Our History

Welcome to St Aloysius College, Mangaluru. (Autonomous)!

St Aloysius College got its Autonomy in June 2007. The autonomous status was further renewed in the year 2012. The Autonomous set up has the freedom to determine and prescribe its course of study and syllabi. It has its own rules of admission in conformity with State Government policy. Moreover it has evolved its own methods of assessment of student work, conduct of examinations and notification of results. There will be sufficient freedom to use innovative tools in teaching - learning process and experiment with methodologies in learning. The degree shall be awarded by the Mangalore University.

The college traces its origins to 1880 when European Jesuits who had landed in Mangalore three years earlier set up a college for the education of the local Mangalorean Catholic Youth.

In the course of a hundred and thirty seven years, St Aloysius College has travelled very far. In 1880, functioning in a single building it was only an upper secondary school but today, the world of St Aloysius College includes in its grand sweep a plurality of buildings.

The College has undergone the third cycle of NAAC Accreditation and has been accredited with 'A' grade with the grade point average of 3.62, which is one of the highest in the state. It is also re-recognised as the College with Potential for Excellence by UGC till 2019, and conferred with star status by DBT, Government of Karnataka and Community College by UGC. The college is ranked 44 in the country by National Institute Ranking Framework (NIRF). It is also ranked 22 for the Science stream by The Week Magazine.

This Prospectus is designed to help you and guide you to plan your education in this College. In this handbook, you will find:

- Necessary information about the College and Courses available.
- The choice available for you in the course selected.
- The rules and regulations regarding admission during the academic year 2018-2019.
- Other facilities available in the campus.

For additional information and clarifications, you are welcome to approach the College office during working hours. It must be remembered that merely purchasing this copy of the College Prospectus does not mean that you have the right of admission to the College.

Location and Campus Culture

Founded in 1880, and now in its 137 year, St Aloysius College is the oldest in this part of the country. Although, it is a religious minority institution, primarily meant for Catholic community, it has been admitting students without distinction of caste, creed, religion and language. Our commitment to the value of non-discrimination has been the hallmark of our successful existence among a plethora of institutions catering to similar causes and objectives. Situated in the heart of Mangaluru, on the top of the Light House Hill in the 37 acres of woodland with soothing, magnificent view of the Arabian Sea, it provides a serene and conducive atmosphere for quiet and diligent academic pursuits.

With over 13,000 students, boys and girls, from Primary to Post Graduate classes, the Campus is known for its salubrious atmosphere, community culture, excellence in teaching, high degree of discipline, deep mutual respect, abiding spirit of tolerance, strong appreciation for all cultures, deep reverence for all religions, intense attachment to ethical values, state of the art facilities, multiplicity of avenues for all round growth of the individual and efficient as well as enlightened administration, drawing appreciative accolades from the University as well as Governmental bodies.

St Aloysius College offers Under-Graduate, Post-Graduate and Doctoral programmes in Arts, Science, Commerce, Business Management and Social Work. The focus of all that happens in the campus be it curricular or extracurricular is to provide opportunities to acquire skills to demonstrate and educe the innate traits that our students possess. All the facilities that are provided are specifically designed to enhance the knowledge base and more importantly to successfully apply the acquired knowledge in the real life situation. We believe that this is the key to a successful students life in the Campus, and this, in turn would lead our students to a successful life in the all too real world out there as they leave the College into their own respective careers. Hence employability of our students is also, our major concern. As we update the curriculum from time to time, we are cognizant of the fact that our students are to face the challenging world of the job market. All efforts are made to see that the students are 'employable' by empowering them with the skills and qualities of the head and the heart for leading a successful career.

Vision and Mission

This premier institution, more than 137 years in existence, has been at the service of the youth of Mangaluru and its environs, as an educational institution run by the Mangalore Jesuit Educational Society, for the education, formation and professional preparation of young people of all castes, creeds and communities without any discrimination. However, as a minority institution it gives priority to the empowerment of the Christian community. And as an institution run by the Jesuits it places a special accent on preferential option for the poor.

We are sure, you would be extremely curious to know what is in store for you in these vast, sprawling and monumental edifices and campus called St Aloysius College, Mangaluru.

At the very outset, we would like to tell you that we firmly believe, education means helping the learners in realizing their self-worth by respecting their individuality. Hence, the ultimate goal of education is the overall development of the student's personality. All endeavors in the process of education that 'happens' at St Aloysius are geared towards achieving this primary goal of education.

While we are committed to achieve and instill in students a burning zeal for academic excellence, we earnestly and consciously pursue rigorously the objective of making our students socially sensitive, committed to the cause of the marginalized and compassionate towards the less fortunate ones of the society.

