ANNUAL DAY -145 REPORT 2024-2025

INTRODUCTION

Respected Ms Oshanie Fernandes Saldanha, our esteemed Chief Guest of the 145th Annual Day celebrations, Rev. Fr Melwin Joseph Pinto, SJ, Rector and Pro-Chancellor, St Aloysius (Deemed to be University) and President of this programme, Dr Denis Fernandes and Dr Ishwara Bhat, Conveners of the Annual Day, Rev (Fr) Dr Melwyn D'Cunha SJ, Pro Vice-Chancellor, Rev Fr Vishwas Joy Misquith, Finance Officer, Dr Alwyn D'Sa, Registrar [St Aloysius College (Autonomous)], Dr Ronald Nazareth, Registrar [St Aloysius (Deemed to be University)], Dr Arati Shanbhag, Controller of Examinations, Rev. (Fr) Dr Kiran Coth S J, Director, AIMIT, Rev Fr William Marcel Rodrigues, Community Radio Sarang, Directors: Dr Asha Abraham, Dr Loveena Lobo, Dr Charles Furtado, Mr Vance Rion Dsouza, the Students' Council President, Deans, members of the Governing Body and the Academic council, Reverend fathers, Reverend Sisters, Members of the SACAA, our esteemed alumni, members of the staff, parents, invitees, esteemed benefactors, members of the media, my dear students, ladies and gentlemen:

Annual Day is exhilarating experience and occasion to revisit our great heritage, voice our shared values, our dreams, achievements, unravel the future vision and reaffirm our commitment to the principles of diversity, equity and inclusion facilitating excellence in the quality of education for all sections of the society. Every year brings with it so much freshness, new ideas and opens up new horizons to be explored. In our persevering mission of serving humankind, our faith in the Almighty gets strengthened and we seek His blessings in all our endeavours.

This prestigious institution which is managed by Jesuits has been relentlessly serving the society for the last 145 years without deviating from the vision and mission envisaged by our founders. Needless to say, generations of Jesuits and their collaborators have greatly contributed to our single-minded commitment to our ideal of forming men and women of commitment, competence, compassion and conscience reading the signs of time. Generations of students who have passed through the portals of this great institution have immensely contributed to all spheres of life as ambassadors of this vision and mission and have been catalysts of the social, economic and spiritual transformation at the regional, national and global levels.

St Aloysius College is now St Aloysius (Deemed to be University) and has traversed many significant milestones during the past 145 years and the legacy is carried forward with a renewed hope and aspiration into the 146th year steadily moving towards the fast approaching the Jubilee Year of completing 150 years of service to the cause of higher education. As we are proud of our achievements, we have set

newer and higher benchmarks and have stretched the boundaries in quest of excellence and service. Today, I feel a deep sense of fulfilment as this institution consistently attains unprecedented and singular distinctions keeping the motto of the institution 'Shine to Enkindle' always as the guiding light.

Distinctive NAAC Grade of A++ with 3.67 CGPA:

St Aloysius Institution has attained yet another distinctive achievement by securing the highest A++ Grade with the Cumulative Grade Point Average (CGPA) of 3.67 out of 4 in the fourth cycle of NAAC Accreditation. The rating is extended till 2030. The institution is rated as one of the best higher educational institutions in the state and the country with this distinctive grade. The institution has been consistently maintaining significant incremental growth throughout its four cycles of NAAC accreditations.

DEEMED TO BE UNIVERSITY STATUS

The year 2024, the institution has erudite achievement by attaining the Deemed to be University status – with a vision to create a university with a difference. St Aloysius (Deemed to be University) is hallmarked as a diversified, equitable and inclusive testimony of the ethos thereby creating a saga of developing the talent pool, building the next generation of leaders, meeting sustainability requisites and environment concerns, decentralisation of governance and building school systems. This was possible due to collective efforts under the able leadership of our Vice Chancellor Rev Dr Praveen Martis SJ who tirelessly envisioned this day and materialised the dream to become a reality.

The institution emphasizes that the students cultivate a compassionate heart that vibrates for and with others. We, at St Aloysius believe that education is for both formation and transformation. Therefore, we are on a determined journey towards building a humane, just, eco-friendly and gender sensitive society. In a special way we have made a serious attempt at focusing on the sustainable development goals envisaged by the UN and they have been our frame of reference in our curriculum development, pedagogical practices paving the way towards creating an equitable and inclusive growth paradigm which will lead us into an economy driven by shared prosperity. Our goal is to spread the message that we are all one God's family. Our consistent attempt has been to create a community of persons who are continuously in harmony with nature and the 'others'. I am sure that the education that we impart in this institution will be able to steadily harness the ever-vibrant cultural diversity of the coastal region and the reservoir of talents of our youth, especially our students, for nation building and harmony which is the need of the hour.

We offer undergraduate and postgraduate programmes across disciplines with more than 20 Research Centres offering Ph.D. Programmes having more than 30 Research Guides recognized by various Universities and Research Institutions.

ANNUAL DAY THEME

The theme – "Our Constitution, Our Pride- Celebrating 75 Years of Indian Constitution" is apt for commemorating seventy fifth year anniversary of India as a republic nation.

The values enshrined in our constitution propagate and promote justice, liberty, equality and fraternity in order to secure all the citizens of our affluent nation. This year our university has made tremendous

efforts to harness this theme by organising various talks and activities thereby creating awareness amongst the youngsters through platforms like co-curricular and extra-curricular activities. The university propositions that faculty members and students imbibe the values of new constitution and lead by example in promoting the practice of these cherished morals. We enact the role of being a catalyst in spreading awareness, reserve, promote and practice these ideals.

The university intends to undertake the variety of collaborative endeavours working with the government officers, NGOs, Civil Societies and other higher education institutions to take the momentum of constitution and its awareness to the larger masses.

Vision:

Empowering youth through excellence in education to shape a better future for humankind.

Mission:

St Aloysius Institutions of the Mangalore Jesuit Educational Society (MJES), inspired by the person and the mission of Jesus Christ, and guided by the motto, 'Lucet et Ardet' (Shine to Enkindle) commit themselves to spread the light of knowledge and wisdom, to kindle the ardour of faith that does justice by forming men and women for and with others who are academically accomplished, emotionally balanced, morally upright, socially responsible, ecologically sensitive and professionally dedicated so that they become a powerful force for the transformation of the society.

MID-DAY MEAL SCHEME

St Aloysius (Deemed to be University) is committed to supporting economically disadvantaged students through its Mid-Day Meal Scheme. This initiative ensures the provision of nutritious meals at a subsidized cost, making quality food accessible to needy students.

The scheme is efficiently managed through partnerships with Moras. It benefits 400 undergraduate and 89 postgraduate students across various programs, including BA, B.Com, BCA, BBA, B.Voc, B.Sc, MA, M.Sc, MSW, and M.Com.

To maintain affordability while ensuring nutritional quality, the college follows a cost-sharing model, where students contribute ₹10 per meal. At the same time, the university supports the initiative by providing an additional ₹25 per meal.

This initiative reflects the institution's dedication to fostering an inclusive and supportive learning environment for all students.

ALOYSIAN FEST 2024

A National Level Undergraduate Fest

In a grand celebration, St Aloysius Deemed-to-be University successfully conducted the highly anticipated Aloysian Fest 2024, a national-level undergraduate fest. This momentous event marked a significant milestone in the institution's illustrious 144-year history.

The fest was a vibrant convergence of seven events:

1. **Ark of Arts** (PG Social Sciences)
2. **Saksham** (PG Social Work)
3. **Udhgam** (PG Commerce)
4. **Synapse** (PG Biological Sciences)
5. **Quanta** (PG Physical Sciences)
6. **Aloysiad** (Sports Meet)
7. **Kalaatrividha** (Cultural Extravaganza)

The inauguration ceremony, held at L.F. Rasquinha Hall was attended by students from various colleges. The program commenced with a soulful prayer rendition and welcome dance, followed by a visual tribute to the university's pioneering legacy. Ms Renita Joyce Fernandes, the Staff Coordinator extended a warm welcome, setting the tone for the event. The traditional lamp-lighting ceremony, led by dignitaries, added an auspicious touch. The fest was formally inaugurated with the unveiling of trophies. Pro Chancellor and Rector of the institutions, Rev. Fr Melwin Pinto, SJ, emphasized the importance of recognizing goodness in others and learning from them. Rev. Dr Praveen Martis, SJ, the Vice Chancellor stressed the values of genuinity and generosity in today's competitive world. Fr Praveen also commended the organizers for

their meticulous planning. Dignitaries, including Dr Alwyn D'Sa, the registrar, Dr Loveena Lobo, and Dr Asha Abraham, the directors graced the occasion. Dr Florin Soans, the staff coordinator proposed the vote of thanks. Mr Ravi Kiran was the master of the ceremony.

The valedictory program was presided over by Rev. Fr Praveen Martis, SJ, with Dr Alwyn D'Sa, Rev Dr Melwyn D'Cunha, SJ, Dr Loveena Lobo, and Dr Asha Abraham and other esteemed guests in attendance. Aloysian Fest 2024 provided a national platform for over 2,000 students from 80 colleges to showcase their exceptional skills, talents, and innovative ideas. The fest fostered connections, creativity, and unity among students, leaving an indelible mark. Ms Jovita Soans, the assistant coordinator welcomed the gathering and Mr Jeesu George, the co-coordinator delivered the vote of thanks. Ms Michelle compeered the valedictory program. Soon after the valedictory, during the prize distribution programme, the runners-up and winners of each fest were declared and awarded by the dignitaries on stage. The prize distribution ceremony recognized winners and runners-up, with dignitaries presenting awards. The winners of Aloysian Fest 2024 were announced, with the following colleges taking top honors:

In the Ark of Arts, Canara College, Mangalore, secured the first place, while Yenepoya College of Arts, Science, Commerce and Management took the second place. The Student Council 2024-25 Induction Programme was held on July 11, 2024, at the Eric Mathias Hall, commencing at 9:15 AM. The event aimed to welcome and introduce the newly elected student council members to their roles and responsibilities, emphasizing the values of leadership, academic excellence, character formation, and social concern.

The event was hosted by Ms. Shaina Dsouza, the Joint Secretary, who energetically guided the audience through the day's proceedings. The induction began with a solemn note, as a choir led the gathering in a prayer, setting a reflective tone for the day's discussions. Each speaker was presented with a green welcome.

Pro Vice Chancellor Rev. Dr. Melwyn D'Cunha SJ congratulated the newly elected office bearers, class representatives and association secretaries on their well-deserved roles. He encouraged them to embrace their responsibilities with enthusiasm and dedication, emphasizing the importance of leadership, teamwork, and effective communication in serving the student council.

The student council members were divided into three groups for the orientation: Group A (84 members), Group B (85 members), and Group C (86 members). The venues were Sahodaya Hall, AR 803, and AR 804. After each seminar, students switched venues.

The induction programme featured three insightful sessions by distinguished resource persons, each focusing on different facets of leadership and personal development:

1. Meeting Protocol by Mr. Lohith Shetty: 1. Mr. Lohith described meeting procedures, emphasizing established guidelines or rules that ensure productive, efficient, and respectful meetings. He also briefed on teamwork development, showing videos and conducting activities.

He also provided a briefing on teamwork development, showcasing engaging videos and facilitating various interactive activities.

2. Leadership Styles by Krishnan Mohan: Mr. Krishnan explained unique leadership approaches, techniques, and behaviors, highlighting autocratic, democratic, and delegative leadership styles. He conducted an activity with solitaire cards, helping students socialize and learn leadership qualities.
3. Time Management and Learning Styles by Dr. Rahul T. and Mr. G Heerchand: The speakers discussed effective time management, prioritizing tasks, setting realistic goals, and minimizing distractions. They also explained different learning styles (visual, auditory, read/write) and involved students in activities, promoting teamwork, creativity, and time management skills.

The evaluation and feedback session offered student council members a valuable opportunity to reflect on the programme's content and overall impact. This interactive session fostered open communication, enabling participants to share their thoughts, suggestions, and recommendations for future improvements.

In conclusion, the Student Council 2024-25 Induction Programme was a truly enriching and enlightening experience for the newly elected student council members. The expert guidance and insightful presentations provided a holistic understanding of effective leadership, time management strategies, diverse learning styles, and productive meeting protocols. The programme's emphasis on teamwork, collaboration, and problem-solving skills empowered students to become proactive leaders and change-makers. As the event successfully concluded at 4:30 PM, the student council members departed with a renewed sense of purpose and a firm commitment to lead with integrity, dedication, and accountability throughout the academic year.

The event concluded with Mr Vance Rion D'Souza delivering the vote of thanks, expressing gratitude to everyone involved in making the ceremony a memorable occasion.

INDEPENDENCE DAY REPORT

The 78th Independence Day celebration at St. Aloysius College was held on Thursday, August 15, 2024, at 8:00 AM on the college grounds. The event was marked by great enthusiasm and patriotism, bringing together students, faculty members, and distinguished guests to honor the spirit of freedom and reflect on the sacrifices that paved the way for our nation's independence.

The program began with the arrival of the dignitaries, including the Guest of Honour, Lt Col V D Chacko

(Retd), Secretary of the Kannur Defence Social Service Society, and the Chief Guest, Dr. Narayan Bhat, Director of Xavier Block. The Vice Chancellor, Rev. Dr. Praveen Martis SJ, along with senior officials, presided over the flag-hoisting ceremony. The National Flag was unfurled in a solemn and dignified atmosphere, accompanied by the singing of the National Anthem, which resonated with a sense of unity and pride among all present.

The proceedings continued with a heartfelt prayer led by the college choir, setting a tone of peace and reflection. A warm welcome was extended to all attendees, with special recognition given to the dignitaries. Lt Col V D Chacko was lauded for his exemplary service in the defense sector and his contributions to fostering patriotism among the youth. Dr. Narayan Bhat's significant association with St. Aloysius College since 1987, and his dedication to both academic and administrative excellence, was also celebrated.

The NCC cadets from all three wings of the college presented a disciplined and impressive march past, reflecting their dedication and the ethos of service to the nation. This was followed by an inspiring address from the Guest of Honour, Lt Col V D Chacko. Drawing from his 37 years of military service, he emphasized the importance of discipline, resilience, and commitment to the country.

The patriotic fervor of the event was further heightened by stirring performances from the college's Music Association, whose soulful renditions of patriotic songs evoked feelings of unity and national pride.

The Chief Guest, Dr. Narayan Bhat, then addressed the gathering. His speech highlighted the significance of independence in the modern era and the pivotal role of education and youth empowerment in building a progressive nation.

The Vice Chancellor, Rev. Dr. Praveen Martis SJ, delivered an inspiring message that underscored the values of liberty, justice, and equality. He urged students to take on the mantle of responsibility as future leaders and contribute meaningfully to the nation's development.

The event concluded with a vote of thanks delivered by the Vice President of the Student Council, Fathimath Thoufira, who expressed gratitude to the dignitaries, faculty, staff, and students for their presence and active participation, which made the celebration a grand success.

The Independence Day celebration at St. Aloysius College was a fitting tribute to the nation's enduring spirit of freedom and unity. It served as a reminder of the values that define us as a nation and inspired the participants to carry forward the ideals of liberty and responsibility in their lives.

Gandhi Jayanthi Celebration

The Gandhi Jayanthi celebration, commemorating the birth anniversary of Mahatma Gandhi, was held at 9:00 on the 2nd of October, 2024, in front of the Administrative block of St Aloysius (Deemed to be University). This event marked a special occasion to honor the legacy of the Father of the Nation, celebrating his contributions to the principles of non-violence, peace, and self-reliance. The event was meticulously organized by the student council, in collaboration with the members of the All India Catholic University Federation (AICUF) Association, under the guidance of the administration.

Inauguration

The celebration commenced at 9:00 AM, with students and staff gathering in front of the administrative block. The event was presided by the Fr Melwyn D'Cunha SJ, the Pro Vice Chancellor of the institution. Directors of various blocks, faculty members, and other prominent figures within the institution were also in attendance, showing their respect and admiration for Mahatma Gandhi's ideals. The presence of the student council members and the AICUF Association emphasized the unity and collaboration between different groups within the campus.

The day's program was carefully curated to reflect the key teachings of Mahatma Gandhi, focusing on peace, self-reliance, and the goal of a cleaner, better India. The atmosphere was filled with a sense of reverence and enthusiasm as the students and staff came together to celebrate this significant occasion.

Following the formal opening of the event, the directors of various blocks were invited to deliver speeches. Each speaker took the opportunity to reflect on Mahatma Gandhi's values and how they remain relevant in today's world. The speeches highlighted the importance of peace in a world that often faces conflict, the need for self-reliance in a fast-paced, competitive environment, and the urgent necessity of building a cleaner, more sustainable India. The directors emphasized how Mahatma Gandhi's vision continues to inspire generations, encouraging the youth to adopt his principles in their daily lives.

The speeches were not only a tribute to Mahatma Gandhi's leadership but also a call to action for everyone present. The dignitaries spoke passionately about the role of the younger generation in carrying forward Mahatma Gandhi's dream of a free, peaceful, and self-sufficient nation. They stressed that the values of truth, non-violence, and simplicity should be upheld, especially in the current socio-political climate.

After the speeches, the program continued with the reciting of a poem in the form of a hymn, followed by the national anthem. The hymn, which spoke of unity and peace, was a fitting tribute to Mahatma Gandhi's ideals and his unwavering belief in harmony. . The national anthem added a patriotic touch to the event, reminding everyone of their duties towards the nation.

In keeping with the tradition of sharing, all the guests and students present were offered Ladoos in honor of the celebration. The distribution of sweets added a joyful element to the occasion, symbolizing unity and the collective spirit of the community. Sharing food in a large gathering has always been a way to foster goodwill, and this gesture reinforced the message of harmony that Mahatma Gandhi consistently advocated.

The major themes of the event revolved around the importance of peace, self-reliance, and a cleaner, better India. Mahatma Gandhi's dream of an India free from conflict and self-dependent in terms of resources and development was discussed at length. The speakers and organizers encouraged everyone to adopt simple yet powerful actions in their daily lives that contribute to the larger goal of nation-building.

Campus Cleaning Drive

The focus on cleanliness was especially pertinent, given Mahatma Gandhi's emphasis on sanitation

and hygiene. The importance of Swachh Bharat (Clean India) was reiterated, reminding everyone that cleanliness starts with individual responsibility and effort. Mahatma Gandhi always believed in leading by example, and the organizers encouraged students to follow this approach.

In the spirit of Mahatma Gandhi's principles, the event concluded with a campus cleaning drive. Members of the student council, along with AICUF members, took the initiative to clean the campus. Armed with enthusiasm, they swept the grounds, picked up litter, and ensured that the surroundings were spotless. This activity was a symbolic gesture, showing that everyone has a role to play in maintaining a clean environment.

The campus clean-up was not just an act of service but a reminder that Mahatma Gandhi's vision for a clean India requires active participation from all citizens. It instilled a sense of responsibility among the students, showing them that even small actions can contribute to larger societal changes. The drive also aimed to inspire others to keep their surroundings clean and to promote sustainable living practices.

