

Chimera gathers scientific talents

ANJU AUGUSTINE

CAMPUS: To provide the students the opportunity to showcase their talents post graduate department of Biotechnology organised CHIMERA 2018 on March 7. The Fest was aimed at fostering unique innovation in the field of Science and it mainly consisted of events which involved testing the student's ingenuity and overall skills. The events involved were Take a plunge, Photo Mania and Turn the Tables.

Mr Balachandra Bhat, senior manager at United Breweries was the chief guest for the event. Dr Harish Poojary was the guest of honour.

"It was a national level inter-collegiate fest. There were seven to eight events. This is the first time we are conducting a fest like this. It is a unique way of presenting the department to various colleges

of their services towards the cause of women empowerment.

"This year, 30 individual awardees and nine institutional awardees are selected for these Puraskars. The Ministry of Women and Child Development announces these national level awards for eminent women, organisations and institutions," it said.

SAC to celebrate college day on Friday

ANGELIN MATHEW

CAMPUS: The College is going to witness vibrant number of cultural events as part of the college day to be held on Friday. The programme will commence at 5:30 p.m. in the college premises.

The chief guest for the function will be Mr Albert W. D'Souza, chairman of Aldel Education Trusts, Palghar, Maharashtra. Fr Dionysius Vas SJ, Rector of the College will preside over the function.

"This is a celebration of excellence of the institution, staff and the students. There will be a series of cultural performances which depict different colours of India. Our college can be considered as mini India, as students from different parts of the country are studying here. We want them to be rooted to their culture.

The students can depict the uniqueness and richness of their culture through their performances. Through this, we are trying to bring different cultures on a single stage. This is also a good chance for them to display their talents," said Dr Alwyn D'Sa, Vice Principal of Admin Block.

Around 13 cultural performances will be held which include Kathak, classical, Hip-Hop, among others. "We are excited to perform in the event. Auditions were also held to choose the best team for the programme. It is a big day for Aloysians. So we are working really hard to make our performance better. We have to give our best," said Dhilna Sherin Shaju, I M Sc student.

Prizes for students who have excelled in academics and other activities will be distributed during the function.

KMC to conduct free 'Breast Cancer screening' camp

DAIJIWORLD

MANGALORE: On the occasion of Women's Day, KMC Hospital Attavar will organise a free 'Breast Cancer Screening' camp along with breast self-examination education to create awareness on breast cancer which is common among women in the present world.

Breast cancer is a cancer that develops from the breast tissue. Signs of breast cancer may show a lump in the breast, a change in breast shape, dimpling of the skin, fluid coming out from the nipple or a red scaly patch of skin.

The free breast cancer screening camp will be held on March 9 and 10 at the surgery department of KMC Hospital Attavar from 9.30 am to 4.00 pm. Individuals can avail free consultation service.

Furthermore, for a complete evaluation of the patient, camp patients can avail 20% discount on all radiology investigations and 10% discount on pharmacy and lab investigations.
