COLLEGE DAY- 137

Annual Report 2016-17

INTRODUCTION

Shri V G Siddhartha, Founder and CEO of Café Coffee Day, Chief Guest of this 137th College Day celebrations, Rev Fr. Dionysius Vas SJ, the Rector, St. Aloysius Institutions and the President of this programme, Mr John Shera and Dr Nagalakshmi, the Conveners of this College Day, Fr. Pradeep Sequeira, SJ, Financial Administrator, Fr. Denzil Lobo, Administrator, AIMIT, Dr A M Narahari, Registrar, Vice Principals: Rev Fr Praveen Martis, SJ, Shri John Edward D'Silva; Fr William Marcel, SJ, Dr Alwyn D'Sa; Ms Michelle D Souza, President, Students' Council, Deans, Members of the Governing Body and the Academic Council, Reverend Fathers, Reverend Sisters, Members of SACAA, our Alumni, Staff Members, Parents, Invitees, Benefactors, members from the press and media, my dear students and ladies and gentlemen,

College Day is one great occasion to share our mission, celebrate our achievements, unveil the future programmes, and reaffirm our commitment for imparting quality education for all. At St Aloysius, every year brings in so much of freshness, so many new ideas emerge and new horizons are set-up. In our mission of serving the humankind, our faith in Almighty gets strengthened and we seek His blessings in all our endeavours.

The institution managed by the Jesuits, without deviating from its vision and mission, has selflessly served the society for the past 137 years. Generations of students who have passed through the portals of this great Institution have immensely contributed in all spheres of life and thus facilitating a social and economic transformation at the national and global level.

St. Aloysius College has achieved many milestones in the past 136 years and the legacy is carried on with new hopes and aspirations for the 137th year. Just as we are proud of our achievements, we set new bench-marks and boundaries every year in the quest for service and excellence. It gives a sense of fulfillment when the institution attains several distinctions and in turn its greatness.

The college emphasizes that its students cultivate a compassionate heart to reach out to the society. Education is both for formation and transformation. Our vision becomes a distant dream unless we move forward in building a humane and enlightened society. Our goal is to spread the message that we are one. We not only tolerate each other but accept each other. I am confident that we could contribute significantly for the formation of a peaceful and just society by educating young minds of the need for social amity which is the need of the hour.

OUR VISION AND MISSION

The Vision and Mission of the college are based on the motto of the college - 'Lucet et Ardet' which means 'Shine to Enkindle'.

Vision Statement: Empowering Youth through excellence in education to shape a better future for humankind.

Mission: St Aloysius Institutions of Mangalore Jesuit Educational Society, inspired by the person and the mission of Jesus Christ, and guided by the motto 'Lucet et Ardet' (shine to enkindle) commit

themselves to spread the light of knowledge and wisdom and to kindle the ardour of faith that does justice by forming men and women for others, who are academically accomplished, emotionally balanced, morally upright, socially responsible, ecologically sensitive and professionally dedicated, so that they are powerful force for the transformation of society.

PRESENT STATUS OF THE COLLEGE

- St. Aloysius College is an Autonomous College. The autonomous status was granted in 2007.

B.VOC. DDU KAUSHAL KENDRA

Director: Rev Dr Praveen Martis, SJ,

St. Aloysius College (Autonomous) Mangaluru, has been approved as “DDU KAUSHAL KENDRA”. 708 higher educational institutions including Universities had submitted the proposal for this unique scheme. St.Aloysius College is one among the 48 institutions approved by the UGC in the country.

The innovative scheme provides a great opportunity for those students who have been deprived of higher education in order to get skill-based, job-oriented degrees under the title “B.Voc” (Bachelor of Vocation). The uniqueness of the degree is such that it has multiple exit points with job opportunities at every stage. The course has been designed to provide skill with hands on experience by specifically defining the job roles and providing necessary skills for it. The course has 4 stages with 6 semesters.

Semester-1: Certificate Programme

Semester- 2: Diploma

Semester-3 & 4: Advanced Diploma

Semester-5 & 6: B.Voc Degree

Further they become eligible to pursue postgraduate studies like M.Voc and research oriented activities.

St. Aloysius College has been approved to take up 3 courses under the B.Voc programme namely:

1. Retail Management

2. Food Processing & Engineering

3. Pharmaceutical Chemistry

- These courses have been identified based on the skill-gap study and the job opportunities in Dakshina Kannada. The “Community College” Scheme has been sanctioned to the college with more than 200 students benefitting from less than two programmes: Computer Animation, Multi Media and Travel & Tourism.
- Instead of class room centered formal education, the students under the Kaushal Kendra learn through hands on experience and internships in various industries and business organizations. However 14 Companies/Business firms have signed MOU’s with the college for providing their expertise in administering the courses. The students also have maximum opportunity of getting absorbed in the firm where they have worked as interns. The students may also get stipend during their internship period.
- Students who have completed their Pre-University course may make use of this excellent opportunity. Those who have been already employed will have the chance to continue their studies with the facility of evening sessions.
- The General Public will be provided information about the courses and contact details. A nominal fee for the course may be charged.
- The college has achieved several distinctions in the last one year.
- College has been re-accredited by NAAC-3rd Cycle with “A” Grade-CGPA of 3.62 out of 4.
- UGC has re-recognized the college as “A College with Potential for Excellence”.
- Hansa-The Week research study has given 22nd rank as the “Best Science College” in the Country.
- DBT of Government of India has extended the “Star College” Scheme for enhancing basic facilities and encouraging basic sciences.

The main objectives of Kaushal Kendra are as follows:

- To create skilled manpower for the requirements of the industries at various levels. The Centre provides for vertical mobility from short term certificate courses to full-fledged post graduate degree programmes and further research in specialized areas. The courses would be planned/ designed to have provision of multiple entry and exit at various levels culminating up-to a research degree level. These shall also include courses which are offered under the Community College Scheme and B.Voc degree programme of UGC.

- To formulate courses at postgraduate level keeping in mind the need of
 - i) Industry in specialized areas
 - ii) Instructional design, curriculum design and contents in the areas of Skill Development
 - iii) Pedagogy, assessment for skill development education and training
 - iv) Trained faculty in the areas of skill development
 - v) Entrepreneurship.
- Work for coordination between the higher education system and industry to become a Centre of Excellence for skill development in specialized areas.
- Network with other such centers and universities and colleges imparting vocational education under the scheme of Community Colleges and B.Voc degree programme in their region and coordinate with them for targeted development of skill oriented education.
- Undertake R&D in the areas related to skill education & development, entrepreneurship, employability and labour market trends at the post-graduate and research level.
- Act as finishing school by providing supplementary modular training programmes so that a learner, irrespective of his/her training background is made ready for job with necessary work skills (Soft skills, Communication skills, ICT skills etc) and fill the gaps in the domain of skills measured against QPs/NOSs.
- Provide for Recognition of Prior Learning (RPL) framework for job roles at NSQF Level 4 onwards by conducting assessment and certification with respective Sector Skill Councils (SSCs) / Directorate General of Employment and Training (DGET).
- Maintain 'Labour Market Information' for respective regions in coordination with other government agencies and industry associations.
- Develop and aggregate curriculum, content and learning materials for skills development in different sectors.
- DDU Kaushal Kendra of St. Aloysius College imparts skill based education to drive this national agenda by developing skills and productive capacity of the rural youth from poor families.
- There are several challenges preventing India's rural poor from competing in the modern markets such as, lack of formal education and marketable skills. DDU Kaushal Kendra bridges this gap by funding training projects benchmarked to global standards with an emphasis on placement, retention, career progression and foreign placement.

Beneficiaries of the Programme:

According to Census 2011, India has 55 million potential workers between the age of 15 and 35 years in rural areas. At the same time, the world is expected to face a shortage of 57 million workers by 2020. This presents a historic opportunity for India to transform its demographic surplus into a demographic dividend.