The Gandhi Jayanthi celebration on 2nd October 2024 was a meaningful and well-organized event that brought together students, faculty, and administrators to honour the legacy of Mahatma Gandhi. The event successfully conveyed the importance of Mahatma Gandhi's principles of peace, non-violence, self-reliance, and cleanliness. Through speeches, hymns, and a campus clean-up drive, the celebration instilled a deep sense of respect for Mahatma Gandhi's teachings and inspired the participants to continue working towards his vision of a better India.

By involving students and the community in activities that align with Mahatma Gandhi's philosophy, the celebration became not just a tribute but also a platform for action, reminding everyone that Gandhi's ideals are not just historical but remain relevant in shaping a better future.

Step into the Spotlight

St. Aloysius Deemed to be University witnessed a dazzling display of talent and intellect with the "Step into the Spotlight" competition, organised by Students' Council. Exclusively for first-year students, this multifaceted event aimed to provide a platform for them to showcase their diverse abilities and step out of their comfort zones.

"Step into the Spotlight" comprised three challenging rounds:

Battle of Brains: Held on December 13th. This initial round tested the participants' knowledge and quick wit through a rigorous quiz. The questions covered a wide range of topics, from general knowledge and current affairs to college-specific information.

The Wow Factor: Held on December 16th. Here, the spotlight truly shifted to individual talents. Participants showcased their unique abilities through a diverse array of performances, including singing, dancing, instrumental music, poetry recitation, and more. The stage buzzed with energy and creativity as each contestant left their mark.

Panel Panic: Held on December 21st. The final round was a nerve-wracking yet rewarding stress interview conducted by a distinguished panel of judges. This round assessed the participants' communication skills, problem-solving abilities, and overall personality under pressure.

Observations and Highlights

The competition was a resounding success, drawing enthusiastic participation from a large number of first-year students. The “Battle of Brains” showcased the intellectual prowess of the participants, while “The Wow Factor” provided a mesmerizing display of artistic talent. The “Panel Panic” round proved to be a valuable learning experience, pushing participants to think on their feet and confidently articulate their thoughts.

Conclusion

“Step into the Spotlight” served as a valuable platform for first-year students to not only showcase their talents but also develop essential skills such as teamwork, communication, and stage presence. The competition fostered a sense of camaraderie and healthy competition among the participants, leaving a lasting impact on the college community.

Report on Dance Team Auditions

St. Aloysius (Deemed to be University) conducted rigorous auditions on July 27, 2024, to form its official Dance Team. The aim was to identify and nurture exceptional dance talent within the institution, enabling the college to participate in inter-collegiate and international competitions and represent the college with pride and distinction.

Audition Process

The auditions were held at AR 801 and AR 804 and were judged by a panel of esteemed experts, including Ms. Diksha Bangera and Mr. Bhushan A Bangera. Over 80 enthusiastic students from various departments and academic years participated, showcasing their skills in a diverse range of dance forms, such as hip-hop, contemporary, classical Indian, and more.

Selection Criteria

The judges evaluated the participants based on the following key criteria:

ELECTION COMMISSION

The Annual Students' Council Elections for the academic year 2024-25 were held on 12th July 2024 at Eric Mathias Hall. The event commenced with a prayer, followed by a welcome address by Dr. Anup Denzil Veigas, Chair of the Students' Council. Rev. Dr. Praveen Martis SJ, Vice Chancellor of St. Aloysius (Deemed to be University), then addressed the gathering, emphasizing the significance of service-oriented leadership and encouraging students to take on their responsibilities with dedication and integrity.

Following this, the Election Commissioner, Dr. Manohar Serrao, outlined the rules, regulations, and standard operating procedures for the elections. After the nominations were invited, the election process commenced. A total of 255 members were elected as Association Secretaries and Class Representatives from various batches. Elections were then conducted for key positions in the Students' Council, including President, Vice President, Secretary, Joint Secretary, and Cultural Secretary.

The results of the elections were announced, with Mr. Vance Rion Dsouza from III BBA C (224362) elected as the President, and Ms. Fathimath Thoufira Bangana as the Vice President. Mr. Anson Rego from II BCom C (2333031) was elected as the Secretary, while Ms. Shaina Dsouza from II BCom B (2332081) secured the position of Joint Secretary. The post of Cultural Secretary was unanimously filled by Ms. Advika Shetty from II BCA A (2351047).

In addition to the elected positions, two members were nominated to specific roles. Ms. Aaryln Riona Lobo from III BCA C (224801) was appointed as the Sports Secretary, while Mr. Vinay Satish Mayekar from III BA A (2212015) was nominated as the Vice Chancellor's Nominee.

The election process was conducted in a fair and transparent manner under the supervision of the Election Commissioner and the Assistant Election Commissioner, Dr. Aruna Kalkur T. Ms. Bini Chan, the Co-Chair of the Students' Council, played an integral role in facilitating the proceedings alongside the Election Commission. The newly elected and nominated members of the Students' Council are expected to uphold the values of leadership, integrity, and service to the student community. The event concluded with the formal declaration of results and a vote of thanks, marking the beginning of a new term for the Students' Council.

ACADEMIC FORMATION OF THE STAFF

- A three-week staff training program was conducted for newly recruited staff and those serving their probationary period. Over this period, a total of 67 staff members received training. Key topics included the evolving landscape of Indian higher education, self-awareness, psychological well-being, outcome-based education, effective teaching strategies, AI-driven creative thinking, interpersonal and decision-making skills, research innovation, institutional protocols, emotional hygiene, yoga, and stress management. The program provided participants with essential insights and skills for both personal and professional growth.
- The Faculty Development Program, held on June 28–29, 2024, had 257 participants and featured department-specific sessions led by 16 external experts. Key topics covered research ethics, interdisciplinary research, and effective teaching strategies.
- A **Certificate Course in Teaching Excellence** was conducted for 33 newly recruited teaching staff for the academic year 2024–2025. The curriculum was further refined in collaboration with St. Ann's College of Education and experts from various fields. The course ran from August 3 to October 23, 2024.
- A **Certificate Course in Research Excellence** was conducted for 30 teaching staff who joined in the academic year 2023–2024. The sessions were led by distinguished scholars from various renowned institutions across Mangaluru. The course ran from August 3 to October 23, 2024.

DEPARTMENT OF LIBRARY AND INFORMATION CENTRE

The college libraries are fully automated with RFID technology. During the year, **289** new books were added to the libraries at a cost of **₹24,98,797.00**. The libraries subscribe to almost 200 periodicals. The total expenditure of libraries including books, journals and database subscriptions was **₹48,66,750.00**. The libraries subscribe to eight digital databases: DELNET, NLIST, J-GATE, PROQUEST, CMIE Prowess, IEEE, SCC Online and ProQuest's ABI/INFORM Collection, which contains thousands of e-journals and e-books available to read and download. The college libraries are members of the DELNET services, where interlibrary loans are possible. The libraries are also members of the American Center Library, Chennai and the National Digital Library of India. Libraries had also subscribed to plagiarism detection tools for students and faculty. Regular user orientation programs were conducted for students and staff to familiarize them with the library's resources and services. In addition, the library's new arrivals are regularly presented via WhatsApp groups.

AL SOLARIUM OBSERVATORY

The AL Solarium Observatory is a premier facility designed for those interested in astrophysics and astronomy, providing a platform for students and faculty to engage with advanced astronomical equipment. Recently, students from the Astro Club and physics majors explored the observatory, gaining hands-on experience with the telescope and dome, learning to operate and align the equipment for effective astronomical observations.

The observatory also played a key role in the professional development of educators. Teachers from Loyola College participated in a faculty development program, gaining insights into the working principles of the observatory's equipment. Additionally, Zoology students from Goa University visited to understand the interdisciplinary applications of the facility, bridging the gap between biology and physics.

Sky watch programs, regularly organized by the observatory, provide an opportunity for participants to observe celestial objects and deepen their knowledge of the night sky. These events are valuable for both academic growth and experiential learning.

The AL Solarium Observatory continues to be an essential educational resource, supporting the advancement of knowledge in astrophysics and fostering interdisciplinary collaboration. Through its various programs, it plays a significant role in academic development and research.

Activities held at AL-Solarium:

Supermoon (August 9, 2024) :

The full Moon in August 2024 was a "Supermoon," meaning it was closer to Earth than usual, making it appear larger and brighter in the night sky. This event was widely visible across Karnataka. Students witnessed supermoon near Al-Solarium.

Conjunction of Jupiter and Venus:

On 3rd November 2024, there was a spectacular conjunction of Jupiter and Venus, two of the brightest planets visible in the night sky. This close alignment made both planets appear exceptionally close to each other. The conjunction was visible in the early evening after sunset, providing a stunning view for observers across Karnataka.

DBT-BUILDER

St Aloysius College (Autonomous) has been awarded the prestigious DBT-BUILDER (Level-1) grants by the Ministry of Science and Technology, Government of India. This five-year research grant, amounting to ₹2.2051 crores for the period 2022–2027, aims to invigorate interdisciplinary and modern bioscience research by upgrading postgraduate teaching and training laboratories as well as enhancing hands-on practical training for students to cultivate expertise in Life Sciences. Under this initiative, the college is conducting pioneering research in the bioprospecting of marine macroalgae for value-added products from the coastal regions of Dakshina Kannada and Udupi. This project brings together the Departments of Biotechnology, Biochemistry, and Food Science, in collaboration with the Departments of Physics, Chemistry, Social Work (MSW), and Economics, to achieve its research objectives. Dr Asha Abraham is the project coordinator and Dr Shashi Kiran Nivas, Dr Lyned D Lasrado and Dr Raghavendra SN are the Principal Investigators of this project. Three project assistants Ms Bhavya, Ms Anusha Bhat and Mr Yadu Krishna assist the principal investigators in gathering the data. Through this grant, the college has significantly enriched its research infrastructure, worth ₹1.39 crores in advanced equipment, including LCMS/MS (Liquid Chromatography-Mass Spectrometry), Ultracentrifuge, Rotary Flash Evaporator, Trinocular Inverted Phase Contrast Microscope and Refractive Index Detector for HPLC. These state-of-the-art facilities are accessible to researchers both within the institution and from external organizations, fostering a culture of collaborative innovation. From April 1, 2024, to January 25, 2025, the college successfully utilized the second installment of ₹14,76,400, driving progress in research and infrastructure development.

The Institute continues to support and promote Konkani language, literature, and culture through its diverse programs and initiatives.

CENTRE FOR EXTENSION SERVICES

In a rapidly evolving world marked by complex challenges, St Aloysius Deemed to be University remains steadfast in its commitment to holistic education that transcends traditional academic boundaries. Recognizing the importance of nurturing well-rounded individuals, the institution emphasizes a blend of academic excellence, social responsibility, and ecological mindfulness.

Through its robust Extension Services, the college bridges the gap between academia and the broader community, addressing societal needs while fostering a profound spirit of civic engagement. Programs such as *Saha ya* for undergraduate students, Rural Immersion initiatives for postgraduates, and Community Programmes under the UBA project exemplify this mission.

A unique aspect of these efforts is the active involvement of two dynamic student volunteer groups. The *Eco Warriors*, under the aegis of the Centre for Environmental Concern, champion ecological sustainability through awareness drives and green initiatives. Simultaneously, *WeCare*, guided by the Centre for Social Concern, works tirelessly to address social issues and uplift marginalized communities.

Anchoring these efforts are the Centre for Social Concern and the Centre for Environmental Concern, which drive impactful programs both within the campus and beyond. These initiatives not only extend support to underserved communities but also provide invaluable opportunities for students to develop essential values and leadership skills. This report celebrates the transformative impact of our extension activities, which continue to shape compassionate, responsible, and future-ready individuals.

I. Sahaaya for UG Students

Sahaaya, a flagship initiative, empowers students to actively contribute to social well-being and

awareness of societal responsibilities. Implemented through Extra Curricular (EC)/Co-Curricular (CC) Associations, Sahaaya activities are divided into five service groups:

1. Centre for Social Concern (CSC)
2. Centre for Environmental Concern (CEC)
3. Centre for Cultural Concern (CCC - 1)
4. Centre for Civic Concern (CCC – 2)
5. Centre for BVoc Department

Each of these centers oversees 10 to 15 associations, serving as conduits for the execution of Sahaaya Activities.

Demonstrating our unwavering commitment, every student is expected to dedicate 40 hours to social service over two semesters, with 20 hours allocated to the second semester and 20 hours to the third. This breakdown includes one hour for orientation, 3 hours of Mentoring, 2 hours of reflection and fourteen hours of Sahaaya Exposure activities.

These exposure activities span a wide spectrum, encompassing organizing awareness programs in schools, colleges, and communities on educational, health, environmental and social issues. Students also engage with the residents of care and support centres, addressing the needs of the underprivileged, elderly, orphanages, de-addiction, and rehabilitation centers. Furthermore, they actively participate in environmentally conscious activities and conduct right-based campaigns, walkathons, cyclo-walkathons, rallies, and more.

In essence, St Aloysius College's Extension Services embody a holistic approach to education, fostering a sense of social consciousness and responsibility among students while making a tangible impact on the lives of those in our extended community.

5 **Community Outreach:** Encouraging associations within the university to conduct peace-themed activities and share their outcomes.

The Centre for Peace and Reconciliation at St. Aloysius Deemed to be University serves as a platform for dialogue, mutual respect, and collaboration. By combining the efforts of its diverse participants, it seeks to instill the values of peace-building and foster a culture of harmony within and beyond the university.

The Extension Services organized the Inauguration of the Centre for Peace and Reconciliation at St. Aloysius Deemed to be University on October 9, 2024, in a ceremony that gathered distinguished guests, Staff Coordinators Ms Jennifer Mascarenhas, Ms Preema Tauro, Ms Archana Yashodhar, Mr Mohammed Thauseef, and 70 volunteer students. The event was graced by prominent dignitaries, with Dr. Binoy Jacob Pichalakkattu, SJ, Director of LIPI, Kochi, as the chief guest. The Rector of St. Aloysius Institutions, Rev. Fr. Melwyn Joseph Pinto, SJ, presided over the event, while Mr. Roshan Melwyn Lobo, Secretary-General of International Young Catholic Students (IYCS), was the guest of honor. Rev. Dr. Praveen Martis, SJ, Vice-Chancellor of St. Aloysius, delivered a compelling keynote speech.

Various Activities suggested by Fr Binoy SJ in his speech are: Peace exhibitions, Peace picnics, Peace Clubs, Interfaith prayers, Social media campaigns, and Peace awards.

Dr. Praveen Martis, in his keynote address, emphasized the role educational institutions must play in fostering a culture of peace. He stressed that beyond academic instruction, universities must cultivate empathy, dialogue, and understanding among students, essential components for societal reconciliation. His remarks reflected the university's commitment to creating spaces for peace and dialogue, not only locally but also globally.

The symbolic inauguration of the Centre brought all the dignitaries together for the opening, marking a new chapter for the university, dedicated to advancing peace studies and reconciliation efforts. This act was a powerful symbol of hope, one that conveyed the university's dedication to promoting peace through academic and community-based initiatives.

Mr. Roshan Melwyn Lobo's address focused on the critical role of youth in shaping a peaceful future. He urged the younger generation to take the lead in advocating for justice and peace, reminding them that their actions can be a powerful force in bridging divides and dismantling prejudices. His message was particularly resonant with the students present, encouraging them to become agents of change.

In his presidential address, Rev. Fr. Melwyn Joseph Pinto emphasized that peace requires continuous effort and active engagement. He underlined the importance of commitment in the peace-building process, a sentiment that echoed throughout the session.

The Vice Chancellor Rev. Dr Praveen Martis, SJ encouraged staff to get trained on Peace Studies. Ms Jennifer Ida Mascarenhas and Ms Archana Yashodhar completed the Certificate course on Peace Studies, organized by LIPI for 26th October 2024 to 4th of January 2025 .

On 13.01.2025 from 9.00 to 4.30 thirty students from centre for Peace and Reconciliation participated in the Conference on Conflict, Reconciliation & Peace building.

ENTREPRENEURSHIP AND CONSULTANCY CELL

The Entrepreneurship and Consultancy Cell at St. Aloysius Deemed-to-be University has actively fostered a culture of innovation and industry collaboration. Through various initiatives, the Cell has provided students and faculty, opportunities to develop entrepreneurial skills, engage in industrial research, and participate in national and international forums. This report highlights the key activities conducted by or in collaboration with the Entrepreneurship and Consultancy Cell.

- A one-day National Conference on 'Eco Economics: Integrating Ecology and Economy for a Greener Tomorrow' was conducted by the School of Life Sciences, Arts, and Humanities, in collaboration with the Entrepreneurship and Consultancy Cell, on August 13, 2024. The event explored the intersection of ecological sustainability and economic growth, providing a platform for scholars, students, and professionals to discuss sustainable development.
- The 'Keep Safe' Bag; a product developed by B.Sc. (Biotechnology) student Noman Mohammad Rafulla in association with Manipal Academy of Higher Education (MAHE), replaces traditional gunny bags with a more durable and pest-resistant storage solution for agricultural produce.
- Pomegranate Peel and Seed Incorporated Kefir Milk: Ms. Megha P.T., a B.Sc. (Microbiology & Zoology) student, developed a fermented beverage under the guidance of Dr. Adarsha Gowda, Chairperson of the Entrepreneurship and Consultancy Cell, in collaboration with NIFTEM-T, Tamil Nadu.
- Symbiotic Pomegranate Peel-Based Probiotic Candies & Ready-to-Mix Blancmange Powder: Developed by Ms. Misbah C.P., this product was also guided by Dr. Gowda and external collaborators from NIFTEM-T, emphasizing the potential of probiotic and prebiotic-infused health foods.

- Students from the BBA 2022-25 batch completed an internship in Port Operations and Management at New Mangalore Port Trust (NMPT), Mangaluru. Mr. Arun, the Assistant Traffic Manager, coordinated the program, and Dr. Adarsha Gowda supervised it.
- Dr. Adarsha Gowda, along with E-Cell members Mr. Olwin D'Souza and Mr. Ayush G Kottary, represented St. Aloysius Deemed-to-be University at the Big Brand Expo 2024, organized by BNI Mangalore and Udupi Network. The team explored potential collaborations with leading brands and entrepreneurs.
- Faculty Development Programme (FDP) titled "Sustainable Family Business and Entrepreneurship: India Vision 2030" was organized from August 5th to 10th, 2024, with AICTE's Training and Learning Academy sponsorship. This initiative focused on advancing sustainable entrepreneurship practices.
- In collaboration with the Department of Food Science, the Entrepreneurship and Consultancy Cell organized "World Food Day Forum - 2024: Right to Food for a Better Life and a Better Future" on October 16, 2024. The event featured industry experts discussing food sustainability and innovation.
- Faculty of Physical and Life Sciences, in association with the Entrepreneurship and Consultancy Cell, organized ANVESHAN-2024 on August 30, 2024. This event aimed to inspire young minds towards sustainable entrepreneurial ventures.
- On January 4, 2025, St. Aloysius Deemed-to-be University co-organized this event with Namma Kudla. It featured sessions on startup scaling, family business succession, branding, and MSME growth, with participation from industry leaders, financial institutions, and young entrepreneurs.

