Interaction with Padmashree Prem Watsa

St Aloysius (Deemed to be University) hosted a formal reception and felicitation programme in honour of Padma Shri Prem Watsa on 28th September 2026 at the Fr L. F. Rasquinha Auditorium, LCRI. The occasion brought together the university leadership, faculty, NCC cadets, and students for a memorable morning of warm hospitality, cultural performances, and inspiring reflection. Rev. Dr Praveen Martis SJ, Vice Chancellor presided over the programme. Ms Nalini Watsa, wife of Padmashree Prem Watsa, Rev. Dr Melwyn DCunha, Pro Vice Chancellor, Rev. Dr Denzil Lobo, Former Director of AIMIT, Dr Ronald Nazareth, Registrar of the

University, and Dr Geetha M Pinto, Convenor of the program were on the dais.

The programme began with a soulful prayer by the choir team, which set a reflective and respectful tone for the morning. The welcome was then celebrated through two vibrant cultural performances, a Welcome Dance by Remona and group followed by an additional cultural item by Shravani and group. The two performances flowed seamlessly into one another, delighting the guests and the audience alike.

Padma Shri Prem Watsa was honoured and felicitated during the programme.

In his response, Padma Shri Prem Watsa shared thoughts that resonated strongly with the students present. He highlighted a guiding principle for life and work: "Work as hard as you can, as if everything depends on you; pray as hard as you can, as if everything depends on God." He emphasised the importance of balancing personal effort with faith, encouraging students to give their best without holding back while remaining grounded in humility and trust in a higher power.

The Presidential Address was delivered by COL Rev Dr Praveen Martis. Dr Glenison Toney, Assistant Dean, School of Engineering compered the programme. The Vote of Thanks was proposed by Dr Geetha Pinto, Convenor of the programme. The event concluded with the University Anthem, rendered by the choir team.

The visit of Padma Shri Prem Watsa was a memorable and enriching experience for the university community. His message of combining relentless effort with humble faith left a lasting impression on the students, and the event reflected the discipline, cultural richness, and hospitality of St Aloysius (Deemed to be University).

St Aloysius University awards ₹1.32 crore in scholarships to 1236 student

St Aloysius (Deemed to be University) has awarded scholarships worth ₹1,31,73,600 (approximately ₹1.32 crore) to 1,236 students for the academic year 2026–27.

The scholarships have been awarded under four major categories – Vidya Spoorthi, Vidwath Spoorthi, Kreedha Spoorthi and SAFAL (St Aloysius Fellowship for Aspiring Learners) – supporting students across undergraduate and postgraduate programmes. The University's management has awarded ₹56,79,060 through

donors, alumni groups and memorial/endowment funds under SAFAL.

The University's management scholarship recognises academic excellence, sporting achievement and financial need among students.

Vidwath Spoorthi, which recognises academic excellence, has benefited 290 students with scholarships totalling ₹22,36,000. This includes 45 rank holders 20 undergraduate and 25 postgraduate students based on their previous academic performances.

Kreedha Spoorthi, awarded to students who have demonstrated excellence in sports at the international and national levels, has benefited 70 students, with a total scholarship amount of ₹11,44,500. Among the recipients, four students have represented at the international level and 29 at the national level.

Vidya Spoorthi, the University's need-cum-merit scholarship, has been awarded to 379 students, amounting to ₹22,75,000.

Together, the three management scholarship initiatives have supported 739 students with a total of ₹56,79,060.

The SAFAL (St Aloysius Fellowship for Aspiring Learners) scholarships are supported by 37 donor, endowment and memorial funds and have benefited 497 students with scholarships amounting to ₹74,94,540.

Among the major contributions is the Prof. M D Joseph & Mrs Mary Joseph Maliakkal Scholarship, which has provided ₹34,85,000 to 158 students.

The M.V. Nair & E S Venkat Scholarship has supported 43 students with ₹11,49,000, while the Elwyn, Remy & Annabelle Scholarship has contributed ₹6,00,000 towards scholarships for 50 students.

