# Our History

Welcome to St Aloysius College (Autonomous), Mangaluru.

St Aloysius College was awarded the Autonomous Status in June 2007. The Autonomous Status was further renewed in the year 2012. The Autonomous status has the freedom to determine and prescribe its courses of study and syllabi. It has its own rules of admission in conformity with the State Government Policy. Moreover, it has evolved its own methods of assessment of student attainment, conduct of examinations and declaration of results. There will be sufficient freedom to use innovative tools in teaching - learning process and experiment with methodologies in learning. The degree will be awarded by the Mangalore University.

The College traces its origins to 1880 when European Jesuits who landed in Mangalore three years earlier had started a college for the education of the Mangalorean Catholic Youth.

In the course of a hundred and forty two years, St Aloysius College has travelled a significant distance. In 1880, functioning in a single building in 1880 it was only an higher secondary school. But today, the world of St Aloysius College includes in its grand sweep a plethora of buildings.

The College has undergone the third cycle of NAAC Accredition and has been accredited with 'A' grade with the grade point average of 3.62/4, one of the highest in the state. It is ranked 95 in College Category - 2021 under NIRF. It is recognized as a Centre for Research Capacity Building under UGC - STRIDE Scheme and also recognized under DBT - BUILDER Scheme. It is conferred by DBT as College with "STAR STATUS". The College is recognized by UGC as "College with Potential for Excellence". It is ranked at 22 for the Science stream by 'The Week Magazine'.

This Prospectus is designed to help and guide you to plan your education in this College. In this handbook, you will find:

➲ Necessary information about the College and Courses available.

➲ The Choices available for you in the course selection.

➲ The Rules and regulations regarding admission during the academic year 2022-2023.

➲ Other facilities available in the campus.

For additional information and clarifications, you are welcome to approach the College Office during working hours (9.00a.m. - 12.45p.m. & 1.45p.m. - 4.45p.m.). It should be noted that merely applying online and submitting the hard copy of the application to the College does not mean that you have the right of admission to the College.

## LOCATION AND CAMPUS CULTURE

Established in 1880, and now in its 143$^{rd}$ year, St Aloysius is the oldest College in this part of the country. Although, it was a religious minority institution, primarily meant for the Catholic community, it has been admitting students without distinction of caste, creed, religion and language. Our commitment to the value of non-discrimination and has inclusiveness been the hallmark of our successful existence among a plethora of institutions catering to similar causes and objectives. Situated in the heart of Mangaluru, on top of the Light House Hill in the 37 acres of woodland with a soothing, magnificent view of the Arabian Sea, it provides a serene and conducive atmosphere for quiet and diligent academic pursuits.

With over 14,000 students, both boys and girls from Primary to Postgraduate classes, the Campus is known for its salubrious atmosphere, community culture, excellence in teaching, high degree of discipline, deep mutual respect, abiding spirit of tolerance, strong appreciation for all cultures, deep reverence for all religions, intense attachment to ethical values, state-of-the-art facilities, multiplicity of avenues for all round growth of the individual and efficient as well as enlightened administration, drawing appreciative accolades from the University as well as Governmental bodies.

St Aloysius College offers Undergraduate, Postgraduate and Doctoral programmes in Arts, Science, Commerce, Business Management and Social Work. The focus of all that happens in the campus, be it curricular or extra-curricular is to provide opportunities to acquire skills to demonstrate and educe the innate potentials that our students possess. All the facilities provided are specifically designed to enhance the knowledge base, and more importantly, to successfully apply the acquired knowledge in real life situations. We believe that this is the key to a successful student's life in the Campus and this, in turn, would lead our students to a successful life in the real world out there as they leave the College and move towards their own respective careers. Hence, employability of our students is also our major concern. As we update the curriculum from time to time, we are cognizant of the fact that our students are to face the challenging world of the job market. All efforts are made to see that the students are 'employable' by empowering them with the skills and qualities of the head and the heart, for leading a successful career.

# Vision and Mission

This premier institution, more than 142 years in its existence, has been at the service of the youth of Mangaluru and its environs, as an educational institution run by the Mangalore Jesuit Educational Society, for the education, formation and professional preparation of young people of all castes, creeds and communities, without any discrimination. However, as a minority institution, it gives priority to the empowerment of the Christian community. And as an institution run by the Jesuits, it places a special accent on preference towards the underprivileged.
We are sure that you would be extremely curious to know what is in store for you in these vast, sprawling and monumental edifices in the campus at St Aloysius College, Mangaluru.