The major Features of DDU Kaushal Kendra of St. Aloysius College Mangalore, are to enable poor and marginalized groups to access benefits, demand based skill training at no cost to the rural poor students, mandatory coverage of socially disadvantaged groups, shifting emphasis from training to career progression, providing incentives for job retention, career progression and foreign placement, greater support for placed candidates, post-placement support, migration support, alumni network, proactive approach to build placement partnerships, guaranteed placement for at least 75% trained candidates, enhancing the capacity of implementation partners, nurturing new training service providers and developing their skills.

Nearly 85 students have taken admission for B.Voc course for the year 2015-16 and also 122 students have taken admission for the year 2016-2017. Most of the students who have taken up the B.Voc programme belong to poor and socially disadvantaged groups (SC/ST 30%, Minority 20%, Rural Poor 5% and Women 33%).

Activities of students:

As a part of the skill development programme Seminars, Guest lecturers and Industrial visits have been organized by the Kaushal Kendra. The students have actively participated in all these programmes.

- The students of B.Voc department under the DDU Kaushal Kendra have been placed as interns (Practical Training) at Lifestyle and Big Bazaar. A number of students have been selected for this internship. The students have been placed in various departments such as, Apparels, Footwear, and Furniture. INSTITUTE OF KONKANI

Executive Director: Mr Edwin J.F. D'Souza

The Post Graduate Diploma in Konkani Studies (Distant Education) enjoys priority in the activities of the Konkani Institute.

Presently 73 Students (Both in Devnagari and Kannada) pursuing this Diploma Course.

A total of Rs.28,250=00 have been collected towards the fees

The answer paper submissions are meticulously evaluated by Edwin and Gopal: Marks Cards/ Diploma Certificates are issued to successful students.

Although we have not been able to conduct Contact Classes for our students, we offer a unique supportive system by mail/email/telephone and other means of communication to help our Students to solve their queries/problems/non-receipt of Notes etc and our service is not just restricted to Office hours. At times we guide them to come and refer our reference Library during Office hours.

Our Supportive Library has over 12,000 volumes on Konkani or subjects related to Konkani language and research. Every year, on an average, 11-14 newly bound volumes of periodicals are added to the library.

The continuous growth of this Library is attributed to the regular purchase of new publications in Konkani (in all the Konkani scripts); in many cases the writers/publishers/seller offer complimentary copies to the Institute which are received and acknowledged gratefully.

Upgrading of the Study Material for our PGDC

The following up - gradation to the study material is implemented from September 2016.

- Annual Certificate course in Aquaculture has trained 105 students in this academic year 2018-17.
- Organized hands on workshops/ Training programme such as
 - ‘Techniques in biological sciences’,for the PU Students of Dakshina Kannada and Udupi districts under the Star College Scheme of Department of Biotechnology, Government of India. 149 Students of 29 colleges and 12 teachers participated in the workshop.
 - **Herpetology:**to create awareness and interest in amphibians & reptiles and their significance in the ecosystem. Dr. Chennakeshava Murthy, Scientist C & Herpetologist Western Ghats Regional Centre (WGRC), Zoological Survey of India was the resource person
 - **Meditation classes:**A three month course on meditation, conducted by Mr. Farshad Nazaraghaei, Research Scholar, Department of human consciousness and yogic sciences, Mangalore University. The techniques used were Neuro psycho physiological impacts of ajapa japa yogic meditation on the

treatment of physiological stress and anxiety in comparison to F.G. meditation by using vilistus. 52 students completed the course.

Bioscience faculty get together:

- Regular meetings are held to discuss relevant academic issues.
- Get together to build social rapport.

DEPARTMENT OF POST GRADUATE STUDIES AND RESEARCH IN BIOTECHNOLOGY

New Programmes / Courses / Combinations / etc initiated during the year:

- Open elective course on Good Manufacturing Practice.
- Shortlisted for the BiSEP programme by the Government of Karnataka

Academic Conferences/workshops organised

- Launched a Series of Lectures sponsored by the Bartena Foundation, Sweden. Dr Alice Clare Augustine, Information Scientist - Vocabulary Management Lead at Amgen, Newbury Park, California Pharmaceuticals delivered a talk on Building Self and Entrepreneurship on 17 January, 2017. The talk was the first of the lectures under the Bartena Series.
- Organized a Webinar on October 19, 2016. Resource person: Ms Julie Jordan, Professional Lead, Sheffield University on the topic 'Research-based Pedagogical Tools'.
- Organised a Hands-on Workshop on Biodiversity and Natural Resources between 23 and 25 July, 2016. Resource persons – Dr TV Ramachandra and team, IISc, Center for Ecological Studies, Bengaluru.
- Organised a Lecture cum Demonstration Workshop on DNA Fingerprinting and PCR for the students and staff of SVS College, Bantwal on 15 March, 2016.

Details of Guest Lecturers organized

- Dr Vinita Cardoza spoke to the students on the New Trends in Plant Biotechnology on 4 January, 2017.
- Dr S.P. Muthukumar spoke to the students on 'Welfare of Animals for Human: WAH' on 12 December, 2016.
- Ms Snehal Rane and Mr Ainsley Antao, students of the Department between 2013-15 addressed the students on how to prepare for the industry.

Research Scholars:

SHAIESHMORAJKAR

Workshop attended

- Research Methodology For New Research Scholars held during March 4-5, 2016 Mangalore University, Mangalagangothri.
- Presented a paper titled "Carbon sequestering potential and tree diversity study of 136 years old campus of St Aloysius College, Mangalore" at LAKE 2016: International Conference on "Conservation and Sustainable Management of Ecologically Sensitive Regions in Western Ghats" jointly organized by Centre for Ecological Sciences-IISc, Bengaluru and Alva's College Moodabidri and Alva's Institute of Engineering and Technology Moodabidri during December 28 to 31, 2016.

Ms Sudha Sajeew

- Completed PCS and submitted Ph.D thesis for evaluation.

ALIFHA SEVERES

- Awarded the "Sahyadri Young Ecologist Award" for best paper presentation in Research Scholar category. She presented a paper titled "Distribution study of freshwater microalgae in water bodies of Dakshina Kannada" presented at LAKE 2016: International Conference on "Conservation and Sustainable Management of Ecologically Sensitive Regions in Western Ghats" jointly organized by Centre for Ecological Sciences-IISc, Bengaluru and Alva's College Moodabidri and Alva's Institute of Engineering and Technology Moodabidri during December 28 to 31, 2016
- Attended the National Conference on Biodiversity, Biology and Biotechnology of Algae on 9 and 10 January, 2017 at the University of Madras, Chennai. Ms Alifha Severes presented a poster titled "Freshwater microalgal diversity of the coastal region of Dakshina Kannada, Karnataka" and won the Best Poster award (Dr T V Desikachary Memorial Award) for the same.

- Presented a paper titled ‘Screening of local algal isolates for their potential as biofuel resources’ at the 12 workshop on Cyanobacteria, Arizona State University, Tempe, Arizona, USA, 19 – 22nd May, 2016.

RAMYA P.V.

Workshop attended

- Research methodology for new research scholars held during March 4-5, 2016 Mangalore University, Mangalagangothri.

Seminar/conference attended

- National Seminar on “inter-disciplinary Research: Challenges and Opportunities” organised by Association of British Scholars at Mangalore University, Mangalagangothri on October 18, 2016.
- LAKE 2016: International Conference on “Conservation and Sustainable Management of Ecologically Sensitive Regions in Western Ghats” jointly organized by Centre for Ecological Sciences-IISc, Bengaluru and Alva’s college Moodabidri and Alva’s Institute of Engineering and Technology Moodabidri during December 28 to 31, 2016.

