STUDY IN INDIA

Information for NRI and International Students

India, renowned for its rich cultural heritage and globally recognized educational institutions, has become increasingly accessible to international learners through the Government of India's Study in India (SII) initiative. Launched by the Ministry of Education, the Study in India programme aims to position India as a preferred destination for higher education.

The **Study in India (SII)** portal serves as a unified platform for international students to access institutional information, submit applications, and manage essential processes such as admissions, visa formalities, and FRRO (Foreign Regional Registration Office) registration. All foreign students are required to register on the Study in India portal and generate a unique SII ID.

If you are an NRI (Non-Resident Indian) or an international student aspiring to pursue higher education in India, St. Aloysius (Deemed to be University) warmly invites you to explore its wide range of academic programmes offered within a vibrant, inclusive, and culturally diverse learning environment.

Steps to Register and Apply

1. Visit the Study in India registration portal:
<https://studyinindia.gov.in>
2. Click on the Registration tab and complete the registration process by providing the required details to generate your SII ID.
3. Visit the St. Aloysius (Deemed to be University) website:
<https://www.staloysius.edu.in>
4. Complete the online application form using your SII ID.

The Admission Team at St. Aloysius (Deemed to be University) is committed to supporting you at every stage of the admission process, ensuring a smooth and seamless transition as you begin your academic journey with us.
