

ST ALOYSIUS COLLEGE (AUTONOMOUS) MANGALURU

Warm greetings from ST ALOYSIUS (Deemed to be University)

It is with great pride and joy that we bring you the good news of your Alma Mater attaining the university status.

In this context, we bring to your notice that you have backlog papers in your previous years/ semesters.

The EVEN Semester Examinations (semesters II, IV & VI) are scheduled to commence on 07.04.2025

Hence, you are strictly instructed to apply for all the backlogs of semesters II, IV & VI immediately without fail.

Kindly utilize this opportunity to study hard and pass in all backlog subjects as you may not get many chances to reappear.

With this, you will also facilitate the institution to smoothly move from the Autonomous Status to the University Status.

You can apply for the backlog papers by using the PACIFYCA PORTAL by paying the prescribed Exam fee ONLINE.

The portal will be open from 13.02.2025 to 22.02.2025

Note:

Students from 2015 & Previous batches are required to come to the campus and apply/ pay the fee for their backlogs at Counter 9 in the College Admin Block.

Detailed schedule of the EVEN End Semester Examination will be displayed on the College website shortly. You are requested to check the College Website regularly.

Students, who apply for backlog papers are advised to contact the HODs and teachers for assistance to get materials and previous question papers.