At the very outset, we would like to tell you that we firmly believe, that education means helping the learners in realizing their self-worth by respecting their individuality. Hence, the ultimate goal of education is the overall development of the student's personality. All endeavors in the process of education that happen at St Aloysius, are geared towards achieving this primary goal of education.

While we are committed to achieve and instill in students a burning zeal for academic excellence, we earnestly and consciously pursue rigorously the objective of making our students socially sensitive, committed to the cause of the marginalized and compassionate towards the less fortunate ones of the society.

Our Patron, St Aloysius Gonzaga is an inspiration and exemplar for all who come to this campus. Born in a noble family and brought up in relative comfort, this medieval young Italian soon grew tired of living in the lap of luxury, and offered himself to the service of the poor and the destitute by joining the Jesuit Order. He died at the age of 23, charity and service of the poor, having contracted plague while ministering to the plague stricken, in Rome. His integrity for life, his inner strength, his noble ideals, his self-discipline, his immense compassion and his tremendous concern for the poor are held up for emulation, by our students.

Drawing our inspiration from our Patron, and in accordance with the teaching of the Founder of the Jesuit Order, St Ignatius Loyola, we, on this Campus, aim at the integral formation of youth, striving to form individuals who are academically competent, morally strong, artistically accomplished, physically fit, socially concerned and personally balanced. Those who pass out of this institution are to be men and women for others, living nobly, acting justly, believing deeply, relating humanely and walking rightly in the presence of the Divine, and thus becoming critically reflective, intellectually creative, ethically exemplary, socially responsible and response-able persons empowered with great capacity to contribute to the building up of a more humane and just world where all have access to life in its abundance.

# COURSES OFFERED AS PER NEP 2020

## Explore your options

**Please note:**

➲ First Language is English (COMPULSORY.)

➲ The second language : Kannada, Hindi, Malayalam, Sanskrit, French, Additional English and Konkani Students can read the below mentioned table carefully and choose the Second Languages.

| | Kannada | Hindi | Sanskrit | Konkani | Additional English* | Malayalam | French |
|---|---|---|---|---|---|---|---|

# BCA (Bachelor of Computer Applications)

**Students who have not studied Maths in II PUC, should attend Basic Maths Bridge Course classes by paying the prescribed fees (Class Timings: Mon-Thu 4 pm to 5 pm) The admitted Students will have two years of compulsory English language.**

A candidate who has passed the two-years +2 level (Karnataka PUC / CBSE /ISC /NIOS/ State Boards) from any recognised Board in India or any other examination considered as equivalent there to by Mangalore University is eligible for admission to these programmes.
Commerce students who have studied Computer Science/Statistics/Business Mathematics/IT as one of the subjects in PU/+2 level are eligible.

## Course Content

### I Semester
- Fundamentals of Computers
- Programming in C
- Mathematical Foundation
- LAB1: Information Technology
- LAB2: C Programming

### II Semester
- Data Structures using C
- Object Oriented Concepts using JAVA
- Discrete Mathematical Structures
- LAB3: Data Structure lab
- LAB4: JAVA lab

### III Semester
- Data Base Management Systems
- C# and DOT NET Framework
- Operating System Concepts
- LAB: DBMS
- LAB: C# and DOT NET Framework

### IV Semester
- Python Programming
- Computer Multimedia and Animation
- Computer Communication and Networks
- LAB: Python programming
- LAB: Multimedia and Animation

### V Semester
- Internet Technologies
- Statistical Computing and R Programming
- Software Engineering
- LAB: JAVA Script, HTML and CSS
  LAB: R Programming
- (a) Cyber Law and Cyber Security
  (b) Cloud Computing
  (c) Business Intelligence
- DTP, CAD and Multimedia / Hardware and Server Maintenance / Web Content Management Systems
- Cyber Security

### VI Semester
- PHP and MySQL
- Artificial Intelligence and Applications
- LAB: PHP and MySQL
- Project Work
- (a) Fundamentals of Data Science
  (b) Mobile Application Development
  (c) Embedded Systems
- DTP, CAD and Multimedia / Hardware and Server Maintenance / Web Content Management Systems

# B Com (Bachelor of Commerce)

Only those who have taken Business Studies and Accountancy in PUC or equivalent 12th std examinations and have obtained 75% or greater are eligible to apply.

## B.COM PROFESSIONAL

### ♦ B COM (CA Integrated)

Along with the regular B Com studies, students are offered intensive coaching by CA professionals for Foundation and Intermediate examinations of the ICAI. It is a B.Com degree with coaching given for all CA subjects.