The Entrepreneurship and Consultancy Cell has played a pivotal role in fostering innovation, industrial collaboration, and entrepreneurial development within the institution. Through conferences, internships, faculty development programs, and student-led initiatives, the Cell continues to bridge the gap between academia and industry, ensuring a future-ready and entrepreneurial student community.

HUMAN RESOURCE CELL

- **Staff Induction Programme (SIP):** A meticulously planned and impactful three-week Staff Induction Programme was organized by the HR Department from 10th to 26th June 2024. Designed for newly recruited staff and those completing two years at the institution, the programme featured a diverse array of enriching sessions conducted by experts from various fields. Topics included the evolving dynamism of Indian higher education, self-awareness, psychological well-being, outcome-based education policies, enhancing teaching effectiveness, creative thinking in the age of AI, interpersonal and decision-making skills, institutional protocols, research innovation, emotional hygiene, yoga, and stress management. The programme provided participants with invaluable insights and skills essential for personal and professional growth.
- **JESCOL-I Seminar:** As part of the Induction Programme, a highly engaging two-day Level 1 JESCOL seminar was held on 19th and 20th June 2024. The seminar centered around Jesuit governance, leadership principles, and the Jesuit legacy, offering participants a deeper understanding of the institution's ethos and values.

- **Two-Day FDP:** A dynamic and resourceful two-day Faculty Development Programme was conducted on 27th and 28th June 2024 for all teaching staff of St. Aloysius (Deemed to be University). Renowned resource persons from prestigious institutions led the sessions, which focused on fostering academic excellence, with a special emphasis on Academic Performance Indicators.
- **Inauguration of Academic Year 2024-25** The academic year was officially inaugurated on 29th June 2024 with an inspiring ceremony. Rev. Dr. Praveen Martis, the Vice Chancellor; Fr. Vishwas, the Finance Officer; and Dr. Ronald Nazareth, the Registrar, delivered comprehensive and visionary presentations on the institute's mission, vision, strategic goals, and operational guidelines, setting the tone for the year ahead.
- **Certificate in Teaching Excellence and Research Excellence:** The highly regarded "Certificate in Teaching Excellence," first introduced in 2020 as part of the Faculty Development Programme, continued into its fourth successful year. The 2024-25 batch commenced on 3rd August 2024, with 30 staff members in Level-II (joined in 2023) and 33 new staff members in Level-I. DIGITAL MEDIA CELL

1. St Aloysius established a Digital Media Cell March 2022, appointing Mr Manoj Fernandes as coordinator. Now this designation is renamed as “Chair of Social Media”.
2. In the due course of time Two administrative staff members, alumni of our B.Voc department with media specialization, were appointed to ensure the cell’s smooth functioning. They possess skills in photography, videography, reel-making, poster-making, and editing. We offer attractive salary packages to staff.

3. Necessary devices, including a desktop for editing, iPhone, video camera, portable studio lights, and access to the greenroom studios maintained by the Journalism Department, were provided.
4. We maintain an active presence on Instagram, Facebook, LinkedIn, YouTube, and X (Twitter), with professionally designed pages.
5. Our media team covers all college events scheduled by the IQAC, offering services like geo-tagged photos, Instagram Reels, YouTube uploads, and pre-event publicity, depending on the event's significance. This serves the purpose of documentation as well.
6. We create short video highlights (less than 1 minute) of significant college programs and share them on the same day to increase visibility. These videos often go viral on WhatsApp, encouraging word-of-mouth publicity.
7. Customized photoshoots and promotional video shoots are organized to boost college admissions.
8. The Media Cell identifies staff and students to participate in digital content creation.
9. Our efforts have propelled our Instagram page to the 3rd position among educational institutions in Coastal Karnataka. Our followers have grown from 1,700 two years ago to 20,000.
10. Individual departments are encouraged to create their own social media pages and collaborate with the institutional main page.

INTERNAL COMPLAINTS COMMITTEE

The Internal Complaints Committee (ICC) at St Aloysius (Deemed to be University), Mangaluru, is committed to ensuring a safe and respectful environment for all members of the institution. Established in compliance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013 (commonly referred to as the POSH Act), the committee addresses concerns of sexual harassment, promotes awareness, and ensures compliance with the legal framework.

The committee was originally formed in 2017 under the name “Committee against Sexual Harassment.” recognizing the evolving regulatory and institutional requirements, it was renamed the Internal Complaints Committee (ICC) during the academic year 2020-21.

Current ICC Members

The following are the members of the Internal Complaints Committee at present:

1. Ms Ashitha Jane Pinto (**Chairperson**)
2. Dr Dinesh Nayak
3. Ms Suchetha Vijayakuma
4. Ms Mamatha
5. Mr Udaya
6. Ms Shaina Chrystle Dsouza
7. Ms Sudheeksha
8. Ms Helen
9. Ms Usha Pereira

Relevant document is attached to this report for reference.

Training on POSH Act Compliance

To strengthen awareness and compliance regarding the POSH Act, the university organized

These training sessions were designed to equip employees with a clear understanding of workplace sexual harassment, preventive measures, and redressal mechanisms.

For Teaching Staff: Conducted on 1st and 21st October 2024.

For Non-Teaching Staff: Conducted on 3rd and 4th December 2024.

Complaint Filing Mechanism

To facilitate an accessible and user-friendly complaint mechanism, the university has introduced the

following initiatives:

- 1 Online Complaint Form:** A dedicated complaint form is available on the university website. This ensures that staff and students can file complaints confidentially and efficiently.
- 2. QR Codes for Easy Access:** QR codes linked to the online complaint form have been placed on notice boards on every floor of all buildings across the campus. This initiative is aimed at improving accessibility for both staff and students.

Status of Complaints

As of the date of this report, no complaints have been registered under the Internal Complaints Committee.

StAloysius (Deemed to be University) remains steadfast in its commitment to fostering a culture of dignity, equality, and mutual respect. The ICC will continue its efforts to promote awareness, provide redressal mechanisms, and ensure compliance with the POSH Act, contributing to the holistic development of the university community.

CANTEEN COMMITTEE

The canteen committee at St Aloysius (Deemed to be University) is headed by the Vice Chancellor Rev Dr. Praveen Martis SJ who looks after the welfare of operations related to the canteen. The Committee holds meetings twice a year and discusses various issues and the improvements which can be made to the canteen service. The meetings are headed by the staff Coordinator Mr Arjun Prakash who looks after the proceedings of the meetings along with Student Coordinators Ms Nissy Crasta, Ms Manasvi Jain, and Mr Alister.

Canteen Operations and Maintenance Report

The newly constructed canteen has been operational for eight months, and its management has consistently ensured quality and hygiene standards. Initially, some concerns were raised regarding food quantity, use of disposable materials, shortage of suppliers, and pricing. However, these issues were promptly addressed based on feedback from the Canteen Committee, leading to significant improvements.

In the beginning, certain food items, such as fresh fruit juices, fruit salad, and snacks like vada pav, were unavailable. Over time, these have been introduced along with an expanded menu, including a combo meal (jeera rice, dal, Gobi Manchurian, and lime juice) for ₹70, catering specifically to students. The canteen now offers a variety of vegetable, chicken, and egg meals with daily variations, which has been well received by both students and staff.

To enhance convenience, each table has been equipped with a QR code displaying the menu and providing a platform for student and staff feedback. The response has been overwhelmingly positive, particularly regarding food quality and hygiene standards. Regular cleaning is maintained, with deep cleaning conducted every Saturday to uphold cleanliness standards.

For evening snacks, new additions include chicken steamed momos, chicken nuggets, Maggi, masala

French fries, and Mumbai special Vada pav. Plans are in place to further expand the offerings with mocktails, crushers, and different types of juices to attract more students. The canteen ensures premium-quality raw materials and fresh vegetables to maintain food standards.

The menu has also been enhanced with veg, chicken, and fish meals, which have gained popularity among staff members, including myself. While table service has improved with the deployment of two staff members, there are occasional delays during peak hours, which need to be addressed for better efficiency.

Regarding hygiene, the canteen management has maintained high cleanliness standards, with constant dining area upkeep and a well-maintained kitchen. Weekly thorough deep cleaning on Saturdays has been personally inspected and found satisfactory.

Additionally, to ensure quick availability of tea, coffee, and snacks, we have introduced “Campus Chill”—a network of three extension counters across the campus. These counters provide a convenient and efficient option for students and staff to grab beverages and light snacks without needing to visit the main canteen. This initiative has helped reduce waiting time and improve accessibility for refreshments throughout the day.

Overall, the canteen has shown significant improvements in food variety, service, hygiene, and operational efficiency, ensuring a better dining experience for students and staff. The introduction of extension counters has further enhanced accessibility and convenience across the campus.

The canteen management has been successful in providing regular meals to students participating in NCC even during holidays which has helped us in continuing with our activities as per our schedule.

- 1060 students among these 2033 students are male, 971 are female and 2 are transgender students.

THEOLOGY CLASSES

Theology classes were conducted for Catholic students in the Second year (III Semester) and the First year (II Semester) on every Thursday from 8:55 to 9:50 am. The academic year commenced with the celebration of the Eucharist in the college chapel for both groups separately. In the academic year 2024-2025, 566 Second Year students and 583 First year students attended the classes. The sessions were led by well-qualified and dedicated faculty, with eleven teachers guiding the Second year students and nine instructing the First year students. The faculty motivated and inspired students, nurturing their spiritual growth.

The sessions were designed to be interactive and engaging, incorporating discussions, debates, and various activities that encouraged students to express their opinions. Learning was assessed through assignments and written examinations. Additionally, all Catholic students across the three years attended the annual retreat in July, organized by the college. A team of retreat preachers was invited to lead the sessions, providing students with a meaningful opportunity for spiritual renewal and a deeper relationship with Jesus.

On special occasions, such as the Feast of St. Aloysius Gonzaga, Founder's Day, the Feast of St. Ignatius of Loyola, Nativity Day, and Christmas, students actively participate in the celebration of the Eucharist. They enrich the liturgy by proclaiming the Word of God, praying the Prayer of the Faithful, and singing in the choir, making these celebrations more meaningful and spiritually enriching.

Objectives of the Theology Course

- To deepen knowledge of the Creator and understand His plan of salvation for humanity.
- To instill Gospel values, particularly those taught through the parables of Jesus.
- To follow the teachings of the Catholic Church.
- Foster an understanding of the spirituality of St. Aloysius Gonzaga, the patron saint of the college, and St. Ignatius of Loyola, the founder of the Society of Jesus.

Topics Covered in the First Year:

The First-Year curriculum provided an overview of both the Old and New Testaments, with a particular emphasis on the New Testament and the teachings of the Church. Students were introduced to selected parables and the teachings of Jesus, fostering an awareness of their responsibilities as Catholics. They explored the meaning and significance of sacramental grace at different stages of life, focusing on the Sacraments of Baptism, Confirmation, Eucharist, and Reconciliation.

To instill the spirit of St. Aloysius College, students were taught about the spirituality, vision, and mission of St. Aloysius, St. Ignatius of Loyola, St. Francis Xavier, and Fr. Pedro Arrupe. This aimed to deepen their understanding of Jesuit educational values and foster a sense of belonging to the institution.

Topics Covered in the Second Year:

The Second-Year curriculum covered a range of theological and moral topics, including:

- Social Justice, Human Dignity, and the Commandment of Love.
- Parables illustrating God's love and compassion.
- The life and mission of St. Francis Xavier.
- The Church: Hierarchy, mission in the world, and different Christian denominations.
- Universal Call to Holiness and various vocations.
- The Creed according to the Catechism of the Catholic Church.
- Jesuit Educational Values: Service rooted in justice and love, solidarity, and kinship.
- A Christian's role, challenges, and responsibilities within the community and society at large.
- New Testament studies: Letters of St. Paul, other epistles, and the Book of Revelation.
- The Paschal Mystery: Passion, Death, and Resurrection of Jesus.
- The significance of the Word of God in daily life and the practice of Lectio Divina.

- The life and vision of Fr. Pedro Arrupe.
- The impact of Christian values in the life of a believer.

Through these Theology classes, students have strengthened their faith and deepened their understanding of these essential topics. They have also gained a clearer awareness of their role as Catholics within the Church, learning to bear witness to Jesus through their lives, despite the challenges they may face in their daily journey of faith.

VALUE EDUCATION

Value Education classes are an integral part of the curriculum for all first-year and second-year students, with their inclusion in the examination process. The institution aims to promote the holistic development of students, emphasizing not only academic growth but also the importance of interpersonal relationships, compassion for the less privileged, and social responsibility.

For first-year students, the module titled 'In Harmony with Life: Reflections for Positive Choices' is designed to motivate and empower young minds to become torchbearers of society. The module addresses the concerns of youth by encouraging self-awareness and helping them make thoughtful and positive life choices.

For second-year students, the module titled 'In Harmony with Life: Reflections to Promote Care and Concern' focuses on family values, sensitivity towards vulnerable populations, and individual responsibilities toward society. This module encourages students to reflect deeply on their roles as compassionate and socially responsible individuals.

An Anti-Drug Awareness Program was also conducted for all students during the week of 12.08.2024 to 17.08.2024 to educate and sensitize them about the dangers of substance abuse and the importance of staying drug-free.

A total of 2270 first-year students and second-year 2009 students participated in the Value Education classes and benefited from the program. The sessions were successfully conducted by a dedicated team of 14 staff members who actively imparted this knowledge and guided the students

- "ChemCareers – An interactive Workshop on Career Opportunities" in collaboration with Royal Society on 25 September 2024.
- "Samavesha – Uniting Minds and Igniting Innovations", in association with I-STEM, Bengaluru on 18 March 2024.
- Interaction Session with Ms Anna Bradford, Millersville University, Pennsylvania on 4 September 2024.
- 'Student Exchange Programme' session with Ms Kayla DeCoste, SUNY Cortland on 9 January 2025.
- Series of sessions featuring delegates from the University of Olivet on 13-14 December 2024.

Responsibilities

- Chair, Domestic and International Relations – Partnering with industries and institutions in India and abroad for academic and industry collaboration
- Coordinator for Higher Education Abroad programmes
- Coordinator for Student Exchange Programme with SUNY Cortland, USA
- Coordinator for proposed Joint Degree Programme with University of Olivet, USA

MS. MEGHANA A., Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

- Completed 30 hours certificate course in Research excellence.

Seminars/ Conferences/Webinars attended during the year

- Seminar on Base Metal Catalysis for generation of H₂ fuel and speciality chemicals-5th April 2024.
- International Conference on Environmental Sustainability-6th April 2024.

Publications with ISBN/ISSN/Conference Volumes etc.

- Contributed to research paper titled 'The influence of catalyst structure on acidic strength of SO₃H groups for alkyl levulinate synthesis from biomass- derived feedstocks using sulfonic acid functionalized flexible MOF catalyst' in Chemical Engineering Journal with impact factor 15.1

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- Authored a book chapter titled "Transition Metals and Their Modified Forms as Efficient Photocatalysts for Energy and Environmental Applications." in the edited book series, Futuristic Trends in Chemical Material sciences and Nano Technology Volume 3 Book 20, published by IIP Series

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Resource person for Skill enhancement programme- Spoorthi&Pragathi

Any other

- Resource person at Agnes College Mangalore, for one day theatre workshop – Rangasamaagama.
- Resource person at Udupi Sumanasa Children theatre workshop- Chiguru Chittara.
- Resource person at Canara high school – Kalabhi.
- Resource person for children theatre workshop at Bellare.
- Resource person for theatre music at Samudaaya Mangalore.
- Resource person for Theatre art at St Jerosa School.
- Resource person for Theatre art at Pillikula, State level NSS camp
- Conducted week long workshop for students of Amritha Vidyalaya school, Bolor.
- Conducted session on Music at Kalaangan – Konkani repertory at Shaktinagara.

MS HENCIL CLITA PINTO, Assistant Professor stage-1

Trainings/ refresher/Orientation Programmes attended during the year

- Attended Faculty Development Program, Certificate course in Research excellence conducted by the Human resource department, St Aloysius (Deemed to be University), August-October 2024.
- Staff orientation program 2024-25, conducted by the department of Human resource, St Aloysius (Deemed to be University), December 7, 2024.

Seminars/ Conferences/Webinars attended during the year

- Attended an interactive workshop on Career opportunities – 'Chemcareers' organized by Royal Society of Chemistry, Sep 25, 2024.

- Attended Anveshan 2024 - Empowering youth for a sustainable future, Aug 30, 2024.
- 'International Seminar on Advanced Materials for Sustainable Development for Energy Applications', organized by SRM Institute of Science and technology, Chennai, November 9, 2024.

Any other

- Event Head for Imprints 2024, Aloysian fest, Aug 31, 2024
- Coordinator for Chemergence-2024, an intercollegiate PU fest, conducted by the Department of Chemistry, Sep12, 2024.
- Cleared KSET Exam in Chemical Sciences.

MS SHREYA BHAKTA K, Teaching Staff Assistant**Trainings/ refresher/Orientation Programmes attended during the year**

- Attended Faculty Development Program, Certificate course in Research excellence conducted by the Human resource department, St Aloysius (Deemed to be University), August-October 2024.
- Staff orientation program 2024-25, conducted by the department of Human resource, St Aloysius (Deemed to be University), December 7, 2024.

Seminars/ Conferences/Webinars attended during the year

- An interactive workshop on Career opportunities –'Chemcareers' organized by Royal Society of Chemistry, Sep 25, 2024.

Any other

- Cleared KSET Exam in Chemical Sciences.
- Completed diploma in Counselling Psychology from St Aloysius (Deemed to be University)
- Coordinated Alumni interaction program on Erasmus- Mundus scholarship, organized on 12th December 2024.
- Event head for one of the event in Chemergence-2024, an intercollegiate PU fest, conducted by the Department of Chemistry, Sep12, 2024.

DEPARTMENT OF POST GRADUATE STUDIES AND RESEARCH IN CHEMISTRY**Innovative Pedagogical Practices**

- Project-Based Learning Initiatives: In-house research projects that cultivate creativity and critical thinking, encouraging in-depth understanding and application of concepts to real-world challenges.
- Collaborative Peer Learning: Fostering a dynamic learning environment, promoting interactive knowledge sharing among students.
- Comprehensive Assessment & Evaluation: Utilising diverse methods to assess conceptual clarity, practical skills, and critical reasoning abilities.
- Research-Oriented Seminars: Inspiring academic excellence through seminars focusing on cutting-edge advancements and interdisciplinary research.

- Impactful Internship Opportunities: Facilitating industry and research internships to provide hands-on experience and exposure to professional environments.
- Integrated Career Guidance: Tailored career counselling, soft skills training and mentorship to help students explore their full potential and apt careers.