Paper presentation

- Ramya P V and Smitha Hegde. “Development of Sustainable Model for Horticultural Crops in Urban Environment” presented at LAKE 2016: International Conference on “Conservation and Sustainable Management of Ecologically Sensitive Regions in Western Ghats” jointly organized by Centre for Ecological Sciences-IISc, Bengaluru and Alva’s College Moodabidri and Alva’s Institute of Engineering and Technology Moodabidri during December 28 to 31, 2016

Awards: Won Best Poster presentation for Paper presented “DESIGN OF PRIMER FOR THYROTROPIN RELEASING HORMONE OF MUS MUSCULUS C57BL/6J FOR QRT-PCR” at International conference on Advanced IT, Engineering and Management ‘SACAIM 2016’, St Aloysius College, AIMIT, Mangaluru.

SREEJESH PC

- Attended the National Conference on Natural Bioactive Compounds and Potential Effects on Health held at St Aloysius College (Autonomous), Mangalore on 27 January, 2017.
- Analytical solutions for today’s science organized by Agilent India at the Gateway Hotel, Mangalore on 8th Feb 2017.

SANTHOSH GOVEAS

Paper presentation

- Santhosh W Goveas and Asha Abraham, In Vitro cytotoxic activity of *Cosciniumfenestratum* stem extract against human breast adenocarcinoma cell line (MCF-7) at the National Conference on Natural Bioactive compounds and Potential effects on Health jointly organized by Dept of Botany and Dept of PG Studies and Research in Biochemistry at St Aloysius College (Autonomous), Mangalore on 27th January 2017. ORAL presentation

MELWYN SEQUEIRA

- Attended an International Conference on ‘Gut Microbiome 2016 – an International Perspective’ held at Manipal University, Manipal on 21 and 22 October, 2016.
- Attended a training workshop on Principles of Biosafety, Biosecurity and Lab Quality’ on 28 May, 2016 at Manipal University, Manipal.

SUSHMA PATRAO

- Attended the National Conference on Natural Bioactive Compounds and Potential Effects on Health held at St Aloysius College (Autonomous), Mangalore on 27 January, 2017.
- Attended a seminar on Radiation Biology at St Aloysius College (Autonomous) on September, 20, 2017.

New initiatives of the Department during the year :

International Collaboration

- Dr Smitha Hegde has been invited as a Visiting Associate Professor by the Department of Material and Life Sciences, Sophia University, Japan. The visit is scheduled for July 1 to August 31, 2017.

Interdepartmental Collaboration

- Preparation of Fish Protein Hydrolysate having Bioactive Properties and its use in Food Formulations. Dr Mamatha B.S.(PI) and Dr Asha Abraham (CI). DST-SERB - Young Scientists Rs.23, 53,999/- (2016-2019).

InterInstitutional Collaboration

- Ms Neena Roy and Ms Swarnalatha BN are carrying out real time PCR work at College of Fisheries, Mangalore under guidance of Dr Rajesh.
- Dr Asha Abraham is carrying out a major research project by with grants from BRNS in collaboration with The Centre for Application of Radioisotopes and Radiation Technology (CARRT), Mangalore University. Dr Bhaskar Shenoy from the Dept of Applied Zoology is the Co investigator

Consultancy of the Department

- Mr Nikhil Shriyan, PhD research Scholar at the Department of Chemistry will be carrying out research work related to antimicrobial action of certain synthesized molecules in the Department under the guidance of Ms Sushma Patrao.
- A team of students from the Department of Civil Engineering, St Joseph Engineering College, Vamanjoor will be carrying out their project work related to synthesis of bioconcrete in the Department under the guidance of Ms Sushma Patrao.

Details of Campus Placements

- Navya Biologicals, Hubli conducted a Campus Interview for the students of Life Science on 5 November, 2016.
- Students attended the Aloysius Job Fair at AIMIT, Beeri on 4 February, 2017.
- Sahana of the II year has been selected in the Sales and Marketing Division at Bright HR Solutions and Services, Mangaluru and Apotech.
- Sahana of the II year has been selected for the post of Assistant Manager at Kotak Mahindra Bank.

Details of Infrastructure facilities/ Equipment added to the Department. Confocal microscope, spectrophotometer and liquid dispenser were generously gifted to the Department by Monsanto Research Centre, Bangalore.

Student Activities

- Diksha Savaikar, Sujal Bukkam and Kirtani Palekar presented a poster titled 'Phytochemical Analysis of Native Plants found in Goa' on 22 February, 2017 during the National Seminar on 'Ethno Science – Implications and its Applications' at Nehru Memorial College, Sullia. The poster was awarded the BEST POSTER in the student category
- Ronali M and Meghana of first year presented a paper titled 'Proximate Analysis and Functional Properties of seeds of Cucumis maderaspatensis' at Parichay 2017 – Challenges in Biotechnology from the Future Perspective at NMAM Institute of Technology, Nitte.
- Vijayalakshmi G and Jinisha K presented a poster titled 'Preliminary Studies on Anti-Angiogenic Potential of Microbial Extracts *in vivo*' at the One Day National Conference on Current trends in Drug Discovery, Design and Development at Alva's College, Moodabidri.
- Diksha Savaikar, Sujal Bukkam and Kirtani Palekar presented a poster titled "Phytochemical Analysis of Native Plants found in Goa" on 27 and 28 February, 2017 at the international Conference – Green Chemistry and Nanotechnology – Opportunities and Challenges at St Aloysius College (Autonomous), Mangalore.
- St Aloysius College management merit scholarship – Shreevidya and Kavanashree were awarded the Scholarship on 23-2-2017.
- Students of I M.Sc attended the Science Day Programme at Pilikula Research Centre on 28 February and presented models on the following themes: cell organelles, synthetic seeds, bacterial growth in media, *Drosophila*.
- Students participated in Analyst 2017, an intercollegiate fest conducted by the Department of Post Graduate Chemistry on 10 February, 2017.

Others: The Animal House Inspection was held on 12 December, 2016.

POST GRADUATE DEPARTMENT OF STUDIES AND RESEARCH IN BUSINESS MANAGEMENT (MBA)

2nd INTERNATIONAL CONFERENCE

•Organized the 2nd International Conference with the theme 'Management in the 21st Century – Issues, Challenges and the Road Ahead'. The Conference received more than 75 papers from seven different countries. The event was inaugurated on 21st March 2016 at 9:30 AM in the Arthur Sheno Memorial Auditorium, at Aloysius Institute of Management and Information Technology (AIMIT). Delegates from various parts of India as well as international delegates participated in the deliberations. The Conference saw participation from countries like Canada, Australia, Malaysia, the Middle East and Tanzania. The day long deliberations saw more than 75 research papers being presented by delegates in four parallel sessions with relevant comments and suggestions from both co delegates and the session chair.

FACULTY DEVELOPMENT PROGRAM ON MULTIVARIATE DATA ANALYSIS was organised by the MBA department on September 13, 2016 for research Scholars, Academicians and Industrialists with the view to develop the analytical skills of the participants in tackling current day research oriented problems.

The resource persons for the workshop were Dr. Benny J Godwin and Prof. Sumitha Achar. The One Day programme was attended by more than 50 participants from in and around Karnataka.

JOY OF GIVING (JOG) WEEK – DAAN UTSAV OCTOBER 3 – 9, 2016

As a fundraiser for Daan Utsav, the JOG Team combined their resources and skills to put up sale of sandwiches, burgers, Chaats, Gulab Jamun, Cold Coffee and mocktails on various days. They invested their time to prepare it by themselves, while generous students contributed wholeheartedly towards the ingredients. The creative hands joined together to prepare bookmarks and auctioned them to art lovers in the campus. The JOG Instagram team put up a studio to help people treasure memories of Daan Utsav. The Smiley team sold the JOG smileys to every kind heart. Otherwise just Management Students, one could see Chefs, Artists, and Photographers emerging from nowhere. The tremors of enthusiasm had gripped the student community to move out into service. The funds raised through various activities were distributed over the weekend on various acts of giving, sharing and caring.