### ♦ B COM (ACCA Embedded)

On successful completion of this B Com programme, students are exempted from appearing for 6 papers out of 13 papers of ACCA. Student has to write only 7 papers to qualify ACCA. It is a B.Com degree, with ACCA subjects

### ♦ B COM (Apprenticeship/Internship Embedded)

Designed to bridge the gap between the academia and the Industry with Computerised Accounting Skills. The candidates are intensly prepared for the employment market. It is not a separate degree, but B.Com with additional features. The students will get hands on experience as they will go on 6 months apprenticeship during the 6th semester

♦ **USCMA is an add-on course for B.Com Students with direct training from ISBC Trainers. For more information kindly contact Ms. Renita Aranha - 9980531273**

# BBA (Bachelor of Business Administration)

Those who have a minimum of 50% in any stream of PUC or equivalent 12th std Examination are eligible to apply. **The admitted Students will have two years of compulsory English language.**

### LANGUAGES

## Highlights of the Programme

➲ The media scenario in the world keeps changing on a daily basis. Hence, it is necessary that media students are up-to- date with current trends in modern media, both from theoretical as well as practical point of view. The department of B.Sc (Visual Communication) aims at responding to the current trends, opportunities as well as challenges in the academic and the on-field world, of mass media.

➲ With theoretical input and practical blend of courses, the department of Visual Communication prepares young-creative minds for the Visual media industry which is immensely growing in India and abroad.

➲ We lay foundation in theoretical concepts through; *Introduction to Communication, Theories of Visual Communication, History of Visual Arts, Visual Aesthetics, Media Law and Ethics, Narrative Story Telling, Film Studies, Script Writing and Media Research.*

➲ The Course gets intense with practical exposure and inputs by experts in *Writing Skills and Design, Visual Literacy and Drawing, Visual Design and Television Production.*

➲ Visual media specifics include *Basic Photography, Advanced Photography, Basics of Animation, Elements of Cinema, Documentary Film Making, Advertising, Sound Design, Digital Film Making* and are taught to the students with the emphasis on placement opportunities.

➲ *New media production, Branding* are also taught without compromising on critical input on media literacy and Communication for Development.

➲ Unleash your creative mind, by choosing to be unique from others.

# B.VOC.

Bachelor of Vocational Education (B.Voc) is a three-year undergraduate course which is focused on providing adequate skills for a candidate to have the relevant skills relating to a profession. Eligibility PUC or equivalent or any diploma holder or ITI

## B Voc Program Highlights

- This is a 3 year degree course after Higher Secondary or Intermediate/P.U college with multiple entry and exit points.
- Students completing the first year get a Diploma certificate, after second year they get the Advanced Diploma certificate and after completion of three years, the B.Voc. Degree is awarded.
- The course curriculum has 40% general education (theory) and 60% vocational training (practical) components.
- These programs follow semester system and offer credits after completion of the course.
- The students who have enrolled in B.Voc courses appreciate the practical focus and are confident that their chances of getting a suitable job are higher than other graduates.

Students outside Karnataka/NRI or Other Boards should submit the ATTESTED COPIES and ORIGINAL Marks Cards of SSLC and XII Std, along with the Transfer Certificate, Eligibility Certificate issued by Mangalore University, and Migration Certificate by the concerned Boards to the College Office.

# Autonomous System

1. The degree programmes are structured on semester basis.
2. The relative importance of the subjects of study and activities, are quantified in terms of credits.
3. The subjects of study include foundation courses, general studies and interdisciplinary subjects.
4. The programme permits horizontal mobility in course selections.
5. The students are required to take part in co-curricular and extra-curricular activities and their participation is compulsory as part of the credit based system.
6. The curricula and question papers are unitized.
7. The declaration of result is based on the aggregate percentage of marks obtained as well as on Grade Point Average earned.

## Academic Calendar

• The odd semesters will commence in June.
• The even semesters will commence in November.
• A semester is of 18 weeks duration.

## Assessment/Evaluation

The assessment will be based on knowledge, intelligence, application, understanding the concept of the subject and creativity.

The Continuous Internal Assessment (CIA) will have a weightage of 20% and the end semester examinations will have a weightage of 80%. Aggregate of 35% in internal and end semester exam in each subject is required, to pass.

## Attendance

A total of 5 marks are allotted for full attendance. A student is eligible to write the semester examination only when the student has 75% attendance in each subject and in aggregate of all the subjects.