Seminars/Conferences/Webinars Organized

- Guest talk on “Base metal catalysis for generation of hydrogen fuel and speciality chemicals” on 05 April, 2024 by Dr Akshai Kumar, Associate Professor & Head, Centre for Nanotechnology, IIT Guwahati, Assam.
- “ChemCareers 2024” was organized by the department of Chemistry on 24/09/2024 in collaboration with Royal Society of Chemistry and with various academic and industrial experts.
- “Mastering the Art of Academic Writing: Essential Skills for Scholarly Success”, an interactive workshop was organized by the Alchemy Association of the Department of Postgraduate Studies and Research in Chemistry on Monday, July 15, 2024 with Dr. Sudhakar YN, Associate Professor from MIT, Manipal as resource person.
- “Chemistry Beyond the Lab: The Path to Meaningful Research” an insightful alumni interaction session was held on October 22, 2024 and was graced by Dr. Smitha V. Kamath, an accomplished alumna of the institution and a PhD holder in Chemistry (Material Science) from the Centre for Nano and Material Sciences, Jain (Deemed-to-be University).
- Two days’ workshop on the topic “Impact of Computational Chemistry and Molecular Docking: An intuitive analysis and visualization” on 16 & 17, January 2025 at Xavier Auditorium. Dr Anushree Raj, Senior Assistant Professor, MITE, Moodabidri, was the resource person.

Number of Seminars attended/ papers presented/ papers published: 25

Innovative activities/ programs organized

- "ChemCareers 2024" was organized by the department of Chemistry on 24/09/2024 in collaboration with Royal Society of Chemistry and with various academic and industrial experts, aimed at providing insights into career opportunities in the field of chemical sciences.

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed- 36
- Number of students pursuing higher studies-12
- Number of students self-employed- 5
- Number of students cleared competitive exams-11
- Internships completed:60

Unique staff achievements

- Rev. Dr Praveen Vijaya Martis was awarded Best Principal Award for 2022-2024 by AIACHE
- Rev. Dr Praveen Vijaya Martis was Conferred the Prestigious ENVIRONMENTAL PEACE BUILDING EDUCATION AWARD by the International Association of Educators for World Peace (affiliated to ECOSOC - United Nations) in the 20th World Peace Conference held between 29th and 31st December 2024 in Delhi.
- Rev. Dr Praveen Vijaya Martis was the Member of NAAC Peer team visit at Khunta Degree Mahavidyalaya, Orissa on January 6 & 7, 2025
- Rev. Dr Praveen Vijaya Martis was the Member of NAAC Peer team visit at Aditya Degree College, Tuni, Andhra Pradesh on November, 12 & 13, 2024
- Rev. Dr Praveen Vijaya Martis was the Vice-President of All India Association of Christian Higher Education (AIACHE) for a period of 2025-2028.
- Rev. Dr Praveen Vijaya Martis was the Member of the Governing Body of School of Fr Muller Medical College Hospital, Mangaluru – 575 002 for a period of 2022-2025.

Participation in Trainings/Refresher/Orientation programs

- Dr Vinola Rodrigus participated in the 4-Day VGST-FDP on "Advances and Recent Trends in Environmental and Energy Applications of Nanoparticles" Organized by Department of Chemical

Engineering, Manipal Institute of Technology, Manipal in coordination with VGST, from 04/12/2024 to 07/12/2024 and in the NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of UGC Organised by MMTTC, Kannur University from 21-05-2024 to 30-05-2024.

- Dr Jyothi N Rao participated in the online two-week online refresher course on “ Materials for energy and sustainability” organized by Malviya Mission teacher Training Centre (MMTTC), centre for science and society (CS²) - Indian Institute of Science Education and Research Bhopal from November 04 to 18, 2024.
- Ms Jyothi Vaz participated in FDP on "Advancements in Material Science Research" organized by the Post Graduate and research Department of Chemistry, PSGR Krishnammal College for Women, Coimbatore from 29-07-2024 and 02-08-2024
- Mr Jeesu George participated in “One week faculty development programme" organised by the Department of Physics, PSGR KRISHNAMMAL COLLEGE FOR WOMEN in Association with SEPA, COIMBATORE from 09.12.2024 to 14.12.2024.
- Dr Akshatha R Salian participated in the 4-Day VGST-FDP on “Advances and Recent Trends in Environmental and Energy Applications of Nanoparticles” Organized by Department of Chemical Engineering, Manipal Institute of Technology, Manipal in coordination with VGST, from 04/12/2024 to 07/12/2024 and in the NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of UGC Organised by MMTTC, Kannur University from 21-05-2024 to 30-05-2024.
- Dr Laveena D Soouza participated in the National level FDP on Natural and synthetic Biomaterials : preparation and application in tissue engineering , drug delivery and cancer therapeutics held by Malla Reddy college of engineering, Secunderabad

Perspective Plan: 2025 2026 (Future Plans)

- To Strengthen Research Components
- To strengthen Industry-academia collaborations
- To magnify placement for outgoing students through the department in various industries/institutes.
- To intensify department alumni interaction that facilitates mutual co-ordination and helps in building strong alumni/alumnae relationships.

Best practices of the department

- Specialised Competitive Exams Coaching: Conducting specialised coaching for NET/GATE examinations, preparing students for competitive opportunities.
- Advanced Instrumentation Workshops: Hands-on training sessions with state-of-the-art analytical instruments, bridging the gap between theoretical and practical knowledge.
- Distinguished Lectures: Inviting distinguished academicians and industry professionals as guests, providing insights into contemporary scientific developments and careers.
- Engaging Alumni Interactions: Facilitating meaningful networking opportunities for current students with successful alumni, inspiring and guiding future professionals.
- Specialised Certificate Courses: Value-added programs to enhance technical expertise and employability.

- Peer Group Collaborations: Building softskills through teamwork, and knowledge exchange through structured peer group activities.
- Alchemy Association Initiatives: Diverse co-curricular and extracurricular activities under the departmental Alchemy Association to enhance student engagement.
- Intercollegiate Fests: Dynamic co-curricular fests to encourage collaboration, creativity, and networking among students from various institutions.
- Thematic Seminars for Skill Development: Seminars that improve analytical, presentation, and research skills to prepare students for academic and industrial careers.

- St Aloysius (Deemed to be University), Mangaluru
- Mangalore University

Awards

- Awarded Best Principal Award for 2022-2024 by AIACHE
- Conferred the Prestigious ENVIRONMENTAL PEACE BUILDING EDUCATION AWARD by the International Association of Educators for World Peace (affiliated to ECOSOC - United Nations) in the 20th World Peace Conference held between 29th and 31st December 2024 in Delhi.

MoU Signed with Foreign Universities

- Initiated a significant collaboration with the University of Portsmouth, a renowned public University located in the coastal city of Portsmouth, England.
- Initiated a significant collaboration with the University of Hertfordshire, England.
- Initiated a significant collaboration with the University of Portsmouth, a renowned public University located in the coastal city of Portsmouth, England.
- Initiated a Memorandum of Understanding (MoU) with the Institute of Analytics (IoA).

DR. VINOLA ZEENA RODRIGUES, Assistant Dean (School of Physical Sciences) & Programme Coordinator

Trainings/ refresher/Orientation Programmes attended during the year:

- Attended 2days FDP held on 27 and 28, June 2024 organised by the HR dept of SAU.
- Participated in Two-day Online Workshop on Emerging Trends in Applied Sciences-2024 held on 1st and 2nd August 2024 organized By Department of Basic Science and Humanities in association with IQAC at Moodlakatte Institute of Technology Kundapura.
- Participated in the 4-Day VGST-FDP on “Advances and Recent Trends in Environmental and Energy Applications of Nanoparticles” Organized by Department of Chemical Engineering, Manipal Institute of Technology, Manipal in coordination with VGST, from 04/12/2024 to 07/12/2024.

Seminars/ Conferences/Webinars attended during the year

- State level Symposium on Recent Trends in Active pharmaceutical ingredient landscape organized by the BMS College Bengaluru on 19th July 2024.
- International conference on New Materials in Carbon Capture and Environmental Remediation (NMCCER 2024) held on 5th & 6th December 2024 in NMAMIT, Nitte.
- International Conference on Advances in Materials Science 2025) organized by St. Dominic's College, Kanjirappally on 9th & 10th January 2025.

Papers presented in Seminars/Conferences

- Presented a paper entitled “Plant extract mediated synthesis of Nickel doped Cerium Oxide

Nanoparticles and its potential applications” at International conference on New Materials in Carbon Capture and Environmental Remediation (NMCCER 2024) held on 5th & 6th December 2024 in NMAMIT, Nitte.

- Presented a paper entitled ‘Green route synthesis of Iron doped cerium oxide nanoparticles and its potential applications’ at ICAMS 2025 (International Conference on Advances in Materials Science 2025) organized by St. Dominic’s College, Kanjirappally on 9th & 10th January 2025.

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Ongoing Minor Research Project funded by MJES entitled “Synthesis of Ternary Nanocomposites and its application towards the generation of Novel Electrodes”.

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- BOE member at Mangalore University
- BOE member at Yenepoya (Deemed to be University)
- BOE member at St Agnes College (Autonomous)
- BOE member at SDM College (Autonomous).

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer:

- Organised a Guest talk on “Base metal catalysis for generation of hydrogen fuel and speciality chemicals” on 05 April, 2024 by Dr Akshai Kumar, Associate Professor & Head, Centre for Nanotechnology, IIT Guwahati, Assam.
- Organised “Analyst 2024”, a one day National Intercollegiate Fest on 16 April, 2024.
- Organised “ChemCareers 2024” on 24/09/2024 in collaboration with Royal Society of Chemistry.
- Organised a workshop “Mastering the Art of Academic Writing: Essential Skills for Scholarly Success”, on Monday, July 15, 2024, for second-year postgraduate students. Dr. Sudhakar YN, Associate Professor from MIT, Manipal, served as the resource person.
- Organised an Alumni interaction “Chemistry Beyond the Lab: The Path to Meaningful Research” on October 22, 2024.
- Organised two day workshop on the topic “Impact of Computational Chemistry and Molecular Docking: An intuitive analysis and visualization” held on 16 & 17, January 2025.

DR. JYOTHI N RAO, Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

- Participated in the online two-week online refresher course on “ **Materials for energy and sustainability**” organized by Malviya Mission teacher Training Centre (MMTTC), centre for science and society (CS²) - Indian Institute of Science Education and Research Bhopal from November 04 to 18, 2024.
- Participated in the Short Term Programme (STP) on “**Nanoscience and Technology**” conducted by the UGC- Malviya Mission Teacher Training centre, University of Calicut, Kerala from 10-12- 24 to 17-12-24.

Seminars/ Conferences/Webinars attended during the year

- Participated in International Conference on Environmental Sustainability “ Harmony with Nature “ ICESHN -2024 organized by the Faculty of PG Sciences St Aloysius (Deemed to be University) held on April 5&6, 2024

Papers presented in Seminars/Conferences

- Presented paper on Molecules to Medicine: Exploring Bioactivity of Phenolic Mannich base via Docking Studies in the International Conference organized by the Faculty of Science St Aloysius (Deemed to be University) held on April 5&6, 2024

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Completed MJES funded minor project titled “Synthesis and characterization of novel colorimetric chemo sensors for anion triggered CO₂ sensing in aqueous medium “

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- Member of BOS, Department of Chemistry, Mangalore University, Yenepoya (Deemed to be University) and SDM College, Ujire

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Moderated a session , Chem Careers, an interactive workshop on career opportunities RSC: Building Community organized by Department of Chemistry, St Aloysius (Deemed to be University) held on 25-9-2024.

DR. DIVYA N SHETTY, Assistant Professor

Publications with ISBN/ISSN/Conference Volumes etc.

- Divya N. Shetty, Vinola A. Lobo, Suman Rani, Narasimha Raghavendra Tectona Grandis seed powder and Mangifera Indica leaf powder as bio adsorbents for removal of methylene blue from aqueous solution, Hybrid Advances, 7 (2024) 100316.

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- MJES funded Project with financial assistance of 1,00,000/- titled Heavy metal removal from Industrial waste effluents in Mangalore using seaweed and metal nanoxides- A Comparative study (2021-Ongoing)

Books published/Chapters contributed/ Books edited/Memberships in the editorial Boards

- Meta Analysis in Medical Research, Source Title: Exploring Medical Statistics: Biostatistics, Clinical Trials, and Epidemiology. IGI Global, DOI: 10.4018/979-8-3693-2655-8.ch013.

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- Doctoral Committee Member at A J Institute of Technology, Mangalore
- Doctoral Committee Member at Alva'College, Moodbidri.

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Chief Guest at 3rd Annual Day at Institution of Vidyanikethana, Bantwal on 26th January, 2025.

- Chief Guest at RaRaSam Foundation programme held at Lions Seva Mandir Bantwal, on 25th December, 2025.

Membership in other social/community based professional organizations/ NGOs etc.

- Member of Lions International District 317D.

DR. JOHN DEEPAK DSOUZA, Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

- Two day faculty Development programme organized by St Aloysius Deemed to be University Mangaluru, on 27th & 28th June 2024

Seminars/ Conferences/Webinars attended during the year

- Attended 'Chemcareers' an interactive workshop conducted by the University on 25/09/2024

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- Member of BOS, Dept of PG Chemistry, Yenepoya University

MS PREEMA CEALLA PAIS, Assistant Professor

Seminars/ Conferences/Webinars attended during the year

- Participated the 5th International conference on Recent Advances in fundamental and applied Sciences (RAFAS 24) By lovely professional university, Punjab on 19-20th April 2024.
- Attended State Level Symposium on Recent trends in Active Pharmaceutical Ingredients Landscape (ReTAP 2024), organized by BMS College for Women, Bengaluru on 19th July 2024
- Participated in the One Week Online National Level FDP on "Recent Advances in Functional Materials and Characterizations" organized by Department of Physics, SRM Institute of Science and Technology, Ramapuram, Chennai on 25th to 30th November 2024

Papers presented in Seminars/Conferences

- Oral presentation titled "A Comprehensive study on MOF and its application in Photocatalysis" during the 5th international conference on Recent Advances in fundamental and applied Sciences (RAFAS 24) By lovely professional university, Punjab on 19-20th April 2024.

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Minor Research Project with the funding of Rs 1,00,000/- on the title "Stable Metal Organic Frameworks: Design, Synthesis and applications" funded by MJES (Ongoing)

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer etc.

- Coordinator of a 30-hour online certificate course on "Cosmetic Chemistry-Science of Beauty Products" in sac e-learning portal.

MS JYOTHI SIMAV VAZ, Assistant Professor

Trainings/ refresher/Orientation Programmes attended during the year

- Participated in FDP on "Advancements in Material Science Research" organized by the Post Graduate and research Department of Chemistry, PSGR Krishnammal College for Women, Coimbatore from 29-07-2024 and 02-08-2024

Seminars/ Conferences/Webinars attended during the year

- Participated in One Day State Level Symposium on "Recent Trends in Active Pharmaceutical Ingredient Landscape (ReTAP-2024)" organized by Postgraduate Department of Chemistry, B.M.S. College for Women in collaboration Vidhathri Academy, Bengaluru on 19th July, 2024

Papers presented in Seminars/Conferences

- Oral Presentation on the topic "Design and Characterization of rGO@Zn-W MOF: A Metal-Metal-Carbon Nanohybrid for Sustainable Photocatalytic Applications" at two days international conference on Interdisciplinary Studies and Advancement in Chemical Science ISACS 2025, on 30th and 31st January 2025 at Nirmalagiri College, Kannur, Kerala, India - 670701

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Minor Research Projects – Supported by MJES - Synthesis and Characterization of MOFs for the CO₂ gas sensing and storage applications. - Completed

Seminars/ Conferences/Webinars attended during the year

- State level Symposium on Recent Trends in Active pharmaceutical ingredient landscape organized by the BMS College Bengaluru on 19th July 2024.
- International conference on New Materials in Carbon Capture and Environmental Remediation (NMCCER 2024) held on 5th & 6th December 2024 in NMAMIT, Nitte.
- International Conference on Advances in Materials Science 2025) organized by St. Dominic's College, Kanjirappally on 9th & 10th January 2025.

Papers presented in Seminars/Conferences

- Presented a paper entitled 'Activated carbon composite as an adsorbent for the effective removal of an organic dye from waste water' at International conference on New Materials in Carbon Capture and Environmental Remediation (NMCCER 2024) held on 5th & 6th December 2024 in NMAMIT, Nitte.
- Presented a paper entitled 'Synthesis of cadmium sulfide nanoparticles via green route for photocatalytic degradation of methylene blue dye' at ICAMS 2025 (International Conference on Advances in Materials Science 2025) organized by St. Dominic's College, Kanjirappally on 9th & 10th January 2025.

Research Projects: Minor- Major Research projects with title/funding agencies/ ongoing or completed

- Ongoing Minor Research Project funded by MJES entitled Adsorption studies on activated carbon modified composite for heavy metal ions removal from laboratory waste water.

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- BOE member at Mangalore University, Yenepoya (Deemed to be University), St Agnes College (Autonomous) and SDM College (Autonomous).

Extension Services/Consultancies/ Resource Persons/ Chief guests at academic events/ moderated sessions/ advisory board/ trainer:

- Co-ordinator for two day workshop on the topic "Impact of Computational Chemistry and Molecular Docking: An intuitive analysis and visualization" held on 16 & 17, January 2025

DR LAVEENA D SOOUZA, Assistant Professor**Seminars/ Conferences/Webinars attended during the year**

- Five-day webinar on research and publication ethics by IQAC Mangalore university, Mangalagangothri

- National level FDP on Natural and synthetic Biomaterials : preparation and application in tissue engineering , drug delivery and cancer therapeutics held by Malla Reddy college of engineering, Secunderabad
- International conference on transformative chemistry for a sustainable future by chemistry department St. Aloysius university (DEEMED to be) Mangalore
- National conference on physival sciences at St.Aloysius university (DEEMED to be) Mangalore
- Online webinar on lion day held at Pili Kula Biological Park

Membership in Academic Bodies/ BOS/University Bodies/Subject related associations etc.

- BOS St.Aloysius university (DEEMED to be) Mangalore

MS MANISHA S ALVA, Teaching Staff Assistant

Seminars/ Conferences/Webinars attended during the year 2024-2025

- Attended skill development program on “Energy Storage Technology and Sustainability” held from 2nd to 5th September organised by Department of Physics, Amrita School of Physical Science, Amrita Vishwa Vidyapeetam, Coimbatore.

DEPARTMENT OF PHYSICS

Innovative Pedagogical Practices

New Certificate course on 3D design and Printing

New set of experiments and manual for the same experiments were made in department.

Seminars/Conferences/Webinars Organized

- On 4th January 2025, the Faculty of Physical Sciences and the Department of Physics and Electronics jointly organized a guest lecture on the topic "Scope of Physics and Opportunities" by DrRekha Rao, a scientist in the Solid-State Physics Division at the Bhabha Atomic Research Centre in Mumbai. The lecture took place at 10:00 a.m. at the Xavier Auditorium, St. Aloysius Deemed to be University, Mangalore.
- A guest lecture on "Black Hole in Our Backyard" was delivered by Dr A.P. Radhakrishna, Retired professor from the Department of Physics, St Philomena’s College, Puttur at 2:30 p.m. in the Xavier Auditorium on 15 January 2025.

Number of Seminars attended/ papers presented/ papers published- 01

Innovative activities/ programs organized

- The Post Graduate Department of Physics and Mathematics jointly organized a National Level Conference on Energy Harvesting Technology titled Trapping the Power of Nature on 24th July 2020 at Robert Sequeira Hall, St Aloysius Deemed to be University, Mangalore. This conference aimed to explore innovative technologies for harnessing natural energy resources.