Visit to Infant Mary School for Orphans & Poor Children, Jeppu, Mangaluru–Oct.7, 2016

Team JOG kicked off their mission, with the visit to Infant Mary School run by the Sisters of Charity at Jeppu. The School caters to the 115 children, most of whom are orphans and a few other children of construction labourers

Co-workers' Day: An evening with our own helpers at AIMIT, Oct 7, 2016

While two teams of JOG were spreading the Joy of Giving in the City, the third team facilitated the 'Thank You Program' for our co-workers at AIMIT in the MDP Centre. The team took great care to personally escort our gardeners, hostel-caretakers, watchmen, librarians and housekeeping staff who give round the clock to make sure we have our joy. The Team organised fun and entertainment in a warm gesture to create happy memories for our co-workers. We presented each of our helpers at the Campus with a token of gratitude, thanking them for all that they do with a smile on their face.

An evening with the inmates of Paschim Rehab Centre, Someshwar, Oct 9, 2016

On Sunday, Team JOG set out on their Daan Utsav mission to Paschim Rehab Centre at Someshwar, Mangaluru. The centre caters to senior citizens and differently-able people with 65 inmates. It took some time for the volunteers to break the ice, as it was a different set up, but not for too long. As every volunteer took initiative to acquaint themselves with two of the inmates each, in no time, we had a family in place. The team sang, danced and ate with them; one could sense the atmosphere of cordial exchanges. The smile and happiness on those grand old faces were our treasured memories.

- d. All 46 students conducted 6 weeks student projects in reputed Institutes and Industries.
- e. Dr. Jyothi Rao and Dr. Divya Shetty attended a two day National conference 'Chemistry for sustainable future' held at SDM College Ujire on 27th and 28th Jan 2017.
- f. Ms. Dimple Pinto attended a two day National workshop on ' Microscale experiments and ICT in Chemistry' organised by St. Agnes College on 30th and 31st Jan 2017.
- g. Our students won first place in March Past, Overall championship in sports, during Annual college sports day competitions held at SAC on 15th Dec 2016.
- o. 5 students attended a three day workshop on 'Instrumental Techniques, Maintenance and Servicing of Analytical and Laboratory Instruments' organised by WRIC, Mumbai held on 19th -21st Jan 2017 in St. Aloysius College, Mangalore

DR RICHARD GONSALVES : Associate Professor and HOD

Additional Responsibilities:

- Director, St. Aloysius Advanced Research centre
- Governing Body Member, St. Aloysius College
- Coordinator, Staff Development Programme
- Coordinator, Student Retreat
- Member of the BoS of PG department of Chemistry, SDM College, Ujire.
- Secretary of St. Aloysius Teachers Credit cooperative society.

Research Project:

- One Major project applied to SERB

Publications:

- The growth of DK as a higher educational center after Independence in A Journal Published by St. Aloysius College titled 'DK after 1947-some reflections', ISBN # 978-93-5235-191-6(202-212).
- Building a value conscious campus through extension services in a journal published by Christ University, Bengaluru titled 'Catholic Higher Education in India' - Rethinking, Purpose and Context. ISBN # 978-93-82305-94-1 (276-284).

Books Published

- I PU and II PU text books in Chemistry(New Ed), CET Book in Chemistry(New Ed)

Resource Person

- Gave a talk on green chemistry at a National Seminar 'Eco-Friendly Technology and its Application for Rural Environment' organised by Vimal Jyothi Engg College, Kannur on 12th & 13th May 2016.
- Resource person for PU Chemistry teachers of DK at Ramakunja PU College, Kalladka.
- Resource person for PU teachers of Chemistry of 5 districts held at Alva's college Moodubidri.
- Resource person for one day UGC sponsored workshop for high teachers of Bantwal Taluk organised by SVS College, Bantwal.
- Resource person for teachers training at MG PU College, Bondel.
- Conducted ChemMagic for the students of Chemalgam association of St. Aloysius College.
- Participated in the national congress of JAAI held at Ranchi on 26th to 29th Jan 2017.

Participation as Resource Delegate:

- Participated in a three day national congress of JAAI held in Ranchi during 26th -29th Jan 2017.

Research Guide:

- Janice Jean Goveas, 'Synthesis, Characterisation and Applications of mixed metal oxide nano particles'.

- Deepa Vasanth, ' Synthesis, Characterisation and biological studies on heterocyclic compounds and their metal complexes'
- Santhosha S, 'Synthesis, Characterisation and biological studies on heterocyclic compounds and their metal complexes'

Chief Guest:

- Chief Guest, TTI, St. Aloysius College, Teachers day Programme
- Chief Guest, St. Aloysius Primary School, Cultural Fest.

Consultancy:

- Tested water samples of the St. Aloysius college Swimming pool.

Positions held outside the College:

- President of SACAA.
- Karnataka Representative for National Governing Council of JAAI.
- Vice-President, JAAI

DR RONALD NAZARETH, Associate Professor

Positions held: Coordinator Star College Scheme

Minor Research Programme: Minor research Project entitled Electrochemical Investigation on The Corrosion of Maraging Steel in Acid Medium – Functionalised Nanoparticles As Corrosion Inhibitors. Funded by UGC in May 2016. Amount sanctioned : 4,90,000 Amount received : Rs 3,70,000

Research Publication :

- Electrochemical, SEM/EDX study of 3-Ethyl-4-amino-5-mercapto-1,2,4- triazole as inhibitor for corrosion of 6061 Al-15 vol. Pct. SiC(p) composite and its base alloy in sulphuric acid medium, Journal of Chemical and Pharmaceutical Research, 4, 84-106 (2016)
- Green synthesis and characterization of zinc oxide nanoparticles Journal of Chemical and Pharmaceutical Research, 6, 427-432 (2016)

Books Published:

- Text book for I PUC students of Karnataka state board
- Text book for II PUC students of Karnataka state board
- CET Chemistry tutor for II PUC students of Karnataka state board

Conferences:

- Green Synthesis, Characterisation And Antimicrobial Study Of Zno Nanoparticles at international conference on Green Chemistry and Nanotechnology
- Spectrophotometric determination of Iron (II) using 1,2-dihydroxybenzene at international conference on Green Chemistry and Nanotechnology
- Synthesis and characterisation of functionalised Silica nanoparticles international conference on Green Chemistry and Nanotechnology

Resource Person:

- Resource person for the Pre University chemistry lecturers of DK, Udupi, Hassan, Chickmagalore districts on techniques in chemistry teaching at the Pre University level
- Resource person for the National workshop on Microscale Chemistry and ICT in Chemistry at St Agnes College Mangalore
- Resource person for the seminar on Journey towards “Excellence – The Star College Scheme” – at Star College Mangalore

Faculty Development Programmes :

- Participated in National WORKSHOP ON CORROSION AND ITS CONTROL from June 30 & July 1 2016 at PSGR Krishnammal College for Women, Coimbatore

- Participated in International seminar on Green chemistry at Loyola Academy Hyderabad

Guest Lecture Given on Invitation

- Guest Lecture on Electronic Spectroscopy of Coordination compounds at St Agnes College Mangalore
- Guest Lecture on Thermodynamics and Electrochemistry in metallurgy at St Agnes College Mangalore

Details of Guideship :

- Racheael Natash Mary, enrolled for PhD under Tumkur University
- Nandini Shet, enrolled for PhD under Tumkur University

Members of Academic Bodies : Indian examiner for the PhD viva examination at Barathiyar University, Coimbatore and Bharathidasan University Coimbatore

