೀಲಿಕೈ (Electron Lokakke Attosecond Keelikai)”, in ಅರಿವು blog in December 2023.

Perspective Plan: 2024-2025 (Future Plans)

- Updating syllabus based for the new University set up according to the NEP guidelines.
- Designing new experiments for the new updated syllabus according to NEP
- Sending students for internship to research institutions and (or) industries.

Best practices of the department

- The department updates its bulletin board every three weeks. The association organises frequent meetings to bring students up to date on current physics developments and trends.
- Prof. Prakash P Karat Endowment Lecture held by the Department for the tenth consecutive year on March 23, 2024 at St Aloysius (Deemed to be University), Mangalore.

DR. CHANDRA SHEKHARA SHETTY T, Associate Professor & HOD

Trainings/ refresher/Orientation Programmes attended during the year

- Facilitator Certificate course in HRD, College for Leadership and Human Resource Development, 13-05-2023 - 22-05-2023
- UGC Sponsored Refresher Course, Malaviya Mission Teacher Training Center, Kannur University, 06-12-2023 - 19-12-2023
- Attended workshop on Spoken English at College for Leadership and Human Resource Development on 13 and 14 January.
- Training: National intellectual property awareness mission at St Aloysius College on 20-10-2023

Seminars / Conferences/Webinars attended during the year

- Attended National Conference 'Collaborating Across Disciplines Through Interdisciplinary Research' on 19 April 2023
- Attended Prof. Prakash P Karat Endowment Lecture on March 23, 2024
- Attended National conference on Physical Sciences at St Aloysius (Deemed to be University) on from March 1 to March 2, 2024.
- Training: National intellectual property awareness mission at St Aloysius College on 20-10-2023

Papers presented in Seminars/Conferences

Maringmei Linda, P. Gayathri, **T. Chandra Shekhara Shetty**, *Growth and Characterisation of Two Novel Organic Single Crystals for Nonlinear Optical Applications*, National Conference on Physical Science held at St Aloysius (Deemed to be University), Department of Physics during 1 & 2, March 2024

Publications with ISBN/ISSN/Conference Volumes etc.:

Published a chapter ***“Determination of the Elastic Constants of a Nematic Liquid Crystal Cell using Freedericksz Effect”*** in the book Decadal Odyssey in Physics: A Chronicle of the PPK Endowment Lecture Series. with ISBN Number 978-81-963171-9-5

Research Projects:

Completed one minor research project ‘To construct a Spin-Spray Pyrolysis Unit to Fabricate Oxide Thin Films for General Scientific Applications’

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- Editor: Conference Proceedings of National conference 'Collaborating Across Disciplines Through Interdisciplinary Research' with ISBN Number: 978-81-963171-0-2
- Authored a book Huli Vesha ISBN Number : 978-81-963171-5-7
- Editor: Decadal Odyssey in Physics: A Chronicle of the PPK Endowment Lecture Series. with ISBN Number 978-81-963171-9-5

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- Life Member of Indian Science Congress Association
- Life Member in Association of Physics Teachers of Mangalore University

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Moderated Panel discussion during 'Samavesha', Indian Science Technology and Engineering Faculties Map on 18 March 2024.
- Visited Canara Springs industry as part of student outreach program on 24 January 2024.
- Attended ICON-2024 an Academia Industry Connect Organized by Stella Maris College Chennai on February 3, 2024.
- Resource person at the Workshop on 'Creative Writing' at Pompei College Aikala on 3 April 2024.

DR. NILAKANTHAN V K, Assistant Professor

Seminars / Conferences/Webinars attended during the year

- Attended International Symposium on Nuclear Astrophysics organized by Jointly organized by MCNS, MAHE (India) & INFN-LNS (Italy) at Manipal Centre for Natural Sciences, Manipal from October 30 to November 3, 2023.
- Attended National Conference on Frontiers in Astronomy on 21 March 2024 at MGM College Udupi.
- Attended National conference on Physical Sciences at St Aloysius (Deemed to be University) on from March 1 to March 2, 2024.
- Training: National intellectual property awareness mission at St Aloysius College on 20-10-2023

Papers presented in Seminars/Conferences

Presented a paper titled “**Hyperfine Splitting in the Ground State of Muonic Hydrogen**” in the National Conference on Collaborating Across Disciplines Through Interdisciplinary Research, Organized by Research and Development Cell, St Aloysius College (Autonomous), Mangaluru.

Publications with ISBN/ISSN/Conference Volumes etc.

- Published paper titled "*Variation of Pressure in Sound Waves due to Interaction with Gravitational Waves*", in the journal *Al-Shodhana* a multidisciplinary peer reviewed journal, ISSN: 2320-6292.
- Published a chapter titled "*Spintronics: Bridging the gap between Magnetism and Quantum Computation*" in the book “Decadal Odyssey in Physics: A Chronicle of the PPK Endowment Lecture Series” with ISBN number 978-81-963171-9-5.
- Published a paper titled "*Hyperfine Splitting in the Ground State of Muonic Hydrogen*" in the Proceedings of the National Conference on Collaborating Across Disciplines Through Interdisciplinary Research with ISBN number 978-81-963171-0-2.

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- Published a chapter titled "*Spintronics: Bridging the gap between Magnetism and Quantum Computation*" in the book “Decadal Odyssey in Physics: A Chronicle of the PPK Endowment Lecture Series” with ISBN number 978-81-963171-9-5.

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

Member of BoS of the Department of Post Graduate Studies and Research in Physics, Shri Dharmasthala Manjunatheswara College (Autonomous), Ujire, Karnataka.

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Staff coordinator of Aloysian Fest 2024, a National level Fest organized by the Post Graduate Departments of St Aloysius (Deemed to be University).
- Internal Resource Mobilization: Gave a lecture on the topic 'Gravitational waves: a new Vista of COSMOS' on September 12, 2023.

DR. RITA CRASTA, Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

Attended NEP Orientation and Sensitization Programme organized by Malaviya Mission Teacher Training Center, Bangalore University from December 11 to December 19, 2023.

Seminars / Conferences/Webinars attended during the year

- Attended International Synposium on Nuclear Astrophysics organized by Jointly organized by MCNS, MAHE (India) & INFN-LNS (Italy) at Manipal Centre for Natural Sciences, Manipal from October 30 to November 3, 2023.
- Attended National conference on Physical Sciences at St Aloysius (Deemed to be University) on from March 1 to March 2, 2024.

Publications with ISBN/ISSN/Conference Volumes etc.

- **Rita Crasta**, Sushma Devadiga, Nikhita Narendra Savant, Vibha Vinayak Naik, Suresha Suresh and Kamalakar Vajjinathrao Dawalekar, '*Analysis of radon concentrations in drinking water in coastal regions of Karnataka, South India*', *Radiation Protection Dosimetry*, 2023, **199**(20), 2475–2480
- Published a chapter titled "*Spintronics: Bridging the gap between Magnetism and Quantum Computation*" in the book "Decadal Odyssey in Physics: A Chronicle of the PPK Endowment Lecture Series" with ISBN number 978-81-963171-9-5.

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Completed MJES research project titled "**Distribution of Polonium-210 and Heavy metal in the Environment of the Mangalore**"

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- Published a chapter titled "*Spintronics: Bridging the gap between Magnetism and Quantum Computation*" in the book "Decadal Odyssey in Physics: A Chronicle of the PPK Endowment Lecture Series" with ISBN number 978-81-963171-9-5.

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Internal Resource Mobilization: Gave a lecture on the topic "Nuclear Reaction and cross section" on September 12, 2023.

DR KUMARA K, Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

- IP Awareness/Training program
- Five days faculty development Program on advanced materials for energy applications
- Workshop on 'Research to Start-Up'
- The Role of Librarians in higher education institution: Opportunities and Challenges
- Hands-on Workshop on OBE and Question Bank preparation using *QnSmarti*

- Faculty development Program on Development of materials characterization techniques and their future prospects

Seminars/ Conferences/Webinars attended during the year

- International Webinar on “*Metal Organic Framework Derived Nanomaterials for High Performance Supercapacitors*”

Papers presented in Seminars/Conferences

- ‘*Influence of rGO addition on the optical transparency and electrical conductivity of GZO and ZnO thin films*’ National Conference on Physical Science held at St Aloysius (Deemed to be University), Department of Physics during 1 & 2, March 2024.

Publications with ISBN/ISSN/Conference Volumes etc.

- *Investigations on structural, optical and electrical properties of microwave-assisted rGO:ZnO nanocomposite thin films*, Rashmi, N., Serrao, F.J., Kindalkar, V.S., Kumara, K., Kumar, N.R., Savitha, M.B. and D’sa, J.G. Materials Today: Proceedings (2023).

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Reduced Graphene Oxide and Conducting Polymer Composite Transparent Conducting Thin Films for Organic Polymer Solar Cells Application, Mangalore Jesuits Educational Society (MJES). Project is completed.

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- **Kumara K**, Decadal Odessey in Physics: A Chronical of the PPK Endowment Lecture Series, 34-36 (1) 2024. ISBN 978-81-963171-9-5.

DR. EMMANUEL DEEPAK DSILVA, Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

- Training: Advanced materials for energy and environment at REVA university, from 05-09-2023 to 09-09-2023
- Training: Reshaping Education: AI powered pedagogy and research at Kristu Jayanti College from 04-12-2023 to 11-12-2023
- Training: National intellectual property awareness mission at St Aloysius College on 20-10-2023

Seminars/ Conferences/Webinars attended during the year

- Seminar: National Conference on Physical Sciences at St Aloysius College, 01-03-2024 to 02-03-2024.
- Seminar: Emerging technologies in Materials science at Jayaraj Annapacriam college for women (Autonomous), Periyakulam, Theni District, on 22-02-2024.

Publications with ISBN/ISSN/Conference Volumes etc.