- The Department of Physics, in collaboration with the Astro Club, organized the National Space Day Celebration on 23rd August 2024. The event included an seminar competition for PU students from Dakshina Kannada district. Professor Ramesh Bhat delivered a special talk on the exciting space missions and the success of Chandrayaan-3. The event concluded with a prize distribution ceremony for the winners of various competitions held on campus throughout the week.

Student achievements:

- Mr. BG Satvik Acharya, a third-year BSc PCS student, was awarded the prestigious IASc-NASI Summer Research Fellowship 2024. He carried out research at the Indian Institute of Space Science and Technology in Bangalore.
- Mr. Anish Bhide, also a third-year BSc PE student, received the same fellowship and conducted research at the Aryabhata Research Institute of Observation Science in Nainital.

Placements/Pursuing Post graduation/Present student achievements

- Number of students placed- 02
- Number of students pursuing post-graduation- 34
- Number of students self-employed- Nil
- Number of students cleared competitive exams- 8

Seminars/Conferences/Webinars Organized

- On July 25, 2024, the BSc Mathematics students attended a one-day hands-on workshop on MATLAB at St Joseph Engineering College, Vamanjoor. The event was highly beneficial, with 64 students participating and gaining valuable experience in MATLAB. This workshop provided an excellent opportunity for students to enhance their skills and apply theoretical knowledge in a practical setting. The collaborative environment and expert guidance made it a productive and enriching experience for all attendees.
- The Department of Mathematics at St. Aloysius University, in collaboration with the MTTS Trust, organized the MTTS Overture workshop on 27th and 28th September 2024. This two-day event aimed to introduce undergraduate students to the innovative learning methodologies of the Mathematics Training and Talent Search (MTTS) programme. A total of 52 students from 10 different colleges

participated, exploring conceptual learning and fostering a deeper understanding and appreciation of mathematics.

Innovative activities/ programs organized

- Raoul Samuel Naronha, an alumnus from the SCsM batch (2020-2023), led an alumni interaction session titled "Paths for the Future" on 26 August, 2024. The session aimed to provide current students with valuable insights and guidance regarding their career paths and further education opportunities. He shared his experiences and challenges encountered while pursuing an MSc in Data Science. Emphasized the importance of gaining hands-on experience, building a professional network, and staying current with industry trends. The event was attended by 63 students who found the session highly beneficial. The session effectively equipped students with actionable insights and inspiration for their future careers and academic endeavours. Ms Priya Monteiro and Ms Akshatha Shenoy, UG Mathematics Department were the Coordinator of this event.
- The School of Physical Sciences - Department of Mathematics organised a guest talk on the topic "From Campus to Corporate: My journey in Science and Leadership" on 04/09/2024 in Xavier Auditorium. The resource person was Ms Rupal Dsouza, Senior Data Scientist at Corestrat, Bangalore. The event was coordinated by Ms Rollin PreethaVaz from the department of Mathematics. Dr Ishwara Bhat, Director of Xavier block presided over the programme. A total of 84 students participated in and benefited from the talk.
- The department of Mathematics organised Alumni interaction on the topic "Unlocking the Future: Navigating Higher Studies and Scholarship Opportunities" on 16/12/2024. The resource person was Mr. Dattatreya Nadahalli, Research scholar from IIT Kanpur. A total of 90 students participated and benefited from the talk.

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Chirag L R and Glen Fernandes from II BSc Mathematics completed Online Foundation Course in Mathematics (OFCM 2024) organised under the aegis of MTTS TRUST from August 18 to 31, 2024.

Participation in Trainings/Refresher/Orientation programs

- Two day Faculty Development Programme held on 27 and 28 June, 2024 organized by the Human Resource Department of St Aloysius (Deemed to be University).
- Attended "One day Hands on Workshop on MATLAB" on August 02, 2024 organized by Department of Mathematics, St Joseph Engineering College, Mangaluru in association with St. Aloysius (Deemed to be University), Mangaluru.
- Participated in the One Week Online Workshop On Mathematics Towards Machine Learning: Unveiling The Fundamentals held from August 26 to 31, 2024 Organised by Indian Mathematics Professors Association and Infinity Research & Development Institute, Coimbatore.
- Completed one week national-level online workshop on Graph Theory organized by Indian Mathematics Professors Association and Infinity Research & Development Institute, Coimbatore from October 22 to 26, 2024.
- Completed the NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) Organized by MM-TTC: Ramanujan College, Delhi in collaboration with Dr. Bhim Rao Ambedkar College, Delhi from November 13 to 22, 2024.

Perspective Plan: 2025 2026 (Future Plans)

- To have all faculty enrolled for PhD.
- To help students for their academic excellence to reach global standards.
- To organize International Conferences.
- Training programmes for banking and other competitive exams.

Best practices of the department

- Bridge Course: The first year students are given a bridge course on Set theory and Differential Calculus. II B.Sc. students are given a bridge course on Differential Equations and basics of sequences.
- Models and assignments: Interested students are encouraged to present models. All students are given topics to write assignments and also to take seminars.
- Certificate course: The students are offered certificate courses in 'LaTeX software', 'Python Programming', 'Vedic Mathematics' and 'Quantitative Aptitude for Competitive Examinations'.
- JAM classes: Interested students are given topics related to JAM entrance exam and conduct discussion on the same after the class hours.

MS PRIYA MONTEIRO, Assistant Professor & Programme Coordinator

Unique staff achievements

- Dr Renita Maria Dsouza and Dr Sreejesh P C served as the resource person for PRAGATHI- a skill development programme organized by St Aloysius (Deemed to be University), Mangaluru on 25 and 26 July 2024.

Participation in Training/Refresher/Orientation programs:

- Dr Sreejesh P C and Dr Renita Maria Dsouza: NEP 2020 Orientation & Sensitization Programme (MMC-049-2024-MAY-A-00509) under the Malaviya Mission Teacher Training Programme (MM-TTP) of the University Grants Commission (UGC) Organized by the Malaviya Mission Teacher Training Centre (MMTTC), University of Calicut from 06.05.2024 to 15.05.2024.
- Dr Renita Maria Dsouza and Dr Sreejesh P C - Two days FDP held on 27 & 28 June 2024 organised by the HR Department of St Aloysius (Deemed to be University).
- Dr Sreejesh P C - Participated in One-week international faculty development programme “Empowering Educators for Excellence from Learning to Leading” organized by DON BOSCO COLLEGE, KR Puram, Bengaluru in collaboration with St. John’s University New York, United States & Institute for International Communication New York, United States from 17th to 24th January 2025.
- Dr Renita Maria -Attended five days FDP on Stress Management in Education Sector organized by Milagres Degree College, on 6th May to 10th May, 2024.

- Dr Renita Maria -Participated in Seven-Day National Level Online Faculty Development Programme on Educational Excellence through Teaching and Research in Digital Era organised by the Department of Professional Management Studies, Kristu Jayanti College, Autonomous, Bengaluru from 21st October 2024 to 28th October 2024.

Perspective Plan for 2024-25

- Introducing a new certificate course in collaboration with industries.
- Starting new B.Sc. programme in computational Biology.
- MoU/ Collaboration with reputed industry/organisations.
- Biotechnology entrepreneurship development activities.

Best practices of the department:

- Student Mentoring: The department offers students services like counselling/ placement training support, personality grooming / Industry Visits / Summer Training / Seminar / Project Report / Continuous Evaluation/ Research Presentation on their original Research work.
- Practical-Oriented Curriculum: The new curriculum of B.Sc. Biotechnology offers essential knowledge and skills to study about the various life science techniques in a Learning through experiments.
- Industry Academia Alumni Connect (IAAC): The main objective this programme is to engage an industry/ Alumni expert to host a seminar, on a broad spectrum of areas as well as develop the pedagogy required to bridge the gap between the academia and the industry.
- WoBs (World of Biotechnology): BSc Biotechnology final year Students, under the supervision of faculty, provide training on various laboratory techniques in biology to school and PUC students.

DEPARTMENT OF POST GRADUATE STUDIES AND RESEARCH IN BIOTECHNOLOGY

Innovative Pedagogical Practices

- **Using media** to enhance teaching and comprehension of concepts. This method especially benefits the students with auditory and visual learning style.
- **Live demonstration and practice at laboratory:** Application of the concepts taught at theory classes. Appreciated by kinesthetic learners.
- Conceptual understanding and application through **case studies**.
- **Facilitated group discussions:** Exchange of views based on the points raised and moderated discussion on the same.

- **Student seminars**
- **Role playing:** Appreciated by Visual learners.
- **Peer learning and flipped classroom.**
- **Interactive lectures** by involving students as active participants by raising questions first, encouraging opinions and views of the same, and then delivering the concepts.

Name and Number of New Programmes Introduced: 2 Certificate Courses

- Quality Assurance and Quality Control
- Fundamentals of Immunology

Innovative Pedagogical Practices

- Interactive Coding Game-Based Learning
- Regular Internships
- Use of Emerging Technologies

- Project-Based Learning
- Innovative assignments
- Sustainable Animation Practices
- Sketching & Storytelling
- Iterative Learning and Rapid Prototyping
- Alumni Connect
- Mentoring
- Project Based Learning
- Group Discussions

Name and Number of New Programmes Introduced

- 3D Simulation and Dynamics
- Blender 3D

Seminars/Conferences/Webinars Organized

- Sparkle – National Level Animation Conference
- Organized and attended a Workshop “Fundamental Test for Environment Sketches by Mr Shawn Dsa, DQ Labs, Bengaluru on 28 January 2025
- Organized Photography Workshop by Mr Ravi Posavanike on 10 May 2024
- Organized and attended Commons Video training session by Mr Mahesh Vizag on 13 May 2024

Innovative activities/ programs organized

- MoU with National & International industries
- Industrial Visit to Hyderabad VFX Studio & Bangalore TV Channels
- International study tour organized and accompanied by Department staffs
- Organized national level photography competition
- Staffs delivered a talk as resource persons

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed- 8
- Number of students pursuing post-graduation- 10
- Number of students self-employed- 4
- Internships completed - 30
- Number of students opted for higher studies – 8

Unique staff achievements

- ♦ Mr Santhosh Notagar appointed as South Asian Ambassador for Wikipedia Asian Month Activities
- ♦ Received Full Scholarship to attend Wikipedia Technology Summit, IIIT Hyderabad
- ♦ Received 1000 USD for Movement charter drafting committee project from WMF, USA
- ♦ Jury member – WikiMixture – Bolivian & Brazil country event

- Won First place in Kannada article writing competition
- Mr Prathik Ramesh won 2nd place in Kannada article writing competition

Participation in Trainings/Refresher/Orientation programs

- Attended 2 Days Faculty Development program on 27 & 28 June 2024, at St Aloysius deemed to be University
- Faculty Development program on research Design on 14 September 2024, at St Aloysius deemed to be University
- Participated in the Faculty Development program on the topic Research & Publication Ethics and Intellectual Property Rights on 7 November 2024 at St Aloysius deemed to be University
- Participated in 5 Days Virtual Faculty Development Programme on Innovative Trends in Artificial Intelligence for teaching and research organized by Consortium of Higher Educational Institutions for research & Development (CHIRD) from 27– 31 January 2025

Perspective Plan: 2025 2026 (Future Plans)

- Global Exposure with Industry Collaboration
- To create an Animation department magazine
- To have more MOU with global Industries
- Upgrading Skills for AI based Animation
- Alumni Network Engagement
- Expanded Internship practical training opportunities

Best practices of the department

- Providing certificate courses & diploma for other streams
- Opportunities for students to work on live projects
- Use of industry-standard software and tools
- Collaboration with industry professionals and practical training
- Creation of social media content and digital projects
- Encouragement of collaborative team projects
- Partnerships with national and global companies
- Internship placements available throughout the semester
- Curriculum continuously updated to meet industry benchmarks
- Regular workshops and guest lectures by industry experts

MR SANTHOSH NOTAGAR, Assistant Professor & HOD Department of Computer Animation

Trainings/ refresher/Orientation Programmes attended during the year

- Completed SWAYAM course on Development Research Methods of 8 weeks with 6 credits.
- Completed SWAYAM course on Intellectual Property Rights and Competition Law of 8 weeks with 2 credits.

- Attended 2 Days Faculty Development program on 27 & 28 June 2024, at St Aloysius deemed to be University

DEPARTMENT OF MSC BIG DATA ANALYTICS & DATA SCIENCE.**Innovative Pedagogical Practices**

Real-World Case Studies & Simulations: Teaching with actual industry datasets from finance, healthcare, e-commerce, and cybersecurity.

Students work on live industry projects in collaboration with companies, ensuring hands-on experience.

Problem-Based Learning (PBL): Students tackle real-world business problems using data-driven approaches.

Research-Based Assignments: Encouraging students to publish research papers, whitepapers, and patents.

Technology-Integrated Teaching Methods, MOOCs & Online Certifications

Seminars/Conferences/Webinars Organized

Data Analytics and Visualization

Number of Seminars attended/ papers presented/ papers published-

Seminars Attended – 5

Papers presented – 15

Papers published - 18

Publications of the department - 18

Innovative activities/ programs organized

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed- 23
- Number of students pursuing post-graduation-55
- Number of students self-employed-1
- Internships completed -15

Perspective Plan: 2025 2026 (Future Plans of both MSC BDA& Data Science)

- **Industry-Aligned Curriculum:** Regularly update course content to include advanced topics like Generative AI, Edge Computing, and Quantum Computing etc..

Introduce domain-specific projects in healthcare analytics, fintech, cybersecurity, smart cities etc.

- **Interdisciplinary Learning:** Promote cross-departmental collaboration with Software Technology, Biotechnology, and Business Analytics.
- **Strengthening Industry & Corporate Collaborations**
- Faculty Exchange & Guest Lectures: Bring industry experts and alumni to bridge academia-industry gaps.
- **AI & Data Science Research Hub:** Establish a dedicated research cell for publishing high-impact research papers and patents.
- **Funding & Grants:** Apply for government and corporate research grants in **AI, Data Security, and Sustainable Tech.**
- **Startups & Incubation:** Encourage students to work on innovative **data-driven startup ideas** through incubation support.
- **Tech Clubs & Hackathons:** Establish clubs for **Data Science, AI, and Machine Learning** and encourage participation in **global coding competitions.**
- **Community Engagement:** Conduct workshops on data-driven decision-making for NGOs and local businesses.

Best practices of the department

- **Industry-Aligned Curriculum** – Regularly update the syllabus based on emerging trends like AI, machine learning, and cloud computing.
- Hands-on Learning – Incorporate real-world projects, case studies, and hackathons to strengthen practical knowledge.
- **Interdisciplinary Approach** – Encourage collaboration with other departments (e.g., Software Technology, MCA) for broader skill development.
- **Industry Collaboration & Placements**
- **MoUs with Leading Companies** – Establish partnerships with companies like TCS, Unicourt, MResults, and Novigo Solutions for internships and live projects.
- Guest Lectures & Expert Talks – Invite industry professionals for interactive sessions on the latest technologies and trends.

- **Placement Assistance** – Provide resume-building workshops, mock interviews, and career counselling to prepare students for job opportunities.
- **Encourage Research Publications** – Motivate students and faculty to publish papers in reputed journals and present at conferences.
- **Startup & Incubation Support** – Foster an entrepreneurial mindset by guiding students on startup ideas and funding opportunities.
- **Hackathons & Competitions** – Organize or participate in national and international coding challenges to improve problem-solving skills.

DEPARTMENT OF BIOINFORMATICS

Innovative Pedagogical Practices

Case-Based Learning (CBL):

Incorporation of real-world bioinformatics case studies, including computational immunology, structural proteomics, and biomarker discovery.

Students analyze datasets from ongoing research projects to understand real-time challenges.

Flipped Classroom Approach:

In-class sessions focus on discussions, problem-solving, and applications in bioinformatics.

Project-Based Learning (PBL):

Students undertake computational projects related to immunomics, epitope prediction, and transcriptomics.

Collaborative research projects with external institutions to enhance applied learning.

Industry and Research-Integrated Curriculum:

Inclusion of industry-oriented topics like biosimilar development, single-cell analysis, and AI in Immunology.

Guest lectures and workshops by industry experts and researchers.

Hands-on Computational Training:

Practical exposure to bioinformatics tools (Biopython, R for Bioinformatics, Next-Gen Sequencing analysis).

Implementation of coding-based assignments for problem-solving in biological data analysis.

Use of Learning Management Systems (LMS):

Digital platforms for assignments, assessments, and discussions.

Online resources, including research papers and video lectures, made accessible to students.

Interdisciplinary Approach:

Integration of computational Immunology with artificial intelligence and machine learning.

Cross-disciplinary projects involving bioinformatics, genomics, and immunology.

Simulations and Virtual Labs:

Use of molecular docking simulations and protein structure visualization tools.

Virtual labs for computational experiments in immunoinformatics and proteomics.

Continuous Assessment & Feedback:

Regular formative assessments with feedback on Immuno-computing and research projects.

Open-ended assignments to encourage independent thinking and innovation.

Name and Number of New Programmes Introduced

1. Statistics for Genomics Applications
2. Intermediate Python with Bio-Computing
3. Programming: Python with Bio-Computing Lab
4. Next-Gen Sequence Analysis and Single-Cell Technologies for Immunomics
5. Laboratory based on Therapeutics and Single Cell Technologies
6. Data Analytics for Biology
7. Lab based on Python and Machine Learning

Seminars/Conferences/Webinars Organized

Webinar series organized by Dept of Bioinformatics on topics;

- (i) "Accelerated translations of innovations in life and
- (ii) "Sciences through Bio-entrepreneurship and Skill development"

By Dr Amritha Chakrabarti, VUS diagnostics Amsterdam, The Netherlands on 25 May 2024.

Number of Seminars attended/ papers presented/ papers published- 2

Publications of the department;

Interplay of Epitope Landscapes: Unravelling Molecular Recognition through Mapping, Docking, and Simulations"- DOI: 10.5772/intechopen.1005565.

Innovative activities/ programs organized;

Talks by

- Dr Kshithish Acharya, IBAB, Bangalore on "Genomics analysis trends for Bioinformatics students"
- Mr Jithin Mathew on "Systems biology and computing"- Ph D Candidate & Graduate Research Assistant North Dakota State University on 27 Sep 2024.
- Dr Shine P Varkey, Dept of Bioinformatics, St Aloysius University on "Bioinformatics: Pioneering the era of precision science" on 18 Dec 2024

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed-9
- Number of students pursuing post-graduation- 38
- Number of students self-employed- 1
- Internships completed-9
- Chosen entrepreneurship-1

Participation in Trainings/Refresher/Orientation programs

Dr Shine P Varkey attended '14 days DBT Skill Vigyan Program on Phage Biology & Genomics' during Nov-Dec 2024.

**Perspective Plan: 2025 2026 (Future Plans)**

Research programs on (i) Computational Immunology & Immunomics

Collaborations with Institute of Advanced Virology & RGCN Trivandrum, Kerala.

Establishment of (i) Single Cell Technology Platform (ii) Advanced Bio-Programming Laboratory.

Best practices of the department

- Implementation of Single cell technology
- Training in collaboration with premier Institutes (IAV & RGCN Trivandrum).
- Collaboration with other Research centers
- Opening of thesis level projects on Transcriptomics, Next Generation Sequence Analysis.
- Implementation of Research and Publication culture.

