DEBATING ASSOCIATION

Presidents: Mr Manoj Fernandes , Mrs Severine Pinto and Mr Sachin Bangera. Secretary: Abdul Basith

The debating society consists of 28 members and this association through its varied programs strive to bring in multiple formats of public speaking related activities to enhance the students capabilities as orators. In this academic year the debate sessions were conducted on the happening and current issues. Students were trained in roleplay, pick and speak, Just A Minute. Training sessions on body language and interview skills were organized with the help of Corporate experts. Two new formats of debate i.e. British parliamentary debate and verbatim format have been introduced this year. A three day inter- department debating fest "Word war" was conducted in the month of February. Our students have represented the college and won prizes in several competitions. This association has surely helped the students to develop better oratory skills.

Students were made aware of different types of lens used in different photographs. He also showed us the pictures clicked by him of many birds and reptiles.

- **Bottle Gardening:** Bottle gardening is a process of growing plants inside the bottle with little or no exposure to the outside world. Students were asked to bring seeds of various plants. Two liter bottle was taken and cut vertically into two halves. Each half was filled with soil and water and the seeds were sown and were left to germinate.
- **Nature Hike:** Forty five students of nature club were taken on a hike to Niddel near Padil to large acres of arecanut plantation. Stream of water ran amidst this plantation. The students were taught techniques of capturing fish with and without the usage of fishingnets. Many ornamental fishes like doctor fish ,crabs, shrimps etc. These fishes were observed , identified and released back into the stream. The students gained a hands on training about the technique of fish capturing and identification.
- **Aquaponics:**Aquaponics is a system in which the waste produced by the fish supplies the nutrients for plants grown hydroponically, which in turn purify the water. Aquaponics refers to any system that combines aquaculture (raising aquatic animals such as snails, fish, crayfish or prawns in tanks) with hydroponics (cultivating plants in water) in a symbiotic environment. A mini aquaponic system was built by the students using old Bisleri can.
- **Paper bag Making:** Students were requested to bring bind sheets of paper and demonstration of the making was done during the hour. The cause of the activity was to create awareness to ban the use of plastics and remain ecofriendly.
- **Nature Week:** The chief guest was Mr.Rohit.S .Rao, the managing trustee of Kudremukh wildlife foundation, a wildlife conservation NGO. He gave the students an insight of his personal experience in the wild and motivated the young minds to join hands with such NGO's and promote conservation. Nature Club also conducted various interclass events such as poetry and creative writing in 3 different languages, quiz, clay modeling, wealth out of Waste, Biologo designing through rangoli , Painting and face painting, collage for students. Around 150 students from all streams actively participated in the events.

PARODY REMIX

FORUM-THE SPEAKERS CLUB

• Forum-the speakers club is an association which provides a platform to improve the communication skills of the students. The association aims at training the students in skills like public speaking, debating and hence enable them in becoming good orators. The club has 26 student members lead by Gladson Tony as secretary. They are guided by Mr Manoj Fernandes and Ms Sonica Fernandes as the presidents.

• The club has organized various programs like word hunt, role play, debates on current topics .Every year club conducts an intra college fest called "word war". This year a guest talk was arranged on public speaking skills with Ms Roshal Fernandes, ace compere of Mangaluru being the resource person. The training received in this club helped our students to win prizes in inter college Competitions ,to learn organising skills, to be master of ceremonies ,to have an idea about interview facing skills.. This year 4 Students from the association have taken part in

VERBATTLE a state level debate competition .Students have also taken part in various levels of debate , Students have participated in MODEL UNITED NATIONS a parliamentary form of debating . This club has enabled our students to have a positive mindset and confident approach in all our endeavors.

“FORUM”- THE SPEAKERS CLUB

Presidents : Mr Manoj Fernandes and Ms Sai Divya Darshan

Secretaries : Mr Alroy Menezes , Ms Preemal D’souza

Students enrolled : 65

Objectives: An association which provides a platform for students to enhance the public speaking ability and communication skills. The association aims in providing training to students in areas like debating, public speaking and hence paves path to become good orators.

Activities conducted

The club conducts debates, opinion polls, group discussion (GD), extempore, documentary screening and many activities during its weekly meetings. The association also has introduced several interesting activities like Toast Master, Speech Delivery which provides platform to every single member of the club to enhance their speaking ability. To keep the debates and discussion more open to opinions the club has introduced its own Motto- “*Agree to Disagree*”. The debates and discussions held during the meetings are based on the current affairs which brings in a sense of learning and educating and also helps the students to express their opinions and develop the ability of listening and solving matters. The club also provides basic tips and tricks to be a fine orator under the guidance of the president Mr.Manoj Fernandes.

The club has organized many events for the student community of the entire college like MC Hunt and Elocution competition. Every year the club conducts an intra-collage competition called “*Word War*” and a guest lecture from an eminent speaker for the club members to enhance their speaking ability. The training received during the sessions and meetings helps

students to participate and win prizes in inter-college fests, learn organizing and situation handling skills, handle interviews and also be Master of the Ceremony.

The members of the club have also taken part in **MODEL UNITED NATIONS** parliamentary form of debating.

Overall the club has been a source of creating positive mindset and confident approach in all the students who belong to the club.