- Abstract published in souvenir of national conference on Physical Sciences, organized at St Aloysius College. Titled: Characterization of copper incorporated CdS spin coated thin films derived from sol-gel method

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- Chapter published in “Decadal Odyssey in Physics: A chronicle of the PPK Endowment Lecture Series”, Published by St Aloysius Prakashana (ISBN 978-81-963171-9-5)

They were accompanied by were accompanied by four faculty members. -Dr Hemalatha N (Dean IT Academics), Dr Ruben (HOD Software Technology), Ms Sucheta and Mr Srinivas B.L.
- The Inaugural Ceremony of the MSc Software Technology Programme for the 2023-25 batch, powered and partnered by Niveus Solutions, was held at St Aloysius College (Deemed to be University) AIMIT, Beeri on September 9, 2023. Ms Shipra Rai, Vice President, People Operations, Niveus Solutions, Mr Adarsh Prabhu, Associate Director, Niveus Solutions, De(Fr) Melwyn Pinto SJ, Director, AIMIT and Dr. S Ruban, HOD, MSc(Software Technology) were present.
- ‘Unboxing AI: A medical practitioner’s perspective’, a faculty development programme (FDP) for doctors, dentists, PG students and interns of medical institutions was held on September 20, 2023 at AIMIT campus of StAloysius College (Deemed to be University), Mangalore. The FDP was restricted to 15 participants and the resource persons for this workshop are Dr Sudhir Prabhu, Professor and HOD, Department of Community Medicine, Father Muller Medical College, Mangalore; Dr Balu P. S, Mr Lanwin Lobo, Director, Data Science and ML, MResult Service Private Ltd and Dr S. Ruban, Associate Professor and HOD, PG Dept. of Software Technology, AIMIT.
- ‘Unboxing AI: Engaging with Healthcare professionals and Medical Data’, a faculty development programme (FDP) – for doctors and faculty member’s/research scholars of the Information Technology department was held on November 20, 2023. This was the second FDP on the same topic to be held at AIMIT this year. Twenty two participants from ten institutions participated in this hands-on training workshop. The resource persons for this workshop were Dr Sudhir Prabhu, professor and HOD, Department of Community Medicine, FMCG; Lanwin Lobo, director, Data Science and ML, MResult Service Private Ltd and Dr S. Ruban, associate professor and HOD, Software Technology department, AIMIT.
- PG Department of Software Technology, AIMIT organized an online webinar on the topic “Web Development using C# and .NET Framework”, on 22nd Dec 2023. The session aimed to provide participants with insights into the fundamentals, best practices, and the overall landscape of web

development using these technologies. Alumni of our college Ms. Chaithra Krishna was the Resource Person, who is currently working as *Career Onboarding-Consulting and Support Engineer at Blue Yonder*. A total of 107 participants attended the webinar

- An online webinar was organized by the students of Department of MSc Software Technology on the topic ‘React Simplified: Learn the fundamentals fast’ on Jan 4, 2024. Mr. Stuart Olivera, an alumnus of the department, presently working as Cloud associate at Niveus Solutions was the resource person. A total of 123 participants attended the webinar
- MSc Software Technology students of AIMIT St Aloysius (Deemed to be University) conducted a student outreach programme called ‘Mahiti Sindhu’ for school children studying in classes 6 and 7 at Ramakrishna High School (English medium) and Canara High School (Kannada medium) on February 24, 2024. This programme was aimed at creating awareness about computers, including computer basics, online safety and machine learning tools designed specifically for children.
- ‘Unboxing AI: Engaging with healthcare professionals and medical data’, a two-day hands-on workshop for IT students of St Joseph’s University, Bangalore was held on February 15-16, 2024. This is the third such programme organised on the same topic this year at AIMIT campus. Fifty-two participants took part in this hands-on training workshop. The resource persons were Lanwin Lobo, director, Data Science and Machine Learning, MResult Service Private Ltd; Sumit who is working as a principal data scientist in Dubai and author of the book ‘Applied deep learning and computer vision for self driving cars’; Varena Vinay, data scientist and Dr S. Ruban, associate professor and HOD, Software Technology department, AIMIT.

Number of Seminars attended: 15

Number of papers presented : 25

Number of papers published : 25

Publications of the department: SACAIM 2022(Volume 1 and Volume 2) in association with other PG IT Departments (ISBN : 978-81-19070-68-8 and 978-81-19070-77-0)

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed in internships: 24
- Number of students self-employed: 5
- Number of students cleared competitive exams
- Internships completed: 24
- Number of students won international fests and competitions: 20

Unique staff achievements

Dr.S. Ruban is selected under the Sophia Research Grant programme and will be visiting Sophia University, Japan from April 2024 – July 2024.

Dr. Srinivas B.L, is awarded PhD by Bharathiar University, Coimbatore, Tamil Nadu. For his thesis titled “ENERGY AWARE EFFICIENT RESOURCE UTILIZATION APPROACHES FOR CLOUD DATA CENTER”

Participation in Trainings/Refresher/Orientation programs:

MRS.SUCHETHA VIJAY

- Attended a 5 days online FDP on Recent Advances - Future Trends in Artificial Intelligence and Cyber Security from 14th – 20th November 2023 conducted by JMJ College for Women (Autonomous), Tenali.
- Attended Five Days International FDP on "Research - The Journey from Inception to Publishing" through Online Mode from 5th February 2024 to 9th February 2024, organized by IQAC in association with PG & Research Department of Computer Science, Dhanraj Baid Jain College Chennai - 600 097.

Perspective Plan: 2024-2025 (Future Plans)

- Dr.S. Ruban will be recognized as a Research Guide under the St Aloysius Deemed to be university, hence will be having Research scholars both Fulltime/Part time in the department.
- Industry visit for the Final year students, to various IT companies in Bangalore and Techno park, Trivandrum.
- Pre-placement training for all the MSc Software technology students.
- More International collaborations in research and academic both at the faculty and the student level

Best practices of the department

- M.Sc. Software Technology course at AIMIT, St Aloysius College (Deemed to be University) is Recognized by the Mangalore University , UGC New Delhi, and Niveus Solutions, Mangalore is the industry partner.
- Awarded with the DewangMehtha National Education Award for the Best Academic Input (Syllabus) in Information Technology
- The course has helped in creating leaders, trend-setters for the IT Industry.
- The course starts with one month Refresher Course” Foundations of Information Technology” designed by Niveus.
- Several Industry Elective papers are being included in the syllabus from Infosys, IBM, EMC.
- It has offered state-of-art information technology education, and imparting skills for building cutting-edge technologies and innovative IT applications.
- Successfully trained individuals who are successfully contributing substantially to the ambitious IT goals of the country.
- It has promoted several Entrepreneurs to generate Jobs in the country.

DR. S. RUBAN,

Associate Professor and HOD, PG Dept. of Software Technology.

Papers presented in Seminars/Conferences

- Presented paper titled “An AI based approach to predict BI- RADS Score in detecting Breast cancer over Mammograms” at IDSCS 2023 (Proceedings by Springer SCOPUS Series): 03-04, November 2023 | TSSRF, India and CHRIST (Deemed to be University), India

- Presented paper titled “Leveraging Deep Learning for Detection of Breast Cancer: A Multi-Algorithm Investigation” at CETDT-2024: International Conference on Emerging Trends in Digital Technologies-2024, conducted at Usha Pravin Gandhi College of Arts, Science and Commerce, Vile Parle, Mumbai, Maharashtra, February 24, 2024.
- Presented paper titled “Machine Learning-Based Predictive Modeling for Hypoxic-Ischemic Encephalopathy: A Focused Exploration and Validation Analysis” at SACAIM 2024, held on 10th and 11th Jan 2024.
- Presented paper titled “Automated H. Pylori Detection in Microscopic Images using Roboflow” at SACAIM 2024, held on 10th and 11th Jan 2024.
- Presented paper titled “Data-Driven Insights into Bronchitis: A Machine Learning Exploration” at SACAIM 2024, held on 10th and 11th Jan 2024.
- Presented paper titled “Predictive Analytics for Type 1 Diabetes: Unravelling Trends through Deep Learning” at SACAIM 2024, held on 10th and 11th Jan 2024.
- Presented paper titled “Machine Learning-Based Wheeze Prediction: Harnessing CNN Models” at SACAIM 2024, held on 10th and 11th Jan 2024.
- Presented paper titled “Upper respiratory tract infection detection through machine learning algorithm in children” at SACAIM 2024, held on 10th and 11th Jan 2024.
- Presented paper titled “A Study and Analysis of Chatbots-A Medical Perspective” at SACAIM 2024, held on 10th and 11th Jan 2024.

DEPARTMENT OF MSC BIG DATA ANALYTICS

Innovative Pedagogical Practices

Hands-on Project-Based Learning: Emphasize project-based learning where students work on real-world big data projects. These projects could be sourced from industry partners or developed internally within the department. This approach allows students to apply theoretical concepts to practical scenarios, enhancing their problem-solving skills and preparing them for the workforce.

Guest Lectures and Industry Engagements: Invite industry experts and practitioners for guest lectures, workshops, or seminars. This exposes students to real-world applications, industry best practices, and emerging trends in big data analytics. Additionally, organize industry visits or internships to provide students with hands-on experience and networking opportunities.

Continuous Assessment and Feedback: Implement continuous assessment methods such as quizzes, assignments, and peer evaluations to gauge student progress regularly. Provide constructive feedback to students to help them identify areas for improvement and tailor their learning journey accordingly.

Interdisciplinary Collaboration: Encourage interdisciplinary collaboration by organizing joint projects or seminars with other departments such as computer science, statistics, business, or social sciences. This fosters a holistic understanding of big data analytics and exposes students to diverse perspectives and methodologies.

Mentorship Programs: Establish mentorship programs where students are paired with experienced professionals from TCS who can provide guidance, support, and career advice. Mentorship relationships foster professional development, networking, and knowledge exchange, empowering students to make informed decisions about their academic and career paths.

Industry Webinars and Workshops: Partner with TCS and other industry leaders to host webinars and workshops specifically tailored to the needs and interests of MSc Big Data Analytics students. These sessions can cover a wide range of topics including emerging technologies, industry trends, case studies, and practical applications of big data analytics in various domains.

Guest Speakers from TCS: Invite professionals from TCS to deliver guest lectures or participate in panel discussions. These experts can provide valuable insights into the latest advancements in big data analytics, share real-world experiences, and offer career advice to students aspiring to work in the industry.

Seminars/Conferences/Webinars Organized

Unique staff achievements

Participation in Trainings/Refresher/Orientation programs

Perspective Plan: 2024-2025 (Future Plans)

- **Curriculum Enhancement:**
 - Review and update the curriculum to ensure alignment with the latest industry trends and advancements in big data analytics technologies.
 - Introduce new elective courses or specializations based on emerging areas such as AI ethics, edge computing, and blockchain analytics.
 - Incorporate more practical, hands-on projects and case studies to provide students with real-world experience and enhance their problem-solving skills.
- **Industry Partnerships and Internships:**
 - Strengthen partnerships with industry organizations, companies, and startups to facilitate internships, industry projects, and guest lectures.
 - Expand internship opportunities by collaborating with a diverse range of companies spanning various sectors such as healthcare, finance, retail, and technology.
 - Organize industry-sponsored hackathons, competitions, or challenges to promote innovation and collaboration among students and industry partners.

- **Professional Development and Placement Training:**

- Enhance placement training programs by offering workshops, seminars, and mock interviews focused on resume building, interview preparation, and soft skills development.
- Provide mentorship and career counselling services to support students in identifying their career goals, refining their job search strategies, and navigating the recruitment process.
- Foster networking opportunities through career fairs, alumni connections, and industry events to facilitate job placements and internships for students.