The Albert Pinto & Helen Pinto Memorial Scholarship has supported 69 students with ₹5,00,000, while the Dr Thumbay Moideen Scholarship and Fr Ambrose Pinto SJ Scholarship have each contributed ₹5,00,000, benefiting 25 and 60 students respectively. Alumni groups, including the UAE Alumni of St Aloysius College, Team Golden Reunion 2026, and the 2000 and 2001 B. Com batches, have also contributed towards the scholarship initiative.

The scholarship programme has benefited students across various programmes. Of the 1,236 beneficiaries, 1,196 are undergraduate students, 40 are postgraduate students.

Among the programmes, B. Com has the highest number of beneficiaries with 459 students, followed by B.Sc. with 246, BCA with 163 and BBA with 120 students.

The scholarships have been awarded to 713 female and 523 male students and the beneficiaries include 621 Hindu, 394 Christian and 221 Muslim students.

Every scholarship reflects someone's belief in a young person's potential. We are deeply grateful to our donors, alumni and well-wishers, and we remain committed to ensuring that no deserving student is held back for want of means. The University gratefully acknowledges the generous support of its donors, alumni, endowment holders and well-wishers, whose continued contributions make these scholarships possible.

The scholarship initiative reflects the University's commitment to supporting students through academic merit, financial assistance and recognition of sporting achievement, while ensuring that deserving students have the opportunity to pursue higher education.

Aloysian Fest-2026: Utopia

St Aloysius (Deemed to be University), Mangaluru, organized Aloysian Fest-2026: Utopia, a national-level inter-collegiate fest for undergraduate students on 26th September 2026, bringing together young talents from various colleges to celebrate creativity, culture, innovation, and healthy competition.

Distinguished dignitaries, faculty members, student coordinators, and participants from various institutions inaugurated the fest. The programme featured an array of competitions and activities designed to provide a platform for undergraduate students to showcase their talents, develop confidence, and foster teamwork and camaraderie.

The inauguration ceremony was graced by Ms. Anvitha Sagar, entrepreneur and cine artiste, as the chief guest. Speaking on the occasion, she reflected on the importance of student life, describing it as one of the best phases of life. She encouraged students to make the most of their college years before stepping into the “Ocean Outside” — the wider world of professional and personal responsibilities. She urged the students not to perceive their academic years as a burden, but rather to embrace the opportunities available to them, explore their interests, develop their talents, and make the best use of this important phase of life.

Presiding over the inaugural ceremony, Rev. Dr. Praveen Martis SJ, Vice-Chancellor of St Aloysius University, highlighted the national character of Aloysian Fest 2026, noting that students had gathered from different states and districts to participate in the celebration. He warmly welcomed and greeted all the participating students and appreciated their enthusiasm and spirit of participation. He also drew inspiration from the journey of Ms. Anvitha Sagar, highlighting how hard work, determination, and a strong desire to accomplish one's goals require patience and perseverance. Her journey, he noted, serves as an encouragement to students to remain committed to their aspirations and patiently work towards achieving them.

Pro-vice chancellor Dr Melwyn D'Cunha SJ, fest coordinators Ms Jovita Carrol Soans, Mr Jeesu George, Dr Ambarish and Ms Nandini, along with student coordinators Mr Gagan S Shetty, Ms Suhani Bangera, Mr Arshish and Mr Dahlen Dias were present on the dais.

Ms Jovita Carrol Soans welcomed the gathering, and Mr Dahlen Dias rendered the vote of thanks. Ms Zenia compered the programme.

The fest concluded with a valedictory programme presided over by Rev Dr Melwyn D'Cunha SJ, Pro-Vice Chancellor of St Aloysius University. The chief guest, Dr Asha Abraham, Associate Professor, Department of Biotechnology, emphasized that participation is an achievement in itself. She encouraged the students to look beyond winning and losing, noting that while some participants may return with prizes and others with participation certificates, the true value lies in having the courage to step forward, showcase their talents, and actively take part in the events. She urged the students to value the experience, confidence, and memories gained through participation, which contribute significantly to their personal growth.

Ms Nandini welcomes the gathering, and Mr Gagan S Shetty proposed the vote of thanks, and Ms Mahalakshmi compered the programme.