Students who do not have a minimum of 75% attendance will not be allowed to write the examinations. They have to repeat the semester.

## Parent-Teacher Co-operation

Parents play a decisive role in the development of students in their formative years. Therefore, the College expects wholehearted co-operation from the parents. Regular meetings of parents and teachers are organized during the year. There will also be a Parents' Meet soon after the fresh admissions in the month of July. Marks Cards are distributed to students after the terminal exams to be shown to the parents and to obtain their signatures. These must be returned to the student's class guide soon afterwards. In the event parents do not get to see the marks cards, they should invariably speak to the Director regarding attendance and performance.

Parents are also invited to visit the College and meet the Director, Dean and Class-Guide especially when unsatisfactory attendance or progress of their wards is brought to their notice. Please do not send elder brothers or sisters, uncles and aunts. Please do not wait till the end of the semester.

The College Calendar contains special instructions for the parents and is given to the students at the beginning of the academic year.

## Theology Classes and Spiritual Exercises

All the Catholic students will have Theology classes, spiritual exercises and seminars as a part of their formation.

## Value Education and Prayer Services

The College has been offering all students a course in Value Education to set before them high humane and moral values that everyone should possess as well-integrated citizens of our country. These classes are obligatory.

## Examination

There will be regular end semester examination and class tests conducted by the College and every student is obliged to take them. If for any reason he/she cannot take the examination, the parents/ guardians should meet the Principal personally and explain the student's absence failing which the student will not be permitted to attend his/her classes. There may be a penalty imposed.

The marks obtained in these class tests are considered for Internal Assessment.

No candidate will be permitted to appear for the end semester examination unless he/she fulfils the requirements of good conduct and progress in studies.  A minimum of 75% attendance is a must in each subject.

## GENERAL REGULATIONS

Students shall observe the General Regulations and other rules of discipline printed in the College Calendar and those framed from time to time. In particular:

- Every student should possess an Identity- Card which should be produced whenever asked for, by any staff member of the College.
- Punctuality and regular attendance is insisted upon. Leave of absence from College should be applied for and obtained beforehand. Unforeseen absence must be justified on return to the College. Absence from the College Examinations and on the reopening of classes after the holidays will not be tolerated. The students will not be admitted until their parents meet the Principal personally and explain the absence.
- Attendance for Value Education classes and examinations are compulsory.
- Those who depend on public conveyance to come to the College, should leave their homes early enough to avoid peak hours and be at the College on time.
- Irregularity in attendance, insubordination, habitual inattention, neglect of work, vandalism, obscenity in word or act are punishable by suspension or dismissal. Minor offences are punishable by a fine or loss of attendance.
- Books, magazines, newspapers etc., not approved by the Principal should not be brought to the College.
- Use of alcohol,  tobacco and drugs in any form on the College premises is strictly prohibited.
- Students should not join any Club or Society that may interfere with their regular studies in the College.  They are not allowed to play in any team against the College.
- Students should not take part in any political agitation directed against the lawful authority of the Government. They are also forbidden to engage prominently in any public movement without the  permission of the Principal.
- The College, though not responsible for the conduct of its students outside its premises, will take cognizance of any serious misconduct of its students committed outside its premises.
- Students are required to live with parents, relatives, guardians or in hostels approved by the College Authorities. Early in the first term every student shall fill in a slip giving particulars of his place of residence in Mangaluru.
- Attendance at classes and examinations, progress as well as conduct of the student will be taken into consideration while recommending students for merit certificates, fee concessions, scholarships, higher studies and employment.
- Apart from Educational tours in some subjects, the College does not organize picnics or tours. Students going on private picnics in groups have to face severe disciplinary action.
- Those who indulge in ragging or encourage it will be dismissed from the College.
- Use of mobiles is strictly prohibited inside the buildings in the Campus. The Hostel Warden may allow mobiles under special consideration.
- Students must be neatly dressed in accordance with the rules of approved etiquette. BBM and B.Com students will wear the specified formal dress.

## Notice to students

The list will be updated every 24 hours.

### ACTION BY THE COLLEGE

As per the above mentioned conduct, any individual or group of students belonging to the institution, indulge in this action inside or outside the campus & while commuting is punishable as per the provisions of the Act of central & state Governments, which is considered ragging as a cognizable offence under the law on par with atrocities against women, all ill-treatment to person belonging to the marginal section of society.

All information regarding this issue, shall be given to the below mentioned authorities in person or in writing or through suggestion box.  All details will be kept confidential and appropriate actions will be taken as per the law.