Chief Guest :

- Chief Guest for the Annual Day celebration at St Aloysius Primary School
- Guest of Honor at the national seminar on Physics of musical Instruments at St Aloysius College, Mangalore
- Guest of Honor at the National Conference on Natural Bioactive compounds and Potential Effects on Health St Aloysius College, Mangalore
- Chief Guest at the workshop on Herpetology organized by the department of Zoology, St Aloysius College Mangalore

Any other matter:

- Represented the College at the 5th Expert Committee Meeting to review ongoing colleges supported under Star College Scheme held on 23 - 24 Aug 2016 in which "The Members appreciated excellent progress made by the college and Committee recommended upgradation to "Star Status"

REV. DR PRAVEEN MARTIS SJ, Associate Professor

Additional Responsibilities:

- Vice Principal of LCRI
- Director, DDU Kaushal Kendra
- Campus Minister
- Governing Body Member, St. Aloysius College

Research:

- Research visit in the University of Namur from May 20th to June 30th, 2016
- Research visit in the University of Namur from November 9th to November 22nd, 2016

Publications:

- Amperometric sensor based on multi-walled carbon nanotube and poly (Bromocresol purple) modified carbon paste electrode for the sensitive determination of L-tyrosine in food and biological samples, *Journal of Electroanalytical Chemistry*, 778, 2016, 32

Paper Presentation:

- Presented a research paper in the International conference held in Loyola Academy College, Hyderabad On 20th and 21st January, 2017

Resource Delegate

- Participated in a three day national level conference of the Principals in Bangalore in the month of November from 4th to 6th, 2017.

MRS DEEPA VASANTH K, Lecturer

Additional Responsibilities:

- Student welfare officer
- Guided two students for project work

Research:

- Registered for PhD under Tumkur University

Guest Lecture:

- "Analytical Chemistry" for the students of pharmaceutical Chemistry (BVoc), St Aloysius college Mangaluru.

MRS. ANUPAMA MALLYA, Lecturer

Research: Registered for PhD under VTU

DR. JYOTHI RAO, Assistant professor

Research Project: One minor research projects completed

- One major project applied to SERB

Publications:

- Synthesis and Antimicrobial Studies of some new thiazepine derivatives *International journal of emerging Trends in Science and Technology* 2016 ,(3) 3964-3967
- Solvent free microwave Assisted synthesis of some Novel pyrimidinones / thiones and their biological studies *Der Chemica Sinica* , 2016, 7(3) ,38-42

Paper Presentation:

- Synthesis of pyrazole derivative by Vilsmeier Haack Reaction in the National seminar on optical methods in chemical analysis held in Jan 2016.

Resource Delegate:

- Attended national level seminar held at SDM College Ujire on 27th & 28th February 2017

Research:

- Applied for guideship to Mangalore University

Additional responsibility:

- Guided two MSc Students for their project work

MS DIMPLE MERESSA PINTO, Lecturer

Additional Responsibilities:

- Exam Squad for PG Examinations

Research:

- Registered for PhD under VTU, Belgaum (Completed Pre-Comprehensive Viva-Voce Examination)

Workshop:

- Attended National workshop on "Microscale Experiments and ICT in chemistry" at St Agnes College, Mangaluru.

Resource Person:

- Resource person for the degree students orientation program for 6 sessions at St Aloysius College, Mangaluru.
- Resource person for the MSW students orientation program at St Aloysius College, Mangaluru.

Guest Lecture:

- "Analytical Chemistry" for the students of pharmaceutical Chemistry (BVoc), St Aloysius college Mangaluru.
- "Personality development and soft skills" for the students of BVoc, St Aloysius college Mangaluru.

Additional Responsibilities:

- Choir in-charge for the National Youth Convention 2017 valedictory ceremony held at St Aloysius College Mangaluru
- Designed the PG College Hand-book for the year 2016-17.

DR. DIVYA N.SHETTY: Assistant Professor

Additional Responsibilities:

President of Subject association ALCHEMY

- Judge for IMPRINTS model competition held on 2/02/2017.
- Judge for ASTITVA Allrounder held on 3/02/2017
- Guided two MSc Students for their project work

Research:

- Completed Minor Research project Titled Microwave synthesis of heterocyclic compounds containing Oxygen and sulphur atoms- Sanctioned by UGC.
- Applied for guideship to Mangalore University

DR JOHN DEEPAK DSOUZA, Assistant Professor

Research:

- Submitted the research project on “ Synthesis And Characterization Of Some 1,4-Substituted 1,2,3-Triazoles By Using Green Chemistry Methods” funded by UGC. Amount Sanctioned : Rs. 1,90,000 and Grant Received : Rs. 1,75,000
- Applied for Guideship to Mangalore University

Paper Presentation:

- Presented a paper titled ' Synthesis and Characterization of some 1,4-substituted 1,2,3-Triazoles using green chemistry methods for their Androgen Receptor Antagonist Activities' at the two day National Conference 'Chemistry for Sustainable Future (NCCSF 2017) held at SDM College(Autonomous), Ujire on 27th and 28th January 2017.
- Poster Presentation of the Minor Research Project Work at the National Conference held at SDM College, Ujire

Additional Responsibilities:

- Chief Co-Ordinator for PG Exams for the Year 2016-17

DR VALEEN RASHMI PEREIRA , Lecturer

Qualification Improvement:Awarded PhD on 12 November 2016 from NITK, Surathkal.

Paper Publications:

Consultancy offered:Tested water samples of the St. Aloysius college Swimming pool.

POST GRADUATE DEPT OF STUDIES AND RESEARCH IN COMMERCE (M.COM)

Guest Lectures organised :

- Mr Gerald D'Souza on the topic "Positive Thinking" on 18-08-2016 -120 participants.
- Mr Anup Rebelloon the topic "Preparation for the Corporate World" on 09-09-2016 -120 participants.
- Mr Ashok Vardhan on the topic "Importance of Environmental Conservation" on 13-01-2017 -120 participants.
- Mr Hisrar Tallani on the topic "Motivational Talk on Belief Systems" on 03-02-2017 -120 participants.

Details of Fests organized by the department

Eminence – 2K17: Don't limit your challenges... Challenge your limit held on 03-03-2017.

Study tours Industrial visits organized.

The II M.Com students went on an industrial tour to Mumbai, Pune & Lonavala from 21-11-2016 to 25-11-2016, where they visited the SEBI and NSE Offices and Katraj Diary as part of the Study tour, as well as the Agakhan Palace and Rajiv Gandhi Zoological Park & Research Centre, Katraj.

Department journals / Newsletters : Newsletter titled "Corporate Wave".

Details of Campus Placements

Five students of II M.com have been placed through campus recruitment held at St. Aloysius Institute of Management and Technology (AIMIT), Mangalore. They are:

- Natasha at Grant Thornton (GT).
- Salome Lobo & Haritha Girish at IBM interview.
- Pooja Shetty & Niveditha Gowda at HSBC.
- Salome Lobo at Goan Institute for Communicative English.

Details of students support mechanism

NET coaching -28 classes held-60 students attend the classes.

New Initiatives of the Department for the Next Year

- Certificate Course in SAP and Human Resource

MS JENNIFER MARIA QUADRAS, Lecturer

Additional Responsibilities:

- President of SACMAC Association
- Convener of the Inter-collegiate fest for M.com students 'EMINENCE-2K17'organised by the Department of P.G Studies & Research in Commerce

Research Project:

- Completed a Minor Research Project on the topic "Socio Economic Study of Hotel and Restaurant workers in Dakshina Kannada District"

MRS MARIA RODRIGUES, Assistant Professor

- Pursuing research studies in Commerce

Research Projects : Ongoing UGC Funded Minor Research project on the topic "Socio Economic Impact of Financial Inclusion on BPL Households in Mangaluru".