The six fests – Kaltriveda (Cultural), Ark of Arts (Humanities), Saksham (Social Work), Udgam (Commerce), Quanta (Physical Sciences), and Synapse (Biological Sciences) – came together under the banner of Aloysian Fest 2026, providing a vibrant platform for undergraduate students to showcase their talents, creativity, knowledge, and skills. The combined celebration featured a diverse range of competitions and activities, fostering healthy competition, teamwork, cultural exchange, and meaningful interactions among students from various colleges.

The fest witnessed enthusiastic participation from undergraduate students representing various colleges, who competed in a range of cultural, literary, creative, and other events. The competitions provided opportunities for students to demonstrate their abilities, exchange ideas, and build meaningful connections.

Aloysian Fest-2026 served as a vibrant platform for undergraduate students to explore their potential, celebrate diversity, and create lasting memories through meaningful inter-collegiate engagement.

146 Years, One Enduring Mission

How St Aloysius is Shaping the University of Tomorrow

St Aloysius (Deemed to be University) has entered a new chapter in its enduring journey with the School of Engineering, bringing its long-standing tradition of values-based education into the rapidly evolving world of technology and innovation.

The School currently offers four B.Tech programmes: Computer Science and Engineering, Computer Science and Engineering with Artificial Intelligence and Machine Learning, Electronics and Communication Engineering, and Information Science and Engineering. In line with the interdisciplinary approach of the National Education Policy 2020, the programmes combine strong theoretical foundations with practical exposure and industry-oriented learning.

The four programmes address different dimensions of the technology landscape. Computer Science and Engineering provides a foundation in computing and software systems, while the AI and ML programme focuses on technologies transforming industry and society. Electronics and Communication Engineering covers communication systems, signal processing, VLSI and embedded systems, while Information Science and Engineering responds to the growing importance of information in a digital world.

Research is central to the School's approach, with more than 40 faculty members engaged in areas including artificial intelligence, deep learning, computer networks, cloud computing, natural language processing and image processing. The academic environment encourages students to explore emerging technologies while applying engineering knowledge to real-world challenges. Industry interaction is another important component, with curriculum development involving industry experts, alumni and academicians. Students are encouraged to develop critical thinking, problem-solving and team skills alongside technical competencies.

St Aloysius is committed to nurturing students in becoming global citizens, ready to lead in a world of rapid technological change. The School of Engineering is a platform for innovation, research and excellence, shaping the future of the university and the world.

FACULTY EXCELLENCE

Mr. Mohammed Siraj B., Assistant Professor Stage III, Department of Artificial Intelligence and Machine Learning, School of Engineering, St Aloysius (Deemed to be University), has successfully defended his Ph.D. final open viva-voce examination and has been awarded the Ph.D. degree in Computer Science & Engineering for his thesis titled "Parallel Deep Convolutional Neural Network Based

Mining of Agricultural Data for Quality Judgement and Identification of Defects in Plants" from Visvesvaraya Technological University (VTU), Belagavi. He was the recipient of the prestigious Maulana Azad National Fellowship (MANF) and completed his research tenure as both Junior Research Fellow (JRF) and Senior Research Fellow (SRF). He carried out his doctoral research under the guidance of Dr. Zahid Ahmed Ansari, Professor, Department of Computer Science & Engineering, P.A. College of Engineering, Mangaluru.

As part of the commemoration of National Nutrition Month 2026, **Dr. Daniella Anne L Chyne, HOD and Assistant Professor of the Department of Food Science, St. Aloysius (Deemed to be University) served as a resource person** and delivered a guest talk on

"beyond calories: Dietary Diversity and protein Adequacy" at the Father Muller College Hospital, Mangalore. The talk was aligned with this year's theme, "Hamari Anganwadi, Hamari Jimmedari." The session focused on the importance of moving beyond calorie adequacy towards dietary diversity and adequate, quality protein intake, with emphasis on their role in child growth, development and overall health. The relevance of locally available, nutrient-rich foods and community-based nutrition initiatives through Anganwadis was also highlighted. The programme was attended by students and faculty from Father Muller College of Nursing, the Department of Nutrition and Dietetics, Father Muller Medical College Hospital, the Department of Food Science, St. Aloysius (Deemed to be University), and St. Agnes College, Mangaluru. The session provided an opportunity for interdisciplinary learning and interaction and sensitised participants to practical approaches for promoting better nutrition, particularly among children and vulnerable communities.