Nodal Officer: Dr Roshan Monteiro
Contact Details: 8073852946
Email: antiraggingcell_sac@staloysius.edu.in

# St Aloysius College Alumni Association (SACAA)

St Aloysius Institutions have seen generations of students pass through its doors. It has become known for its contributions to society. Once an Aloysian, always an Aloysian, as the saying goes.

The aim of the St Aloysius College Alumni Association (SACAA) is to bridge the gap between the College and its alumni. It started as an Old Boys Association in 1901 and was later registered as SACCA in 1991 In the year 2000, SACAA was incorporated under the Society Act. The presidency of the association was passed to the laity in 1991. More than 14,000 graduates have joined the association as life members. The goal is to bring alumni and students together and create an environment where alumni can help students by providing encouragement and motivation.
SACAA assists students in reconnecting with classmates, old acquaintances, and teachers. Through SACAA, students may reminisce, share news, rebuild friendships, and possibly form business partnerships. As a result, SACAA urges students to register as Alumni and become members of the Association.
MOTHER TERESA PEACE PARK

**The Chapel:** It is centrally located, and is completely filled with paintings and murals by the master Italian painter Brother Moscheni SJ and is the only one of its kind in India. People of all religions find it a place of inspiration, personal reflection and prayer. There are regular services for Catholics conducted throughout the year.
**Campus Ministry:** It provides opportunities for prayer and reflection and pastoral care to the students of all faiths and spiritualities. Outreach and immersion camps are organized through campus ministry. Retreat for Catholic Students and skill development programmes are organized for students of other faiths.

**SARANG 107.8FM, St Aloysius Community Radio, Mangaluru :** The College has a Community Radio Station SARANG which broadcasts FM Radio programmes for the educational and cultural growth of the students and the neighbourhood. The FM frequency is 107.8 MHz and the broadcast is 16 hours.

**The Library:** Our College possesses more than 1,00,000 books and several rare collections to give the privilege of being a specialized library. The library receives more than 150 periodicals. Every year more than 1200 new books are added to the library. A new multi-user library management software 'EASYLIB' is installed in the library. Our library has sufficient computers for internet browsing facility. Library is the member of DELNET Services where inter-library loan facility is available. Our library is also the member of the American Central Library, Chennai. Photocopy facility is available in the Library.

**Laboratories**: We have 24 Well-equipped laboratories with spacious and well-ventilated halls to meet the requirements of Computer Science, Botany, Chemistry, Zoology, Physics, Microbiology, Electronics, Psychology, Bio-Chemistry, Bio-technology, Journalism, Social Work and English Language departments. The Laboratory of Applied Biology and Environmental Sciences offers research facilities for Ph.D. & it has established a central computational facility under the FIST program.

The Dr W. Kuppers Bio-tech Unit is equipped with instruments for molecular work. It has planned to undertake molecular transformation studies in Ragi, Cashew, Banana and Tree Ferns. The College Fern House maintains a large collection of rare ferns for study.

**WIFI Campus:** The four blocks of our campus have WIFI facility with upto 35 MB speed internet connection for the use of staff and students.

**Bookstore**: The College has a bookstore in the Admin-block serving the student community. The store stocks all the required and recommended textbooks, study aids and office supplies.

**Cafeteria and Bank**: There are two College Canteens -Al-Cafe and SAC canteen which provide refreshments besides veg and non-veg meals at moderate prices. The South Indian Bank, SAC Extension Counter is on our campus with an ATM facility.

**Al-Vana-Biodiversity Park:** The College has an extensive Biodiversity Park with various kinds of endangered plants - a place for practical work for the Botany students. There is also a green house where special attention is given to some plants including orchids with easy access to the students pursuing tissue culture course.
**Teletorium:** The College offers media services through the spacious Audio-Visual rooms. The Audio Visual room provides viewing facilities with modern audio visual instruction materials. Tele-Conferencing opportunity is made available.
**The Observatory:** The College has commissioned an observatory 'AL SOLARIUM' with an advanced 8 inch rotating telescope to observe and study the universe around us.

**Hostels:** Students who do not live with their parents, near relatives or guardians are expected to live in hostels approved by the College. There are two separate hostels for boys and girls run by the College and their capacity has been increased with the addition of new buildings. Vegetarian and non-vegetarian food is available.

**Distance Education Centre:** The campus houses IGNOU Study centre in the Maffei Block for continuing higher education in the distance mode.