- Published Paper in the conference proceedings of the seminar held at Canara College 2016, titled "Financial Inclusion through Micro finance: A tool in the fight against poverty".

MS DESHEL LEVINES FERNANDES, Lecturer of commerce

Qualification Improvement : M.B.A in Human Resource Management

- Presented a paper : National Level Seminar held at Milagres College, Kallianpur. Title : Empowering Rural India through Financial Inclusion.
- Attended a workshop held at St.Joseph Engineering College, Vamanjoor on Case Developing and Publishing

Mr Radhakrishna Nayak, Asst. prof. PG Dept of Commerce

DEPARTMENT OF POST GRADUATE STUDIES AND RESEARCH IN MATHEMATICS

Guest Lecturers organized :

○ Topic: 'Graphs & Games', Resource person: Dr Joseph Varghese, Associate Professor, Department of Mathematics, Christ University, Bengaluru. , August 10th 2016, Time: 10.30am , Number of participants: 132

○ 'Fluid Mechanics & its Applications' ,Resource person: Dr. Ravisha M, Assistant Professor, Department of Mathematics , Dr. G Shankar Government Women's First Grade College and Postgraduate Study Centre, Udupi, December 6, 2016. Number of participants: 73

Topic: 'Immensity of Mathematics', Resource person: Dr. Gireesha B J, Assistant Professor, Dept of PG Studies & Research in Mathematics , Kuvempu University, Shimoga, Date: December 13, 2016., Number of participants: 74

Details of Fests organised

UG level intercollegiate competition MATH FEST-2016 on 10th August 2016, on behalf of the birth memorial celebration of Prof. K.A. Krishnamurthy, an eminent professor of Mathematics who served the institution for more than four decades. This programme was supported by STAR COLLEGE SCHEME, Physics Department.

The following competitions were held: **Prameya** -mathematical quiz, **Nidhila**- treasure hunt, **Vinyasa**- math model presentation, **Chittara**- math painting, **Bodhana** - math lecture and **Aril**- the Star of Mathematics, in the afternoon session. A team of 6 students each from 11 under graduate colleges had taken part. The Overall Championship was backed by SDM College, Ujire and the Runners up were Alva's College, Moodabidri.

New initiatives of the Department during the year

Departmental Library has been set up under the support of National Board for Higher Mathematics

Details of Extension activities organized by the Department.

The students of the department accompanied by Ms Diana Laveena D'Souza, celebrated Christmas on 16th of December, 2016 with the specially gifted children at St. Agnes Special School at Bendore. Starting with prayer song, the students of the department shared their joy with the special kids through creative math, dance and Christmas play along with the carols for about an hour in the morning from 10 to 11 am.

Students also shared their Christmas joy with the "Sashay" old age home inmates at Kankanady, by sharing their might in the form of coconuts, rice, sugar, soap, oil and other needy things to the 21 inmates who were in need of love and merciful touch.

Details of Campus Placements Mr Prithvi Biradar, II M.Sc. Mathematics has been selected for teaching by the Goan Institute of Communicative English (GICE)

Details of students support mechanism

- Student faculty programme under which students conduct classes for B.Sc. students under the supervision of two staff members in order to enhance teaching skills.No of beneficiaries -7
- Competitive exam coaching for NET/K SET & Bank Exams

- Certificate course in 'Introduction to LaTeX' and 'MATHEMATICA Programming-an advanced introduction' No of beneficiaries: 32

MRS ANUPRIYA SHETTY, Assistant Professor

Additional Responsibilities:

- Coordinator of the Department
- Member of Examination Reforms Committee
- Joint Secretary for the St Aloysius College Staff Association

Paper Presentation:

- Presented a paper entitled 'The Unique Metro Domination Number of the Corona Product $C_n \odot C_3$ ' in the UGC sponsored two days National Conference on 'Energy of Graphs(NCEG-2016)', held at B N Bahadur Institute of Management Sciences, Mysuru, organized by Department of Mathematics, Maharani's Science College for Women, Mysuru in association with Department of Studies in Mathematics, University of Mysore, Mysuru on 11th & 12th March 2016 .

MRS SUMA DEVI .P. G, Assistant Professor

Additional Responsibilities:

- Member of CASH (Committee Against Sexual Harassment)
- President of MATRIX Association

Participation:

- Attended workshop on MATHEMATICA organized by Manipal University on 3rd May 2016.
- Attended workshop on FAST TRACK RESEARCH IN TOPOLOGY organized by the Department of Mathematics St. Aloysius College on 16th and 17th September 2016.
- Attended National Seminar on " Glimpses of Analysis and Geometry " organized by the Department of Mathematics , Government college , Kasaragod on 1st and 2nd December 2016.

MS REKHA DIANA PAIS,Assistant Professor

Additional Responsibilities:

- Member of SAC campus recruitment committee
- Member of BOS and BOE

Qualification Improvement:

- Qualified the Karnataka State Eligibility Test (K-SET) for Lecturer/Assistant Professorship

Participation:

- Attended one day workshop on MATHEMATICA held on 3rd May, 2016 at Manipal Institute of Technology, Manipal.
- Participated in the International Conference on Discrete Mathematics-2016 (ICDM-2016) and Graph Theory Day-XII organised at Siddaganga Institute of Technology, Tumakuru during June 9-11, 2016.
- Attended and successfully completed FAST TRACK RESEARCH WORKSHOP IN TOPOLOGY organized by the dept of Mathematics, St Aloysius College, Mangalore, on 16-17 sept 2016.

MS RASHMI NAIK J, Lecturer

Additional Responsibilities:

- Member of SAC campus recruitment committee

Participation :

- Attended one day workshop on MATHEMATICA held on 3rd May, 2016 at Manipal Institute of Technology, Manipal.
- Participated in the International Conference on Discrete Mathematics-2016 (ICDM-2016) and Graph Theory Day-XII organised at Siddaganga Institute of Technology, Tumakuru during June 9-11, 2016.

• Attended and successfully completed FAST TRACK RESEARCH WORKSHOP IN TOPOLOGY organized by the dept of Mathematics, St Aloysius College, Mangalore, on 16-17 sept 2016.

MS DIANA LAVEENA D'SOUZA , Lecturer

Participation:

- Attended workshop on “**Mathematica**” by wolfram technology held in 3rd May 2016 Manipal University.
- Attended Seminar on “**Fast track on Topology**” held in 17th September 2016 at St. Aloysius College, Mangalore.

DEPARTMENT OF POST GRADUATE STUDIES AND RESEARCH IN PHYSICS

Academic Conferences/workshops organised : Seminar on 'Applications of Radiation Technology', National Level, Starr College, one day, 20 September 2016, 400

Guest Lecturers organized

- 'Ultrafast Optics' , G. Umesh G. Professor , NITK, Suratkal, 12, August 2016, 3.30 pm, No. of participants 60
- 'Let there be Light', Mr Anthony Augustine, an Engineer who developed lot of lighting technologies, 18th March, 2016 for the post graduate students of Biotechnology, Biochemistry and Physics , **No. of participants : 145**

Study tours Industrial visits organized

27, November 2016 to 2, December 2016 , 05 days, Bhabha Atomic Reserch Centre, Mumbai and Tata Institute of Fundamental Research Mumbai, **No. of participants : 27**

Other matter.

Al_solarium (Observatory activity) : Transit of mercury observed at St Aloysius College, Mangaluru, 9th May 2016 at 4.40 pm on the top of 9th floor of Xavier block, near the Obervatory: Al-Solarium.