DEPARTMENT OF SOFTWARE TECHNOLOGY**Innovative Pedagogical Practices:**

- Specialized Curriculum: Courses designed to cover advanced software engineering, data science, artificial intelligence, machine learning, cloud computing, cybersecurity, and other cutting-edge technologies.
- Project-Based Learning: Emphasis on hands-on projects to bridge theoretical knowledge with practical implementation.
- Experienced Faculty: Professors with industry and academic expertise
- Research-Oriented Program: Encouragement for students to publish papers, attend conferences, and contribute to open-source projects.
- Advanced Labs: Fully equipped software development labs with the latest hardware and software tools.
- Library Resources: Access to digital libraries, journals, and online resources.

- Internship Opportunities: Partnerships with leading IT firm 'Niveus Solutions' to provide industry exposure.
- Community Projects: Opportunities for students to work on projects that benefit society, such as healthcare and education applications.
- Diverse Career Paths: Various Career roles in software development, systems analysis, data science, AI research, and project management.
- Entrepreneurial Support: Guidance and resources for students aspiring to start their ventures.

Seminars/Conferences/Webinars Organized

- Organized International conference SACAIM 2024 – Advanced IT, Engineering and Management organized by PG department of School of Information Science and Technology of St. Aloysius (Deemed to be University) Institute of Management and Information Technology (AIMIT) on December 6, 2024.

Number of Seminars attended/ papers presented/ papers published- 45

Publications of the department

- 36 Papers published with ISBN and individual Doi nos.
- 5 papers published in International Journal/book chapters indexed in Scopus.

Innovative activities/ programs organized

- Entrepreneurship Lectures were conducted at regular intervals resulting in students being motivated to start their own ventures eventually.
- Continuous training by Niveus on Cloud and Micro services.
- Students worked in Real time projects during the course.
- Collaborative Research projects with Father Muller Medical college and Manipal College of Dental sciences are underway.
- Industry visits to Techno Park, Trivandrum and ISRO, Trivandrum was a great inspiration to the students.
- Address by Alumni at Frequent intervals encouraged the students to perform well in their exams and projects.

Student achievements: Placements/Pursuing Post graduation/ Present student achievements

- Number of students placed - 25
- Number of students pursuing post-graduation- 65
- Number of students self-employed- 02
- Number of students cleared competitive exams – N/A
- Internships completed - 30

Unique staff achievements

- Two student projects were chosen for funding by Karnataka State Council for Science and Technology (KSCST) 47th series of the Student Projects Programme. They were guided by Mrs. Suchetha Vijay and Dr.S. Ruban.

- Real time collaborative projects were developed by the students under the supervision of Dr. Srinivas B. L and Dr. S. Ruban.
- Dr.S. Ruban was invited as a visiting Associate professor at Sophia university, Tokyo, Japan from April 2024 to June 2024.
- Dr.S. Ruban was awarded an external grant for the project, “Smartphone device for bilirubin estimate in Neonates “mBilimeter””, Funding by DSTHUB MAHE, Total Allotted amount 32 Lakhs. (In progress)
- Mrs. Suchetha Vijay and Dr.S. Ruban published papers in international journal’s indexed by Scopus.

Participation in Trainings/Refresher/Orientation programs

- All our faculty members participate in Trainings and Faculty Development programs at regular intervals.
- All our Faculty members continually engage in Online Learning by registering in Infosys Springboard portal.

Perspective Plan: 2025 2026 (Future Plans)

- Incorporating More Real Time projects
- Promotion of Blended Learning
- More MOUs and promote Student Exchange Programme
- Increasing the number of publications in indexed journals, Patents.
- Promote Inter disciplinary research
- Organizing “Mahiti Sindhu” a rural school training program on computers
- Assist Local bodies and Government in Community projects
- Engaging our Alumni in Placement and Academics
- Alumni support in updating curriculum and syllabus as per Industry standards

Best practices of the department

- Students work on Real time projects (Healthcare Data)
- Students are encouraged to be Entrepreneurs, by providing a Startup Eco System. (Industry visits)
- Students are sensitized about local IT needs and its impact in the society (Domain Knowledge Projects)
- Industry Collaboration and Training by Niveus Solutions Pvt Ltd.
- Mahithi Sindhu – Micro teaching programme, enabling students to teach and train School students in latest IT technologies.

DR. S. RUBAN, Associate Professor, Software Technology

Trainings/ refresher/Orientation Programmes attended during the year

- Visiting Associate professor at Sophia university, Tokyo, Japan from April 2024 to June 2024.

Seminars/ Conferences/Webinars attended during the year

- Attended Workshop on “Patent Drafting for Medical Devices” on 17th Jan 2025 at DST-MAHE Hub, Manipal Academy of Higher Education, Manipal.
- Attended “Neonatal Jaundice” DST project Review meeting on 12th Dec 2024 at DST-MAHE Hub, Manipal Academy of Higher Education, Manipal.
- Attended the 4th International conference on Mathematical Modeling and Computer Science (ICMMCS 2025) on 10-11 Jan 2025. (Online)
- Attended the 5th International Conference on Data Science, Computation and Security (IDSCS-24) held on November 7-9, 2024, by the Tejas Scientific Researcher Foundation, India. (online)
- Attended the International conference SACAIM 2024 – Advanced IT, Engineering and Management organized by PG department of School of Information Science and Technology of St. Aloysius (Deemed to be University) Institute of Management and Information Technology (AIMIT) on December 6, 2024.

Papers presented in Seminars/Conferences

- Presented a paper titled “Automating the Future: The application of Machine Learning in Manufacturing” at the 4th International conference on Mathematical Modeling and Computer Science (ICMMCS 2025) on 10-11 Jan 2025, at Pattaya, Thailand. (Online)
- Presented a paper titled “Comparative study of Non-invasive Dengue Detection using Bagging, Boosting, Deep Learning Models” at the 5th International Conference on Data Science, Computation and Security (IDSCS-24) held on November 7-9, 2024, by the Tejas Scientific Researcher Foundation, India. (online)
- Presented a paper titled “A comparative study of language model approaches for Efficient vaccine information dissemination through Chatbot” at the International conference SACAIM 2024, conducted at St. Aloysius (Deemed to be University) Institute of Management and Information Technology (AIMIT) on December 6, 2024.

Innovative Pedagogical Practices

Research paper presentation and publication in an international conference.

Domain knowledge project.

Seminars/Conferences/Webinars Organized

SACAIM 24 International conference

A two-day International Conference on Advanced Information Technology, Management (SACAIM) was conducted at AIMIT on December 5 and 6, 2024

Number of Seminars attended/ papers presented/ papers published- 25

Innovative activities/ programs organized

- The Annual Rural Immersion Program for the final year students of IT department of AIMIT, St Aloysius College (Autonomous) was held from March 17th to 21st, 2024. One hundred and ninety students of third semester MCA, M.Sc(ST), M.Sc. (Big Data Analytics) along with four faculties – Dr Jeevan Pinto, Mrs Vanitha T, Dr. Roshan Suvaris and Dr. Srinivas – took part in the programme. Ninety Six students were placed in Mundgod villages and Ninety Four in Hangal villages
- The National level Science &IT fest ‘Infovision 2024’ was held on March 1st. Total 17 colleges across India participated in the Event.
- Epitome 2024– The 23rd Edition of the National Level IT & Engineering fest was conducted on 21st and 22nd November 2024, at the School of Information Science and Technology, AIMIT campus.

Student achievements: Placements/Pursuing Post graduation/Present student achievements

- Number of students placed - 75
- Internships completed – 117

General objective of the association

To motivate students and enhance the knowledge about astro physics and topics related to sky watching and telescope handling skills

Innovative Programmes:

- Interactive sessions during Friday EC/CC activity
- Regular astronomy related quizzes
- Important awareness programmes during events like solar and lunar eclipse
- Arrangements for observing astronomical phenomena

Activities Conducted

Introduction:

The Astro Club has successfully conducted various activities throughout the academic year 2024-2025, aiming to foster curiosity and enhance students' knowledge of astronomy, space science, and related disciplines. The events ranged from quizzes and debates to hands-on activities like sky-watching and science-themed competitions. This report provides an overview of the club's major activities and their impact.

Membership and Participation:

- The club maintained a steady membership throughout the year, with active participation from both new and returning members.
- Efforts were made to encourage diversity and inclusivity within the club, welcoming members from all backgrounds and levels of experience.

Activities and Events:

- Date: 12-07-2024 The club kickstarted its activities with an engaging quiz competition focused on astronomy. Students enthusiastically participated, showcasing their knowledge about celestial bodies, space missions, and astronomical discoveries. In addition, a Sahayaa Orientation was conducted to introduce members to the initiative under the Centre for Environment Concern. This orientation familiarized students with their responsibilities in environmental conservation, including activities such as tree plantation and awareness campaigns.
- Date: 02-08-2024 A unique puzzle-based game was organized where students had to arrange pieces to form images of renowned scientists and technological innovators. This activity helped students recall and learn about influential figures in the fields of science and technology, including their contributions to astronomy and space research.

- Date: 23-08-2024

In honor of National Space Day, the club conducted interactive games such as Alien Invasion and Escape Room, designed to test students' knowledge of space exploration. These games not only provided entertainment but also deepened participants' understanding of space missions and extraterrestrial concepts. The event was highly engaging, with students expressing enthusiasm for the innovative learning methods.

- Date: 30-08-2024

To promote accessibility, an online quiz on astronomy was conducted. The quiz covered topics like constellations, planetary systems, famous astronomers, and recent advancements in space exploration.

- Date: 06-09-2024

The inspirational movie *October Sky* was screened, telling the story of a young boy who aspires to build rockets after witnessing the launch of Sputnik, the first artificial satellite. The movie left a lasting impact on the students, motivating them to pursue their interests in space science and engineering.

- Date: 13-09-2024 A combination of quizzes and riddles related to astronomy and physics was conducted, testing students' logical reasoning and problem-solving abilities. The session was followed by another round of Sahayaa Mentoring, where students were encouraged to take part in social and environmental initiatives under the Astro Club.

- Date: 04-10-2024

A thought-provoking debate was conducted on the topic: "Should spacecraft launches be carried out by government space agencies rather than private companies?" Students actively engaged in discussions, presenting strong arguments for both sides. The debate fostered critical thinking and encouraged participants to analyze the role of organizations like NASA, ISRO, SpaceX, and Blue Origin in the future of space exploration.

- Date: 20-12-2024

Astro Club members conducted a seminar covering significant ISRO space missions and the IASC (International Astronomical Search Collaboration) Citizen Science Project. A paper plane competition was organized to introduce students to the basic principles of aerodynamics and flight mechanics. The event was fun-filled and educational, helping participants understand how concepts in physics apply to real-world engineering challenges.

Achievements and Highlights:

Asteroid Discovery Recognition – IASC Citizen Science Project Astro Club members Shafkath Nafeesa and Misha Ilham participated in the International Astronomical Search Collaboration (IASC) Citizen

Science Project, an initiative that allows students and amateur astronomers to contribute to real space research. Their team successfully identified a new asteroid, a significant achievement in the field of astronomy.

For their outstanding contribution, they received official certificates of recognition from the IASC. This accomplishment highlights the Astro Club's commitment to hands-on learning and real-world scientific contributions. Their discovery adds to the growing list of asteroid detections by young researchers worldwide and reinforces the importance of student involvement in global scientific projects.

Conclusion: The Astro Club successfully conducted a diverse range of activities, from quizzes and debates to interactive games and seminars, creating an engaging learning environment for students. The club remains committed to fostering a passion for astronomy and space science while encouraging hands-on participation and intellectual discussions. Looking ahead, the club aims to introduce more innovative programs and continue inspiring students to explore the mysteries of the universe.

Activities Conducted

● Reflection on Sahaaya Exposure Experience at St. Aloysius University

On October 4th, students and presidents of the Hindi Association from St. Aloysius Deemed-to-be University convened in the administration block for a reflective session on their recent visit to the Manjeshwar Snehalaya charitable Trust, organized under the Sahaaya Exposure program. The Sahaaya Exposure program, designed to foster a spirit of service and empathy among students, allows participants to engage with communities and organizations working towards social betterment. This year's visit to Manjeshwar Snehalaya Charitable Trust—a non-profit focused on aiding underprivileged and marginalized communities—was a poignant experience that left

a lasting impression on everyone involved. During the reflection session, students shared their perspectives on the challenges and achievements of the charitable trust, noting the dedication of the staff and volunteers who work tirelessly to provide a supportive environment for those in need. Many participants expressed admiration for the trust's commitment to uplifting lives and creating opportunities for a better future. They observed how the trust's work aligned with their values and sparked a sense of responsibility towards contributing positively to society.

- **A Memorable Visit to the St. Aloysius College Museum with the Hindi Association**

The Hindi Association organized a visit to the college museum, offering a unique and enriching experience for its members. This excursion aimed to foster curiosity and appreciation for history, as well as to strengthen bonds among students through shared learning experiences. As we entered the museum, a sense of excitement filled the air. The students were eager to explore the wide range of artifacts and displays that chronicled various aspects of history, culture, and science. The museum housed a fascinating collection of items, from ancient relics and rare artifacts to vibrant paintings and models that depicted different eras and significant events. Each exhibit sparked curiosity, leading to lively discussions and inquisitive questions among the students. The final 15 minutes of our visit were dedicated to reflection. We provided the students with paper and encouraged them to pen down their experiences, impressions, and the moments that stood out to them during the museum tour. This exercise allowed everyone to capture their thoughts and connect with the experience on a personal level. Many students wrote about their newfound appreciation for history, while others expressed wonder at the vastness of cultural heritage preserved within the museum.

- **A Fiery Passion for Cooking Without Fire**

The Hindi Association hosted an engaging and innovative "Cooking Without Fire" competition in Sahodaya Hall. This event brought together passionate student chefs who were eager to showcase their skills in preparing unique, delicious dishes without the use of traditional cooking methods. The anticipation was high, and the students' enthusiasm and creativity exceeded all expectations. As the competition began, students dove into their preparations, transforming simple ingredients into masterpieces right before our eyes. The hall was abuzz with energy as participants worked diligently, utilizing a variety of fresh fruits, vegetables, spices, and herbs. Despite the lack of heat, the students demonstrated remarkable creativity and skill, employing a range of techniques from chopping and blending to mixing and plating. When it came time for the final presentations, the results were nothing short of impressive. Each dish was not only a treat for the taste buds but also a feast for the eyes. The students showcased stunning presentations, with plates arranged in intricate patterns, vibrant colors, and garnishes that made each dish look like a work of art. From colorful salads and sandwiches to fruit platters and unique desserts, the variety of dishes highlighted the students' flair for creativity and their passion for cooking.

- **Thought-Provoking Debate on "Arranged vs. Love Marriage"**

The Hindi Association at St. Aloysius College recently held an enlightening debate competition in which students were given the topic "Arranged vs. Love Marriage." The event aimed to foster critical thinking, develop public speaking skills, and encourage students to express their views on a topic deeply rooted in cultural and personal beliefs. Held in a spirited atmosphere, the competition saw students enthusiastically presenting their perspectives, resulting in a lively and thought-provoking debate. To ensure a balanced discussion, the students were divided into two groups. One group advocated for arranged marriage, emphasizing its benefits and cultural significance, while the other

group championed love marriage, highlighting personal choice and emotional compatibility. The debate allowed participants to share well-researched arguments, personal insights, and observations, values associated with both types of marriage.

The group supporting arranged marriage argued that it offers stability, family support, and a foundation built on trust and respect. They emphasized that arranged marriages often bring together two families, fostering a sense of unity and shared responsibility. They also highlighted how, in many cases, arranged marriages have lower divorce rates and tend to be successful due to careful consideration of compatibility by the families involved.

On the other hand, the group in favor of love marriage argued that it allows individuals to choose partners based on mutual love, understanding, and personal connection. They spoke about the importance of personal freedom in making such a significant life decision, stressing that love marriages enable individuals to build relationships rooted in emotional compatibility. They contended that love marriages empower individuals to make choices independently, thereby promoting a sense of equality and self-expression within the partnership. The event concluded with an open discussion, allowing students and audience members to share their views on the topic. Many expressed that the debate was a mind-opening experience, as it offered a deeper understanding of both arranged and love marriages from multiple angles. The event was a success, providing a platform for students to express themselves freely, consider different viewpoints, and gain a broader perspective on an age-old topic.

- **Sahaaya Exposure Preparation by the Hindi Association: A Day of Training, Creativity, and Compassion**

In anticipation of the upcoming Sahaaya Exposure, the Hindi Association of St. Aloysius College organized a practice session focused on preparing students to deliver an unforgettable experience for the people they will visit. The practice session not only helped the participants enhance their performance skills but also reinforced the significance of their roles in bringing smiles to others. The students were divided into four groups, each assigned a specific program to work on: singing, games, dance, and storytelling. Each group was responsible for creating an engaging and uplifting experience through their respective art forms, designed to make the upcoming Sahaaya exposure a memorable and positive experience for everyone involved. Throughout the session, the Hindi Association also provided guidelines on the logistics of the Sahaaya Exposure. Students received a briefing on the schedule, location, and their roles, as well as instructions on how to interact with the audience in a respectful and compassionate manner. This preparatory session aimed to build confidence among the students and ensure that they were ready to make a positive impact during the visit.

- **Building Team Spirit with Dumb Charades: A Fun-Filled Session by the Hindi Association**

The Hindi Association hosted a spirited Dumb Charades session designed to foster teamwork and strengthen bonds among students. This classic game, known for its emphasis on creativity, quick thinking, and collaboration, provided the perfect setting for students to come together, laugh, and compete in a lighthearted and friendly environment. The students were divided into teams, and each team took turns acting out words or phrases while their teammates attempted to guess the correct answer. The challenge lay in communicating solely through gestures, facial expressions, and body language without speaking a single word. The variety of prompts ranged from simple objects and activities to popular movies and well-known characters, adding an extra element of excitement as

students tried to convey their prompts through clever and often hilarious actions. The room was filled with laughter and cheers as students attempted to decode each other's clues, with some of the more challenging prompts resulting in memorable performances that had everyone laughing. Throughout the session, it was clear that Dumb Charades was more than just a game—it was an exercise in trust, cooperation, and quick thinking. Students had to rely on one another's interpretive skills and creativity, and the friendly competition brought out the best in everyone. The activity fostered a sense of unity as students worked together to solve each challenge, celebrating each success and laughing off the occasional misinterpretation.

- **Hindi Association Students Attend Cancer Awareness Seminar**

In a bid to promote health awareness among students, the Hindi Association at St. Aloysius College attended a Cancer Awareness Seminar held in LCRI Hall. This informative session aimed to educate students about cancer, emphasizing the importance of early detection, prevention strategies, and available treatment options. The seminar attracted a large number of students eager to learn more about this vital topic. Expert speakers from the medical field shared insights into various aspects of cancer, including its causes, symptoms, and risk factors. They discussed how lifestyle choices, such as diet, exercise, and avoiding tobacco, play a significant role in reducing the risk of cancer. The speakers also highlighted the importance of regular health check-ups and self-examinations, which can help detect cancer at an early, more treatable stage. Throughout the seminar, students were encouraged to ask questions and share their thoughts, which led to engaging discussions on the topic. Many students gained a deeper understanding of cancer and felt empowered with knowledge on how to make healthier lifestyle choices. The seminar also addressed common myths and misconceptions about cancer, helping students to better understand the realities of the disease and its impact on individuals and families.