IGNOU provides learning support through learner friendly self

instructional study material and interaction with subject experts during the counseling sessions or home-based assignments.

**Counseling Services**: Counseling services are available to students and their parents. Students may seek help for a variety of concerns including: improving relationship with family, friends, room-mates, making important decisions about one's personal life, dealing with painful feelings like loneliness, depression etc. Counseling services are confidential and provide academic support as well.

**Mentoring System:** Each class will have a teacher who will function as a Mentor, to create an adequately supportive climate at work. The function of the Mentor is more a matter of providing the micro-environment in which the talents of a person can flourish. The Mentor, as an animator, takes personal interest in each student's achievement and transforms a class into an effective team. A special mentor has been appointed to look after the well being of the foreign students.

**Language Lab:** The College has a well-equipped Digital Language Laboratory with 30 computers and up-to date softwares .

**Computer Skills and Service:** Students have access to over 325 computers in several well equipped, air-conditioned laboratories in the Computer Center. A Computer Hardware Laboratory is attached to it.

**Auditoriums:** In Addition to the main auditorium, which is known as Gelge Hall, College also has 3 new auditoriums in the ARRUPE Block for staff-student activities. The College has two more fully air conditioned auditoriums. Rev. Fr L.F. Rasquina and Rev Fr Robert Sequeira halls in the LCRI block .

**Mid-day Meals Scheme:** The College offers mid-day meals free or at concessional rates for the economically deserving students.

**Games and Sports:** Department of Physical Education has a legacy in the field of Sports and Games for the past 141 years. Its flag flies high at the National, State, University and Intercollegiate level with a large number of laurels to its credit. The college has extensive indoor and outdoor facilities to cater to the needs of the students, with excellent coaches. We are proud to announce Sports Academies at St Aloysius Institutions in Basketball and Cricket.

## INCENTIVES

Towards its goal of excellence in education, the College offers incentives by way of certificates and awards for outstanding performance and regularity. Financial aid is offered to poor students through many Management Scholarships. Brilliant but underprivileged students are given admission with fee waivers.

The Central and State Governments offer scholarships, fee concessions and freeships to deserving students. The college also offers some endowed scholarships. All Scholarships, Fee Concessions and Freeships given by the Government or College, are subject to regular attendance, good conduct and satisfactory progress.

## SAHAAYA : A project on Social Responsibility

As the mission of our College is to "form men and women for and with others", we would like to train and sensitize our students, and to cultivate such a heart, 'SAHAYA', a project on social responsibility, is introduced in our College. This programme is to create awareness among the students about their social responsibility. Therefore every student is encouraged under this programme to spend twenty hours in a year doing voluntary service, to help the less previledged sector of the society, become responsible citizens of the country and to build a stronger society.

This project helps in learning outside the classrooms and to make the students experience and express concern for the society, especially the poor and the needy. It also helps to concientise people in the community and bring about attitudinal change on literacy, health, and women empowerment. It gives opportunity to the students to get involved in doing community service.

## ICT Classrooms

The well-equipped ICT classrooms make use of in-built content banks that include 2D-3D images and multimedia content for all subjects. This new form of student oriented learning brings about a change in the traditional teaching systems of black board writing, and these new-age smart boards is aimed at making the process of learning much more interactive, student-centered and enjoyable

## Facilitating Growth

Our department works to ensure that the only thing that you need to worry about on the day of the interview is letting your uniqueness shine through with our :

- 200 dedicated systems with-to-date technical specifications.
- High-speed uninterrupted internet all over the campus
- 7 exclusive auditoriums with a seating capacity of 200-500 with all facilities for Pre-Placement Talks
- 4 air-conditioned conference rooms
- Dedicated facilities to conduct interview and Group discussions
- State of the Art Video Conferencing appartus

## Our Objectives

- To encourage Learning by experience among the student by, arranging for internships and projects in the industry.
- To counsel students in various higher education and research opportunities in India and abroad
- To provide necessary information and training for various competitive examinations, Public and Civil Services examinations to the students
- To conduct and greet sessions, seminars, workshops and webinars by various industry experts to help build knowledge. confidence and industry exposure among the students of the College
- To encourage student interest in International proficiency certifications like BEC, VERSANT
- To keep the students updated on various off-campus recruitments, internships, research opportunities and provide information on the application process

**PARTNERED UP**
SOME OF OUR PLACEMENT PARTNERS

As a part of expertise we work to ensure that our students are matched with only the best of companies. We are really proud of our student's dedication and skill that allowed them to join such wonderful companies.