Best practices of the department

- **Curriculum Design:**

- Develop a comprehensive curriculum that covers core principles of big data analytics including statistics, machine learning, data mining, data visualization, and programming languages commonly used in the field (such as Python, R, SQL).
- Include elective courses or specializations to allow students to tailor their learning based on their interests and career goals (e.g., healthcare analytics, financial analytics, IoT analytics).
- Regularly review and update the curriculum to keep pace with advancements in technology and industry demands.

- **Hands-on Learning:**

- Incorporate practical, hands-on projects and case studies into the curriculum to give students real-world experience in working with big data.
- Provide access to industry-standard tools and software platforms used for big data analytics (e.g., Hadoop, Spark, Tableau) through labs or virtual environments.
- Facilitate internships or industry projects to allow students to apply their knowledge in real-world settings and build connections with potential employers.

- **Industry Partnerships:**

- Establish partnerships with industry organizations, companies, and startups to gain insights into industry trends, obtain guest lectures, and create opportunities for internships or job placements.
- Invite guest speakers from industry to share their experiences, challenges, and best practices with students.
- Organize industry-sponsored hackathons, competitions, or challenges to foster collaboration and innovation among students.
- Training sessions conducted by experts (like 10 seconds) for MSc Big Data Analytics students aimed at developing aptitude and technical skills to enhance their employability.

DR. RAKESH KUMAR B, Assistant Professor & HOD, MSc Big Data Analytics

Seminars/ Conferences/Webinars attended during the year

- Attended Five days (08/05/2023 to 13/05/2023) Faculty Development Programme On “Artificial Intelligence and Machine learning for Image Analysis-Matlab& Python Perspective” conducted by CMR Institute of Technology, Bengaluru

- Attended online FDP on Research methodology using Chat GPT and AI Tools', Organized by Marian College, Kuttikkanam, in association with Kerala State Higher Education Council
- Attended one-week Online Faculty Development Programme on "Outcome Based Education and AI Tools for Teachers organized by "Ramakrishna Mission, Vivekananda Centenary College", Rahara, Kolkata

Papers presented in Seminars/Conferences

- **Dynamic Analysis of Economic Indicators: Exploring Seasonal Patterns, inflation Impact, and Predictive modeling for Sustainable Development**, in International Conference on "Advanced IT, Engineering and Management [SACAIM2024]", held at AIMIT, St. Aloysius college, Mangalore, on 10th and 11th January 2024
- **Enhancing online payment fraud detection : a comparative analysis of traditional and gradient boosting machine learning algorithms**, in International Conference on "Advanced IT, Engineering and Management [SACAIM2024]", held at AIMIT, St. Aloysius college, Mangalore, on 10th and 11th January 2024
- **Exploring the Influence of Social Media Marketing on Consumer Behaviour: A Comprehensive Analysis**, in International Conference on "Advanced IT, Engineering and Management [SACAIM2024]", held at AIMIT, St. Aloysius college, Mangalore, on 10th and 11th January 2024
- **Exploring Machine Learning Algorithms for Mental Health**, in International Conference on "Advanced IT, Engineering and Management [SACAIM2024]", held at AIMIT, St. Aloysius college, Mangalore, on 10th and 11th January 2024

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

Contributed a chapter 14 – “Perceived Quality of Work Life and Its Influence on Organizational Commitment Among the Nurses of NABH Accredited Hospitals in Karnataka, India” for the book titled “PERSPECTIVES IN HUMAN RESOURCES” First Edition By Routledge Publication, Taylor and Francis Group ISBN9781032492858

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

Question Paper setter for Sahyadri college of Engineering & Management.

Question paper setter and External Examiner for Mangalore University.

Member of BOS Calicut University,

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Conducted Audit as an external Auditor for PQAIC Audit 2023, at Department of Business Administration, Sahyadri College of Engineering & Management
- Member of Advisory Committee for the “International Conference on Advanced Systems and Emerging Technologies (ICASET 2K3)” held on 20th and 21st December 2023, organized by NADAR SARASWATHI College, Vadaputhupatti, Theni, Tamilnadu.
- As a resource person conducted a seminar on “Developing the mentality needed for a professional career” (31st March 2023) for the BSc Hospitality Management and Hotel Management students of Nitte Institute Of Hospitality Services, Kodakal, Kannur Post, Mangalore

Membership in other social/community based professional organizations/ NGOs etc.

Managing Trustee, Surykanthi Charitable Foundation, Mangalore, Director of St. Aloysius Teacher’s Credit Cooperative Society, Past President, Lions Club

Ms VANITHA T, Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

- Attended online swayam course on ‘Data Analysis for Biologists’ from Nptel
- Attended online swayam course on ‘Essentials of Data science with R software’ from Nptel.
- Attended Faculty Development Program(FEP) on ‘Generative AI Training on Citizen Data Science’ from Infosys.

Papers presented in Seminars/Conferences

- ‘A Comprehensive Comparison: Diabetics prediction Using Machine Learning’ in International Conference on “Advanced IT, Engineering and Management [SACAIM2024]”, held at AIMIT, St. Aloysius college, Mangalore, on 10th and 11th January 2024.
- ‘EXPLORING MACHINE LEARNING TECHNIQUES FOR SLEEP DISORDER ANALYSIS’ in International Conference on “Advanced IT, Engineering and Management [SACAIM2024]”, held

at AIMIT, St. Aloysius college, Mangalore, on 10th and 11th January 2024.

- ‘Plant Disease Classification: Leveraging Deep Learning for Accurate Farming’ in International Conference on “Advanced IT, Engineering and Management [SACAIM2024]”, held at AIMIT, St. Aloysius college, Mangalore, on 10th and 11th January 2024.

- Question paper setter for **Calicut University**.

DEPARTMENT OF M.SC. BIOINFORMATICS

Innovative Pedagogical Practices

More practical oriented approach in curriculum, Theoretical sessions optimized to practice and case study intensive. Industrial inputs were added upon taking decisions by the experts and employers.

Name and Number of New Programmes Introduced

Name-Antibody Computing and Engineering, Flowcytometry Bioinformatics Course, Biomarker Discovery Program, Structural Proteomics Program

**Number: 4****Seminars/Conferences/Webinars Organized**

Flowcytometry Bioinformatics Course- Webinar (By RGCB Group)

Innovations in Drug Discovery trends – Webinar by Dr Amrita Chakraborty

Number of Seminars attended/ papers presented/ papers published-

Give numbers only- (2 Programs and 10 papers)

Publications of the department

1. “Interplay of Epitope Landscapes: Unravelling Molecular Recognition through Mapping, Docking, and Simulations”-Book Chapter, Intech Publications
2. Computational Study to explore the Epitope Landscape of VP28 of White Spot Syndrome Virus: Implications in Diagnostic and Therapeutic Design’ for the poster & oral presentation

Innovative activities/ programs organized

Antibody Computing and Engineering, Flowcytometry Bioinformatics Course, Biomarker Discovery Program, Structural Proteomics Program

Establishment of Proteomic and single cell study facility- Under development

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed-5
- Number of students pursuing post-graduation- 4
- Number of students self-employed-
- Number of students cleared competitive exams
- Internships completed-Ongoing
- Number of students opted for higher studies
- Number of students cleared IELTS
- Number of students won international fests and competitions
- Chosen entrepreneurship

Unique staff achievements

Dr Shine P Varkey selected for the **Post Doctoral Program (supported by DST-SERB, India)** Research Associate I for project- ‘Identification and characterization of a functional cellular receptor for kyasannur forest disease virus entry at Institute of Advanced Virology in November 2023.

Participation in Trainings/Refresher/Orientation programs

Symposium “Accelerating Biology 2024: The Exascale Leap” during February 6-8, 2024 organized by HPC M & BA Group, C-DAC, Pune.

Facility visit to Biocomputing and Informatics Lab, IISER Pune

National Super Computing facility visit at CDAC-PUNE

Perspective Plan: 2024-2025 (Future Plans)

- Research Oriented Programs and establishment of laboratory facilities on single cell proteomics, Biomarker Discovery and Antibody Computing.

- Practice of Bio-entrepreneurship program touching upon various entrepreneurial levels, collaborating with competent authorities/agencies concerned.

Best practices of the department

A supportive and reward based intensive research practice from the current academic year onwards.

DR HEMALATHA N Associate Professor & Dean Dept of IT & Bioinformatics

Trainings/ refresher/Orientation Programmes attended during the year

- Attended NPTEL MOOCs course on Essentials of Data Science with R Software
- Attended NPTEL MOOCs course on Data Analysis for Biologists

Seminars/ Conferences/Webinars attended during the year

- Attended symposium "Accelerating Biology 2024: The Exascale Leap" during February 6-8, 2024 organized by HPC M & BA Group, C-DAC, Pune

Papers presented in Seminars/Conferences

- Rithika Adappa, Hemalatha N, Sreekumar K M and Sajeesh "Innovative Approach to Cucumber Pests Detection: Leveraging Roboflow for Annotating and Training", Presented in 7th International Conference on Computational Intelligence (ICCI-2024), Feb 26-27, 2024 To be published in Scopus and Web of Science Journal (**Scopus indexed**)

- Yajnesh, Nishmitha D Souza, **Hemalatha N** and Sujithra M, “Android-Based Whitefly Detection using Deep Learning Techniques”, Presented in International conference on Advanced IT, Engineering, and Management (SACAIM), 2024 (To be published as a book chapter)

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Minor research project titled “Crop Auto Diagnoser for Popular Vegetable cucumber” funded by MJES (Ongoing)
- Guiding
- Student research project titled “A machine learning technique to effectively screen mutation-reactive til’s from a pool of tumor cells for cancer immunotherapy”
- Student research project titled “Identifying the role of epigenetics in sleep paralysis, a major symptom of narcolepsy, using bioinformatical approach”
- Student research project titled “Comprehensive study on glaucoma detection via thermal eye imaging and machine learning techniques”
- Student research project titled “Students’ entry, exit monitoring system”

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Resource person for the 3 days International Online FDP “Equipping Educators with Research

Methodology, Investment and Technology” from 9-10-2023 to 21-10-2023 organized by Internal Quality Assurance Cell(IQAC) of St. Anne’s Institutions, Virajpet

- Guest talk on "AI in Agriculture" at College of Agriculture, Nileshwar, Kerala on Nov 9th, 2023
- Conducted a half day workshop on ""Introduction to Machine Learning with hands on using python" at Srinivas Institute of Technology, Valachil, Mangalore as part of CSI student activity of CSE, ISE and MCA on Nov 21st, 2023
- Resource person for the keynote address for the National seminar on Artificial Intelligence horizons: Navigating opportunities across industries at Gurudev Arts and Science college, Payyanur on 26th March, 2024

Dr SHINE P VARKEY, Assistant Professor (Bioinformatics), Dept of IT.