Seminar on Applications of Radiation Technology

The department of Post Graduate Studies in Physics and Research organized one day seminar on 'Applications of Radiation Technology', on September 20, 2016 at Fr L.F Rasquinha Hall, LCRI, in association with Bhabha Atomic Research Centre (BARC), Mumbai. The following scientists from BARC gave lectures on various applications of nuclear energy in diverse fields like biology, medicine, plants, agriculture and food processing, water security, industrial and societal applications.

- Dr. R. R. S. Yadav, Former, Director, Reactor Projects Group and Director Engg. Services,
- Dr. K. B. Sainis, Former Director, Biomedical Group,
- Dr. Gursharan Singh, Former, Associate Director, Radiochemistry and Isotope Group,
- Dr. S. F. D'Souza, Former Associate Director, Biomedical Group,
- Dr. P. K. Tewari, Former Associate Director, Chemical Technology Group.

The seminar concluded with a panel discussion and interaction with the students. The post graduate students of Physics, Chemistry, Analytical Chemistry, Biotechnology, Biochemistry and Food Science and technology participated in the seminar.

Departmental Activity

III Semester students went to educational tour to Mumbai between 27, November 2016 to 2, December 2016. During their visit they visited Bhabha Atomic Research Centre (BARC), where students had opportunity to see 'Dhruva' reactor, Super computer, remote handling and robotic centre and food technology and irradiation facility. Students also visited Tata Institute of Fundament research (TIFR) and observed 14 UD Pelletron facility. Dr Rita Crasta and Mr Prashobh Warriar accompanied the students.

Refresher Course:

- Attended 21 days refresher course in Physics at Talent Development Centre, I. I. Sc. Kudapura from 23 November 2016 to 13 December 2016.

Resource Person:

- Selected as Main Jury member for the state level inspire award competition which was held on 15-11-2016 and 16-11-2016, organised by the department of District Institution(DIET) for education and training, Mangalore.
- Resource person for the training programme conducted for high school teachers at Regional Science Centre, Pilikula, Mangalore as part of National Science Day Celebrations.

MR NILAKANTHAN V K, Lecturer

Participation:

- Attended Two Days National Workshop on Computational Physics at Alva's College, Moodabidri on 9th and 10th February, 2017.

MS RITA CRASTA , Assistant Professor

Participation:

- Attended NDPCI-BRNS School on Nuclear Reactions and applications 'NRA-2016', at Bhabha Atomic Research Centre, Mumbai from November 02 to 12, 2016. Presented paper on " Photon and Neutron induced Reaction Cross section Measurements".

- Attended UGC Sponsored two day National Conference on "Nuclear Energy In India- A Boon" held at St. Philomena's College, Mysore on 29th and 30th March 2016.

MR PRASHOBH R WARRIER, Assistant Professor

Participation:

- Attended UGC sponsored one day National Seminar on " Sustaining Tourism in Wayanad and Sustain Engineering" at Government Engineering College, Manadavady, Wayanad, Kerala. Also presented a paper title " Application of Satellites in Sustaining and Conserving Wildlife in Wayanad"

DEPARTMENT OF POST GRADUATE STUDIES AND RESEARCH IN SOCIAL WORK

- Department also offers Post Graduate Diploma in Human Resource
 - Management and Diploma in Human Resource Management
- New courses initiated in the Programme of PG Social Work include,**
- a. Life Skills Education – II Semester
 - b. Indian Social Problems and Interventions – Choice Based Credit system I Semester
 - c. Women’s Development Studies III semester
 - d. Corporate Social Responsibility- IV semester
 - e. Population and Environment Studies- IV semester

Academic Conferences/workshops:

- Samprathi 2016-Two Day National Seminar on 20th& 21st September on the theme Women In Changing India. Seminar was self and college funded. A total of 200 students, academicians, professionals and researchers participated. Seminar has created opportunities for academia, experts, researchers and students to share their knowledge, experience and research findings on issues related to women development. It has explored the significant changes in women’s position in Modern India and analyzed the further opportunities for women. The role of professional Social Workers and youth in ensuring transformation for Indian Women was successfully covered in all the sessions.
- Street play workshop was organised for the students of I MSW on 16 and 17 of January 2017. The workshop was funded by College. Students were acquainted with the skill of developing the script, performing on the plays on street on issues concerning the society.

Guest Lectures:

- A Session on ““Human Rights in the present Indian political scenario”” was held on 13th December 2016 by Rev. Fr. Cedric Prakash SJ for PG Social Work, MCMS and M Com students
- “Right to Information Act” session was held on 18th August 2016 by Mr. Jaison Soares, Journalist for 2nd year PG-Social Work students
- Guest lecture on “ HR-Team Builder” by Mr. Santhosh K, HR-KONSPEC on 22nd August 2016 for students of PGDHRM
- Guest Lecture on “ Challenges faced by HR Professionals” by Mr. Ajay Aryan on 19th September 2016 for students of PGDHRM
- A Session on “ HR-Business Partner” by Mr. Dhiraj Shetty, DGM-Suprajith Engineering Ltd, Bangalore on 4th February 2017 for students of PGDHRM

Study Tours:

- Nine Community Development students of MSW of went to Tiruvananthapuram and Kanyakumari for their study tour from 16.11.2016 to 18.11.2016 and visited NGO’s, Tribal areas and Social Work College.
- Nineteen PGDHRM students visited Achal Industries and Lamina Suspensions Ltd on the November 17th 2016 and had an interactive session with the HR Manager

- An industrial visit to KMF Milk Diary was conducted for 42 students of PGDHRM and MSW-HR on the 16th December
- Twenty three students of MSW - HR visited the Companies at Mumbai from 17.11.2016 to 19.11.2016 and learnt the HR practices at various set ups
- Rural Camp for I MSW students was organised at Mundgod from 17.11.2016 to 21.11.2016 in order to learn the lifestyle of rural and tribal people
- Nineteen students of Medical and Psychiatry visited hospitals and care centres at Bangalore from 16-11-2016 to 18-11-2016

New initiatives of the Department during the year:

- Inter Institutional Collaboration with Traffic Police of Mangalore City for creating awareness on Traffic rules in general public – Through street plays

ASTRO CLUB

President: Shawn Ajay Dsouza, Secretary: N. Sharath, No. of members: 54

Our journey began way back in 2006, and as of now we're constantly inventing novel methods to learn, enjoy Astronomy and Physics. At its core we focus on the knowledge and skills of our members. The club also conducts regular sky watch programmes for the students as well as the public.

Activities :

- Aerodynamics of a Paper Airplane: The members were taught various paper airplane designs and its effect on flight stability, lift, thrust and time of flight. A competition was also held, and the paper airplanes were launched through an automated machine.
- Fun with Physics experiments: Senior members of the club demonstrated various experiments in Physics such as Tesla Coil, Crooke's Radiometer, Gyroscope, Metronome, DC motors, Tippy top, so on.
- Build your own Satellite: Divided into groups, the members drew their imaginary satellite on the black board. Then, they were asked to build them using the materials provided and later presented.
- Experiments on Light: The President with the help of the Secretary demonstrated various experiments on refraction, total internal reflection of laser light. Also using an ultrasonic atomizer the students could see the path of laser light.
- Debate: The members actively participated in two debates: "Role of Women in Science" and "Is Science conserving or destroying the Environment? ".
- DIY Parachute: Every member was given a garbage bag and asked to design a parachute which would have a very low rate of descent. All these innovative ideas were later put to the test by dropping it from a greater height.
- Star Gazing/ Sky watch programmes: Two programmes were held this year, in which the students could see the Craters on the Moon, Venus, Saturn and Orion Nebula.