GVK BIO — GVK BIOSCIENCES
FEDERAL BANK — FEDERAL BANK
PINCLICK
WIPRO — WIPRO
L&T — L&T
hp — HP INC
SPICE ROUTE LEGAL
UniCourt — UNICOURT
D. — DELOITTE
tcs — TCS
Cognizant — COGNIZANT
IBM — IBM
EY — EY
RANDSTAD

## Industry Collaborations

Industry-Academia interaction and MoUs with corporate sectors and research institutions have ensured that students obtain the best possible exposure. Industry representatives are included in the Governing Body, Academic Council and BOS of every department. The College gets first-hand information on the current trends and requirements through the feedback from employers and alumni/ae so that manpower suited to both academia and industry are generated.

## International Collaborations

St Aloysius College has drawn 31 MOUs out of which 17 are with universities abroad, in the U.S., Spain, Germany, UK, and New Zealand. Starting in 2016, Management and IT students of St Aloysius have completed add-on courses from a university in the U.S. that has acknowledged the course completion with certificates issued to the students.

## Some of our Note Worthy Collaborations are with:

- State University of New York (SUNY)     Cortland, NY, United States
- Lindenwood University     Missouri, United States
- Ottawa University     Kansas, United States
- Harrisburg University     Pennsylvania, United States
- Universidade Catolica del Uruguay     Montevideo, Uruguay
- Saint Louis University Madrid Campus     Madrid, Spain
- Universiti Malaysia Sabah     Sabah, Malaysia

**Our Student of BA Ms Sowmya Clara in Universidad Católica de Valencia, Spain for Student mobility programme under Erasmus Project.**

# Entrepreneurship, Innovation and Research

## Entrepreneurship Cell

E-Cell (Entrepreneurship Cell) aims to assist and promote aspiring entrepreneurs from the stage of ideation to commercialisation of businesses by creating awareness during their Graduate & Post graduate degrees at Aloysius and exposing them to channels of varied opportunities that help nurture the spirit of entrepreneurial thinking, promote business knowledge and instil confidence in budding entrepreneurs.

## St Aloysius Incubation Centre (SAIC)

St Aloysius Incubation Centre (SAIC) Mangaluru, a unit of St Aloysius College (Autonomous), Mangaluru has a vision to encourage men and women who have an idea, a product and an ardent desire to realise their dreams of creating and innovating product or services or both for the ultimate benefit of the larger section of the society. It is an initiative set up by Entrepreneurship and Innovation Cell, St Aloysius College (Autonomous) to nurture Innovation and Entrepreneurship culture among the students, faculty, and alumni to enable them to transform their innovative business ideas into reality. The centre aims to cultivate individual talents, skills and personality to give each business the best possible start, thus nurturing Entrepreneurship at a local and national level.

## Research

Being one of the premier institutions of higher education in the country, the College realizes the importance and need to systematically scale up research activities. As the first step it established the Office of Dean of Research –a separate entity under the direction of the Principal – to promote the research ambience, create and sustain a research culture, motivate staff and students to engage in research activities. The aim is to inspire, guide and coordinate the initiatives of the staff and students towards doctoral and post-doctoral research in the sciences and the humanities. It also aims at completing major and minor research projects, organizing national and international conferences, presentation of research papers and their publication in reputed journals, and similar other research-related matters.

# CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES

# CERTIFICATE COURSES

**The various departments of the College offer Certificate Courses to students. Every student has to mandatorily complete a minimum of one course per year for the First 2 years.**

## UNDERGRADUATE

**Economics**
- Economics for Competitive Exams
- Foreign Exchange Management
- Health Economics
- Mathematics for Economics

**English**
- Beginning Theory: Thoughts, Tools and Research
- Corporate Culture and Communication
- Cultural History of Indian Architecture
- English Grammar and Vocabulary

- Introduction to Dalit Literature
- Introduction to Modernism
- Nine Bands in Nine Weeks

**Hindi**
- Comparitive Study of Proverbs
- Hindi Translation
- Mangalore Dharshan - A cultural perspective

**History**
- History and Tourism

**Journalism**
- Art Journalism
- Audio Production

**Kannada**
➢Modern Theatre
➢Shraddha Spoorthi
➢

**Konkani**
➢Vovya- Verse, MC Training

**Library Science**
➢Certificate in Library Automation

**Mass Communication and Journalism**
➢Business Communication for 21st Century

**Physical Education**
➢Yoga and Meditation

**Political Science**
➢Basics in International Relation
➢Contemporary India

**Psychology**
➢Behaviour in the Social Context
➢Psychology of Personality
➢Psychology
➢Psychology of Positive Human Functioning