Trainings/ refresher/Orientation Programmes attended during the year

- Industry training on Single Cell Platform Analysis by BD Biosciences at Rajiv Gandhi Center for Biotechnology, Trivandrum, October 2023
- Industrial Researcher Rajiv Gandhi Center for Biotechnology, Fluorescence Activated Cell Sorting, Immunofluorescence, Mammalian expression system for recombinant antibodies, Lentix system April-November 2023

Seminars/ Conferences/Webinars attended during the year

- Symposium "Accelerating Biology 2024: The Exascale Leap" during February 6-8, 2024 organized by HPC M & BA Group, C-DAC, Pune.

Papers presented in Seminars/Conferences

Computational Study to explore the Epitope Landscape of VP28 of White Spot Syndrome Virus: Implications in Diagnostic and Therapeutic Design’ for the poster & oral presentation

Publications with ISBN/ISSN/Conference Volumes etc.

- An antigenic and immunogenic correlation of White Spot Syndrome viral protein VP28 for vaccine potential evaluation by an integrated approach (Under Communication-Immunopharmacology)
- Computational Study to explore the Epitope Landscape of VP28 of White Spot Syndrome Virus: Implications in Diagnostic and Therapeutic Design' for the poster & oral presentation MM-05, Accelerating Biology 2024: The Exascale Leap

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- Interplay of Epitope Landscapes: Unravelling Molecular Recognition through Mapping, Docking, and Simulations”-Book Chapter Under review by Intech Open Book-Unravelling Molecular Docking - From Theory to Practice, edited by Ārtomir Podlipnik

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- Organiser-5 days Residential Bio-Entrepreneurship Advanced Certification course cum Bootcamp (Feb 2023) by Kerala Biotechnology Commission & BIIC, MG University, Kottayam.

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Adjunct Faculty- Bioinformatics & Immuno-informatics courses under DBT-M. Tech (Marine Biotechnology) program, NCAAH, Cochin University of Science and Technology

ASSOCIATION REPORTS

AL – LURE ASSOCIATION

Presidents - Dr Swathi Bhat, Ms Joyce Muriel Mascarenhas, Ms Vinita Deepa Lobo and Ms Sanjana D

Secretaries: Fahim Ahamed Khan (223627), Rishaan Mahesh (223761), Larren Raj Karkada (223829) and Mahima Ramakrishnan Iyer (223945)

Students Enrolled: Unit 1 – 109 Unit 2 - 114

General objective of the association

Amalgamation and enhancement of skills in an individual focusing on all round development

Innovative Programmes:

- Organized a guest talk on “Impact of Climate Change”.
- Evaluation of case studies – Public Relations
- Organized an event management activity
- Organized a debate on current trends
- Organized an activity on situation analysis

Activities Conducted

- Riddle solving
- Evaluation of case studies – Public Relations
- Business quiz
- Organized a guest talk on “Impact of Climate Change”.
- Group discussion
- Group cultural activity
- Select, create, innovate and present
- Ice – breaking session
- Event management activity
- Organized a debate on current trends
- Organized an activity on situation analysis

Best practices

- Conducting activities consulting with student choice.
- Involving all students in knowledge based learning skills and giving opportunities for all.
- Learning made easier through fun activities.

ASTRO CLUB

Presidents 1) Mr Harshith B, Department of Physics

2) Ms Rollin Preetha Vas, Department of Mathematics

Secretaries 1) Mr Pradyumna II B.Com 223344

2) Mr Sathvik Acharya II B.Sc 2223004

Students Enrolled: 94

General objective of the association

To motivate students and enhance the knowledge about astro physics and topics related to sky watching and telescope handling skills

Innovative Programmes:

- Interactive sessions during Friday EC/CC activity
- Regular sky-watching programmes for members of astro club
- Important awareness programmes during events like solar and lunar eclipse
- Arrangements for observing astronomical phenomena

Activities Conducted

- Significance of Astronomy Club
- Sahaya Orientation
- Seminar titled "Telescope Talk: A Simple Introduction to the Basics and Types of Telescopes."
- Organized "Spectrum," a thought-provoking event
- A short quiz
- A Seminar conducted by Fathimath Thoufira and a presentation, titled 'We See How Astrophysics is Physicsing,'.
- A quiz session focused on astronomy.
- A debate event that fostered critical thinking
- A Pictionary game
- Marvelsy- world of radio astronomy,

Special Events:

- Regular stargazing sessions at the Al Solarium Observatory
- Stacked images of moon captured during the stargazing event by B G Sathvik Acharya
- The M42 orion nebula captured from the telescope stacked and processed by B G Sathvik Acharya.
- An open stargazing event,

Achievements and Highlights:

Anish Bhide, a member of our association from II BSc, was selected for the Indian Academy of Sciences Summer Research Fellowship. He will be working under the guidance of Suvendu Rakshit at the Aryabhatta Research Institute of Observational Sciences (ARIES) in Nainital. This prestigious opportunity highlights the academic excellence and dedication of our members in pursuing research and advancing their knowledge in the field of astronomy.

Nihal and Malcolm, seniors studying in the 3rd year of their Bachelor of Science program, made a big difference in our Astronomy Club. They created a website that helped us share information about our stargazing events with everyone. This website also made it easy for us to keep track of important details about our events. Because of Nihal and Malcolm's hard work, our club became more organized and better at reaching out to people.

Best practices

Conducted one star gazing programme at Kodman village of bantwalathluk to facilitate students to have clear night sky view experience out of stray light due to city lighting conditions on 31-03-2023 from 7.00 pm to 10.00 pm. Around 40 participants participated.

BIOSCIENCE ASSOCIATION

Presidents: Ms. Valina Jenisha D Almeida, Dr. Nagaraj Keshava Kundapura and Dr. Jyothi Miranda

Secretaries: Shawin Merian Serrao II BtZ

Students Enrolled: Unit 1: 56 students

General objective of the association

Bioscience is a co-curricular association which helps the students to understand the subjects- biochemistry, biotechnology, botany and microbiology in creative and interesting ways.

Innovative Programmes: Activities Conducted

- **STUDENT WELLNESS:** A guest talk on a holistic nutrition for a healthy living of students was conducted. Total of 52 students were present & gained the knowledge on necessity of healthy nutrition & diet.
- **DOCUMENTARY – THE ELEPHANT WHISPERERS:** exploration of renowned elephant whisperers, including their backgrounds, experiences, and motivations for working with elephants.
- **TALK ON BREAST FEEDING:** Highlighting the nutritional, immunological, and emotional benefits & awareness on importance of creating a breastfeeding-friendly environment.
- **WINE PREPARATION:** engaging and practical way to teach students about various aspects of wine production, including fermentation, microbiology, chemistry, sensory analysis, and quality control.

Best practices: Establish mentorship among students, Pairing students with mentors who share their academic or career interests, guest talks focused on Holistic development of students. Awareness programs on breastfeeding bringing change in societal norms.

COMMERCE ASSOCIATION

Presidents: Ms Deshel Levines Fernandes, Ms Sharol Savitha Rodrigues, Ms Rishal Disha Dsouza, Mr Deepak K V

Secretaries: Shaan Hussain, Ashwathi K, Radhashree, Clive Lester Dsouza

Students Enrolled: 159

General objective of the association

- To develop leadership, entrepreneurial and organizing skills among the students.
- To act as a catalyst in the process of overall development of students.
- To expose students to the practical aspects of business, industry and commerce.
- To develop team spirit among students.

Innovative Programmes:

Commercio- Inter class competition for B.com students

Activities Conducted

- Ice breakers – fun session for the first-year students
- Business quiz
- Case study discussion
- Collage making
- Hard sell
- Mad Ads

COMPUTER ANIMATION

Presidents: MR ROYAL PRAVEEN D'SOUZA, MR ROSHAN PREMKUMAR MABEN

Secretaries: Sheldon Fernandes, Ashwin Joshua Dsouza, Deborah, Sarah

Students Enrolled: 89

General objective of the association

To strive for innovation in the field of computer animation

Innovative Programmes:

Writing Session

Logo Guessing Game

Activities Conducted

Writing Session

Drawing Workshop

Logo Guessing Game

Best practices

Regular association activities

Active student involvement through hands on activities

ELECTRONICS CLUB

Presidents: Shawn Ajay Dsouza, Divyashree

Secretaries: Joshua Deon Dsouza, Ziyaan Ahmed

Students Enrolled: 24

General objective of the association

To strive for innovation in the field of Electronics

Innovative Programmes:

Fabrication of PCB Based circuits

Diagnosing faulty equipment

Activities Conducted

Assembly and dismantling of CRT monitor

Making custom designs on copper cladding board

Fabricating a single layer PCB

LED magic

Group discussions and Debate on Mental Health, Electric Vehicle

Best practices

Regular association activities

Active student involvement through hands on activities

HINDI SANGHA

Presidents: Ms. Shyla D'Souza, Ms. Lilu Kumari Rajak and Dr. Govind Thapa Chetry

Secretaries: MrShanif Abubaker and Ms. Fathima Nashwa

Students Enrolled: Unit 1: 35, Unit 2: 35

General objective of the association

To enhance the Hindi Language skills and leadership quality.

Innovative Programmes: Select 5 major and innovative events/programs and give details in brief.

- Hindi Divas
- Hindi Workshop
- Prerana Fest
- Museum visit

Activities Conducted

- Dumb Charades
- Tongue twister
- Mono play
- Guessing the word
- Question the answer
- Passing the word

Best practices

Promoting Hindi speaking students and organizing cultural events such as Prerana inter colligate Hindi fest. Establish a well-defined leadership structure with designated roles and responsibilities to ensure smooth functioning and accountability. Encourage active participation from members through meetings, workshop, events, activities and sending them to the different colleges for fest and events. By these best practices a Hindi association can create a vibrant and inclusive community that celebrates Hindi language and culture within the college campus.

HOPKIN'S LITERARY CLUB

Presidents: Mr Manuel Souza, Ms Alita D'sa

Secretaries: Mr Andrew Antony Fernandes, Fiona Sequeira

Students Enrolled: 33

General objective of the association

To provide a safe space to share their love for reading and for literary work.

Innovative Programmes:

A book review on 'that girl'

Folktale Rewriting

Activities Conducted

Fable writing activity

Meme Contest

Horror story writing
Handwriting and caption writing contest
Literary charades
The movie screening of Super Deluxe and Wonder
A discussion on the Harry Potter franchise

Best practices

An ice-breaker session and pick-up line session

HUMANITIES

Presidents: Savitha D souza and Kavya
Secretaries: Adnan, Azha, Mashooq, and Sheeba
Students Enrolled: Unit 1: 45 Unit 2: 40

General objective of the association:

- To conduct fun-filled and interactive activities which helps to develop a sense of unity among the students.
- To expand the knowledge of students on various cultures and relevant issues.
- To encourage the students to gain decision-making, organisational, leadership and critical thinking skills through different games and activities.

