

## ABOUT THE UNIVERSITY

St Aloysius College now Deemed to be University belongs to a network of educational institutions administered by the members of the Society of Jesus, a religious order which runs schools, colleges and universities in more than 105 countries in the world. Established in 1880, St Aloysius College, now Deemed to be University prides itself in its history of 144 years. Despite its status as a minority institution, the college has imparted high-quality education to all sections of society regardless of caste, colour or creed. The motto of the university, "Lucet et Ardet" which means "Shine to Enkindle" has inspired countless students to become men and women for and with others and thus bring light and joy into the lives of people.

## DEPARTMENT OF MATHEMATICS

The Department of Mathematics, with its rich academic heritage and active research environment, offers both undergraduate and postgraduate programmes designed to inspire curiosity and strengthen mathematical thinking. The department focuses on building a deep understanding of core and emerging areas of mathematics, preparing students for higher studies, research, and a wide range of professional opportunities.