Our Patron St Aloysius is an inspiration and exemplar for all who come to this campus. Born in a noble family and brought up in relative comfort, this medieval young Italian soon grew tired of living in the lap of luxury, and offered himself to the service of the poor and the destitute by joining the Jesuit Order. He died at the age of 23, a victim of charity and service of the poor, having contracted plague while ministering to the plague stricken in Rome. His integrity of life, his inner strength, his noble ideals, his self discipline, his immense compassion and his tremendous concern for the poor are held up for emulation by our students.

Drawing our inspiration from St Aloysius Gonzaga, and in accord with the teaching of the Founder of the Jesuit Order, St Ignatius Loyola, we on this Campus aim at an integral formation of youth, striving to form individuals who are academically competent, morally strong, artistically accomplished, physically fit, socially concerned and personally balanced. Those who pass out of this institution are to be men and women for others, living nobly, acting justly, believing deeply, relating humanely and walking rightly in the presence of the Divine, and thus becoming critically reflective, intellectually creative, ethically exemplary and socially responsible and response-able persons empowered with great capacity to contribute to the building up of a more humane and just world where all have access to life in its abundance.

- The fees, once paid, will not be refunded under any circumstance.

Autonomous System

1. The degree programmes are structured on semester basis.
2. The relative importance of subjects of study and activities are quantified in terms of credits and also their overall relative importance.
3. The subjects of study include foundation courses, general studies and interdisciplinary subjects.
4. The programme permits horizontal mobility in course selections.
5. The students are required to take part in co-curricular and extra-curricular activities and their participation is compulsory as part of the credit based system.
6. The curricula and question papers are unitized.
7. The declaration of result is based on the aggregate percentage of marks obtained as well as on Grade Point Average earned.

Academic Calendar:

- The odd semesters will commence in June 2018.
- The even semesters will commence in November 2018.
- A semester is of 18 weeks duration.

Assessment/Evaluation:

The assessment will be based on knowledge, intelligence, application, understanding the concept of the subject and creativity.

The continuous internal assessment will have a weightage of 20% and the end semester examinations will have a weightage of 80%.

Aggregate of 35% in internal and end semester exam, in each subject is required to pass.

Attendance:

A total of 5 marks are allotted for full attendance. A student is eligible to write the semester examination only when the student has 75% attendance in each subject and in aggregate of all the subjects.

Students who do not have a minimum of 75% attendance will not be allowed to write the examinations. They have to repeat the semester.

PARENT-TEACHER CO-OPERATION :

Parents play a decisive role in the development of students in their formative years. Therefore the College expects wholehearted co-operation from the parents. Regular meetings of parents and teachers are organized during the year. There will also be a Parents' Meet soon after the fresh admissions in the month of July. Marks cards are distributed to students after the terminal exams, to be shown to the parents and to obtain their signatures. These must be returned to the student's class guide soon afterwards. In the event parents do not get to see the marks cards, they should invariably speak to the Vice Principal regarding attendance and performance.

Parents are also invited to visit the College and meet the Vice Principal, Dean and Class-Guides especially when unsatisfactory attendance or progress of their wards is brought to their notice. Please do not send elder brothers or sisters, uncles and aunts. Please do not wait till the end of the semester.

The College Calendar contains special instructions for the parents and is given to the students at the beginning of the academic year.

Theology Classes And Spiritual Exercises

All the Catholic students will have Theology classes, spiritual exercises and seminars as a part of their formation.

Value Education And Prayer Services

The College has been offering all students a course in Value Education to set before them high human and moral values that everyone should possess as well-integrated citizens of our country. These classes are obligatory.

Examination

There will be regular end semester examination and class tests conducted by the College and every student is obliged to take them. If for any reason he/she cannot take the examination, the parents/ guardians should meet the Principal personally and explain the student's absence failing which the student will not be permitted to attend his/her classes. There may be a penalty imposed.

The marks obtained in these class tests are considered for Internal Assessment.

No candidate will be permitted to appear for the end semester examination unless he/she fulfils the requirements of good conduct and progress in studies. A minimum of 75% attendance is a must in each subject.

GENERAL REGULATIONS

Students shall observe the General Regulations and other rules of discipline printed in the College Calendar and those framed from time to time. In particular:

- Every student should possess an Identity- Card which should be produced whenever asked for, by any staff member of the College.
- Punctuality and regular attendance is insisted upon. Leave of absence from College should be applied for and obtained beforehand. Unforeseen absence must be justified on return to the College. SAHAYA : A project on Social Responsibility

As the mission of our College is to "form men and women for others", we would like to train and sensitize our students and to cultivate such a heart, 'SAHAYA' a project on social responsibility is introduced in our college. This programme is to create awareness among the students about their social responsibility. Therefore every student is encouraged under this programme to spend twenty hours in a year doing voluntary service to help the less privileged of the society and become responsible citizens of the country to build better society.

This project helps in learning outside the classrooms and to make the students experience and express concern for the society, especially the poor and the needy. It also helps to conscientise people in the community and bring about attitudinal change on literacy, health, and women empowerment. It gives opportunity to the students to get involved in doing community service.