Innovative Programmes:

- Activities Conducted:
- Quiz: based on different culture
- Wealth out of waste: creative ideas
- Re-enacting movies: innovative ideas
- Storytelling: thematic stories
- Rock painting: bringing out talents.

Best practices:

- Discussion of ideas
- Outreach programmes
- Building team spirit
- Active involvement of all students

IT CLUB

Presidents: Ms Renita Caroline Menezes, Ms Rashmi, Ms Reema Krishna Jaliyal and Ms Bhoomika
Secretaries: Abhinav and Dhruv
Unit (total): 81

General objective of the association

- Exploring and gaining the knowledge about the new technologies

**Innovative Programmes:**

- Interactive Session on Education and Career Opportunities in US
- Alumni Guest Lecture on Exploring the world of Automation
- SAMAVESHA in Collaboration with I -STEM

KANNADA SANGHA

Presidents: Vinaya Durga M ,Dr.Prabhukumar

Secretaries: Shreya Ullas , Srijan Poojari.

Students Enrolled: 36

General objective of the association

ಭಾಷೆಯ ಮೂಲಕ ಮಾನಸಿಕ ಬೆಳವಣಿಗೆ

Innovative Programmes:

ಕನ್ನಡ ಮಾಧ್ಯಮ ಮತ್ತು ಅವಕಾಶಗಳು

ಗಡಿನಾಡ ಸಾಹಿತ್ಯ ಡಿಂಡಿಮ

ಕನ್ನಡ ಪ್ರಬಂಧ ಸ್ಪರ್ಧೆ

ಭಾಷಣ ಸ್ಪರ್ಧೆ

Activities Conducted

ಕಥೆ ತಯಾರಿಕೆ

ನಿರ್ದಿಷ್ಟ ವಿಷಯದ ಮೇಲೆ ಕಲೆ

ಸಾಮಾನ್ಯ ಜ್ಞಾನದ ರಸಪ್ರಶ್ನೆ

Best practices

ನಿಯಮಿತ ಸಂಘದ ಚಟುವಟಿಕೆಗಳು

ಚಟುವಟಿಕೆಗಳ ಮೂಲಕ ಸಕ್ರಿಯ ವಿದ್ಯಾರ್ಥಿಗಳ ಪಾಲ್ಗೊಳ್ಳುವಿಕೆ

KONKANI SANGHA

Presidents: Flora Castelino, Severine Pinto, Saritha Crasta and Rishal Noronha

Secretaries: Steevan Joshua Sequiera and Melcon Dsouza, Deonna Miranda And Kevin Monteiro

Students Enrolled: Unit1: 96, Unit 2: 96

General objective of the association

To motivate the language and culture in the society.

Innovative Programmes: Select 5 major and innovative events/programs and give details in brief. (Bullet points)

Activities Conducted

- Digital Sparsh to Konkani a national conference held on 30th January 2024 in an association of Karnataka Adhyayana Peeta, Mangalore University.
- Konkani Folklore and Language in Media state level conference held on 15th March 2024 in an association of Karnataka Konkani Sahithya Academy.
- National Level Duet and Duo singing completion held on Sept 15, 2023 in an association of Kala Niketan Majorda Goa.

- District level seminar held on Women's empowerment on the occasion of Womens' day 2nd March 2024 in an association of womens' writers forum.
- Konkani Literary National Seminar held at Fr. Agnel College Pilar and 15 students represented from the college. Student Steevan Joshua Sequiera won the best poetry reciter award and Flora Castelino awarded Konkani bhushan serving for Konkani outside Goa.

Best practices: we keep the innovative weekly activities for the members. We are engaging our members socially, physically, mentally and spiritually.

MANAGEMENT ASSOCIATION

Names of Presidents: Ms. Ann Varghese, Ms. Maina D'Souza, Ms. Preema Tauro and Ms. Sahana

Names of Secretaries: Mr. Vance Rion D'Souza II BBA, Mr. Shithij P – II BBA, Ms. Suhera Rayyan – II BBA and

Number of students enrolled: 180

Objective: To shape well-rounded individuals equipped with the knowledge and attributes necessary for success in both their professional and ethical endeavours.

Innovative Programmes:

- Members of the association were filled with enthusiasm as the Management Association orchestrated a thrilling Bollywood saga, Known as "Arrupe Roadies," which unfolded with remarkable Success on 15th September 2023 at 2:30pm in AV room. In a fierce Competition, all participating teams were tasked with tackling Controversial questions and putting their physical prowess to the Test.
- An activity conducted on 27th of October where students are divided into groups the activity had 4 rounds, the first round was students were given a topic (Eg. Names of Indian CEO) and they had to run in relay and write as many names under the given topic. The second round was business dumb charades, where famous business idioms and phrases were used. The third round was distraction round where students were given some information and distraction was made. The students had to later fill in MCQ related to the content given. The final round was case study. This activity helps students in learning important life skills such as time management, effective communication, problem solving and the ability to delegate to achieve their goals.
- On 22nd of March an activity named Escape Room was conducted, comprising three distinct activities: a challenging crossword puzzle, a thought-provoking business quiz, and an exhilarating rapid-fire round. This diverse lineup catered to a wide range of interests and skills within the association, fostering teamwork, critical thinking, and quick decision-making. Participants were immersed in an interactive and dynamic environment, where they had the opportunity to showcase their knowledge, strategies effectively, and ultimately, escape the confines of conventional thinking.
- The treasure hunt activity was conducted on 19th January where the students were split in group and they had to solve multiple riddles in order to find the final product which was later to be marketed to the judges.
- An auction was conducted for the teams in order for them to select their team names on 11th August.
- The Overnight Round conducted on 29th of September not only provided a platform for students to confront stress head-on but also empowered them to harness their ingenuity and resourcefulness to

bring their ideas to life. By immersing themselves in this intensive overnight endeavour, participants emerged not only with newfound resilience but also with a tangible sense of accomplishment, having transformed abstract concepts into tangible prototypes ready for the market.

For classes 4 to 6, more challenging activities such as math quizzes, puzzles, and group problem-solving exercises were conducted. These activities not only aimed to enhance their mathematical skills but also to foster teamwork and critical thinking.
- The Department of Post Graduate Studies and Research in Mathematics organized a visit to the Science Exhibition and Planetarium at Pilikula Nisargadhama on 25th of April 2024. 38 students along with the staff members had participated in this visit . The purpose of the visit was to provide students with an enriching experience, fostering a deeper understanding of various scientific concepts and astronomical phenomena. The Department of Post Graduate Studies and Research in Mathematics visit to the Science Exhibition and Planetarium at Pilikula Nisargadhama proved to be a successful and enriching experience for the 38 participating students and accompanying lecturers. The combination of interactive exhibits, planetarium sessions, workshops, and networking opportunities contributed to a holistic learning experience, aligning with the department's commitment to fostering academic curiosity and real-world applications of Mathematical knowledge.

CONCLUSION

We have come to the end of the Annual Report for the year 2023-24. We are grateful to God for the numerous blessings he has showered on our institution. This indeed has been a memorable year for us with several achievements in academic, co-curricular and extra-curricular domains. We firmly believe that education in this institution will be meaningful only to the extent that our students imbibe and live the vision and mission of the institution and become men and women for and with others; become active agents of change and make a difference. All that the institution can do is to accompany students in realizing their hidden potential, to partner with them in the task of their integral formation so that they channelize their faculties towards building a humane, just, eco-friendly and gender sensitive society.

Let me take this opportunity to place on record all those who lent their hand to me in the effective administration of this huge and prestigious institution during this year. It is not easy to manage and guide such a large number of students who are at a crucial juncture of their physical and psychological growth. However, this year has been a pleasant experience with plenty of fruitful activities and meaningful achievements strengthening our autonomy, exploring new horizons and encountering new challenges and bringing the institution to the coveted status of a university.

At the very outset, I would like to express my gratitude to Rev. Fr Dionysius Vaz, SJ, our Provincial, President of MJES and Chancellor of St Aloysius (Deemed to be University) and members of the Governing Body, for the trust and confidence they have bestowed on me and for their unstinted support. I deem it my duty today, to express my deep sense of gratitude to our beloved Rector and President of this event, Rev. Fr Melwin Joseph Pinto, SJ for his constant support, counsel and encouragement. His vision, foresight and passion for the growth of this institution have played a pivotal role in our strides towards excellence during the year. I would like to thank, in a special way, Rev. Fr Vincent Pinto for managing the finances of the College in an efficient manner. Dr Alwyn D'Sa, the Registrar & Controller of Examinations, has been always at his work of efficiently managing the administrative procedures and the examination system. I am grateful to Rev. Fr Melwyn S Pinto, SJ for professionally administering the second centre of AIMIT, BEERI. It has been a very pleasant and rewarding experience to work with our Directors: Dr Ronald Nazareth, Dr Denis Fernandes, Dr Loveena Lobo, Dr Narayan Bhat and Dr Charles Furtado. I would like to thank them all for standing by me in the day-to-day administration of the College. Rev. Dr Melwyn D'Cunha SJ, Director, Research & Development Cell & Dr Chandrashekara Shetty, the Research Coordinator, Dr Ronald Nazareth, Director, International Collaborations, Dr Arati Shanbhag, Deputy Controller of Examinations and Mr Sonal Lobo, the IQAC Coordinator, for their dedicated work and support.

I thank Dr Anup Denzil Veigas, the coordinator of activities of the campus ministry & the entire team for attending to the spiritual needs of the students during the year. I would like to thank all the Deans of various faculties, Heads of Departments, Class Guides, Mentors, Presidents of Co-curricular and Extra-curricular Associations, those teachers who willingly engaged the value education and theology classes and remedial classes, as well as teachers who went that extra mile to counsel students in the institution and in the Listening Centre for showing that you care and for your committed service. We have a dedicated and vibrant administrative Staff under the leadership of Mr Henry DSouza and a dedicated team of Support and Maintenance staff under the able guidance of Mr Godwin Coelho I would like to thank each of them for their hard work and dedication for the college. They have been always self-effacing and loyal to the institution.

I express my sincere gratitude to the dedicated band of teachers who have been in-charge of several staff and student activities. You have raised the quality of programmes to greater heights and we saw our

institutional events appear in newspapers and Television Channels every other day.

I remain grateful to the Directors of the Gents' and the Ladies' Hostels and the wardens of the Gents' and Ladies' Hostels for their labour of love.

I wish to place on record the meticulous planning and execution of this grand event by the conveners of the programme, Dr Narayan Bhat and Dr Ratan Mohunta and Annual Day Organizing committee members. A mere thank you would be insufficient to express my gratitude for the great work you have done. Congratulations to you! Your skills of coordination and teamwork have been exemplary.

I thank all our benefactors in India and abroad who have been supporting us in many of our activities and projects for the benefit of our students.