On 2 September 2026, **Ms Sharolin Avil Menezes and Ms Aldrina A M were invited as guests for the inauguration of the Diploma Course at St Aloysius ITI. They delivered an insightful session on "Skill Enhancement", emphasising the importance of developing industry-relevant skills, continuous learning, and practical competencies for career**

growth. The speakers highlighted how skill development enhances employability and prepares students to meet the evolving demands of the professional world. They also encouraged students to make the best use of both academic and hands-on learning opportunities while continually upgrading their abilities. Around 70 students attended the programme. The session proved to be highly motivating, providing valuable guidance on career-oriented learning and the significance of lifelong skill development.

On 15 August 2026, **Ms Sharolin Avil Menezes, Dean of the School of Vocational Studies at St Aloysius Deemed to be University, Mangaluru, was felicitated by WIN Foundation / WiZdom Ed. at The Ocean Pearl, Mangaluru, as part of the Guru Vandana – Gnaa**

Adyapika Outstanding Women Award programme. The award was presented in recognition of her significant contribution to vocational education and student development. The appreciation letter highlighted her efforts in championing skill-based and industry-integrated learning across the B.Voc. programmes and her dedication to enhancing employability and innovation among students. The organisers also acknowledged her academic leadership, research contributions, and commitment to nurturing job-ready professionals and ethical leaders. The felicitation served as a recognition of her sustained contribution to the field of vocational education and her dedication to empowering students through skill-oriented learning. The honour was a significant achievement and a recognition of her continued efforts towards academic excellence, skill development, employability, and student growth.

Mr Arun M. Dsouza participated in the National Level Virtual Conference organised by the Institute of Education, IQAC, Srinivas University, on 01 August 2026, on the theme "Globalisation, Sustainability, and Ethics: Transforming Education for the Future." He presented a paper titled "Integrating Sustainable Practices in Sports Infrastructure: A Pathway to Greener Games," highlighting sustainable and environmentally responsible practices in sports infrastructure. The conference provided valuable academic exposure and contributed to his professional development in physical education and sports management.

Dr Ronald Nazareth, Registrar, St Aloysius (Deemed to be University), Mangaluru, was the Chief Guest at the Teachers' Day celebration held at St Joseph Engineering College, Mangaluru, on 5 September 2026.

Mr Arun M. Dsouza from Department of Physical Education and Sports Management, School of Vocational studies, attended and presented a research paper titled “A Comparative Analysis on the Mental-Toughness Among Basketball Players and Volleyball Players of St

Aloysius (Deemed to be University), Mangaluru” at SPOCON NextGenPE: Innovation, Inclusion and Impact, an International Conference on Sports organised by the Department of Physical Education, Christ University, Bengaluru, held from 04–05 September 2026. The conference provided valuable academic exposure and an opportunity to share research findings and gain insights into contemporary developments in sports and physical education.

Dr Glenson Toney, Assistant Dean, School of Engineering, St Aloysius (Deemed to be University), delivered a session for the newly admitted postgraduate students of Yenepoya Institute of Arts, Science, Commerce and Management (YIASCM), Yenepoya

(Deemed to be University), Mangaluru, during Navyarambh – PG Student Induction & Orientation Programme 2026, held on 7 September 2026 at the YMK Auditorium, Kulur Campus. He spoke about the changing recruitment landscape and emerging industry expectations, emphasising the importance of embracing Artificial Intelligence responsibly and effectively. He also presented a practical career roadmap for Master's students, highlighting the importance of active involvement in Clubs/Labs, meaningful Projects, Hackathons and Internships, supported by a strong online professional profile and a well-crafted resume.

On September 6, 2026, Rayan Fernandes, Assistant professor from the School of Law, St. Aloysius (Deemed to be University), Mangaluru served as the resource person for 'Jeevan Disha,' an empowering program organized by ICYM Pamboor. The event brought together members from both Young Catholic Students (YCS) and the Indian Catholic Youth Movement (ICYM) for an engaging interactive session. During the program, Fernandes addressed the critical challenges young people encounter today, offering practical strategies to overcome and navigate them effectively.