- **Anti-Ragging Poster Making Session by the Hindi Association**

In alignment with St. Aloysius College's commitment to maintaining a safe and welcoming campus, the Hindi Association recently conducted an Anti-Ragging Poster Making session during the ECCC (Extra-Curricular and Co-Curricular) period. This interactive and educational activity provided students with a platform to express their thoughts on the harmful effects of ragging and advocate for a positive, respectful campus culture. The session began with a brief discussion on the impact of ragging and the importance of a zero-tolerance approach. Students were informed about the college's anti-ragging policies, the consequences of engaging in such behavior, and the support available for anyone affected by ragging. The goal was to empower students to stand against ragging and actively promote a safe and supportive environment for all. Following the discussion, students were given art supplies and encouraged to design posters that conveyed compelling visuals that highlighted the emotional, social, and legal consequences of ragging. Many posters featured powerful slogans and imagery, underscoring the need for respect, empathy, and unity among students. At the end of the session, the posters were displayed for everyone to see, serving as a visual reminder of the college community's commitment to ending ragging. The Hindi Association commended the students for their effort, creativity, and dedication to promoting a ragging-free environment. By taking part in this activity, the students gained a deeper understanding of the negative consequences of ragging and the role they can play in preventing it.

- **Best practices**

Promoting Hindi speaking students and organizing cultural events such as Prerana inter colligate

Hindi fest. Establish a well-defined leadership structure with designated roles and responsibilities to ensure smooth functioning and accountability. Encourage active participation from members through meetings, workshop, events, activities and sending them to the different colleges for fest and events. By these best practices a Hindi association can create a vibrant and inclusive community that celebrates Hindi language and culture within the college campus.

CONCLUSION

We have come to the end of the Annual Report for the year 2024-25. We are grateful to God for the choicest blessings he has showered on our institution. This indeed has been a memorable year for us with several achievements in academic, co-curricular and extra-curricular domains. We firmly believe that education in this institution will be meaningful only to the extent that our students imbibe and put into practice the vision and mission of the institution and become men and women for and with others; become active agents of change and make a difference. All that the institution can do is to accompany and assist the students in realizing their hidden potential, to partner with them in the task of their integral formation so that they channelize their faculties towards building a humane, just, eco-friendly and gender sensitive society.

Let me take this opportunity to place on record all those who lent their hand to me in the effective administration of this huge and prestigious institution during this year. It is not easy to manage and guide such a large number of students who are at a crucial juncture of their physical and psychological growth. However, this year has been a pleasant experience with plenty of fruitful activities and meaningful achievements strengthening our autonomy, exploring new horizons and encountering new challenges and bringing the institution on the threshold of becoming a university.

At the very outset, I would like to express my gratitude to Rev. Fr Dionysius Vaz, SJ, our Provincial, President of MJES and Chancellor of St Aloysius (Deemed to be University) and members of the Governing Body, for the trust and confidence they have bestowed on me and for their unstinted support. I deem it my duty today, to express my deep sense of gratitude to our beloved Rector and President Rev. Fr Melwin Joseph Pinto, SJ for his constant support, counsel and encouragement. His vision, foresight and passion for the growth of this institution have played a great role in our stride towards excellence during the year. I would like to thank, in a special way, Rev. Fr Vishwas Joy Misquith for managing the finances of the institution in an efficient manner. Rev. Dr Melwyn D'Cunha SJ, Pro-Vice Chancellor, Dr Alwyn D'Sa, the Registrar [St Aloysius College (Autonomous)], Dr Ronald Nazareth, Registrar [St Aloysius (Deemed to be University)], Dr Arati Shanbhag, Controller of Examinations who have been always at their work of efficiently managing the administrative procedures and the examination system. I am grateful to Rev. Fr Kiran Cotha SJ for professionally administering the second campus of AIMIT, BEERI. It has been a very pleasant and rewarding experience to work with our Directors: Dr Denis Fernandes, Dr Loveena Lobo, Dr Ishwara Bhat, Dr Asha Abraham and Dr Charles Furtado. I would like to thank them all for standing by me in the day-to-day administration of the College. Dr Chandrashekhara Shetty, Research & development Cell & Dr Roshan DSouza, Director, International Collaborations, and Mr Reji John, the IQAC Coordinator, for their dedicated work and support.

I thank Dr Anup Denzil Veigas, the coordinator of activities & the entire team for attending to the spiritual needs of the students during the year. I would like to thank all the Deans of various faculties, Heads of Departments, Class Guides, Mentors, Presidents of Co-curricular and Extra-curricular Associations, those teachers who willingly engaged the value education and theology classes and remedial classes, as well as teachers who went that extra mile to counsel students in the institution and in the Listening Centre for showing that you care and for your committed service. We have a dedicated and vibrant administrative Staff under the leadership of Mr Henry DSouza and a dedicated team of Support and Maintenance staff under the able guidance of Mr Godwin Coelho I would like to thank each of them for their hard work and dedication for the college. They have been always self-effacing and loyal to the institution.

My sincere gratitude goes to dedicated band of teachers who have been in-charge of several staff and student activities. You have raised the quality of programmes to greater heights and we saw our college events appear in newspapers and Television Channels every other day.

I remain grateful to the Directors of the Gents' and the Ladies' Hostels and the wardens of the Gents' and Ladies' Hostels for their labour of love.

I wish to place on record the meticulous planning and execution of this grand event by the conveners of the programme, Dr Denis Fernandes and Dr Ishwara Bhat and Annual Day Organizing committee members. A mere thank you would be insufficient to express my gratitude for the great work you have done. Congratulations to you! Your skills of coordination and teamwork have been exemplary.

I thank all our benefactors in India and abroad who have been supporting us in many of our activities and projects for the benefit of our students.

My gratitude is due to my dear students, especially the Office bearers of the Students' Council, President, Mr Vance Rion DSouza, Vice President, Ms Fathimath Thoufira Bangana, Secretary, Mr Anson Rego, Joint Secretary, Ms Shaina Crystal DSouza, Cultural Secretary, Ms Mundabettu Advika Shetty, Sports Secretary, Ms Aarlyn Riona Lobo and Vice Chancellor's nominee, Mr Vinay Sathish Mayekar. Your dynamic leadership with the guidance and motivation of Dr Anup Veigas and Ms Binini Chan has made this year a memorable one.

Our institution feels proud today with the gracious presence of Ms Oshanie Fernandes Saldanha, who has consented to be the chief guest of this celebration. I am glad to say that she is an admirer and well-wisher of this prestigious institution. Her dedication to the cause of education, testing and evaluation is truly commendable. She is a person of vision and foresight determined to make a difference in higher education. We are extremely happy to have her with us as a source of inspiration to all of us. Ms Oshanie, we are privileged to have you amongst us. Your ready acceptance to our invitation to be the chief guest today is a proof of your love and affection to the institution. The entire Aloysian family acknowledges your eminence, applauds your achievements and wishes God's choicest blessings on you and your family.

Ladies and gentlemen, we look forward to great things to happen in this institution in the coming years. With your prayers and good wishes, we are sure that we fulfil our cherished dreams very soon. This landmark would provide us more space and freedom to experiment on diverse and multidisciplinary curriculum in pursuit of our vision and mission of forming men and women for and with others. Some of the significant immediate plans for the future are:

As I complete my one year of being the Vice Chancellor of this prestigious institution, I feel a sense of satisfaction to present this Annual Day report. God has been always behind me showering his choicest blessings to arrive at decisions that are in the interest of the students and all the other stake holders. I am truly blessed to have the wholehearted support and cooperation from all of you. I will always be indebted to you for standing by me in all the endeavours of the institution.

Let us together take this institution to greater heights. Let us work together as a team to fulfil the aspirations of our founding fathers. Let us be a true light house that guides the destinies of thousands of youths of this country into change makers and responsible citizens.

Once again, I thank each and every one of you for your esteemed presence and wish you a pleasant evening.

May God bless us all!

शिक्षा मंत्रालय
(उच्चतर शिक्षा विभाग)

नई दिल्ली, दिनांक 19 जनवरी 2024

सं. 10/1/2016-यू.3(ए)—जबकि, बिरला प्रौद्योगिकी संस्थान (बीआईटी) (सम विश्वविद्यालय), मेसरा, रांची ने केंद्र सरकार के अनुमोदन के बिना लालपुर (1984), नोएडा (1997), जयपुर (1995), पटना (2006) और देवघर (2007) में विस्तार केंद्र शुरू किए थे और ऑफ-कैंपस केंद्र के रूप में मान्यता मांगी थी।

2. और जबकि, इस मामले पर मंत्रालय में विचार किया गया था और मंत्रालय के दिनांक 11.10.2018 के पत्र के माध्यम से बीआईटी, मेसरा को निम्नलिखित निर्णय से अवगत कराया गया था:—

- बीआईटी, मेसरा एनएएसी से प्रत्यायन प्राप्त करने के लिए तुरंत आवश्यक कदम उठाएगा।
- बीआईटी मेसरा शैक्षणिक सत्र 2019-20 से यथोचित पहले मौजूदा यूजीसी विनियमों के अनुसार, पटना और देवघर में ऑफ-कैंपस शुरू करने के लिए इस मंत्रालय को आवेदन प्रस्तुत करेगा।
- यूजीसी उन छात्रों की डिग्री को मान्यता प्रदान करने के लिए आवश्यक कार्रवाई करेगा जो उत्तीर्ण हो चुके हैं और जो इन परिसरों में वर्तमान शैक्षणिक सत्र में अपने पाठ्यक्रम पूरे कर रहे हैं।

3. और जबकि, बीआईटी मेसरा ने यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2019 के अनुसार 5 अप्रैल, 2019 को मंत्रालय को नए आवेदन प्रस्तुत किए तथा पटना और देवघर में ऑफ-कैंपस के लिए अनुमोदन मांगा। इसके अलावा, बीआईटी मेसरा ने यह प्रस्ताव भी किया कि लालपुर, नोएडा और जयपुर परिसरों पर भी मौजूदा विनियमों के अनुसार अनुमोदन के लिए विचार किया जा सकता है। बीआईटी, मेसरा के अनुरोध को मौजूदा यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2023 के अनुसार जांच और सलाह के लिए यूजीसी को भेजा गया था।

4. और इसके अतिरिक्त जबकि, यूजीसी ने दिनांक 03.01.2024 के अपने पत्र संख्या 25-1/2019 (सीपीपी-आई/डीयू) के माध्यम से सूचित किया कि यूजीसी ने यूजीसी विनियम, 2023 के खंड 8(7) के अनुसार एक विशेषज्ञ समिति की सहायता से इस प्रस्ताव की जांच की। समिति ने पाया कि लालपुर, नोएडा और जयपुर में ऑफ-कैंपस केंद्र स्थापित करने में बीआईटी मेसरा द्वारा दिशानिर्देशों/विनियमों का कोई उल्लंघन नहीं किया गया है क्योंकि ये केंद्र ऑफ-कैंपस स्थापित करने की प्रक्रिया तैयार होने से पहले स्थापित किए गए थे। यूजीसी ने दिनांक 01.01.1999 और 29.08.2002 के अपने पत्र के माध्यम से बीआईटी मेसरा को इन परिसरों में पाठ्यक्रम शुरू करने की अनुमति दी।

5. और जबकि, समिति ने बीआईटी, मेसरा के लालपुर, जयपुर, नोएडा, पटना और देवघर स्थित ऑफ-कैंपस का वर्चुअल दौरा करने, संस्थान द्वारा प्रस्तुत रिकॉर्डों का सत्यापन करने के बाद और कुलपति द्वारा की गई प्रस्तुति के आधार पर यह पाया कि लालपुर, जयपुर, नोएडा, पटना और देवघर में बीआईटी, मेसरा के ऑफ-कैंपस, प्रत्यायन, रैंकिंग, संबंधित नियामक निकाय की मंजूरी आदि जैसे ऑफ-कैंपस की स्थापना हेतु सूचीबद्ध कुछेक मानदंडों को पूरा करते हैं। तथापि, समिति द्वारा निम्नलिखित कमियाँ देखी गईं:—

- नोएडा विस्तार केंद्र में केवल 392 छात्र और 33 संकाय सदस्य हैं, जबकि यूजीसी विनियम, 2023 के अनुसार ऑफ-कैंपस बनने के लिए 50 शिक्षकों के साथ न्यूनतम 1000 छात्र होने अपेक्षित हैं, जिनमें से कम से कम 200 छात्र (1/5वां) स्नातकोत्तर या शोधार्थी हों।
- जयपुर विस्तार केंद्र में केवल 670 छात्र हैं, जबकि यूजीसी विनियम, 2023 के अनुसार ऑफ-कैंपस बनने के लिए 50 शिक्षकों के साथ न्यूनतम 1000 छात्र होने अपेक्षित हैं, जिनमें से कम से कम 200 छात्र (1/5वां) स्नातकोत्तर या शोधार्थी हों।
- देवघर विस्तार केंद्र में केवल 560 छात्र और 44 संकाय सदस्य हैं, जबकि यूजीसी विनियम, 2023 के अनुसार ऑफ-कैंपस बनने के लिए 50 शिक्षकों के साथ न्यूनतम 1000 छात्र होने अपेक्षित हैं, जिनमें से कम से कम 200 छात्र (1/5वां) स्नातकोत्तर या शोधार्थी हों।

- iv. नोएडा परिसर की लीज अवधि पहले ही समाप्त हो चुकी है। बीआईटी, मेसरा लीज समझौते को नवीनीकृत करके लीज अवधि बढ़ा सकता है।
- v. यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2023 के अनुसार संगम ज्ञापन।
- vi. यूजीसी विनियम, 2023 के अनुसार समग्र निधि (कॉर्पस फंड) का विवरण।

6. और इसके अतिरिक्त जबकि, समिति ने उपर्युक्त टिप्पणियाँ करते हुए सिफारिश की कि यूजीसी शिक्षा मंत्रालय को यह सलाह दे सकता है कि यदि बीआईटी (सम विश्वविद्यालय), मेसरा उपर्युक्त कमियों को दूर करता है तो जयपुर, नोएडा, पटना और देवघर में इसके ऑफ-कैंपसों के लिए कार्योत्तर अनुमोदन और 2019-20 से 2022-23 तक उत्तीर्ण छात्रों की डिग्री के मान्यकरण पर विचार किया जा सकता है। इसके अलावा, समिति यह भी सिफारिश करती है कि लालपुर परिसर को बीआईटी मुख्य परिसर, मेसरा का भाग बनने की अनुमति दी जा सकती है। आयोग द्वारा दिनांक 07.12.2023 को आयोजित 575वीं बैठक (मद संख्या 2.07) में यूजीसी विशेषज्ञ समिति की सिफारिशों पर विचार किया गया और इन्हें अनुमोदित किया गया।

7. अतः, अब शिक्षा मंत्रालय, यूजीसी की सलाह पर, यूजीसी अधिनियम, 1956 की धारा 3 के तहत प्रदत्त शक्तियों का प्रयोग करते हुए, बीआईटी, मेसरा को लालपुर जयपुर, नोएडा, पटना और देवघर परिसर में प्रवेशित/उत्तीर्ण छात्रों की डिग्री को विधिवत मान्य करते हुए, यहाँ ऑफ-कैंपस शुरू करने हेतु कार्योत्तर अनुमोदन प्रदान करता है। लालपुर परिसर को बीआईटी, मेसरा के मुख्य परिसर का एक भाग माना जाएगा। इसके अतिरिक्त, यह अनुमोदन इस शर्त के अध्वधीन है कि संस्थान यूजीसी विशेषज्ञ समिति द्वारा बताई गई कमियों को समयबद्ध रीति से ठीक करेगा।

8. इस मंत्रालय की पूर्व अधिसूचना (अधिसूचनाओं) में उल्लिखित अन्य सभी शर्तों के साथ-साथ यूजीसी और अन्य वैधानिक परिषदों द्वारा समय-समय पर जारी नियमों/विनियमों का बीआईटी, मेसरा द्वारा पालन किया जाना जारी रहेगा।

सं. 9-27/2017-यू.3(ए)—जबकि, केन्द्र सरकार को विश्वविद्यालय अनुदान आयोग, अधिनियम, 1956 की धारा 3 के तहत यूजीसी की सलाह पर उच्च शिक्षण संस्थान को सम विश्वविद्यालय संस्थान के रूप में घोषित करने का अधिकार प्राप्त है।

2. और जबकि, मंगलौर जेसुइट एजुकेशन सोसायटी (एमजेईएस), मंगलौर, कर्नाटक द्वारा यूजीसी अधिनियम की धारा 3 के तहत सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर और सेंट अलॉयसिस इंस्टीट्यूट ऑफ एजुकेशन, मंगलौर को सेंट अलॉयसिस के नाम से सम विश्वविद्यालय का दर्जा प्रदान किए जाने के संबंध में दिनांक 27.11.2017 को एक आवेदन प्रस्तुत किया गया था। उक्त आवेदन को विश्वविद्यालय अनुदान आयोग को यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2016 के अनुसार जांच एवं सलाह हेतु भेजा गया था।

3. और जबकि यूजीसी ने संस्थान से विधिक वचनबद्धता लेने के पश्चात यूजीसी विनियम, 2016 के अनुसार विशेषज्ञ समिति के द्वारा उक्त आवेदन की जांच की थी। समिति ने संस्थान का दौरा और विभिन्न हितधारकों के साथ बातचीत करने के बाद कतिपय शर्तों के अनुपालन के अध्वधीन रहते हुए सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर को विश्वविद्यालय का दर्जा देने पर विचार करने की सर्वसम्मति से सिफारिश की। इसके अतिरिक्त, एआईसीटीई विशेषज्ञ समिति का मत था कि यूजीसी द्वारा सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर को सम विश्वविद्यालय का दर्जा देने की सिफारिश करने से पहले समिति द्वारा इंगित की गई कमियों का अनुपालन सुनिश्चित किया जाना चाहिए।

4. और जबकि, यूजीसी विशेषज्ञ समिति और एआईसीटीई विशेषज्ञ समिति की रिपोर्टों पर आयोग द्वारा दिनांक 13.06.2019 को आयोजित अपनी 541वीं बैठक (मद संख्या 2.06) में विचार किया गया और संकल्प किया गया कि अनुसंधान एवं प्रकाशन और नवाचार गुणवत्ता में सुधार के संबंध में संस्थान से कार्य योजना प्राप्त करने के बाद मामले पर पुनर्विचार किया जाएगा।

5. और आगे जबकि, संस्थान की कार्य योजना पर यूजीसी की विशेषज्ञ समिति द्वारा विचार किया गया था। संस्थान के दस्तावेजों एवं प्रस्तुतीकरण की जांच के बाद समिति द्वारा सिफारिश की गई कि सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर सम विश्वविद्यालय संस्थान का दर्जा प्राप्त करने संबंधी अपेक्षाओं को पूरा करता है। आयोग द्वारा दिनांक 20.09.2023 को आयोजित अपनी 572वीं बैठक (मद संख्या 2.12) में यूजीसी की विशेषज्ञ समिति की सिफारिशों पर विचार किया गया और अनुमोदन प्रदान किया गया।