My gratitude is due to my dear students, especially the Office bearers of the Students' Council, President, Mr Christon Joshua Menezes, Vice President, Ms Blanche Rodrigues, Secretary, Ms Riya DSouza, Joint Secretary, Mr Rohan Danny Machado, Cultural Secretary, Ms Diya Padav, Sports Secretary, Ms Maria Anjali Baptist and Principal's nominee, Mr Mohammed Kaif Hussain. Your dynamic leadership with the guidance and motivation of Dr Anup Veigas and Ms Binni Chan has made this year a memorable one.

Our institution feels proud today with the gracious presence of Professor Dr M. S. Moodithaya, Vice Chancellor, Nitte (Deemed to be University) who has consented to be the chief guest of this celebration. I am glad to say that he is an admirer and well-wisher of this prestigious institution. His dedication to the cause of education is truly commendable. He is a man of vision and foresight determined to make a difference in higher education. We are extremely happy to have him with us as a source of inspiration to all of us. Respected Prof Moodithaya, we are privileged to have you amongst us. Your ready acceptance to our invitation to be the chief guest today is a proof of your love and affection to the institution. The entire Aloysian family acknowledges your eminence, applauds your achievements and wishes God's choicest blessings on you and your family.

Ladies and gentlemen, we look forward to an exciting journey as a deemed to be university. We need your prayers and goodwill to chart a fruitful and fulfilling trajectory of growth driven by excellence and service to humanity. This landmark accomplishment has provided us more space and freedom to experiment on diverse and multidisciplinary curriculum in pursuit of our vision and mission of forming men and women for and with others.

As I complete my seventh year of being the Principal and embark on the new assignment of being the Vice-Chancellor of this prestigious institution, I feel a sense of satisfaction and immense gratitude. God has been always with me showering his choicest blessings to arrive at decisions that are in the interest of the students and all the other stakeholders. I am truly blessed to have the wholehearted support and cooperation from all of you. I will always be indebted to you for standing by me in all the endeavours of the institution.

Let us together take this institution to greater heights. Let us work together as a team to fulfil the aspirations of our founding fathers. Let us be a true light house that guides the destinies of thousands of youths of this country into change makers and responsible citizens.

Once again, I thank each and every one of you for your esteemed presence and wish you a pleasant evening.

May God bless us all!

शिक्षा मंत्रालय
(उच्चतर शिक्षा विभाग)

नई दिल्ली, दिनांक 19 जनवरी 2024

सं. 10/1/2016-यू.3(ए)—जबकि, बिरला प्रौद्योगिकी संस्थान (बीआईटी) (सम विश्वविद्यालय), मेसरा, रांची ने केंद्र सरकार के अनुमोदन के बिना लालपुर (1984), नोएडा (1997), जयपुर (1995), पटना (2006) और देवघर (2007) में विस्तार केंद्र शुरू किए थे और ऑफ-कैंपस केंद्र के रूप में मान्यता मांगी थी।

2. और जबकि, इस मामले पर मंत्रालय में विचार किया गया था और मंत्रालय के दिनांक 11.10.2018 के पत्र के माध्यम से बीआईटी, मेसरा को निम्नलिखित निर्णय से अवगत कराया गया था:—

- बीआईटी, मेसरा एनएएसी से प्रत्यायन प्राप्त करने के लिए तुरंत आवश्यक कदम उठाएगा।
- बीआईटी मेसरा शैक्षणिक सत्र 2019-20 से यथोचित पहले मौजूदा यूजीसी विनियमों के अनुसार, पटना और देवघर में ऑफ-कैंपस शुरू करने के लिए इस मंत्रालय को आवेदन प्रस्तुत करेगा।
- यूजीसी उन छात्रों की डिग्री को मान्यता प्रदान करने के लिए आवश्यक कार्रवाई करेगा जो उत्तीर्ण हो चुके हैं और जो इन परिसरों में वर्तमान शैक्षणिक सत्र में अपने पाठ्यक्रम पूरे कर रहे हैं।

3. और जबकि, बीआईटी मेसरा ने यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2019 के अनुसार 5 अप्रैल, 2019 को मंत्रालय को नए आवेदन प्रस्तुत किए तथा पटना और देवघर में ऑफ-कैंपस के लिए अनुमोदन मांगा। इसके अलावा, बीआईटी मेसरा ने यह प्रस्ताव भी किया कि लालपुर, नोएडा और जयपुर परिसरों पर भी मौजूदा विनियमों के अनुसार अनुमोदन के लिए विचार किया जा सकता है। बीआईटी, मेसरा के अनुरोध को मौजूदा यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2023 के अनुसार जांच और सलाह के लिए यूजीसी को भेजा गया था।

4. और इसके अतिरिक्त जबकि, यूजीसी ने दिनांक 03.01.2024 के अपने पत्र संख्या 25-1/2019 (सीपीपी-आई/डीयू) के माध्यम से सूचित किया कि यूजीसी ने यूजीसी विनियम, 2023 के खंड 8(7) के अनुसार एक विशेषज्ञ समिति की सहायता से इस प्रस्ताव की जांच की। समिति ने पाया कि लालपुर, नोएडा और जयपुर में ऑफ-कैंपस केंद्र स्थापित करने में बीआईटी मेसरा द्वारा दिशानिर्देशों/विनियमों का कोई उल्लंघन नहीं किया गया है क्योंकि ये केंद्र ऑफ-कैंपस स्थापित करने की प्रक्रिया तैयार होने से पहले स्थापित किए गए थे। यूजीसी ने दिनांक 01.01.1999 और 29.08.2002 के अपने पत्र के माध्यम से बीआईटी मेसरा को इन परिसरों में पाठ्यक्रम शुरू करने की अनुमति दी।

5. और जबकि, समिति ने बीआईटी, मेसरा के लालपुर, जयपुर, नोएडा, पटना और देवघर स्थित ऑफ-कैंपस का वर्चुअल दौरा करने, संस्थान द्वारा प्रस्तुत रिकॉर्डों का सत्यापन करने के बाद और कुलपति द्वारा की गई प्रस्तुति के आधार पर यह पाया कि लालपुर, जयपुर, नोएडा, पटना और देवघर में बीआईटी, मेसरा के ऑफ-कैंपस, प्रत्यायन, रैंकिंग, संबंधित नियामक निकाय की मंजूरी आदि जैसे ऑफ-कैंपस की स्थापना हेतु सूचीबद्ध कुछेक मानदंडों को पूरा करते हैं। तथापि, समिति द्वारा निम्नलिखित कमियाँ देखी गईं:—

- नोएडा विस्तार केंद्र में केवल 392 छात्र और 33 संकाय सदस्य हैं, जबकि यूजीसी विनियम, 2023 के अनुसार ऑफ-कैंपस बनने के लिए 50 शिक्षकों के साथ न्यूनतम 1000 छात्र होने अपेक्षित हैं, जिनमें से कम से कम 200 छात्र (1/5वां) स्नातकोत्तर या शोधार्थी हों।
- जयपुर विस्तार केंद्र में केवल 670 छात्र हैं, जबकि यूजीसी विनियम, 2023 के अनुसार ऑफ-कैंपस बनने के लिए 50 शिक्षकों के साथ न्यूनतम 1000 छात्र होने अपेक्षित हैं, जिनमें से कम से कम 200 छात्र (1/5वां) स्नातकोत्तर या शोधार्थी हों।
- देवघर विस्तार केंद्र में केवल 560 छात्र और 44 संकाय सदस्य हैं, जबकि यूजीसी विनियम, 2023 के अनुसार ऑफ-कैंपस बनने के लिए 50 शिक्षकों के साथ न्यूनतम 1000 छात्र होने अपेक्षित हैं, जिनमें से कम से कम 200 छात्र (1/5वां) स्नातकोत्तर या शोधार्थी हों।

- iv. नोएडा परिसर की लीज अवधि पहले ही समाप्त हो चुकी है। बीआईटी, मेसरा लीज समझौते को नवीनीकृत करके लीज अवधि बढ़ा सकता है।
- v. यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2023 के अनुसार संगम जापन।
- vi. यूजीसी विनियम, 2023 के अनुसार समग्र निधि (कॉर्पस फंड) का विवरण।

6. और इसके अतिरिक्त जबकि, समिति ने उपर्युक्त टिप्पणियाँ करते हुए सिफारिश की कि यूजीसी शिक्षा मंत्रालय को यह सलाह दे सकता है कि यदि बीआईटी (सम विश्वविद्यालय), मेसरा उपर्युक्त कमियों को दूर करता है तो जयपुर, नोएडा, पटना और देवघर में इसके ऑफ-कैंपसों के लिए कार्योत्तर अनुमोदन और 2019-20 से 2022-23 तक उत्तीर्ण छात्रों की डिग्री के मान्यकरण पर विचार किया जा सकता है। इसके अलावा, समिति यह भी सिफारिश करती है कि लालपुर परिसर को बीआईटी मुख्य परिसर, मेसरा का भाग बनने की अनुमति दी जा सकती है। आयोग द्वारा दिनांक 07.12.2023 को आयोजित 575वीं बैठक (मद संख्या 2.07) में यूजीसी विशेषज्ञ समिति की सिफारिशों पर विचार किया गया और इन्हें अनुमोदित किया गया।

7. अतः, अब शिक्षा मंत्रालय, यूजीसी की सलाह पर, यूजीसी अधिनियम, 1956 की धारा 3 के तहत प्रदत्त शक्तियों का प्रयोग करते हुए, बीआईटी, मेसरा को लालपुर जयपुर, नोएडा, पटना और देवघर परिसर में प्रवेशित/उत्तीर्ण छात्रों की डिग्री को विधिवत मान्य करते हुए, यहाँ ऑफ-कैंपस शुरू करने हेतु कार्योत्तर अनुमोदन प्रदान करता है। लालपुर परिसर को बीआईटी, मेसरा के मुख्य परिसर का एक भाग माना जाएगा। इसके अतिरिक्त, यह अनुमोदन इस शर्त के अध्वधीन है कि संस्थान यूजीसी विशेषज्ञ समिति द्वारा बताई गई कमियों को समयबद्ध रीति से ठीक करेगा।

8. इस मंत्रालय की पूर्व अधिसूचना (अधिसूचनाओं) में उल्लिखित अन्य सभी शर्तों के साथ-साथ यूजीसी और अन्य वैधानिक परिषदों द्वारा समय-समय पर जारी नियमों/विनियमों का बीआईटी, मेसरा द्वारा पालन किया जाना जारी रहेगा।

सं. 9-27/2017-यू.3(ए)—जबकि, केन्द्र सरकार को विश्वविद्यालय अनुदान आयोग, अधिनियम, 1956 की धारा 3 के तहत यूजीसी की सलाह पर उच्च शिक्षण संस्थान को सम विश्वविद्यालय संस्थान के रूप में घोषित करने का अधिकार प्राप्त है।