The tug of war was the special attraction of the event. The Onam Special -Sadhya – a delicious meal prepared by Kerala students was served.
- As part of emancipating humanness in a insane world of inhuman activities and deprivation of human rights and in commemoration of the year of Mercy on 23 October nearly 96 students with the director, warden, assistant warden and staff visited Snehasadan, a home for HIV affected children and spent a meaningful time with the inmates, interacting with inmates and performing cultural programmes and games for them. As a sign of mercy and compassion the students and the management together collected an amount of Rs 16,000 and donated towards the center.
- On October 29 the students celebrated Deepavali with anthakshari, sweets and lighted soundless fire works.
- On 20th December PG hostel staff and students organised Christmas celebration along with the UG and PUC hostel staff and students. It was well appreciated by all for a wonderfully woven programmes with variety of thematic dances and stage shows. Fr Dion Vaz the rector of St Aloysius College institutions was the chief guest.
- The new year 2017 was welcomed with prayer service at the hostel.

CONCLUSION

We have come to the end of the Annual report for the year 2016-17. We are grateful to God for the many blessings he has showered on our Institution. This indeed has been a memorable year for us with several achievements in academic, co-curricular and extra-curricular activities. Our education in this Institution will be meaningful only to the extent that our students personalize and strive after those values and goals which we hold dear to us. All that the College can do is to assist the students in realizing their hidden potential, to be a partner with them in the task of integral personality-building where their faculties and qualities will find harmonious development.

Let me take this opportunity to thank all those who have lent me a helping hand in the administration of this big, prestigious College. It is not an easy task to manage and guide such a large number of students who are at a crucial and important stage of their life. However, it has been a pleasant year with plenty of fruitful activities and meaningful achievements, strengthening the autonomy, exploring new horizons and encountering new challenges.

First and foremost I express my deep gratitude to Almighty God who has spoken His wisdom through our foolishness and communicated his strength through our human weakness.

I wish to thank Rev Fr. Stanislaus Jerome D Souza, SJ, Provincial and President of the Governing Body and all the members of the same Body. I wish to express my gratitude to Rev Fr. Dionysius Vas, SJ, the new Rector, and the President of the Governing Council, for his encouragement and support. His vision and leadership has played a great role in taking this institution to these great heights. Special thanks to Rev Fr Pradeep Sequiera, SJ for managing so well the financial governance of the College. A very special thanks to the Registrar, Dr A M Narahari, for managing all the administrative procedures and examination systems of the autonomous College; Administrator of AIMIT Campus Fr. Denzil Lobo, SJ, for administering the second campus; the Vice- Principals: Fr Praveen Martis, Director of Kaushal Kendra and the designate Principal, Prof John Edward D Silva. Prof John Sherra, Dr Alwyn D'Sa, and Fr William Marcel, SJ; Fr Ossie Mascarenhas, Chairperson of MBA; the Deans, the Dean of Research Fr Melwyn D Cunha, SJ, Heads of the Departments, the Class Guides, the Mentors and all who have helped in administering this College with excellence and total dedication. Special thanks to Fr Praveen Martis and fr William Marcel, the Campus Ministers and their team for organizing various activities for the spiritual and personality growth of our students. Thanks to the IQAC Coordinator Dr Denis Fernandes for initiating and implementing quality measures in the institution; and NAAC Coordinator Mr Naveen Manscarenhas. Thanks to all those who have engaged value education and remedial classes, the Association presidents, the Mentors, and the College Counsellors, for you have helped the flag of the College fly high. Thanks also to the Office Staff under leadership of Mrs Rita D' Souza, the non- teaching staff and the maintenance staff with Mr Alwyn Cyril Sequeira as the officer-in-charge, - for you were ever loyal and self- effacing and you have been very generous in your service. My special thanks to the entire band of teaching staff members who organized so many activities with such a great efficiency, which saw the name of the College every other day in the local news papers and TV Channels. Thanks also to Fr. Melwyn D Cunha, SJ, Fr Melwyn Mendoca, SJ and Fr William Marcel Rodrigues, SJ, the directors of the gents and ladies Hostels, Mr Alex Rodrigues, Sr Preethi Prathima, BS, and Sr Lucy Lasrado, UFS, the hostel wardens; I wish to thank Prof John Shera and Dr Nagalakshamma, conveners of this College Day Organizing Committee; and all the committee heads, and all the members of the staff for organizing this function so meticulously. A mere 'thank you' would be insufficient words to express my gratitude for the great work you have been doing.

We thank all our benefactors in India and abroad who have been supporting us in many of our activities specially in the construction of the swimming pool..

Thank you my dear students, and the members and office bearers of the Students Council, President Ms Michelle D Souza, the Vice-President Mr Aditya Prasad, the Secretary Mr Mark lawbor, and the Joint Secretary Ms. Parthana Bhakta. Your leadership has made this year a memorable one.

St Aloysius Autonomous College feels proud today with the presence of the Chief Guest, Mr Siddharth, and Founder & CEO of Café Coffee Day, who has consented to be the Chief Guest of this celebration. I am very glad to say that Mr Siddharth is an alumnus of this prestigious institution. He

did his BBM and stayed in our hostel for five years. His dedication to his work is commendable. He is a vibrant visionary and a man on a mission. He has brought in tremendous changes in understanding the formation and running of an industry. We are happy to have him here among us as a source of inspiration to our Students, the Staff and the parents. His ready acceptance to be here with us on this eventful day shows his deep sense of appreciation for this College his Alma Mater. Mr Siddharth, we are delighted to have you as the Chief Guest for this day. The Aloysian family acknowledges your eminence, applauds your achievements and wishes you success in your endeavors.

We look forward to great things to happen to this College in the years to come. We hope that our students will achieve greatness by excellent and committed work, being compassionate to the less fortunate of our nation and being men and women for others.

We are in the process of upgrading this institution into a University. That will help us to experiment with new methods of teaching and offering quality and industry relevant programmes to our students. Some of our future plans are

- Establish various schools of excellence
- Introduce single major system, integrated programmes and twining programmes and professional programmes.
- Establish more MoUs with other institutions of repute and organizations.
- Encourage student-faculty exchange programmes.
- Establish a Centre for Art and Culture.
- Encourage interdisciplinary research in the College.
- Establish community based consultancy with local bodies and NGOs.

The long-awaited swimming pool ready which was inaugurated on the 19th December 2016 with the help SACAA (Alumni) and benefactor's contribution and UGC funding; the sports facilities will be upgraded with the construction of a new basketball Court. We hope to start a few more Post Graduate programmes and new combinations at the Undergraduate level. We will strengthen the autonomous structure of the College. Together we shall build this institution into a mighty tree that shelters many a young person of this nation.

I am glad that Fr Praveen Martis, SJ, has been appointed as the new Principal of the College. As I conclude my last report I would like to thank once all the people who have helped me in these past ten years to make St Aloysius College is one of the finest Colleges in India.

Again I thank each one of you for your very presence and wish you a pleasant evening. May God bless us all!

College Anthem

Comrades, raise a joyful chorus
Loud and glad your hearts outpour
While the love of Alma Mater
Bids our grateful song up-soars
While we pledge to stand united
True to her for evermore

Her's the glorious gifts we've treasured
Love of faith and learning store.
Sword and shield to strike and shelter
Till life's double fight is o'er.
Till from out the deadly combat
We come victors evermore.

Mother like for all her children
Help of Heaven she doth explore
Whether rest they 'neath her mantle
Or fare distant from her door.
Like a kindly spirit watching
Over them evermore.

High up on the hill of idgah,
Stands the home our hearts adore,
Proud above the pride of palm trees,
And the far sea's softened roar,
Hill and deep and palm abiding,
Our examples ever more.

Louder, louder swell the chorus
For the happy days of yore,
For the hopeful toiling present
And the years that lie before,
For the name and fame and honour
Of our mother evermore.

By the God whose greater glory,
Governs still thy life and lore,
By the love thou give'st thy children
And the light that thou dost pour,
Prosper thou, dear Alma Mater,
Aye for ever, evermore.