**Social Work**
➢Geriatric Care

**Sociology**
➢Handloom Trails of India

**B Voc**
➢Adobe Photoshop and Adobe Illustrator
➢Healthy Weight Management
➢Logistic Management
➢PC Assembling and Maintenance
➢Retail Banking & Financial Management
➢Solar Energy Generation and Management
➢Waste Management in the Food Industry

**BBA**
➢Business Etiquette
➢Entrepreneurship Development
➢Fundamentals of Accounting
➢Fundamentals of Event Management
➢Fundamentals of Financial Management
➢Fundamentals of Retail Management
➢Personal Investment and Tax Planning
➢Social Gracing in the Business World
➢Training the Trainers

➢Travel and Tourism Management

**Commerce**
➢Advertising
➢Applications of Banking and Insurance Practices
➢Astro Trading
➢Basic of Spreadsheets
➢Basics of Entrepreneurship: Thoughts and Applications
➢Business Communication
➢Capital Market for Investors
➢Cost Accounting
➢Customer Relationship Management
➢Entertainment and Commerce
➢Event Management
➢General Aptitude and Corporate Ettiqutte
➢Introduction to Research
➢Retail Management
➢Shipping and port management
➢Skill Development
➢Stress Management
➢Tourism Operations

➢**Chemistry**
➢Application of Analytical Chemistry in Food Laboratories
➢Chemistry Drawings using Chemsketch Software
➢Forensic Chemistry - Scientific Approach to Crime Investigation
➢Instrumental Methods and Seperation Techniques in Chemical Analysis
➢Tools of Chemistry Research

**Electronics**
➢Fundamental of Digital electronics

**Mathematics**
➢Introduction to Latex
➢Magic of Sutras in Mathematics
➢Quantitative Aptitude for Competitive Examinations

**Physics**
➢Advanced Course in Theoritical Physics
➢Photonic Crystals
➢Physical Computation using Arduino
➢Physics of Everyday Machines

**Statistics**
➢An Introduction to Python
➢An Introduction to R

**Computer Application and Animation**
- Basics of Python Programming
- C# Programming Basics
- Graphic Designing
- Hardware and PC Maintenance
- Introduction to Internet of Things
- Advanced Excel & G Suite Package
- Computerized Accounting
- Financial Analytics
- Machine Learning
- PHP

**Biochemistry**
- Stem cells

**Biotechnology**
- Food Biotechnology and Regulatory Affairs

**Botany**
- Herbal Medicine and Herbal Products
- Seed Technology

**Food Science**
- Food Processing and Preservation

**Microbiology**
- Basic Concepts of Food Safety
- Solid Waste Management

**Zoology**
- Aquaphonics
- Entomology - the study of Insects

## POSTGRADUATE

**Corporate Psychology**
- Psychology of Personality

**Economics**
- Environmental Economics

**English**
- An overview to Crime Fiction

**Mass Communication and Journalism**
- Business Communication for 21st Century

**Social Work**
- Basics of Human Resource Management
- Essential Life skill education
- Fundamentals of Disaster Management

**MCom F & A**
- Excel for Business and Finance
- Introduction to Corporate Finance Fundamentals
- Savings - A lifeline

**MCom General**
- UGC Net Commerce - Part 1
- UGC Net Commerce - Part 2

**Chemistry**
- Cosmetic Chemistry
- Culinary Chemistry - Everyday Chemistry of Cooking
- Molecular Spectroscopy - A Theoretical Approach

- Reagents in Organic Synthesis
- Separation Techniques in Chemical Analysis
- Spectral Introspection of Organic Compounds

**Mathematics**
- Problem Solving in Linear Algebra
- Topology of Metric Spaces

**Physics**
- Intellectual Property Rights
- Laser and its Application
- Understanding Radiation Benefits and Hazards

**Biochemistry**
- Introduction to emerging Viral Disease and Diagnostics
- Basic Concepts of Bioanalytics
- Cell Culture Techniques
- Molecular Diagnostics

**Food Science**
- Food Analysis and Instrumentation
- Food Safety and Quality Control
- Holistic Nutrition and Wellness
- Sports Nutrition

## PGDBM/DBM

One year Post Graduate Diploma programmes in Business Management(PGDBM) and Diploma in Business Management (DBM) spread over 2 semesters