2. और जबकि, मंगलौर जेसुइट एजुकेशन सोसायटी (एमजेईएस), मंगलौर, कर्नाटक द्वारा यूजीसी अधिनियम की धारा 3 के तहत सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर और सेंट अलॉयसिस इंस्टीट्यूट ऑफ एजुकेशन, मंगलौर को सेंट अलॉयसिस के नाम से सम विश्वविद्यालय का दर्जा प्रदान किए जाने के संबंध में दिनांक 27.11.2017 को एक आवेदन प्रस्तुत किया गया था। उक्त आवेदन को विश्वविद्यालय अनुदान आयोग को यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2016 के अनुसार जांच एवं सलाह हेतु भेजा गया था।

3. और जबकि यूजीसी ने संस्थान से विधिक वचनबद्धता लेने के पश्चात यूजीसी विनियम, 2016 के अनुसार विशेषज्ञ समिति के द्वारा उक्त आवेदन की जांच की थी। समिति ने संस्थान का दौरा और विभिन्न हितधारकों के साथ बातचीत करने के बाद कतिपय शर्तों के अनुपालन के अध्वधीन रहते हुए सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलूरु को विश्वविद्यालय का दर्जा देने पर विचार करने की सर्वसम्मति से सिफारिश की। इसके अतिरिक्त, एआईसीटीई विशेषज्ञ समिति का मत था कि यूजीसी द्वारा सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर को सम विश्वविद्यालय का दर्जा देने की सिफारिश करने से पहले समिति द्वारा इंगित की गई कमियों का अनुपालन सुनिश्चित किया जाना चाहिए।

4. और जबकि, यूजीसी विशेषज्ञ समिति और एआईसीटीई विशेषज्ञ समिति की रिपोर्टों पर आयोग द्वारा दिनांक 13.06.2019 को आयोजित अपनी 541वीं बैठक (मद संख्या 2.06) में विचार किया गया और संकल्प किया गया कि अनुसंधान एवं प्रकाशन और नवाचार गुणवत्ता में सुधार के संबंध में संस्थान से कार्य योजना प्राप्त करने के बाद मामले पर पुनर्विचार किया जाएगा।

5. और आगे जबकि, संस्थान की कार्य योजना पर यूजीसी की विशेषज्ञ समिति द्वारा विचार किया गया था। संस्थान के दस्तावेजों एवं प्रस्तुतीकरण की जांच के बाद समिति द्वारा सिफारिश की गई कि सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर सम विश्वविद्यालय संस्थान का दर्जा प्राप्त करने संबंधी अपेक्षाओं को पूरा करता है। आयोग द्वारा दिनांक 20.09.2023 को आयोजित अपनी 572वीं बैठक (मद संख्या 2.12) में यूजीसी की विशेषज्ञ समिति की सिफारिशों पर विचार किया गया और अनुमोदन प्रदान किया गया।

6. और जबकि, आयोग की सिफारिश के साथ-साथ यूजीसी विशेषज्ञ समिति की रिपोर्ट की मंत्रालय में जांच की गई थी। जांच के बाद, इस मंत्रालय द्वारा कतिपय मुद्दों पर यूजीसी से स्पष्टीकरण मांगा गया, जिसमें अन्य बातों के साथ-साथ यह भी शामिल है कि क्या सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर और सेंट अलॉयसिस इंस्टीट्यूट ऑफ एजुकेशन, मंगलौर दोनों सम विश्वविद्यालय संस्थान का हिस्सा होंगे। उत्तर में, यूजीसी ने बताया कि मंत्रालय द्वारा उठाए गए मुद्दों को उसी यूजीसी विशेषज्ञ समिति के समक्ष रखा गया था। समिति द्वारा अन्य मुद्दों को स्पष्ट करते हुए, अन्य बातों के साथ-साथ पुष्टि की गई कि केवल सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर को सेंट अलॉयसिस के नाम से सम विश्वविद्यालय संस्थान का दर्जा देने की सिफारिश की गई है। यूजीसी ने यह भी बताया कि आयोग ने दिनांक 07.12.2023 को आयोजित अपनी 575वीं बैठक में यूजीसी विशेषज्ञ समिति की सिफारिश पर विचार किया और अनुमोदन प्रदान किया।

7. अब, इसलिए, यूजीसी अधिनियम, 1956 की धारा 3 में प्रदत्त शक्तियों का प्रयोग करते हुए शिक्षा मंत्रालय द्वारा यूजीसी की सलाह पर सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर को एतद्वारा सेंट अलॉयसिस, मंगलौर के नाम से शुरुआती पाँच वर्षों के लिए सम विश्वविद्यालय संस्थान के रूप में घोषित किया जाता है। उक्त घोषणा निम्नलिखित शर्तों के अध्वधीन है:—

- i. सम विश्वविद्यालय संस्थान के दर्जे की इसकी कार्यात्मकता एवं यूजीसी विनियमों के प्रावधानों के अनुसार संतोषप्रद कार्यनिष्पादन की समीक्षा के आधार पर पुष्टि होगी।
- ii. सेंट अलॉयसिस, मंगलौर इस अधिसूचना के जारी होने की तारीख से छह वर्ष की अवधि के भीतर यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2023 का अनुपालन करेगा।
- iii. सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर अपने संबद्ध विश्वविद्यालय अर्थात् मंगलौर विश्वविद्यालय से स्वयं को असंबद्ध करेगा।
- iv. इस अधिसूचना के बाद प्रवेश पाने वाले छात्रों को सेंट अलॉयसिस, मंगलौर से डिग्री मिलेगी।
- v. इस अधिसूचना के एक वर्ष के भीतर सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर की सम्पूर्ण चल और अचल परिसंपत्तियाँ मंगलौर जेसुइट एजुकेशन सोसायटी (एमजेईएस), मंगलौर, कर्नाटक द्वारा कानूनी रूप से 'सेंट अलॉयसिस, मंगलौर' के नाम पर स्थानांतरित की जाएंगी।
- vi. यूजीसी और शिक्षा मंत्रालय की पूर्व अनुमति के बिना, सम विश्वविद्यालय संस्थान/या इसकी घटक शिक्षण इकाइयों की परिसंपत्तियों या निधियों/राजस्व का कोई विचलन नहीं किया जाएगा।
- vii. सेंट अलॉयसिस, मंगलौर ऐसी किसी भी गतिविधि में शामिल नहीं होगा, जो वाणिज्यिक और लाभ कमाने वाली प्रकृति की हो।
- viii. सेंट अलॉयसिस, मंगलौर में पेश किए जाने वाले शैक्षणिक कार्यक्रम यूजीसी और संबंधित सांविधिक परिषदों/निकायों द्वारा निर्धारित मानदंडों और मानकों के अनुरूप होंगे।
- ix. सेंट अलॉयसिस, मंगलौर समय-समय पर यूजीसी द्वारा जारी मानदंडों/दिशानिर्देशों/विनियमों के अनुसार ही नए शैक्षणिक पाठ्यक्रम/ कार्यक्रम, ऑफ-कैंपस, ऑफ-शोर कैंपस शुरू करेगा।
- x. सेंट अलॉयसिस, मंगलौर अनुसंधान कार्यक्रमों के साथ-साथ डॉक्टोरल और नवोन्मेषी शैक्षणिक कार्यक्रमों को शुरू करने के लिए समुचित कदम उठाएगा। संस्थान केवल वर्तमान में नए उभरते क्षेत्रों तक ही सीमित नहीं रहेगा, अपितु यूजीसी विनियमों/दिशानिर्देशों के साथ-साथ राष्ट्रीय शिक्षा नीति-2020 के अनुसार अन्य क्षेत्रों में भी विस्तार करने का प्रयास करेगा।
- xi. सेंट अलॉयसिस, मंगलौर राष्ट्रीय प्रत्यायन बोर्ड (एनबीए) द्वारा वैध प्रत्यायन हेतु नियत सभी पात्र अकादमिक पाठ्यक्रमों/कार्यक्रमों को प्राप्त करने के लिए सभी अपेक्षित कदम उठाएगा और संस्थान समय-समय पर यथासंशोधित यूजीसी (सम विश्वविद्यालय संस्थान) विनियम 2023 में यथा निहित प्रावधानों के संदर्भ में राष्ट्रीय मूल्यांकन एवं प्रत्यायन परिषद, जैसा भी मामला हो, द्वारा वैध प्रत्यायन प्राप्त करेगा।
- xii. छात्रों के प्रवेश, छात्रों की प्रवेश क्षमता, शैक्षणिक पाठ्यक्रम/कार्यक्रम के अनुमोदन का नवीनीकरण, छात्रों की प्रवेश क्षमता में संशोधन, नए पाठ्यक्रम/कार्यक्रम शुरू करने आदि के मामले में संबंधित सांविधिक परिषदों के सभी निर्धारित मानदंड और प्रक्रियाएं प्रभावी रहेंगी और सेंट अलॉयसिस, मंगलौर द्वारा उनका पालन किया जाएगा।
- xiii. सेंट अलॉयसिस, मंगलौर अपने संगम ज्ञापन (एमओए)/नियमों को मौजूदा विनियमों के प्रावधानों के अनुसार यूजीसी के अनुमोदनार्थ जून, 2024 के अंत तक प्रस्तुत करेगा। जब भी आवश्यक होगा, सेंट अलॉयसिस, मंगलौर प्रचलित विनियमों के प्रावधानों के अनुसार अपने संगम ज्ञापन/नियमों को अद्यतन या उनमें संशोधन या परिवर्तन करेगा।
- xiv. सेंट अलॉयसिस, मंगलौर यूजीसी के नियमों एवं विनियमों और संबंधित सांविधिक परिषदों के अनुसार शुल्क संरचना का पालन करेगा।
- xv. सेंट अलॉयसिस, मंगलौर इस मंत्रालय के राष्ट्रीय संस्थागत रैंकिंग फ्रेमवर्क(एनआईआरएफ) द्वारा जारी वार्षिक भारतीय रैंकिंग में भाग लेगा।
- xvi. सेंट अलॉयसिस, मंगलौर अनिवार्य रूप से एकेडमिक बैंक ऑफ क्रेडिट (एबीसी), अपने छात्रों की पहचान बनाएगा और उनके क्रेडिट स्कोर को डिजिटल लॉकर में अपलोड करेगा एवं सुनिश्चित करेगा कि क्रेडिट स्कोर एबीसी पोर्टल पर प्रदर्शित हों एवं समर्थ ई-जीओवी की अंगीकृत करेगा।

MINISTRY OF EDUCATION
(DEPARTMENT OF HIGHER EDUCATION)

New Delhi, the 19th January 2024

No. 10/1/2016-U.3(A)—Whereas, Birla Institute of Technology (BIT) (Deemed to be University), Mesra, Ranchi had started extension centres at Lalpur (1984), Noida (1997), Jaipur (1995), Patna (2006) and Deoghar (2007) without approval of the Central Government and sought recognition as off-campus centres.