6. और जबकि, आयोग की सिफारिश के साथ-साथ यूजीसी विशेषज्ञ समिति की रिपोर्ट की मंत्रालय में जांच की गई थी। जांच के बाद, इस मंत्रालय द्वारा कतिपय मुद्दों पर यूजीसी से स्पष्टीकरण मांगा गया, जिसमें अन्य बातों के साथ-साथ यह भी शामिल है कि क्या सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर और सेंट अलॉयसिस इंस्टीट्यूट ऑफ एजुकेशन, मंगलौर दोनों सम विश्वविद्यालय संस्थान का हिस्सा होंगे। उत्तर में, यूजीसी ने बताया कि मंत्रालय द्वारा उठाए गए मुद्दों को उसी यूजीसी विशेषज्ञ समिति के समक्ष रखा गया था। समिति द्वारा अन्य मुद्दों को स्पष्ट करते हुए, अन्य बातों के साथ-साथ पुष्टि की गई कि केवल सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर को सेंट अलॉयसिस के नाम से सम विश्वविद्यालय संस्थान का दर्जा देने की सिफारिश की गई है। यूजीसी ने यह भी बताया कि आयोग ने दिनांक 07.12.2023 को आयोजित अपनी 575वीं बैठक में यूजीसी विशेषज्ञ समिति की सिफारिश पर विचार किया और अनुमोदन प्रदान किया।

- iv. नोएडा परिसर की लीज अवधि पहले ही समाप्त हो चुकी है। बीआईटी, मेसरा लीज समझौते को नवीनीकृत करके लीज अवधि बढ़ा सकता है।

7. अब, इसलिए, यूजीसी अधिनियम, 1956 की धारा 3 में प्रदत्त शक्तियों का प्रयोग करते हुए शिक्षा मंत्रालय द्वारा यूजीसी की सलाह पर सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर को एतद्वारा सेंट अलॉयसिस, मंगलौर के नाम से शुरुआती पाँच वर्षों के लिए सम विश्वविद्यालय संस्थान के रूप में घोषित किया जाता है। उक्त घोषणा निम्नलिखित शर्तों के अधीन है:—

- i. सम विश्वविद्यालय संस्थान के दर्जे की इसकी कार्यात्मकता एवं यूजीसी विनियमों के प्रावधानों के अनुसार संतोषप्रद कार्यनिष्पादन की समीक्षा के आधार पर पुष्टि होगी।
- ii. सेंट अलॉयसिस, मंगलौर इस अधिसूचना के जारी होने की तारीख से छह वर्ष की अवधि के भीतर यूजीसी (सम विश्वविद्यालय संस्थान) विनियम, 2023 का अनुपालन करेगा।
- iii. सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर अपने संबद्ध विश्वविद्यालय अर्थात् मंगलौर विश्वविद्यालय से स्वयं को असंबद्ध करेगा।
- iv. इस अधिसूचना के बाद प्रवेश पाने वाले छात्रों को सेंट अलॉयसिस, मंगलौर से डिग्री मिलेगी।
- v. इस अधिसूचना के एक वर्ष के भीतर सेंट अलॉयसिस कॉलेज (स्वायत्त), मंगलौर की सम्पूर्ण चल और अचल परिसंपत्तियां मंगलौर जेसुइट एजुकेशन सोसायटी (एमजेईएस), मंगलौर, कर्नाटक द्वारा कानूनी रूप से 'सेंट अलॉयसिस, मंगलौर' के नाम पर स्थानांतरित की जाएंगी।
- vi. यूजीसी और शिक्षा मंत्रालय की पूर्व अनुमति के बिना, सम विश्वविद्यालय संस्थान/या इसकी घटक शिक्षण इकाइयों की परिसंपत्तियों या निधियों/राजस्व का कोई विचलन नहीं किया जाएगा।
- vii. सेंट अलॉयसिस, मंगलौर ऐसी किसी भी गतिविधि में शामिल नहीं होगा, जो वाणिज्यिक और लाभ कमाने वाली प्रकृति की हो।
- viii. सेंट अलॉयसिस, मंगलौर में पेश किए जाने वाले शैक्षणिक कार्यक्रम यूजीसी और संबंधित सांविधिक परिषदों/निकायों द्वारा निर्धारित मानदंडों और मानकों के अनुरूप होंगे।
- ix. सेंट अलॉयसिस, मंगलौर समय-समय पर यूजीसी द्वारा जारी मानदंडों/दिशानिर्देशों/विनियमों के अनुसार ही नए शैक्षणिक पाठ्यक्रम/ कार्यक्रम, ऑफ-कैंपस, ऑफ-थोर कैंपस शुरू करेगा।
- x. सेंट अलॉयसिस, मंगलौर अनुसंधान कार्यक्रमों के साथ-साथ डॉक्टोरल और नवोन्मेषी शैक्षणिक कार्यक्रमों को शुरू करने के लिए समुचित कदम उठाएगा। संस्थान केवल वर्तमान में नए उभरते क्षेत्रों तक ही सीमित नहीं रहेगा, अपितु यूजीसी विनियमों/दिशानिर्देशों के साथ-साथ राष्ट्रीय शिक्षा नीति-2020 के अनुसार अन्य क्षेत्रों में भी विस्तार करने का प्रयास करेगा।
- xi. सेंट अलॉयसिस, मंगलौर राष्ट्रीय प्रत्यायन बोर्ड (एनबीए) द्वारा वैध प्रत्यायन हेतु नियत सभी पात्र अकादमिक पाठ्यक्रमों/कार्यक्रमों को प्राप्त करने के लिए सभी अपेक्षित कदम उठाएगा और संस्थान समय-समय पर यथासंशोधित यूजीसी (सम विश्वविद्यालय संस्थान) विनियम 2023 में यथा निहित प्रावधानों के संदर्भ में राष्ट्रीय मूल्यांकन एवं प्रत्यायन परिषद, जैसा भी मामला हो, द्वारा वैध प्रत्यायन प्राप्त करेगा।
- xii. छात्रों के प्रवेश, छात्रों की प्रवेश क्षमता, शैक्षणिक पाठ्यक्रम/कार्यक्रम के अनुमोदन का नवीनीकरण, छात्रों की प्रवेश क्षमता में संशोधन, नए पाठ्यक्रम/कार्यक्रम शुरू करने आदि के मामले में संबंधित सांविधिक परिषदों के सभी निर्धारित मानदंड और प्रक्रियाएं प्रभावी रहेंगी और सेंट अलॉयसिस, मंगलौर द्वारा उनका पालन किया जाएगा।
- xiii. सेंट अलॉयसिस, मंगलौर अपने संगम ज्ञापन (एमओए)/नियमों को मौजूदा विनियमों के प्रावधानों के अनुसार यूजीसी के अनुमोदनार्थ जून, 2024 के अंत तक प्रस्तुत करेगा। जब भी आवश्यक होगा, सेंट अलॉयसिस, मंगलौर प्रचलित विनियमों के प्रावधानों के अनुसार अपने संगम ज्ञापन/नियमों को अद्यतन या उनमें संशोधन या परिवर्तन करेगा।

MINISTRY OF EDUCATION
(DEPARTMENT OF HIGHER EDUCATION)

New Delhi, the 19th January 2024

No. 10/1/2016-U.3(A)—Whereas, Birla Institute of Technology (BIT) (Deemed to be University), Mesra, Ranchi had started extension centres at Lalpur (1984), Noida (1997), Jaipur (1995), Patna (2006) and Deoghar (2007) without approval of the Central Government and sought recognition as off-campus centres.

2. And whereas, the matter was considered in the Ministry and the following decision was conveyed to BIT, Mesra, vide Ministry's letter dated 11.10.2018:—

- i. BIT, Mesra shall take necessary steps immediately for getting accreditation from NAAC.
- ii. BIT Mesra shall submit application to this Ministry for starting Off-Campuses at Patna and Deoghar, as per the existing UGC Regulations well before the academic session 2019-20.
- iii. UGC will take necessary action for validating the degrees of those students who have passed out and to those who are pursuing their courses in the current academic session in these Campuses.

3. And whereas, BIT Mesra submitted fresh applications to the Ministry on 5th April, 2019 as per the UGC (Institutions deemed to Universities) Regulations, 2019 seeking approval for off-campus at Patna and Deoghar. Further, BIT Mesra also proposed that Lalpur, Noida and Jaipur campuses may also be considered for approval as per the existing Regulations. The request of BIT, Mesra was referred to UGC for examination and advice as per the existing UGC (Institutions deemed to be Universities) Regulations, 2023.

4. And further whereas, UGC, vide its letter No. 25-1/2019 (CPP-I/DU) dated 03.01.2024, informed that UGC examined the proposal with the help of an Expert Committee in accordance with Clause 8(7) of the UGC Regulations, 2023. The Committee observed that there is no violation of guidelines /regulations by BIT Mesra in establishing off-campus centres at Lalpur, Noida and Jaipur as these centres were established before the procedure for establishing off-campus was framed. UGC, vide its letter dated 01.01.1999 and 29.08.2002, granted permission to BIT Mesra to start course in these Campuses.

5. And whereas, the Committee, after conducting the virtual visit of the off-campus at Lalpur, Jaipur, Noida, Patna and Deoghar of BIT, Mesra, verifying the records submitted by the institution and based on the presentation made by the Vice-Chancellor observed that the off-campus of BIT, Mesra at Lalpur, Jaipur, Noida, Patna and Deoghar meets some of the criteria listed for the establishment of off-campus, such as accreditation, ranking, approval of regulatory body concerned etc. However, the following deficiencies were noticed by the Committee:—

- i. There are only 392 students and 33 faculty members in the Noida extension centre, whereas the requirement as per UGC Regulations, 2023 is minimum of 1000 students of which not less than one-fifth of the students are post-graduate or research students with 50 teachers to become off-campus.
- ii. There are only 670 students in the Jaipur extension centre, whereas the requirement as per UGC Regulations, 2023 is a minimum of 1000 students of which not less than one-fifth of the students are post-graduate or research students with 50 teachers to become off-campus.
- iii. There are only 560 students and 44 faculty members in the Deoghar extension centre, whereas the requirement as per UGC Regulations, 2023 is minimum of 1000 students of which not less than one-fifth of the students are post-graduate or research students to become off-campus.
- iv. Lease period of Noida campus already expired. BIT, Mesra may extend the lease period by renewing the lease agreement.
- v. MoA in accordance with UGC (Institutions Deemed to be Universities) Regulations, 2023.
- vi. Details of corpus fund as per UGC Regulations, 2023.

6. And further whereas, the Committee, while making the above observations, recommended that the UGC may advise the Ministry of Education that ex-post facto approval for the off-campus of the BIT (Deemed to be University), Mesra at Jaipur, Noida, Patna & Deoghar and validation of the degrees of the students passed out from 2019-20 to 2022-23 may be considered if it rectifies the above-mentioned deficiencies. In addition, the committee also recommends that the Lalpur campus may be allowed to be a part of the BIT main campus, Mesra. The recommendations of the UGC Expert Committee were considered and approved by the Commission in its 575th meeting (Item No 2.07) held on 07.12.2023.

7. Now, therefore, in exercise of the powers conferred under Section 3 of the UGC Act, 1956, the Ministry of Education, on the advice of UGC, hereby accords ex-post facto approval to BIT, Mesra for starting off-campus at Lalpur, Jaipur, Noida, Patna & Deoghar duly validating the degrees of the students admitted/passed out in these campuses. Lalpur campus shall be considered as a part of the main campus of BIT, Mesra. This approval is further subject to condition that the Institution shall rectify the deficiencies pointed out by the UGC Expert Committee in a time bound manner.

8. All other conditions mentioned in the earlier Notification(s) of this Ministry as well as the Rules / Regulations of UGC and other Statutory Councils, issued from time to time, shall continue to be adhered by BIT, Mesra.

Joint Secretary

No. 9-27/2017-U.3(A)—Whereas, the Central Government is empowered under Section 3 of the University Grants Commission (UGC) Act, 1956 to declare, on the advice of the UGC, an Institution of higher learning as an Institution Deemed to be University.

2. And whereas, an application was submitted by Mangalore Jesuit Education Society (MJES), Mangalore, Karnataka on 27.11.2017 for conferment of Institution deemed to be University status to St. Aloysius College (Autonomous), Mangaluru and St. Aloysius Institute of Education, Mangaluru in the name of St. Aloysius under Section 3 of the UGC Act. The same was referred to the University Grants Commission (UGC) for examination and advice as per the UGC (Institutions deemed to be Universities) Regulations, 2016.

3. And whereas, UGC examined the application through its Expert Committee as per the UGC Regulations, 2016 following to a legal undertaking by the Institution. The Committee, after visiting the Institution and interaction with various stakeholders, unanimously recommended considering conferment of Institution deemed to be University status to St. Aloysius College (Autonomous), Mangaluru subject to compliance of the certain conditions. Apart from this, AICTE Expert Committee was of the view that the UGC must ensure the compliance of deficiencies pointed by the Committee before recommending to grant deemed to be University status to St. Aloysius College (Autonomous), Mangaluru.

4. And whereas, the reports of UGC Expert Committee and AICTE Expert Committee were considered by the Commission in its 541st meeting (Item No.2.06) held on 13.06.2019 and resolved that the case to be reconsidered after obtaining the action plan from the Institution about improving the quality of research & publications and innovations.

5. And further whereas, the action plan of the Institution was considered by the UGC Expert Committee. The Committee, after examining the documents and presentation of the Institution, recommended that St. Aloysius College (Autonomous), Mangaluru meets the requirement of Institution deemed to be University status. The Commission considered and approved the recommendations of UGC Expert Committee in its 572nd meeting (Item No.2.12) held on 20.09.2023.

6. And whereas, the report of the UGC Expert Committee along with the recommendation of the Commission was examined in the Ministry. After examination, this Ministry sought clarifications from UGC on certain issues which inter-alia include whether both St. Aloysius College (Autonomous), Mangaluru and St. Aloysius Institute of Education, Mangaluru shall be the part of the Institution deemed to be University. In response, UGC informed that the issues raised by the Ministry were placed before the same UGC Expert Committee. The Committee, while clarifying the other issues, inter-alia confirmed that only St. Aloysius College (Autonomous), Mangaluru has been recommended for grant of Institution deemed to be University status in the name of St. Aloysius. UGC also informed that the Commission considered and approved the recommendation of UGC Expert Committee in its 575th meeting held on 07.12.2023.

7. Now, therefore, in exercise of powers conferred under Section 3 of the UGC Act, 1956, the Ministry of Education, on the advice of UGC, hereby declares St. Aloysius College (Autonomous), Mangaluru as an Institution Deemed to be University in the name of St. Aloysius, Mangaluru for an initial period of five years. The said declaration is subject to the following conditions:—

- i. The status of Institution deemed to be University status would be confirmed on the basis of its review of the functioning and satisfactory performance with the provisions of the UGC Regulations.
- ii. St. Aloysius, Mangaluru shall become compliant with the UGC (Institutions deemed to be Universities) Regulations, 2023 within a period of six years from the date of issuance of this Notification.
- iii. St. Aloysius College (Autonomous), Mangaluru shall disaffiliate themselves from their affiliating University i.e. Mangalore University.
- iv. The students admitted after this Notification will get Degree from St. Aloysius, Mangaluru.
- v. The entire moveable & immoveable assets of declares St. Aloysius College (Autonomous), Mangaluru will be legally transferred by Mangalore Jesuit Education Society (MJES), Mangalore, Karnataka in the name of 'St. Aloysius, Mangaluru' within one year of this Notification.
- vi. There shall be no diversion of assets or funds/revenues of the Institution Deemed to be University/or of its constituent teaching units, without prior permission of the UGC and Ministry of Education.
- vii. St. Aloysius, Mangaluru shall not engage or indulge in any activities that are of commercial and profit making in nature.

- viii. The academic programmes to be offered/offered at St. Aloysius, Mangaluru shall conform to the norms and standards prescribed by the UGC and the Statutory Councils/Bodies concerned.
- ix. St. Aloysius, Mangaluru shall start new academic Courses/Programmes, Off-Campus(es), Off-Shore Campus(es) only in accordance with the norms /guidelines/regulations issued by the UGC, from time to time.
- x. St. Aloysius, Mangaluru shall take appropriate steps to commence research programmes as well as doctoral and innovative academic programmes. The Institute shall not keep confined only to presently new emerging areas but it make endeavor to expand in other areas in accordance with the UGC Regulations / Guidelines as well as National Education Policy-2020.
- xi. St. Aloysius, Mangaluru shall take all the required steps to get all the eligible academic courses/programmes rated for valid accreditation by National Board of Accreditation (NBA) and the Institute to get valid accreditation by National Assessment and Accreditation Council (NAAC), as the case may be, in terms of the provisions as contained in the UGC (Institutions deemed to be Universities) Regulations, 2023, as amended from time to time.
- xii. All the prescribed norms and procedures of the Statutory Councils concerned in the matter of admission of students, intake capacity of students, renewal of approval to the academic course / programme, revision of intake capacity of students, starting of new courses / programmes, etc. shall continue to be in force, and shall be adhered to by St. Aloysius, Mangaluru.
- xiii. St. Aloysius, Mangaluru shall submit its Memorandum of Association (MoA) / Rules to UGC for approval as per the provisions of the existing Regulations by the end of June, 2024. As and when necessary, St. Aloysius, Mangaluru shall update or revise or modify its MoA / Rules, as per the provisions of the prevailing Regulations.
- xiv. St. Aloysius, Mangaluru shall follow the fee structure as per the Rules and Regulations of the UGC and the relevant Statutory Councils.
- xv. St. Aloysius, Mangaluru shall participate in annual Indian rankings issued by National Institutional Ranking Framework (NIRF) of this Ministry.
- xvi. St. Aloysius, Mangaluru shall compulsorily create Academic Bank of Credits (ABC), identities of their students and upload their credit score in digital lockers and ensure that the credit scores are reflected in ABC Portal and adopt Samarth e-Gov.

COLLEGE ANTHEM

Comrades, raise a joyful chorus
Loud and glad your hearts outpour
While the love of Alma Mater
Bids our grateful song up-soars
While we pledge to stand united
True to her for evermore

Her's the glorious gifts we've treasured
Love of faith and learning store.
Sword and shield to strike and shelter
Till life's double fight is o'er.
Till from out the deadly combat
We come victors evermore.

Mother like for all her children
Help of Heaven she doth explore
Whether rest they 'neath her mantle
Or fare distant from her door.
Like a kindly spirit watching
Over them evermore.

High up on the hill of idgah,
Stands the home our hearts adore,
Proud above the pride of palm trees,
And the far sea's softened roar,
Hill and deep and palm abiding,
Our examples ever more.

Louder, louder swell the chorus
For the happy days of yore,
For the hopeful toiling present
And the years that lie before,
For the name and fame and honour
Of our mother evermore.

By the God whose greater glory,
Governs still thy life and lore,
By the love thou give'st thy children
And the light that thou dost pour,
Prosper thou, dear Alma Mater,
Aye for ever, evermore.