2. And whereas, the matter was considered in the Ministry and the following decision was conveyed to BIT, Mesra, vide Ministry's letter dated 11.10.2018:—

- i. BIT, Mesra shall take necessary steps immediately for getting accreditation from NAAC.
- ii. BIT Mesra shall submit application to this Ministry for starting Off-Campuses at Patna and Deoghar, as per the existing UGC Regulations well before the academic session 2019-20.
- iii. UGC will take necessary action for validating the degrees of those students who have passed out and to those who are pursuing their courses in the current academic session in these Campuses.

3. And whereas, BIT Mesra submitted fresh applications to the Ministry on 5th April, 2019 as per the UGC (Institutions deemed to Universities) Regulations, 2019 seeking approval for off-campus at Patna and Deoghar. Further, BIT Mesra also proposed that Lalpur, Noida and Jaipur campuses may also be considered for approval as per the existing Regulations. The request of BIT, Mesra was referred to UGC for examination and advice as per the existing UGC (Institutions deemed to be Universities) Regulations, 2023.

4. And further whereas, UGC, vide its letter No. 25-1/2019 (CPP-I/DU) dated 03.01.2024, informed that UGC examined the proposal with the help of an Expert Committee in accordance with Clause 8(7) of the UGC Regulations, 2023. The Committee observed that there is no violation of guidelines /regulations by BIT Mesra in establishing off-campus centres at Lalpur, Noida and Jaipur as these centres were established before the procedure for establishing off-campus was framed. UGC, vide its letter dated 01.01.1999 and 29.08.2002, granted permission to BIT Mesra to start course in these Campuses.

5. And whereas, the Committee, after conducting the virtual visit of the off-campus at Lalpur, Jaipur, Noida, Patna and Deoghar of BIT, Mesra, verifying the records submitted by the institution and based on the presentation made by the Vice-Chancellor observed that the off-campus of BIT, Mesra at Lalpur, Jaipur, Noida, Patna and Deoghar meets some of the criteria listed for the establishment of off-campus, such as accreditation, ranking, approval of regulatory body concerned etc. However, the following deficiencies were noticed by the Committee:—

- i. There are only 392 students and 33 faculty members in the Noida extension centre, whereas the requirement as per UGC Regulations, 2023 is minimum of 1000 students of which not less than one-fifth of the students are post-graduate or research students with 50 teachers to become off-campus.
- ii. There are only 670 students in the Jaipur extension centre, whereas the requirement as per UGC Regulations, 2023 is a minimum of 1000 students of which not less than one-fifth of the students are post-graduate or research students with 50 teachers to become off-campus.
- iii. There are only 560 students and 44 faculty members in the Deoghar extension centre, whereas the requirement as per UGC Regulations, 2023 is minimum of 1000 students of which not less than one-fifth of the students are post-graduate or research students to become off-campus.
- iv. Lease period of Noida campus already expired. BIT, Mesra may extend the lease period by renewing the lease agreement.
- v. MoA in accordance with UGC (Institutions Deemed to be Universities) Regulations, 2023.
- vi. Details of corpus fund as per UGC Regulations, 2023.

6. And further whereas, the Committee, while making the above observations, recommended that the UGC may advise the Ministry of Education that ex-post facto approval for the off-campus of the BIT (Deemed to be University), Mesra at Jaipur, Noida, Patna & Deoghar and validation of the degrees of the students passed out from 2019-20 to 2022-23 may be considered if it rectifies the above-mentioned deficiencies. In addition, the committee also recommends that the Lalpur campus may be allowed to be a part of the BIT main campus, Mesra. The recommendations of the UGC Expert Committee were considered and approved by the Commission in its 575th meeting (Item No 2.07) held on 07.12.2023.

7. Now, therefore, in exercise of the powers conferred under Section 3 of the UGC Act, 1956, the Ministry of Education, on the advice of UGC, hereby accords ex-post facto approval to BIT, Mesra for starting off-campus at Lalpur, Jaipur, Noida, Patna & Deoghar duly validating the degrees of the students admitted/passed out in these campuses. Lalpur campus shall be considered as a part of the main campus of BIT, Mesra. This approval is further subject to condition that the Institution shall rectify the deficiencies pointed out by the UGC Expert Committee in a time bound manner.

8. All other conditions mentioned in the earlier Notification(s) of this Ministry as well as the Rules / Regulations of UGC and other Statutory Councils, issued from time to time, shall continue to be adhered by BIT, Mesra.

PURNENDU KISHORE BANERJEE
Joint Secretary

No. 9-27/2017-U.3(A)—Whereas, the Central Government is empowered under Section 3 of the University Grants Commission (UGC) Act, 1956 to declare, on the advice of the UGC, an Institution of higher learning as an Institution Deemed to be University.

2. And whereas, an application was submitted by Mangalore Jesuit Education Society (MJES), Mangalore, Karnataka on 27.11.2017 for conferment of Institution deemed to be University status to St. Aloysius College (Autonomous), Mangaluru and St. Aloysius Institute of Education, Mangaluru in the name of St. Aloysius under Section 3 of the UGC Act. The same was referred to the University Grants Commission (UGC) for examination and advice as per the UGC (Institutions deemed to be Universities) Regulations, 2016.

3. And whereas, UGC examined the application through its Expert Committee as per the UGC Regulations, 2016 following to a legal undertaking by the Institution. The Committee, after visiting the Institution and interaction with various stakeholders, unanimously recommended considering conferment of Institution deemed to be University status to St. Aloysius College (Autonomous), Mangaluru subject to compliance of the certain conditions. Apart from this, AICTE Expert Committee was of the view that the UGC must ensure the compliance of deficiencies pointed by the Committee before recommending to grant deemed to be University status to St. Aloysius College (Autonomous), Mangaluru.

4. And whereas, the reports of UGC Expert Committee and AICTE Expert Committee were considered by the Commission in its 541st meeting (Item No.2.06) held on 13.06.2019 and resolved that the case to be reconsidered after obtaining the action plan from the Institution about improving the quality of research & publications and innovations.

5. And further whereas, the action plan of the Institution was considered by the UGC Expert Committee. The Committee, after examining the documents and presentation of the Institution, recommended that St. Aloysius College (Autonomous), Mangaluru meets the requirement of Institution deemed to be University status. The Commission considered and approved the recommendations of UGC Expert Committee in its 572nd meeting (Item No.2.12) held on 20.09.2023.

6. And whereas, the report of the UGC Expert Committee along with the recommendation of the Commission was examined in the Ministry. After examination, this Ministry sought clarifications from UGC on certain issues which inter-alia include whether both St. Aloysius College (Autonomous), Mangaluru and St. Aloysius Institute of Education, Mangaluru shall be the part of the Institution deemed to be University. In response, UGC informed that the issues raised by the Ministry were placed before the same UGC Expert Committee. The Committee, while clarifying the other issues, inter-alia confirmed that only St. Aloysius College (Autonomous), Mangaluru has been recommended for grant of Institution deemed to be University status in the name of St. Aloysius. UGC also informed that the Commission considered and approved the recommendation of UGC Expert Committee in its 575th meeting held on 07.12.2023.

7. Now, therefore, in exercise of powers conferred under Section 3 of the UGC Act, 1956, the Ministry of Education, on the advice of UGC, hereby declares St. Aloysius College (Autonomous), Mangaluru as an Institution Deemed to be University in the name of St. Aloysius, Mangaluru for an initial period of five years. The said declaration is subject to the following conditions:—

- i. The status of Institution deemed to be University status would be confirmed on the basis of its review of the functioning and satisfactory performance with the provisions of the UGC Regulations.
- ii. St. Aloysius, Mangaluru shall become compliant with the UGC (Institutions deemed to be Universities) Regulations, 2023 within a period of six years from the date of issuance of this Notification.
- iii. St. Aloysius College (Autonomous), Mangaluru shall disaffiliate themselves from their affiliating University i.e. Mangalore University.
- iv. The students admitted after this Notification will get Degree from St. Aloysius, Mangaluru.
- v. The entire moveable & immoveable assets of declares St. Aloysius College (Autonomous), Mangaluru will be legally transferred by Mangalore Jesuit Education Society (MJES), Mangalore, Karnataka in the name of 'St. Aloysius, Mangaluru' within one year of this Notification.
- vi. There shall be no diversion of assets or funds/revenues of the Institution Deemed to be University/or of its constituent teaching units, without prior permission of the UGC and Ministry of Education.
- vii. St. Aloysius, Mangaluru shall not engage or indulge in any activities that are of commercial and profit making in nature.

- viii. The academic programmes to be offered/offered at St. Aloysius, Mangaluru shall conform to the norms and standards prescribed by the UGC and the Statutory Councils/Bodies concerned.
- ix. St. Aloysius, Mangaluru shall start new academic Courses/Programmes, Off-Campus(es), Off-Shore Campus(es) only in accordance with the norms /guidelines/regulations issued by the UGC, from time to time.
- x. St. Aloysius, Mangaluru shall take appropriate steps to commence research programmes as well as doctoral and innovative academic programmes. The Institute shall not keep confined only to presently new emerging areas but it make endeavor to expand in other areas in accordance with the UGC Regulations / Guidelines as well as National Education Policy-2020.
- xi. St. Aloysius, Mangaluru shall take all the required steps to get all the eligible academic courses/programmes rated for valid accreditation by National Board of Accreditation (NBA) and the Institute to get valid accreditation by National Assessment and Accreditation Council (NAAC), as the case may be, in terms of the provisions as contained in the UGC (Institutions deemed to be Universities) Regulations, 2023, as amended from time to time.
- xii. COLLEGE ANTHEM

Comrades, raise a joyful chorus
Loud and glad your hearts outpour
While the love of Alma Mater
Bids our grateful song up-soars
While we pledge to stand united
True to her for evermore

Her's the glorious gifts we've treasured
Love of faith and learning store.
Sword and shield to strike and shelter
Till life's double fight is o'er.
Till from out the deadly combat
We come victors evermore.

Mother like for all her children
Help of Heaven she doth explore
Whether rest they 'neath her mantle
Or fare distant from her door.
Like a kindly spirit watching
Over them evermore.

High up on the hill of idgah,
Stands the home our hearts adore,
Proud above the pride of palm trees,
And the far sea's softened roar,
Hill and deep and palm abiding,
Our examples ever more.

Louder, louder swell the chorus
For the happy days of yore,
For the hopeful toiling present
And the years that lie before,
For the name and fame and honour
Of our mother evermore.

By the God whose greater glory,
Governs still thy life and lore,
By the love thou give'st thy children
And the light that thou dost pour,
Prosper thou, dear Alma Mater,
Aye for ever, evermore.
